DISCLOSURE STATEMENT REGARDING CHANGE OF OWNERSHIP AND DEVELOPMENT CONTROL OF COMMUNITY

THIS DISCLOSURE STATEMENT (this "**Disclosure**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of March 09, 2013, between Edward F Dengg, Sylvia K Dengg (collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 0019 of Block _____ of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Acknowledgment**. Buyer acknowledges and understands that the real estate market reacts to economic and other conditions which are beyond Seller's control. Due to current real estate market conditions, Buyer acknowledges that Seller has decided not to build additional homes and/or not pursue any further development in the Community. Seller agrees to work cooperatively to effectuate a smooth transition of ownership of certain lots in the Community and/or effectuate the transition of development control of the Community in accordance with applicable law. Buyer understands that the Community will be in a state of transition for an uncertain period of time.

3. **Effect on Community**. Buyer acknowledges that the Seller's decision to not build additional homes in the Community and/or to not pursue further development in the Community may result in the change in ownership of certain homesites and development control, if any, by the Seller. Seller's decision could have adverse impacts upon Buyer or other homeowners in the Community (e.g., the completed or partially completed homes which are currently unsold may remain unsold and vacant for an uncertain period of time). Additionally, Buyer acknowledges that any further development within the Community could be delayed indefinitely, and there is no assurance the Community will ever be completed as originally planned and approved by the local governmental agencies, if any. Also, various common improvements within the Community which have not been completed (e.g., gated entries, signage, club house, etc.) may not be completed for an extended period of time or may never be completed as originally planned. Further, the management and operation of the Community by the homeowners' association could be disrupted during the transition period. Some of the specific changes in this Community include: [*if known, provide information regarding certain amenities that will not be built certain phases that will not be completed, etc.*].

4. **Additional Impacts**. The above provisions provided in Section 3 are not intended to be an exhaustive list of all of the potential adverse impacts to Buyer or other homeowners in the Community that might result from the change in ownership of certain homesites and/or development control by Seller. In contrast, if the transition of ownership of certain homesites and development control to the Seller's successor were to occur as real estate market conditions improve, the foregoing potential adverse impacts could be mitigated.

Seller desires that Buyer be as informed as reasonably possible under the current uncertain circumstances about the potential impacts that might result from the change in ownership of homesites and development control of the Community by Seller prior to Buyer's close of escrow. Buyer acknowledges that Seller cannot predict every impact that may be material to Buyer and that it is imperative that Buyer make his own independent evaluation of the potential adverse impacts that may affect Buyer's decision to consummate the purchase of a home in the Community.

5. **Counterparts**. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

6. **Conflicts**. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

7. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

PURCHASE AND SALE AGREEMENT
SOUTH CAROLINA

THIS MASTER DISCLOSURE AND INFORMATION ADDENDUM (this "Addendum") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") entered into as of the Ninth day of March , 2013, between Edward F Dengg, Sylvia K Dengg ("Buyer") and Seller, as defined in the Agreement, respecting Lot 0019 of Building/Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as Spring Grove Plantation (the "Community").

1. Defined Terms. All capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. Community. The Property lies within a neighborhood known as Ricefield Way or The Abbey at Spring Grove Plantation (the "Neighborhood"), which lies within a community known as Spring Grove Plantation (the "Community"). This Addendum explains certain terms which are applicable to the purchase of Homes within the Community and the Neighborhood. Current plans are for Ben McCormick Homes, Harbor Homes and First Coast Homes to build homes in the Community. Other builders besides Seller may be added or deleted from the list of builders in the future. Seller, and any other builder in the Community, shall have the right, without notice to Buyer, to make changes to, among other things, homesite sizes, number of homes being built, size and style of homes being built, features and materials in homes being built, prices of homes (whether more or less than currently published), price per square foot of homes (whether more or less than currently published), street layout, amenity layout, and usage, location, size and number of trees, bushes and other foliage (current and future), and any other items or uses which are currently planned for the Community or the Neighborhood. Seller makes no representation or warranties that Seller will be the exclusive builder or developer in the Community or the Neighborhood or that the Community or the Neighborhood will be built out exactly as currently planned, and Seller expressly reserves the right to make whatever changes it deems necessary relating to future development or build out of the Community and the Neighborhood. Any current maps or other materials showing any final or projected community development may be modified or updated in the future.

SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES WITH REGARD TO THE DEVELOPMENT OF HOMESITES IN AND AROUND THE COMMUNITY. HOMESITES IN AND AROUND THE COMMUNITY MAY REMAIN UNDEVELOPED AT THE SOLE DISCRETION OF SELLER, OTHER BUILDERS IN THE COMMUNITY, AND/OR THE DEVELOPER OF THE COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO SELLER BEING THE SOLE OR EXCLUSIVE BUILDER WITHIN THE COMMUNITY. SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO CONTINUING TO BUILD IN THE COMMUNITY THROUGH FINAL BUILD OUT AND/OR BUILDING UPON ANY UNDEVELOPED HOMESITE(S). FURTHERMORE, IT IS UNDERSTOOD THAT NO REPRESENTATIONS, ESTIMATES OR PROJECTIONS HAVE BEEN CONVEYED REGARDING THE FINAL BUILD OUT TIME OF ANY UNDEVELOPED HOMESITE(S) OR THE OVERALL COMPLETION SCHEDULE OF THIS COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER CONSTANTLY EVALUATES THE PRICING, DESIGNS, PRODUCT MIX AND AMENITIES OF ITS COMMUNITIES AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING WHETHER TO CONTINUE TO BUILD HOMES WITHIN THE COMMUNITY AND BUYER IS NOT RELYING UPON ANY OF THE FOREGOING IN DECIDING TO PURCHASE THE PROPERTY.

