Re: *Kristiane Shirer v. Calhoun Co. Assessor*; Appellate Case No. 2019-002049

Madame Clerk:

We are in receipt of your letter dated July 21, 2020 indicating deficiencies with the record on appeal and final briefs that we filed in the above captioned appeal. Based upon our review your letter, it appears as though the deficiencies identified are our failure to include R. Patrick Flynn and Michael Wade Allen, Jr. on the title pages of these documents. Mr. Allen and Mr. Flynn are not counsel of record in this case and did not appear on behalf of the Calhoun County Assessor in the proceedings before the administrative law court. Their names were inadvertently included on the initial notice of appeal that we filed on behalf of the Assessor. Their names were subsequently removed from the corrected notice that we filed four days later and have not appeared on any of our subsequent filings. I apologize for the confusion.

Please let us know if any further action on our part is necessary.

Sincerely,

Benjamin R. Gooding
