S.C. SUPREME COURT

Good evening, this is Maryann Nevers. I've just sent you the final invoice by e-mail. I'm reviewing the transcript tonight and will have it to you in a few hours. I am sending a Venmo request pursuant to our conversation about payment. Please let me know if you have any questions. Thanks!

Hey, so can I give you a different mailing address for your payment? My post office box is for correspondence and requests, but I have a different address for payments. It's 403 Shady Lane, Cayce, SC 29033. If you've already sent it, that's fine too. Thanks!

Rush has ended. We will want a  
copy, but no rush. I understand we  
do need to pay the rush rate for  
work already done
