Appellate Case No. 2020-000448

Pickens County,

Respondent,

vs.

South Carolina Department of Health and Environmental Control and  
MRR Pickens, LLC,

Petitioners.

**MOTION FOR EXTENSION OF TIME TO FILE  
RETURN TO PETITION FOR WRIT OF CERTIORARI**

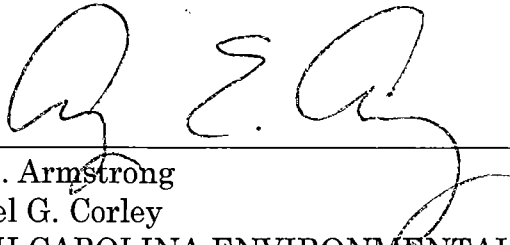

---

TO: ALL PARTIES AND THE SUPREME COURT:

PLEASE TAKE NOTICE that the above-named Respondent hereby moves this Court for an order extending the time for filing a return to the petitions for writ of certiorari filed by the Petitioners in the above-captioned matter. Respondent's return to the South Carolina Department of Health and Environmental Control is due on June 3, 2020, and the return to MRR Pickens, LLC is due on June 4, 2020. Petitioners seek an extension such that both returns would be due on July 2, 2020. This is Petitioners first extension request. In support of this request, Petitioners submit the following:

In the time since the petitions were filed with this Court, Respondent's attorneys have been contending with the disruptions typical of this health crisis, including implementing working from home protocols and balancing at-home child care. In addition, undersigned's law firm has been and remains in the midst of moving from its office of more than 20 years, which has caused significant disruption. This extension request is made in good faith and not for purposes of delay, and the Petitioners will not be prejudiced by this extension. Further, undersigned has consulted with counsel for the Petitioners, both of whom consent to the granting of this request.

Respondent therefore respectfully requests that the Court grant this Motion and extend the time for filing a return to the pending petitions for writ of certiorari until July 2, 2020, under the authority of Appellate Court Rule 263(b)
