RE: Appellate Case No. 2020-000676 and
Appellate case number 2019-001878 and
Appellate case number 2019-001951 and

Ms. Abbott-Kitchings.

First, don't mistake this letter as being the same letter dated 2 June 2020. It is essentially the same letter since literally nothing I advised you of in that letter has been resolved as of today, so, this letter will look almost identical to the letter dated 2 June 2020, with the exception of this first paragraph and the date being 10 June 2020 vs. 2 June 2020.

I'm sending you this letter to let you know that as of today I have not received my stamped copies of my Returns to motions to dismiss for cases 2019-1878 and 2019-1951 which were mailed to the Court of Appeals over two weeks ago.

Also, related to the Earhart Overstreet order of 6 February 2020, it still is not available to be downloaded from court websites so, even now, I am unable to supply that very important Order for appeal 2020-676.

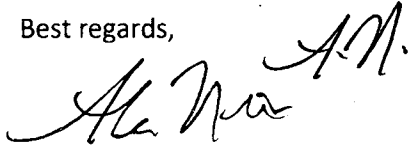

I consider all three of these documents important evidence related to not only these matters, but also other matters.

If you have already mailed the stamped copies of the returns for cases 2019-1878 and 2019-1951 more than five days ago, please resend stamped copies. If you have mailed the stamped copies within the last five days, please ignore this portion of this letter. If you have not mailed the stamped copies yet, please do so ASAP.

Related to the Earhart Overstreet order of 6 February 2020, clearly I am not in a position at this point to solve that problem. Hence, please assist by escalating this issue to whoever is best positioned to entice Ms. Armstrong and Charleston County to finally post the Earhart Overstreet order of 6 February 2020 to a website for me to download and send to the Courts.

Thank you for your assistance. I have enclosed three copies of this letter since it involves three different cases.

Best regards,

(may be delivered via other methods other than USPS since it is getting really expensive to keep mailing stuff to everyone over and over again, especially given this should have never occurred, should have been over in April 2016 at the latest, and it appears almost to be a certainty that everyone is just trying to emotionally intentionally distress me and my family while they are also trying very hard to bankrupt me also)
