Gene Grady, Employee, Respondent,

v.

The Shaw Group, Employer, and Zurich American Insurance Company, Carrier,  
Appellants.

---

**JOINT MOTION TO AMEND THE PARTIES' DESIGNATIONS OF MATTER TO BE  
INCLUDED IN THE RECORD ON APPEAL**

---

Pursuant to Rule 240, SCACR, Appellants and Respondent hereby request to amend their respective Designations of Matter in the above-referenced case. The grounds for the Motion are as follows:

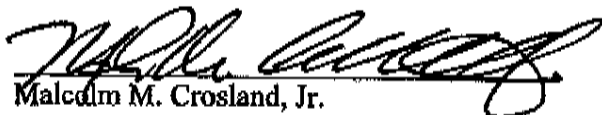

1. Appellant's Initial Designation of Matter #5 referenced a Form 21 dated May 3, 2018.
2. Upon information and belief, said Form 21 was actually filed April 27, 2018.
3. Respondent proposed to include the April 27, 2018 Form 21 in their Amended Designation of Matter #8.
4. Therefore, Appellants request to amend their Designation of Matter to remove item #5.
5. Additionally, Respondent included in his Amended Designation of Matter #11 Appellant's Form 58 and APA Submissions dated July 9, 2018. However, this material is included in Appellants' Designation of Matter #9.

6. As such, Respondent proposes to amend his Amended Designation of Matter to omit item #11.
7. Respondent's Amended Designation of Matter #10 references Respondent's Form 58 and APA Submissions dated June 29, 2018. This matter is more appropriately labeled as Respondent's Supplemental Form 58 and APA Submissions dated June 29, 2018.
8. Thus, Respondent proposes to rename item #10 as Respondent's Supplemental Form 58 and APA Submissions dated June 29, 2018.
9. Finally, Respondent's Amended Designation of Matter #5 references a Consent Order dated June 1, 2017; however, upon information and belief, this Consent Order is dated June 1, 2018, and he proposes to rename it as such.
10. The parties respectfully request that the Court allow them to amend their respective Designations of Matter to reflect the corrections set forth in this Motion so that the Record on Appeal is complete and accurate and contains no matter that is irrelevant to the appeal.
11. The parties have included with this Joint Motion their respective Amended Designations of Matter.

Accordingly, the parties respectfully request that the Court grant this Motion and accept their Amended Designations of Matter.
