Ms. Burns:

We believe we may have this matter resolved. Mr. Wukela is going to hold off on refiling his Motion to Dismiss until he can determine whether or not the settlement is consummated. In the event the settlement is completed, he will certainly notify the Court.

If, for some reason, the settlement falls through, he plans to refile his Motion to Dismiss by mail with the fee at that time.

Thank you,

*Jeannie P. Bailey, CLA, SCCP*
