v.

MOTION FOR EXTENSION OF TIME TO FILE INITIAL REPLY BRIEF

The Reply Brief in this matter is due June 17, 2020. Counsel respectfully requests a 30-day extension to file this brief. The current pandemic, and the associated childcare and logistics issues, have resulted in counsel's inability to complete this brief by the current deadline.

Counsel has previously requested a 30-day extension, making this the second request for an extension. Opposing counsel previously emailed counsel that he had no objections to extensions up to 90 days, and this current request will only result in an aggregate extension of 60 days. Based on current circumstances and the important appellate matters at stake in this case, counsel believes this is a reasonable request.

Counsel respectfully requests the Court extend the deadline to file the initial brief in this matter to July 17, 2020.

Respectfully submitted,

s/ Joshua Snow Kendrick