3. Governing Documents. Buyer acknowledges receipt, either in hard-copy or via internet or electronic means, of all documents ("Governing Documents") for the Community and the Neighborhood.

3.1 Buyer acknowledges receipt of, and agrees to be bound by the Declaration for Spring Grove Plantation Community (the "Declaration"), the Articles of Incorporation, By-Laws and any Rules and Regulations of Spring Grove Plantation Community Service Association, Inc., all as amended and supplemented from time to time (collectively, the "Community Documents"). Buyer acknowledges and agrees that title to the Home will be subject to the Community Documents.

3.2 The Property will be subject to certain deed restrictions as reflected in the Limited Warranty Deed executed by Seller and furnished to Buyer at Closing. The deed restrictions run with the Homesite and require, among other things, that (i) buyer give Seller notice of Seller's defaults or any Claim (as defined therein) after Closing and (ii) Seller have an opportunity to inspect and cure defects in the Home. The deed restrictions further require the arbitration of any Claim against Seller that cannot be resolved.

3.3 Buyer acknowledges the provisions of the Governing Documents are fair and reasonable.

4. Association Memberships.

4.1 Upon conveyance and recording of the Deed to the Home, Buyer understands and agrees that Buyer will then become a member of the Spring Grove Plantation Community Service Association, Inc., a South Carolina nonprofit corporation (the "Association"). Buyer agrees to accept the liability and obligations of

such memberships. Buyer understands that as a member of the Association, Buyer will be required to pay Assessments (as defined in the Governing Documents) for the maintenance of the Common Areas (as defined in the Governing Documents) and for such other uses and purposes as are provided for in the Governing Documents. Buyer also understands and agrees that a failure to pay Assessments when due could cause the Association to record a lien on the Home and to foreclose such lien. Assessments are subject to additional increases in the manner currently provided for in the Governing Documents. Neither Seller, the Association, nor any other builder can estimate the amount or frequency of any such increase.

4.2 Buyer acknowledges that nominees of Seller, and the developer of the Community and the developer of the Neighborhood may serve as the initial officers and directors of the Association. The officers and directors and the management company, which may be an affiliate of Seller, are authorized by Buyer to act for and on the behalf of the Association. Seller may, but is not required to, advance monies to the Association for operations. In the event such advances are made, they will be considered a loan from Seller, and the Association will be obligated to repay such advances as set forth in the Community Documents.

4.3 Buyer acknowledges that all new construction and modifications of existing construction and exterior improvements within the Community are subject to the prior written approval of the appropriate architectural review, design review or similar committee or authority, which is appointed by the Board of Directors of the Association. Buyer agrees to comply with all rules and regulations of the appropriate authority (or authorities) governing construction of improvements within the Community and the Neighborhood as the same may be amended and exist from time to time. These restrictions are subject to change without notice. Building and use restrictions include, but are not limited to, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, the developer of the Community, the developer of the Neighborhood and homebuilder(s), leases and restoration of homesites. Buyer agrees not to commence any construction upon the Homesite until it has obtained all requisite written approvals therefore. Buyer further agrees not to make any modifications of any existing buildings and improvements, including, but not limited to, landscaping and landscape irrigation, without the prior written approvals of the appropriate authority (or authorities) pursuant to any city, county or state regulation and pursuant to recorded covenants, conditions or restrictions governing the land. In addition, every city, county or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to the Home or Homesite, Buyer should contact the applicable governmental authorities for further information concerning local codes and ordinances. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required.

4.4 Approval of any work by the appropriate reviewing authority or authorities shall not constitute an express or implied warranty of representation that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designated or will be constructed in a proper manner.

4.5 Failure to submit plans and specifications to the appropriate reviewing authority or authorities for approval is a violation of the provisions of the Declaration and/or applicable deed restrictions, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, any of non-approved improvements or modifications.

5. Community Charges. In addition to the Closing Costs set forth in Rider B, Buyer shall pay the following additional Closing Costs respecting the Community:

5.1 Association Assessments. Assessments payable to the Association ("Association Assessments"), prorated for the month in which the Closing occurs (based on the then current Assessments at the time of closing). Such Assessments are estimated to be $330.00 per year at this time. Buyer understands that the estimated operating budget for the Association is only an estimate of what it will cost to run the Association. The Association may make changes in the budget at any time to cover increases or decreases in expenses or estimates in the budget. Without limiting the generality of this Section, those changes will not give Buyer any right to cancel the Agreement.

5.2 Association Initial Capital Contribution. Buyer acknowledges that among other Assessments provided for in the Community Documents, the Association has established an initial capital contribution ("Initial Capital Contribution"). Buyer acknowledges that upon conveyance of the Property an Initial Capital Contribution in an amount equal to $300.00 (or such amount as determined from time to time) is due. The Initial Capital Contribution may be used for any reason whatsoever including, without limitation, reimbursement for costs in setting up the Association and costs of deficit funding. Buyer acknowledges and agrees that the Initial Capital Contribution is not to be considered as an advance payment of Assessments.

