RESPONSE TO COURT

Appellant is in receipt of this Courts letter dated May 28, 2020 and received by appellant June 05, 2020. Appellant objects to the courts response to appellants letter dated May 05, 2020 and others in regards to this courts handling of appellants motions. By this Courts own avowal it contends to be infallible even if the court acts in an error of Law or an abuse of discretion. Appellant clearly shows this court that it made an error of Law but, yet refuses to remedy its judgements. As a matter of Justice Appellant requests for proper Judicial consideration by panel or by Oral arguments.

Due to National Guard assistance at Evers CI, mailing may be delayed because of lack of access to mailroom.
