S.C. SUPREME COURT

ARTHUR F. PETERSON,

PETITIONER,

V.

STATE OF SOUTH CAROLINA,

RESPONDENT

PETITION TO FILE
SUPPLEMENTAL APPENDIX

Pursuant to Rule 224 of the South Carolina Appellate Court Rules, the undersigned counsel requests leave in which to file supplemental appendices in the case. In support of this motion, counsel submits the following facts.

1. The petition for writ of certiorari and copies of the appendix in the above titled case were filed with the Court in the case on January 21, 2019.

2. However, it has recently come to my attention that the sentencing transcript from May 23, 2013, the case history form, sentencing order, indictment, sentence sheet, and arrest warrant in the case were inadvertently excluded from the appendix filed with the court.

3. Therefore, inasmuch as Rule 243, SCACR, requires that the lower court records proceeding from the PCR case be included in the appendix, counsel requests leave to file a supplemental appendices containing these PCR documents.

4. As indicated by her signature below, counsel for the state graciously consents to and does not oppose this request.

WHEREFORE, counsel requests leave in which to file a supplemental appendices in the case on appeal.

Respectfully submitted,
