

The South Carolina Court of Appeals

The State, Respondent,

v.

Shawn Douglas Custer, Appellant.

Appellate Case No. 2019-000292

ORDER

This court construes Appellant's motion as a request to recall remittitur and reinstate the appeal. Because Appellant asserts he never received a copy of the order of dismissal, the motion to recall the remittitur is granted. Furthermore, Appellant has ordered the transcript; therefore, this appeal is reinstated.
