Re: Gary Mole v. Kramer Apartments
Appellate Case No. 2019-001884

Dear Counsel:

Upon reviewing your appellant's initial brief, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The initial brief is not accompanied by a designation of matter to be included in the record on appeal.

The Court is in receipt of your record on appeal. This material is being returned to you pursuant to Rule 210, SCACR. The respondent's initial brief and designation of matter has not yet been received. Thirty days after service of the respondent's initial brief and designation of matter is when the record on appeal needs to be served and filed. The record on appeal must include all material that is listed in all parties' designations of matter.

Very truly yours,

V. Claire Allen