5.3 Resale Capital Contribution. Buyer acknowledges that the Association may establish a Resale Capital Contribution (as defined in the Governing Documents). For more information on the Resale Capital Contribution, please refer to the Governing Documents.

6. Security. The Community is not a gated community and the roads in the Community are public.

7. Building and Use Restrictions. Every homesite is subject to building and use restrictions as set forth in the Declaration. These restrictions are subject to change without notice. Building and use restrictions may affect,

among other things, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, satellite dishes, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, any developer and homebuilder(s), leases and restoration of homesites. Seller encourages you to carefully review the Declaration and to ensure the long-term quality of life for both you and your neighbors.

8. Municipal Building Codes And Ordinances. Every city or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to your Home or Homesite, you should contact the Building Inspector for Berkeley County at 843.719.4095 for further information concerning local codes and ordinances. Seller is not responsible for notifying Buyer or any other homeowners of the content or restrictions contained in any local codes or ordinances.

9. Architectural Review.

9.1 The Declaration currently provides that no improvements shall be commenced upon any homesite, nor shall the exterior color, style and materials of an approved structure on a homesite be altered without the prior written approval of the Architectural Control Committee ("ACC"), as applicable, which is appointed by the Board of Directors of the Association. Improvements constructed by Seller or the developer of the Community, or the Neighborhood, as applicable, are exempt from this requirement. Approval of any work by the ACC shall not constitute an express or implied warranty or representation by the ACC that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designed or will be constructed in a proper manner. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required. For more information concerning architectural review, please review the Declaration.

9.2 Failure to submit plans and specifications to the ACC for approval is a violation of the Declaration, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, of any non-approved modifications.

10. Pet Restrictions. Buyer understands that the only pets allowed in the Neighborhood and the Community are those which are in accordance with the restrictions contained in the Community Documents or any amendments thereto.

11. Short-Term Rentals. Buyer acknowledges that homes in the Community may be rented for any length of time, subject to certain restrictions set forth in the Community Documents.

12. Flood Zone. Buyer acknowledges that the Property may be in a flood zone. Mortgage lenders will typically require the issuance of flood insurance as a requirement for financing, which insurance must be present at Closing. Seller recommends that each Buyer of a Home protect his/her Home by obtaining proper insurance coverage. It is possible, however, for Buyer to submit documentation to the Federal Emergency Management Agency (FEMA) to have the Home re-classified by FEMA, whereby the mortgage lender may have the option to waive the requirement of flood insurance. Buyer is solely responsible for the submission to FEMA for such re-classification and any and all expenses related to such submission. Further, Buyer acknowledges and understands that the waiver of flood insurance is at the sole discretion of the mortgage lender.

13. Utilities.

13.1 Buyer acknowledges that no septic tanks shall be permitted within the Community and the Neighborhood. No wells shall be installed without the express written consent of the ACC and all other applicable government agencies.

13.2 Some homesites contain or are adjacent to drainage and utility structures such as storm water overflow swales, storm water retention and/or detention basins, manholes, fire hydrants, electrical transformers, switch boxes, telephone pedestals and streetlights. None of these items shall be altered, obstructed, buried, modified, restricted or interfered with in any manner whatsoever. Overflow swales are generally utilized for overflow storm water capacity as a result of water drainage. Electrical transformers may only be landscaped to the extent permission is given by the utility provider. In some cases, water may flow from one homesite to another. State law may provide that the owner of the homesite receiving water is required to accept the water flow and may not impede the flow of this water. In addition, the Property will be graded to provide for reasonable drainage away from the Home's foundation. The vast majority of foundation problems are caused by insufficient drainage or lack of watering of soil around the foundation. Buyer should keep Buyer's lawn well watered to maintain consistent moisture content and avoid excess wetness, dryness or cracking of soil. The construction of curbs, decks, retaining walls, pools, spas, patios, landscape edging and similar items can also trap water within the yard area and cause structural damage to the Home's foundation. Seller strongly recommends that Buyer consult with a licensed landscape architect and civil engineer before performing any work or making any changes that may affect the existing drainage pattern.

13.3 Berkeley County provides water to the Community. Because Seller does not control the water supply, Seller cannot guarantee the quality of the water provided to the Community. In addition, this area is periodically subjected to extended periods of drought that may cause depletion of water supplies. Municipalities and other providers of water services (including the Town of Moncks Corner) may enact mandatory or voluntary cut backs or other restrictions in water usage. Seller has no control, influence, responsibility or liability for or over decisions concerning water rationing.

13.4 If Buyer has any questions about utility rates, services, safety, or anything else to do with overhead or underground transmission or utility lines, Buyer should contact the utility companies directly. Because Seller values Buyer's safety and that of Buyer's neighbors, no excavation or trenching should be done without first calling the utility companies for the location of buried utilities. There is currently no charge by the utilities for this service. This is especially important in utility easements where buried utility equipment is probable. Digging without advance notification and approval of the utility companies may be illegal, is dangerous and can result in severe personal injury or death to Buyer and Buyer's neighbors, and can also result in severe property damage to homes, property and utility equipment.

14. Waterbodies. BUYER ACKNOWLEDGES THAT THE WATER LEVELS OF LAKES, PONDS OR OTHER WATERBODIES WITHIN THE COMMUNITY AND/OR THE NEIGHBORHOOD MAY VARY. THERE IS NO GUARANTEE BY SELLER, THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT.

