Re: Response to SC COA Decision Received July 3, 2020 Terry Capone, Appellant, v. City of Columbia, Employer, and Companion Third Party Administrator, LLC, Carrier, Respondent Case No. 2019-000369

The Honorable Jenny Abbott Kitching, Clerk:

Please be advised that I filed and paid for an Motion for Extension on or about April 21, 2020, and did not receive a reply until July 3, 2020 (2 month and 12 days), as a preliminary matter I needed the extension until August 31, 2020, which is less than the time it took your agency to reply and I provided medical documentation, on the additional issues I have been dealing with and the Court is aware that I am not a lawyer and under disability.

This is advance notice of my forth coming Appellant's Motion To Complete or Supplement The Administrative Record and Consider Extra-Record Evidence Due To Fraud Upon the Court based on the APA. I will also file a Motion to Stay the proceedings until the ruling of the motion affecting substantial rights.

I am not an attorney. Thank you for your assistance with this matter, please contact me if you have any questions. Thank you for your consideration.

With Regards,

Enclosure: NONE

**SC Court of Appeals**

Greetings SC COA ,

Please be advised and see the attached, request to push the extension to August 31, 2020, as July 31, 2020 date received July 3, 2020 is not enough time for me to reply appropriately to the orders/decisions and prepare my submittal, due to the reasons stated, and medical documentation provided to the Court, in addition and the court is aware that I am under disability and not a lawyer. Please see attached letter as my official reply. Attorney for defendant Mrs. Dooley is notified by this email.
