**ATTORNEYS FOR APPELLANT**

Pursuant to Rules 211 and 240, SCACR, Appellant Quentin S. Broom, Jr. respectfully requests that the Court extend the time for filing the final briefs in this matter from July 15, 2020 to July 27, 2020. Appellant's motion is based on the fact that in preparing the final briefs in this matter Appellant's counsel discovered that two documents (a trial exhibit and two pages of the trial transcript) cited in Appellant's Initial Opening Brief were inadvertently not included in the record on appeal that Appellant previously prepared and served on Respondent. Respondent has consented to these documents being added to the record on appeal pursuant to Rule 212(b), SCACR, so Appellant is preparing a corrected record to file with the final briefs in this matter. An extension of time would allow the parties needed time to prepare the corrected record and final briefs.

The undersigned counsel have consulted with counsel for the Respondent, and he has graciously consented to this request. Wherefore, Appellant respectfully requests that the Court grant this motion and extend the time for filing final briefs in this matter from July 15, 2020, to July 27, 2020.

Respectfully,

/s/ James E. Cox, Jr.