15. Regulatory And Governmental Approvals. The zoning, plans, etc. have been approved by Berkeley County. The development of the project, lot, sidewalks, etc. is subject to approval by Berkeley County. For more information on the approvals required and pending in the Community, Buyer should contact the Berkeley County Planning & Zoning Department at 843.719.4095.

16. Prices/Market Values. Seller, and any other builder in the Community, shall have the unilateral right to establish prices for the homes it builds in the Community. Seller and any other builder in the Community may, at its sole discretion, increase or decrease the price or the price per square foot for any home, homesite or option at any time, or offer incentives for sales of homesites and homes, all without notice to Buyer. Once Buyer has signed the Agreement establishing a price for the Property, the prices for any subsequent changes or upgrades to the Home as requested by Buyer, including but not limited to design, floor plan, options, materials or otherwise, are subject to change by Seller until a written and signed agreement on the price is reached by Seller and Buyer for such change or upgrade. Seller makes no representations or warranties that the price for the Property or options in the Home will be increased or decreased for other buyers of identical or similar homes or options. Seller also makes no representations or warranties that changes or options made by Buyer will or will not increase or decrease the market value of the Property. The Property is being sold for residential purposes and not as an investment.

17. Construction And Sales Activities. BUYER ACKNOWLEDGES THAT SOME AREAS OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNDER CONSTRUCTION AND DEVELOPMENT FOR AN EXTENDED TIME. INCIDENT TO THE DEVELOPMENT PROCESS, THE QUIET ENJOYMENT OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNAVOIDABLY INTERFERED WITH TO SOME EXTENT BY THE CONSTRUCTION OPERATIONS. Construction, development and sales activities in the Community and/or the Neighborhood will likely occur after Buyer has taken occupancy of Buyer's Home. Depending upon Buyer's sensitivities, this may result in some inconvenience to Buyer and Buyer's family and guests due to increased noise, dust, road closures, operation of the model homes and sales offices, and other activities. Construction activities can occur at various hours throughout the day, and sales activities can result in additional traffic and visitors throughout the Community, particularly before the Community is completely built out. Neither Seller nor any other builder that may be active in the Community can guarantee that Buyer will not be affected or impacted as a result of the overall construction and development of the Community. Seller gives no guarantees or assurances on the active time of the Community model homes. Homesites across the street or next to the model homes may remain undeveloped until Seller determines that these homesites are no longer needed for marketing purposes.

18. Views. Future development and construction activities in the Community can and will modify the view from homesites (including but not limited to the Homesite). Trees and other foliage may be added or removed from lots or common areas of the Community. Additional housing and other improvements will be added within the community. Because future development and construction activities in the Community will modify views from homesites, Seller does not warrant or guarantee any existing views will be maintained in the future relative to the Property.

19. Streetlights. Numerous streetlights will be installed within the Community, many of which will be installed after homes have been completed, sold and occupied. Streetlights are sized and placed in accordance with Town ordinances and governmental requirements, and could in some instances generate light in or obstruct views from homes in the Community. Information about streetlight size, light output, design and location of streetlights within the Community can be obtained from the service provider.

20. Trees And Foliage. The Community contains numerous native trees of various sizes and varieties. While Seller has taken great care during the planning and construction of the Community to save trees, future development and construction will require the removal of additional trees, shrubs and other foliage and, therefore, Seller does not guarantee the preservation of any trees, shrubs, ground cover or other foliage in the Community or Buyer's Homesite, and cannot be responsible for short or long-term damages to foliage due to construction or development activities. Seller makes no representation or warranty that trees on the Homesite being purchased or any other homesite or common area in the Community will not be removed. All care and maintenance of foliage on an individual homesite is the responsibility of the homeowner, and Seller does not guarantee or warranty the survival of any foliage. Berkeley County has adopted a Tree Ordinance regulating the removal of any tree over a certain size. Before removing a tree, Buyer should contact Berkeley County to ensure that its regulations are adhered to. The Declaration also contains restrictions regarding the removal of any tree over a certain size. Buyer should contact the Association to ensure that its regulations are adhered to.

21. Facilities And Conditions Affecting Homesites.

21.1 The information set forth in this section contains an overview of facilities and conditions which may affect some or all homesites in the Community (including but not limited to the Homesite). Because Seller does not have control over development outside of the Community, Seller does not warrant or guarantee any future development, usage, or lack of development or usage for properties located outside of the Community, or their possible impact on the residents of the Community. For additional information about offsite features that may affect the purchase of the Property, please contact the local governmental authorities having jurisdiction over the Community.

21.2 Seller advises Buyer that some of the homesites (including but not limited to the Homesite) are or may be adjacent to or near some of the following:

DRAINAGE CHANNEL, AIRPORT, RAILROAD TRACKS, STORM WATER DETENTION FACILITY, COMMUNITY CENTER, ELEVATED WATER STORAGE TOWER, SCHOOL FACILITY, PARK SCHOOL SITE, SPORTS FACILITY OR BALL FIELD, COMMUNITY LAKES, PARK AND/OR RECREATION FACILITY, WATER PLANT/SEWER PLANT, LIFT STATION, CELLULAR PHONE, RADIO, TELEVISION OR OTHER TOWER ANTENNA SITE, HIGH VOLTAGE TRANSMISSION LINES OR PIPELINE EASEMENT.

