Re: Terrance "Terry" Carroll v. Debra Mowery
Appellate Case No. 2020-000396

Dear Ms. Kitchings,

I represent Mr. Carroll in the above captioned case. I show the Appellant's Initial Brief and Designation due today. I have not completed the briefing in the case and therefore I am in need of an extension of time in which to do so.

I am hereby requesting an extension of thirty days in which to serve and file the Appellant's Initial Brief and Designation of Matter in this case.

This is an amended request for an extension. I just filed a letter request indicating that I would send a check for the filing fee. My reading of the last Order on the operation of the appellate courts leads me to believe that no filing fee is required. If that is incorrect please let me know and I will forward one immediately.

Sincerely,

s/J. Falkner Wilkes
