Carter v. Juice #259724

Dear Mrs Carter,

You spoke with my Pastor Gary Hardie a few months back. I had expressed concern to him about the Integrity of the Court of Appeals. You assured him that every one was up standing in the Court of Appeals Staff.

The Attorney General took Advantage of my ignorance and I took for Granted they would not try anything underhanded. But they did, they slipped a Return to a 59(E) into the record that I never received ~~at~~ nor was it filed in the lower Court. They are trained Attorneys and I am just a inmate and they still cheat and committ Fraud. I wrote a letter to Kirkholtz and sent the proof, I also sent a copy of the same to the Attorney General, because of the virus, the prison is Restricted so I couldn't go to the law library to check rules. How do you see why I Feel the way I do

this has been happening. And it seems everyone just turn there head like they can't see it. They Filed a Supplement Motion and put it with that. I thought it was the ORDER of Dismissal but by Grace of God I just recognized I never received a Return to My SS(E). Then I saw that the Judge signed the Order denying my SS(E) April 26 2020. There return was Dated April 30 2020. They never addressed my Amendment I Filed in 2013 that's why they needed to get the return in the record to support there Motion to Dismiss. I pray in Jesus name the Court make a example of them.

John W. Jones