Buyer acknowledges that such facilities may impact noise, vibration, lighting, traffic and other conditions caused by daily operations of the facility. Drainage channels, lakes and storm water detention facilities will have varying levels of water for varying periods of time depending upon rainfall.

21.3 Approximately 10 miles from the edge of the Community is the Charleston International Airport. Some flights landing at or taking off from the airport currently pass over the Community. Jets, helicopters or other aircraft may be seen or heard overhead from the Homesite or even from within the Home. The Charleston International Airport may, in the future, expand the Airport and its operations.

21.4 As a result of the open spaces and bodies of water in and around the Community, Buyer may periodically find wild animals within the confines of the Community including, but not limited to, skunks, nutria, opossums, deer, raccoons, spiders, snakes, bees, fire ants, and other insects common to the area. Contact with any wild animal can be dangerous. Should Buyer encounter any such animal, Buyer is encouraged to contact Buyer's local animal control office for further instructions.

21.5 Property West of the Community. The property west of the Community is currently comprised of agricultural and wooded land and land occupied by the Charleston Steel & Metal plant, Parker Gas Turbine Fuel Systems, and Mt. Holly Hill Park.

21.6 Property North of the Community. The property north of the Community is currently comprised of undeveloped woodlands and land used for residential purposes.

21.7 Property East of the Community. The property east of the Community is currently comprised of forested wetlands and undeveloped woodlands and land used for residential purposes. The property further east of the Community was occupied by the former Pattillo/Stone Mountain Industrial Park Site.

21.8 Property South of the Community. The property south of the Community is currently comprised of undeveloped woodlands and forested wetlands and land used for residential purposes.

21.9 Future Commercial/Retail Uses. The Community is located adjacent to properties which will be developed with major commercial and retail uses in the future. The development of such uses adjacent to the Community may increase traffic volumes, noise, outdoor lighting, pedestrian activity and other similar impacts resulting from commercial development.

21.10 Development of Adjacent Property. Buyer acknowledges that Seller's current construction plans for the Community where the Home and Homesite are located may change and that no representations or warranties are made concerning the development of the Community, or any property adjacent to, surrounding, or near such Community.

21.11 Public Ballfields. Public ballfields are located within the Community. The ballfields are or will be owned by the Association and the future use of the ballfields is in the discretion of Association.

21.12 Major Public Roads. The Community is located along portions of Old Hwy 52 and Cypress Garden Road. These roads may experience heavy traffic.

22. **Floor and Roof Truss Support**. The Home has been designed and constructed with the intent to support typical loads on the floor and roof trusses. Placing or storing excessive loads such as a waterbed or pool table, may result in the warping or failure of the supporting structural components of the Home.

23. **Real Estate Taxes**. When a new home is built, the full value of the home is typically not reflected in the real estate taxes until the second calendar year after construction has been completed. Seller is not responsible for communicating any information regarding real estate taxes (current or future) and cannot and will not predict what the taxes on the Home may be. Buyer should confirm any information provided concerning appraisals, tax valuation, tax rates or other tax-related questions, with Buyer's personal tax advisor and the local taxing authorities.

24. **Public Financing of Capital Improvements**. Berkeley County may finance certain capital improvements in the Community, may issue bonds in connection with such financing and may create one or more special tax districts

within the Community to provide for repayment of such bonds.

25. Town and County Taxes, Charges And Fees. Property within the Community is subject to Berkeley County taxes, utility charges, fees and may become part of a special taxing district. For additional information, contact the Tax Collector's office of Berkeley at 843.719.4030.

26. Addendum Not A Substitute. Buyer acknowledges and agrees that this Addendum is not a substitute for reading the entire Governing Documents. For a more detailed explanation of any section contained in this Addendum, refer to the Governing Documents.

27. Pre-Sale Contingency. Seller shall have the right to terminate this Agreement and cause Buyer's deposits to be refunded in the event that Seller does not enter into binding contracts to sell at least ten percent (10%) of the homes and homesites in the Community. Seller must, however, notify Buyer of such a termination at any time within one hundred eighty (180) days following the date of the first purchase agreement for the sale of a home in the Community, otherwise Seller will be required to construct the Community and the Home and otherwise proceed to perform its obligations under this Agreement. This shall not delay the effectiveness of this Agreement, which shall be immediate, but rather, shall be deemed a "condition subsequent" to this Agreement. In the event of Seller's termination of this Agreement pursuant to this Section, upon such termination and the return of Buyer's Deposit, Seller and Buyer will be fully relieved and released from all obligations and liabilities under and in connection with this Agreement. Seller agrees to use its good faith efforts to meet the foregoing pre-sale requirement.

28. Third Party Developer. Seller is not the developer/declarant of the Community ("Developer"). Buyer acknowledges that (i) Seller is neither related to nor a joint venture partner with Developer, (ii) Seller does not control the amenities (existing or planned), landscaping, or other improvements that Developer may provide within the Community in the sole and absolute discretion of Developer, (iii) Seller has neither prepared nor participated in the preparation of the Community budgets or any other financial information with regard to the Community, and (iv) any representations or warranties which relate to amenities or other matters contained within the Community shall not be construed as representations made by Seller nor shall such representations be relied upon by Buyer in Buyer's determination as to whether to purchase the Property located within the Community. Seller has no control or influence related to the construction timing, completion, changes in design, changes in location, or other major decisions, including the decision not to build future amenities. Buyer agrees to look solely to the Developer with respect to any matters regarding the Association, existing Community amenities, any proposed amenities, landscaping or other improvements.

