Ms. V Claire Allen,

SC Court of Appeals

I'm writing to find out has everything been taken care of with your court with the second petition for writ of certiorari and supplemental appendix that should have been served and filed within thirty days of the order which would have been around the 22nd of June? If not will it be much longer? I've been waiting 5 1/2 yrs to go home. In March of this year my mother passed away and do you realize the state SCDC or Kershaw would not let me attend her funeral services because of this most serious violent charge of burglary in the 1st degree in which all of the courts in S.C. know that I did not commit. Why do I continue to be held in prison illegally and unlawfully?

Ms. Allen All that I want to do is go home to rebuild my life and work to get my family back. I'm really not wanting to take legal action against the state or SCDC for this wrongful conviction but the longer they or your court continue keeping me in prison my mind is changing. I have done nothing wrong at all to anybody. So please explain to me how can my appeal go in front of the supreme court twice and they not rule on it? Why wouldn't they do that? Has this happen before? And has this happened twice to anybody like I have? How was it handled? I have been to trial alone (day) and nothing was proved except how the judge, solicitor and a assistant public defender main wrongful/convict an innocent

Black man for the most serious violent
charge of Burglary in the 1st degree without
no evidence physical or Circumstantial
witnesses, affiant none of the elements
were met. I never crossed the threshold
the state never placed me inside besides
that nobody dwelled there? no burglary
whatsoever committed by me. Will you please
work with your Court or the Judge and
review my transcripts from my 1 and only
PCR that took me 5 yrs to get. And
do the right thing and see that this
case was based on hearsay and wasn't
worthy of the Courts time and release
me. You can check all of my transcripts
and you will not find anything in there that
says that I should be in prison right
now. or that I should have done these
5 1/2 yrs. I've done no crime please let
me go. Let me be home by JULY
31, 2020 and we both can move
on and let bygones be bygones.
Please respond back to me.
Haven't you people taken enough of my
life from me 5 1/2 yrs for nothing;
Thank you for your time!!
