RE: The State v. Kevin Herriott
Appellate Case No. 2019-000969

Dear Mr. Shearouse:

The State received a copy of Appellant's Motion for this Court to intervene and transfer the appeal from the Court of Appeals. The State received the Copy from this Court and was never served a copy by Appellant. Notwithstanding the lack of service, the State asks this Court to accept this letter in lieu of a formal Return. The State's Initial Brief of Respondent and Designation of Matter are due to be served and filed today. The State is seeking a first extension request, which will be served on Appellant along with this Return through the U.S. Mail. The State does not believe anything in the underlying appeal justifies certification to the South Carolina Supreme Court pursuant to Rule 204(b), SCACR. Thank you for your consideration and if this Court desires a more formal Return, the State will be happy to provide one.

Sincerely,

William M. Blich, Jr.
