Hello,

Hope you are well and safe.

While reviewing the appendix in Domenic Merino's case (2020-000517), I noticed the Appendix our office received and that was filed with the court was incomplete. Specifically, no records from his direct appeal action were included, nor were two out of three of the indictments (2014-GS-26-00322 was the only indictment sheet included). Thus, because these documents are missing and should have been included pursuant to Rule 243, I was hoping you would not mind filing a supplemental appendix that includes these items at your earliest convenience.

Please let me know if you have any questions or concerns regarding this matter.

Best,

Chelsey Marto
