Re: Patricia Clark v. Raymond McKay, Jr., et al
Appellate Case Number: 2020-000784

Dear Ms. Berry:

I am writing to inform you that Appellant filed a motion on June 12, 2020, seeking a court order to allow Appellant to obtain the October 7, 2019 transcript outside of requesting deadlines. Appellant was unaware a transcript existed for this hearing and as a result, did not request it following her appeal.

Your letter of June 15, 2020 indicates that you will not begin work on possible generating of a transcript until payment is furnished by Appellant. In any event, this office will forward payment upon receiving a court order granting Appellant's motion to obtain the transcript.

Please contact our office with any questions or concerns. Thank you.

Cordially,

Joseph L. Cortopassi