29. Statements Made By Sales Staff And Brokers. Seller wants to ensure that Seller and Buyer are in full agreement on all terms and conditions relating to the Agreement. To best ensure that there are no misunderstandings, Buyer should ensure that all terms and conditions (including all statements, representations, or understandings upon which Buyer relies in purchasing the Home) are set forth in writing in the Agreement. **If there are any statements, representations or understandings which are made by a sales staff person or any other representative of Seller which are material to Buyer's decision to purchase, Buyer should insist that any such statement, representation or understanding is put in writing and contained in the Agreement. Seller reserves the right to reject the Agreement notwithstanding the inclusion of any such item in the Agreement.**

30. Public School Assignment. Seller does not control and cannot guarantee public school assignments for the Community. Because Seller does not control public school assignments, Seller cannot assure Buyer that public school assignments will not be changed in the future. For more information about public school assignments, Buyer should contact the Berkeley County School Board.

31. Counterparts. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

32. Conflicts. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

33. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

34. **Survival**. All of the terms of this Addendum shall survive Closing and the delivery of the Deed.

INSULATION ADDENDUM

THIS INSULATION ADDENDUM (this "Addendum") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") dated as of the ninth day of MARCH , 2013, between Edward F Dengg, Sylvia K Dengg (collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 0019 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "Community").

1. Defined Terms. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. Insulation. Pursuant to Title 16, Chapter I, Section 460.16 of the Code of Federal Regulations, the insulation that is or will be installed in the Home where conditioned space meets unconditioned space is as follows and will, according to the manufacturer, yield the R-values stated:

Location	Type	Thickness	R-Value
Exterior Masonry Walls	N/A	N/A	N/A
Exterior Stud Wall	Batt	3 1/2 inches	R-13
Ceilings	Batt	10 inches	R-30
Roof	Blown	12 inches	R-30
N/A	N/A	N/A	N/A

If so indicated above, fiberglass (also known as glass wool) is/will be used for insulation in the Home. The U.S. Department of Health and Human Services ("HHS") has listed fiberglass as a substance "which may reasonably be anticipated to be a carcinogen." This listing identifies substances selected for further study because of their potential carcinogenic risk but is not an assessment by HHS that there is a causal connection between fiberglass and human cancer. The listing does not establish that fiberglass presents a risk to persons in their daily lives.

INDOOR ENVIRONMENTAL QUALITY DISCLOSURE

THIS INDOOR ENVIRONMENTAL QUALITY DISCLOSURE (this "Disclosure") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") dated as of the ninth day of MARCH , 2013, between Edward F Dengg, Sylvia K Dengg (collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 0019 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "Community").

1. Defined Terms. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Disclosure to the Agreement shall be deemed to include references to this Disclosure and to any other disclosure and/or addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. Indoor Environmental Contaminates. There are many different types of indoor environmental contaminants, such as pet dander, dust mites and mold. Molds and other potential contaminants have been a part of our environment for millions of years. Contaminants are everywhere, indoors and outdoors. Therefore, everyone is exposed to some contaminants on a daily basis without evident harm. Due to a number of factors, including the fact that sensitivities to various types of molds and other potential contaminants vary from person to person, there are no state or federal standards concerning acceptable levels of exposure to mold. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illness have been linked with biological pollutants in the indoor environment, including some forms of mold. However, many of these conditions also have causes unrelated to the indoor environment. Therefore, it is unknown how many potential health problems relate exclusively to poor indoor air. Buyer should determine for himself/herself whether Buyer, Buyer's family members or any other individuals who will occupy or use the Home have special needs or increased risk to these conditions. Buyer should carefully monitor the conditions in the Home for mold growth and other contaminants.

When excessive moisture or water accumulates indoors, mold growth can and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all molds or mold spores in an indoor environment. The key to controlling indoor mold growth is to control moisture.

There are many ways to help control moisture in and beneath the Home. The U.S. Environmental Protection Agency, the Consumer Product Safety Commission, the American Lung Association and others recommend taking measures such as those listed below to help control moisture in and beneath the Home. The following list is not meant to be all-inclusive.

- o Fix leaking plumbing and any other source of unwanted water immediately.
- o Maintain proper indoor humidity. Equipment that conditions the air, such as air conditioners, humidifiers and ventilation systems must be operated year round.
- o Raise the temperature in areas where moisture condenses on surfaces and open doors between rooms to increase air circulation in the Home, including doors to closets.
- o Have major appliances, such as furnaces, heat pumps, central air conditioners, window air conditioning units, ventilation systems and furnace attached humidifiers inspected, cleaned and serviced regularly by a qualified professional.
- o Clean and dry refrigerator, air conditioner and dehumidifier drip pans and filters regularly and make sure that refrigerator and freezer doors seal properly.
- o Keep water away from the foundation of the Home by maintaining required slopes, drainage and keeping plantings and sprinklers the proper distance from the Home.
- o If there is a sump pump in the Home, inspect it regularly to ensure that it is properly operating.
- o If there is a crawl space or structural sub-floor, inspect the ground beneath the floor on a regular basis to make sure there is no standing or excessive water. If there is standing or excessive water, seek professional assistance to remove the water. If Buyer is interested in finishing the basement, only do so after consulting an expert to determine the suitability of the basement for a finished area.

