MOTION FOR EXTENSION OF TIME TO SERVE AND FILE APPELLANT'S
INITIAL REPLY BRIEF AND DESIGNATION OF MATTER TO BE INCLUDED
IN RECORD ON APPEAL

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a two-week extension of the time in which to serve and file the Appellant's initial reply brief and any accompanying designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. One of Appellant's attorneys will be on vacation during the first week of August and is, accordingly, working now on matters to get ahead of the same, thus reducing the time available for working on the reply brief in the instant case.
2. Appellant's initial reply brief and designation of matter are presently due July 31, 2020. If the request is granted, Appellant's initial reply

brief and designation of matter to be included in the record on appeal will be due on August 14, 2020.

3. This is the first extension of this deadline Appellant has requested in this appeal.
4. Respondents' counsel consents to the extension sought.
5. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order extending the time in which to serve and file the Appellant's initial reply brief and any accompanying designation of matter to be included in the record on appeal to August 14, 2020.

Respectfully submitted,
