Chief,

Thank you, I will add that text to this Order. Would you like to review a copy and approve, or may I use your signature stamp? May I also use your signature stamp for the order in Brown (same attorney) that I inquired about subsequently?

Thank you, and sorry to take up more of your time, but I want to be very careful about to ensure I have your permission before I apply your signature. Have a good weekend,

Chief Justice Beatty,

Good afternoon, I hope you are well. Counsel in Means v. State, Appellate Case No. 2019-000617, has requested a fifth extension of time in which to file her petition for a writ of certiorari and appendix—to Tuesday June 30. The request is based on a family medical emergency.

Counsel asserts this will be the final requested extension. I have attached a proposed order granting the request based on extraordinary circumstances—the alleged family medical emergency. I have included the normal language from the Court's order relative to any further extensions in PCR matters, but would also be happy to substitute language indicating no further extensions will be granted if you prefer.

If you agree, may Dan or I utilize your signature stamp?

Thank you,