The following are suggestions that may assist Buyer in preventing and addressing mold growth in the Home.

- o It is important that Buyer responds promptly when Buyer sees signs of moisture or mold.
- o Do not allow moisture to stand or make contact with carpet, furniture and cellulose-based materials, such as wood, drywall or other non-tile, non-plastic or non-metal materials.
- o Dry all water damaged areas and items immediately to prevent mold growth.
- o If mold develops, clean up the mold by washing off hard surfaces with detergent and water and completely dry the surface.
- o Depending upon the nature and extent of the mold infestation, trained professionals may be needed to assist in the remediation effort.
- o Mold that is not properly and adequately removed may reappear.

Proper maintenance and cleaning of the Home is the responsibility of each homeowner and will lessen the potential for water intrusion and help to control indoor environmental contaminants. Further, it is the responsibility of each homeowner to monitor their Home on a continual basis for excessive moisture, water and mold accumulation. If Buyer discovers accumulation of water or moisture in, around or under the Home, Buyer should immediately seek to control the source of the water or moisture. Failing to control the source could result in additional damage and the growth of mold. Plumbing leaks and water penetrations that are covered by the Limited Warranty, if any, during the term of the Limited Warranty must be reported to Seller immediately. If the Limited Warranty has expired or does not cover the specific problem, Buyer should not delay in having professionals address the problem. Seller will not be responsible for, and Buyer agrees to indemnify and hold harmless Indemnified Parties from and against all Claims in connection with, water-related damages, including personal injuries or property damage caused by mold, but only to extent that the damages are caused by (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction. Buyer also agrees to waive all rights of subrogation for damages resulting from water-related damages, mold growth, any personal injuries, or any remediation resulting from (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction.

3. Counterparts. This Disclosure may be executed in counterparts, a complete set of which shall form a single Disclosure.

4. Conflicts. In the event of any conflict between this Disclosure and the Agreement or any other addenda and/or riders, this Disclosure shall control. In all other respects, the Agreement shall remain in full force and effect.

5. Entire Agreement. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. 2. **Purchase Price and Payments**. The total purchase price ("**Total Purchase Price**") for the Home, exclusive of any Builder's Fee, as applicable, and Closing Costs as described in Rider B and the Purchase Price and Payment Addendum, is $ 179,998.00. Buyer (and not a third party) has made an earnest money deposit upon the signing of this Agreement (the "**Initial Deposit**") of $ 500.00. Buyer shall make further payments to Seller, including but not limited to any "Additional Deposit" or "Advanced Payment" (consisting of non-refundable deposit(s) for options, extras, and upgrades) as set forth in the Purchase Price and Payment Addendum attached hereto and made a part hereof. The term "**Deposit**" shall include the Initial Deposit, Additional Deposit and Advanced Payment.

3. **Legally Binding Agreement**. THIS AGREEMENT IS A LEGALLY BINDING CONTRACT. IF NOT FULLY UNDERSTOOD, PLEASE SEEK COMPETENT LEGAL ADVICE. NO WARRANTIES OR REPRESENTATIONS, OTHER THAN THOSE SPECIFIED IN THIS AGREEMENT, ARE EXPRESSED OR IMPLIED. ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF SELLER. FOR CORRECT WARRANTIES AND REPRESENTATIONS, REFERENCE SHOULD BE MADE TO THIS AGREEMENT, INCLUDING THE RIDERS AND ADDENDA ATTACHED HERETO, AND THE "**DOCUMENTS**" (AS SUCH TERM IS DEFINED IN RIDER B) PROVIDED TO BUYER, IF ANY.

4. **Financing**.

☐ **NO CONTINGENCY.** If this box is checked, this is a cash transaction and not contingent on financing. Buyer agrees to provide within five (5) calendar days from the Buyer's execution of this Agreement financial statements or other written verification of Buyer's ability to purchase the Property with cash. If Buyer does not (in Seller's sole judgment, based on the documentation provided by Buyer to Seller) have the financial ability to purchase the Property with cash, then Seller may terminate this Agreement by refunding to Buyer any paid Deposit.

☒ **MORTGAGE CONTINGENCY.** If this box is checked, this Agreement is contingent on Buyer obtaining a loan commitment within the Mortgage Contingency Period (as such term is defined in Rider B attached hereto) for a first mortgage loan from Universal American Mortgage Company, LLC (an affiliate of Seller), or another qualified institutional mortgage lender of Buyer's choice ("**Lender**"), with interest, term and service charges at current market rates at time of Closing (as defined below) for a borrower of

