ATTORNEYS FOR APPELLANT

Pursuant to Rules 211 and 240, SCACR, Appellant Quentin S. Broom, Jr. respectfully requests that the Court grant a second extension of time for filing the final briefs in this matter from July 27, 2020 to July 31, 2020. Appellant's motion is based on the fact that counsel for the parties have discovered that several documents from the trial record were inadvertently not included in the Corrected Record on Appeal that Appellant previously prepared and served on Respondent, following this Court's order granting the first extension of time to file the final briefs. Counsel for the parties have cooperated in discussing the items from the substantial trial record that are to be included in the Corrected Record on Appeal, and intend to collaborate prior to July 31, 2020, to ensure that the Corrected Record on Appeal is complete. An extension of time would allow the parties needed time to prepare the corrected record and final briefs.

The undersigned counsel have consulted with counsel for the Respondent, and he has graciously consented to this request. Wherefore, Appellant respectfully requests that the Court grant this second unopposed motion and extend the time for filing final briefs in this matter from July 27, 2020, to July 31, 2020.

Respectfully,

/s/ James E. Cox, Jr.
