Adam,

Just wanted to update you on the status of your request for the above referenced transcript. I have all the files Ms. Sigwald's family produced for Court Administration. Her backups are done in a different manner than I do mine and it is quite an undertaking going through all of her audio. I will keep you informed as to my progress, but as of right now, I am having to listen to hours of audio trying to locate this particular case.

Thank you for your patience!
