RE: Andra B. Jamison v. State of South Carolina
Appellate Case No. 2019-00031

Dear Mr. Beatty:

On May 26 2020, I Andra B. Jamison (Petitioner) received an order issued by the Honorable Judge. The order contained issues raised and ruled upon from the petitioner and respondent. I would like to ask the court to clarify the said order to the extent of amending the appendix. Would this entail supplementing the original appendix with the Midlands Multidisciplinary Accident Investigation Team Report and by taking out the items that were struck?

Once this is complete, would I need to renumber the entire record? If so, I would motion the court to amend the original petition of Writ of Certiorari so that it is consistent with the amended appendix. Thanks for your time in this manner.

Respectfully,

Andra B. Jamison
