Sure. I can do that. So this is how it will work: I had already done 24 pages of the transcript. So those pages will be billed at the rush rate, and the remaining pages will be billed at the regular rate. So regular turnaround is 60 days, which would be Friday, August 7. If you need it sooner than that, please let me know. Otherwise, I will adjust my production queue to notate this case as being requested today at regular turnaround of 60 days with a production date of August 7.

THANKS

Stop the rush!

Judge rule against us on our motion.

We will want a copy, but no rush. I understand we have to pay something for the rush work you have already done.

Thank you.

Hi,

I very much enjoyed meeting you on Friday. As you predicted, my Client desires a super-rush version of the hearing transcript.

What would it cost, and when we would receive it?

Thank you.
