Re: Home Builders Assoc. etc., et al v. State, et al  
Appellate Case No. 2020-000612

Dear Mr. Shearouse:

I would appreciate your consenting to a 30 day extension of time for the State to file its initial brief and designation of matter for the record in this case. Respondent York County has asked that it be included in this request. Without the extension, the briefs and designations for both Respondents would be due on July 8, 2020. With the extension, the briefs and designations will be due on August 7. Counsel for Appellants consents to this request.

I am making this request because I had business travel yesterday and will be on family vacation all next week. I will also be out of town on July 16, 17 and 31.

I respectfully request that the current deadline of July 8 be held in abeyance for both Respondents while this extension request is considered. As shown by the attached email, I have emailed counsel for the parties a copy of this request. If you would like a certificate of service for this letter, please let me know.

Thank you for your consideration of this matter.

Respectfully submitted,

J. Emory Smith, Jr.  
Deputy Solicitor General
