Re: The State v. Michael Alexander Collins  
Appellate Case No. 2018-002027

Dear Ms. Kitchings:

On May 20, 2020, I asked the Court to hold this Anders case in abeyance for appellant to order a transcript. We have received that transcript. I am forwarding the transcript to the Court along with this letter as a Supplemental Record on Appeal for the Court to consider as part of its Anders review. Opposing counsel William Blich consents to this transcript being made a Supplemental Record on Appeal.

I do not plan to amend the brief I previously filed or brief additional issues unless the Court directs me to do so. At this point, I believe the case is properly taken out of abeyance, but I would ask the Court to send a new Anders letter to Mr. Collins and allow him time to file any additional pro se brief related to his case as a result of this transcript's inclusion in the record.

My thanks to the Court for its consideration in this matter and if the Court requires anything further, please do not hesitate to contact me.

Sincerely,

s/David Alexander  
Appellate Defender
