MOTION FOR JUDICIAL NOTICE

The Petitioner, respectfully moves this Honorable Court for Judicial notice. Specifically, Petitioner seeks Judicial notice of Petitioner's CITATION OF SUPPLEMENTAL AUTHORITIES II which he has filed with this Court.

Further, Petitioner seeks that this Court would acknowledge Petitioner's complaints of Ineffective Assistance of PCR Counsel as he has been sure to bring to the awareness of this Court in both clear and prima facie showings through out and by way of his pleadings and record before this Court.

The South Carolina Supreme Court has recognized, "The United States Constitution's Sixth Amendment guarantee to a defendant's right to effective assistance of counsel is engrained in PCR cases..." Fishburne v State, Appellate Case No. 2016-002385, Opinion No. 27911 (July 31, 2019).

Petitioner, out of an abundance of caution, seeks Judicial notice of this Court regarding this matter and the ruling

of the South Carolina Supreme Court in Fishburne, id,
as this precedence provides the necessary Authority in
South Carolina for ineffective assistance of PCR counsel
claims in South Carolina Courts.

As this is recent precedence and is novel as to how
a defendant would actually advance such claim, Petitioner
must also show his due diligence in these regards and
seeks that opportunity to advance such a claim or action
would be preserved or time tolled for doing so pending
the case sub Judice.

CONCLUSION

WHEREFORE, the Petitioner respectfully asks this Court
would take Judicial notice of his CITATION OF
SUPPLEMENTAL AUTHORITIES II. Petitioner further prays
this Court take Judicial notice of Petitioner's diligence in
search of advancing a claim of ineffective assistance of
PCR Counsel, that it be preserved or time tolled for
advancing such claim in the interest of equity and Justice.

Respectfully submitted, 
Alonzo Columbus Jeter, III
