Good afternoon,

I have just spoken to Mike about the motion to dismiss and with his permission, I have submitted the City of Myrtle Beach's motion on to share point. For procedural purposes, my co-counsel, Mark Nappier, signed the motion to dismiss and thus, this motion is made by expressed joint consent. I will also be placing a copy of this email on share point as well for record purposes.

Stormy- thanks so much for your assistance with this matter. Please let me know if there are any issues. I think because all counsel are copied to this and there is expressed consent—we are meeting all the requirements to file. If not, we will fix anything that needs to be addressed.

Thanks!

Whitney

Hey Stormy, attached is the Motion to Dismiss in this matter. I haven't handled the appeal so I'm not familiar with the online filing system. Is it through Eflex? If you could point me in the right direction I'll get it done, Defense counsel is still out after his operation.
