Appeal from Administrative Law Court

Hon. H.W. Funderburk Jr.

Appeal Case No. 2019-001410

Gregory Penille, 312332, Appellant  
V,

SC. Dept. of Corrections, Respondent

RECEIVED

SC Court of Appeals

## NOTICE OF FILING ISSUE

Appellant is diligently working to file all pertinent papers in this case. The respondent is being very difficult in accommodating Appellant's filing. Refusing to timely notarize, Refusing to accept mail to post, provide legal envelopes, and has currently confiscated Appellant's Record on appeal evidence. The agency has held my papers for copying for more than (2) two weeks now and has not made the appropriate copies to serve this court and the respondent's counsel. This notice will hopefully serve as an abeyance in the appellant's filing deadlines as he suffers force majeure by the Respondent's lack of or deliberate actions.

Appellant is diligently attempting to recover evidence papers and be able to post all papers to all parties in this and other actions pending in this court.
