Re: Deborah Harwell v Robert Harwell
Appellate Case No. 2017-002290

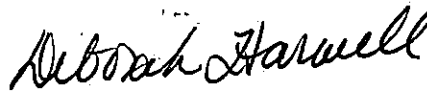

Dear Honorable Kitchings:

I was contacted a few days ago concerning the request of the Court to Kevin Barth, Esquire to Reply to a Request for a Rehearing in the above referenced case in the COA. I was unaware that there could be a reply by them for the request for the re-hearing

So, to make this short, I too would like to have the opportunity to reply to their reply. I received a copy of a reply from Esquire Cook and from what I understand, he caught the action on the C-track site. This is a request to have 30-days to reply to their reply. Because of the huge amount of misrepresentation of facts; I believe it is necessary to have a re-hearing. I have called and left messages for the court last Friday and today; but have not received a return call.

Thank you for your consideration.

Sincerely,

Deborah Harwell
