Good afternoon,

Our initial brief in this matter is due on Monday. We submitted the below referenced Motion via OneDrive on Wednesday with the consent of Appellant. We also followed with a letter and filing fee by mail. I was just writing to touch base on the status of the motion. Any information would be greatly appreciated.

Thank you!

Ms. Burns,

This morning, our office filed a Motion for Extension of Time to File Respondents' Initial Brief and Designation of Matter via the Court of Appeal's OneDrive portal.

I am following-up to notify the Court that Mr. Cole (on behalf of Appellant Tri-County Roofing) has consented to the Respondents' Motion.

Thank you,
