Good morning,

I represent the Petitioner in this appeal. Near the very beginning of the pandemic in South Carolina, when things were just beginning to shut down, we filed our Petition for a Writ of Certiorari. Page 8 of our Petition contains an image that is not particularly clear in black and white. I exchanged emails with the Clerk at the time, because I was unable to file the Petition in color, since we do not have a color printer or fax machine in our office, and we agreed at the time that the black-and-white version was sufficient for the moment.

Because the Court is now accepting filings by email, pursuant to the most recent Order of the Court on the Operation of Appellate Courts During the Coronavirus Emergency, please accept for filing the attached color rendition of the image that appears on page 8 of Stow Away Storage's Petition for a Writ of Certiorari.

I am glad to answer any questions that you may have.

Sincerely,
Ainsley
