RE: Copies of Orders and Other Documents  
Michael J. Pettinato v. SCDPPPS  
Trial Court Case No. 19-15-ALJ-0039-AP  
Appellate Case No. 2020-000658

Dear Ms. Kitchings:

On May 27, 2020, I received an order extending the time for me to file my Initial Brief and Designation of Matter To Be Included On Appeal, until July 2, 2020, in response to my Motion For Enlargement Of Time.

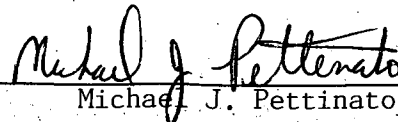

At the time that I filed my Motion For Enlargement of Time, I enclosed a copy of the documents that I wished to have clock-stamped and returned to me for my records, as well as a Self Addressed stamped envelope, however, I never received my copies.

In addition, it appears that an inmate stole the ORDER of the ALC dismissing my Appeal in the Administrative Law Court that is being appealed in this Court, as well as the ORDER denying my Motion To Enlarge Brief that was filed in that Court both of which I attached to the Notice Of Appeal that I filed with this Court and served upon the Respondent in this case.

I would appreciate it very much if you could please send me a copy of both ORDERS — the Order Of Dismissal Of The ALC Case and the ORDER denying my Motion To Enlarge as mentioned above, and the copies of the documents that I sent to be clock-stamped with the Motion To Enlarge Time to file my Initial Brief and Other Documents, at your earliest possible convenience in order that I may continue to prepare my Initial Brief, Designation Of Matter To Be Included, and my Record On Appeal, and file them in a timely manner.

Thank You in advance for your assistance in this matter.

Sincerely and Respectfully,

  
Michael J. Pettinato
