Oh, okay. Yes, a check is fine. It's better for me for recordkeeping and, I would assume, for you as well.

THANKS

Hi Marianne,

Thank you for letting me know.

I thought we decided that Venmo does not work for payments to business, and that is why I sent you a check for the first part. Can I send you a check for the remaining balance? I should be able to get a check into the mail tomorrow.

Thank you.

Mr. Fudenberg, attached is the final invoice for the transcript you requested of the hearing on June 5, 2020, before the Honorable Jean H. Toal. I am making final revisions to the transcript, but the invoice is the final amount due. I have added the amount already paid and then subtracted it as a credit so you would have one invoice showing the total expense for this transcript. Also, pursuant to our discussions, I will send you a request for payment by Venmo for your convenience.

If you have any questions or require further information, please feel free to contact me. Otherwise, you may expect to receive the transcript in the next several hours.

THANKS
