Destiny H. Mills #374576,..... Petitioner,

vs.

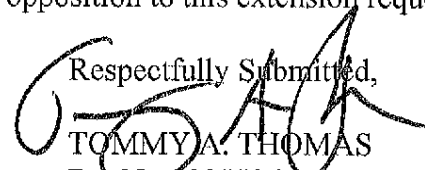

S.C. SUPREME COURT

State of South Carolina,Respondent.

MOTION FOR EXTENSION

Comes now, Tommy A. Thomas Counsel for Petitioner, who respectfully makes this Motion for Extension of Time to file the Petition for Writ of Certiorari and Designation of Matter. This request is not to delay this action, but rather because in June Probation and Parole started parole hearings via WebEx. I had a large number of cases that got continued from March, April and May. The Board is trying to get caught up on all continued cases. As a result I am having multiple hearing a week often on multiple days. With no visitation in the prison everything in preparation has to be done by telephone appointment. Often these are difficult due to their restricted movement. As a result and with the complexity of Mills case I have been unable to finish my Petition.

The Appellant respectfully requests the court grant this request. I have contacted counsel for the Respondent and he has indicated that he has no opposition to this extension request.

Respectfully Submitted,

TOMMY A. THOMAS
