RE: REQUEST FOR PRODUCTION OF DOCUMENTS AND COSTS

Mr. Shearouse,

Please permit this correspondence to serve as a formal request for production of documents within this Office's actual and/or constructive possession.

Allow me to begin by stating that I am aware that a fee will be assessed for the compliance of this request. At this Office's earliest convenience, please inform me of the costs associated with this type of request, and if possible, provide me with a itemized list of the requested file.

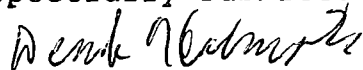

As this Office is aware, by the records of documents sought to be produced and disclosed, that I am an inmate within the custody and control of the South Carolina Department of Corrections (SCDC). In 2017 I was transferred to the Perry Correctional Institution (PCI), from the Lieber Correctional

Institution (LCI). At some point SCDC has either lost, or destroyed my complete case files. I have been diligently attempting to locate or have produced those documents, but my efforts have been to no avail. It is imperative that I obtain copies of any and all documents maintained within this Office's files and/or library services. At this Office's earliest convenience, please locate, identify and disclose any of the following materials, documents and/or information ... trial transcripts, correspondences, pcr records, to include, but not limited to, transcripts, pcr applications, orders, returns, etc., any appeals certiorari, writs, motions, orders of this Court, federal appellate/habeas corpus matters, or any other materials, documents and/or information relating to my case maintained within this Office's actual and/or constructive possession as relates to my criminal conviction and appeals.

If I may be of any further assistance to this Office, in these matters, please do not hesitate to contact me. Thank you for this Office's time and attention to these matters.

Respectfully Submitted,
