I am writing in regard to the communication I recently received concerning the Record on Appeal. I am attempting to compile the list of exhibits that were introduced at trial and the Clerk of Court's office indicates that the employee who maintains the exhibits will not be back until tomorrow. The Clerk' Office indicated that I will be contacted once the exhibits have been located. As a result of the documents being inaccessible and the volume of documents involved, I will need some additional time to complete assembly of the ROA. The transcript alone is over 200 pages and Responents designated the entire transcript.

If I need to file a formal motion requesting permission to serve the ROA out of time due to this unusual set of circumstances, let me know and I will gladly prepare one.

Good Morning Mr. Ormond,

The only designations of matter that we have are the Appellant's DOM that was filed on 6/4/20 and the Respondent's DOM filed on 6/10. We do not require a final designation of matter to be filed.

Please let me know if you have any other questions.

Respectfully,

*Sierra Ritchie*

Ms. Ritchie: Respondents have not received a final designation of matter. I think it would have been due around the 18<sup>th</sup> of June. Neither do we see it in the electronic filings. If it is with the Court, I would like to come and get a copy.

Thank you
