Appellate Case No. 2020-000233

Rajinder Parmar,Respondent,

v.

Balbir S. Minhas; Midlands Gastroenterology, PC;
and Midlands Endoscopy Center, LLC, Petitioners.

MOTION FOR EXTENSION OF TIME TO
SERVE AND FILE PETITIONERS'
REPLY TO RETURN TO
PETITION FOR WRIT OF CERTIORARI

Petitioner's Reply is due June 25, 2020. Petitioner requests a seven (7) day extension to serve and file its Reply, making it due on or before July 2, 2020. This extension is needed due to undersigned counsel having to attend to the needs of his father during the past week, *e.g.*, doctor's appointments. His oldest daughter lives next door to his father in the Aiken area and generally attends to such needs, but she has three children at home and one of them recently developed cold-like symptoms. This required "isolation" due to the Covid-19 vulnerabilities of counsel's father. That isolation has now ended, because it has been determined that the child was suffering from an allergy attack. This matter will be ready for the Court's consideration upon the filing of the Reply on or before July 2, 2020.

Respectfully Submitted,
