Re: *Terry MacMath v. Lowe's*,  
Appellate Case No.: 2020-000912

Dear Ms. Kitchings:

In response to the Court's letter of July 6, 2020 regarding ordering a transcript, we have already ordered the transcript, which we received on June 9. Lowe's initial brief is currently due July 20 (as thirty days after the notice of appeal was filed falls on a Saturday).

We respectfully request a thirty-day extension to file the initial brief because the parties have reached a settlement agreement, but the agreement is not yet finalized. To provide sufficient time to do so without having to file an unnecessary brief, Lowe's asks for an extension of the deadline to file its initial brief to August 19, before which time Lowe's is optimistic the parties will be able to file an agreed dismissal under Rule 260(b). A \$50 fee for this request will be put in tomorrow's mail.

If you have any questions, please do not hesitate to contact me.