Buyer's credit qualifications (the "**Mortgage Contingency**"). Buyer agrees to apply within five (5) calendar days from the execution of this Agreement for a loan at the then prevailing interest rate and terms (the "**Mortgage Contingency Period**"). In the event Buyer chooses to obtain financing through a Lender other than Universal American Mortgage Company, LLC, Buyer agrees to promptly provide Seller, upon Seller's request, with the name, address and phone number of such Lender, the loan officer and the loan processor. Buyer shall furnish promptly and accurately to Lender all information and documents requested by Lender in connection with such application. If Buyer properly makes and pursues the loan application as provided herein but is unable to provide Seller with a copy of a written loan commitment reasonably satisfactory to Seller within the Mortgage Contingency Period, or if Buyer is at any time disapproved for such loan (and Buyer does not cancel or withdraw his/her loan application), then Seller, at its sole discretion, may cancel this Agreement by written notice to Buyer, at Buyer's last known address, in which event Seller shall refund any paid Deposit made by Buyer. If Buyer properly makes and pursues the loan application as provided herein but is unable to obtain mortgage loan financing, despite Buyer's good faith efforts to do so, and Buyer is not otherwise in default under this Agreement, and further provided that Buyer provides Seller with documentation from Lender that the loan has been declined, Buyer may cancel this Agreement by giving written notice to Seller within the Mortgage Contingency Period, in which event Seller shall refund any paid Deposit. If this Agreement provides for a VA guaranteed or FHA-insured loan, Buyer's obligation to complete the purchase contemplated under this Agreement is subject to the VA/FHA Addendum attached hereto and incorporated herein.

The following shall apply only if this Agreement is subject to the Mortgage Contingency, as indicated above:

4.1 Mortgage Loan. Unless Buyer shall have otherwise notified Seller in writing within the Mortgage Contingency Period, Buyer shall be conclusively presumed to have obtained the loan commitment or agreed to purchase the Property without mortgage financing, and the Mortgage Contingency shall be deemed to have been satisfied.

4.2 Application. Buyer understands that any loan application required under this Agreement must be fully completed in order to obtain the mortgage loan, and Buyer will make a good faith attempt to qualify for the mortgage loan. If Buyer has a spouse who does not constitute a Buyer under this Agreement, Buyer agrees to have his/her spouse sign the mortgage documents as required by Lender. BUYER AGREES TO INCUR NO DEBT SUBSEQUENT TO THE DATE HEREOF WHICH MIGHT JEOPARDIZE APPROVAL OF BUYER'S MORTGAGE LOAN. IF THE PROPERTY IS BEING PURCHASED BY A CORPORATION, PARTNERSHIP, OR OTHER ENTITY, BUYER AGREES TO (1) OBTAIN ANY PERSONAL ENDORSEMENTS OR GUARANTEES REQUIRED BY LENDER AND (2) PROVIDE TO LENDER AND/OR THE TITLE INSURER PROMPTLY UPON REQUEST SUCH CERTIFICATES, RESOLUTIONS OR OTHER CORPORATE, PARTNERSHIP OR OTHER ORGANIZATIONAL DOCUMENTS AS MAY BE REQUIRED. Except as provided in this Agreement, Buyer agrees to pay all loan fees and closing costs charged by Lender in connection with the mortgage loan. Buyer will pay any prepaid interest due on the mortgage loan at the time of Closing and any amount Lender may require to be put into escrow toward the payment of property taxes and insurance on the Property. Buyer will also pay any mortgage insurance premiums (prepaid or otherwise), if required by Lender.

4.3 Commitment. Buyer understands that the rate of interest on the mortgage is established by Lender and not by Seller and that any predictions or representations of present or future interest rate that may have been contained in any advertising or promotion by Seller are not binding. If Buyer obtains a written mortgage loan commitment and the mortgage loan commitment is subsequently withdrawn through no fault of Seller including, but not limited to, any condition to such loan commitment not being satisfied for any reason (other than failure of the Property to appraise equal to or greater than the Total Purchase Price), this Agreement shall remain in full force and effect and Buyer shall be conclusively presumed to have agreed to purchase the Property without mortgage financing. If the Lender's appraiser does not appraise the Property for the Total Purchase Price then Seller shall have the option in, Seller's sole discretion, to (i) lower the Total Purchase Price to the appraised value and Buyer shall proceed to Closing, or (ii) terminate this Agreement and return the Deposits to Buyer. If Buyer obtains a loan commitment containing any special condition that is not ordinarily contained in typical loan commitments for the Community, Seller, in Seller's sole discretion, may treat Buyer's loan application as having been denied; whereupon, Seller shall have the rights set forth in this Section 4.

4.4 Sale of Other Residence. Unless the Home Sale Contingency Addendum is executed, Buyer represents and warrants that this Agreement and the mortgage loan referenced herein, are not and will not be subject to or contingent upon Buyer's selling and/or closing on the sale of Buyer's present residence or other property. Failure to close on the purchase of the Property will constitute a default by Buyer and the remedies available to Seller for Buyer's default under this Agreement shall apply.

5. **Funds**. Any funds paid by Buyer under the terms of this Agreement to Seller through a check or cashier's check are accepted by Seller subject to collection. Buyer acknowledges that Seller shall have the right to deposit such check for the Initial Deposit without such action being deemed acceptance of this Agreement. If any such check is not paid by the bank after acceptance of this Agreement, Seller shall have the option to cancel this Agreement and declare Buyer in default. If Buyer provides any check for a Deposit in the form of Canadian currency (a "**C$ check**"), Seller's depository bank will convert such C$ check into a U.S. dollar amount using its currency procedures and exchange rate then in effect two (2) business days following the date of processing (the "**Conversion Date**") and the amount of the Deposit to be applied toward the Total Purchase Price shall be equal to the amount received by Seller from the depository bank on the Conversion Date. Seller reserves the right to charge or pass through any currency conversion-related fees or costs to the Buyer at Closing (as hereafter defined). Notwithstanding the foregoing or anything contained in the Agreement to the contrary, the balance of the Total Purchase Price plus all applicable Closing Costs (the "**Closing Proceeds**") shall be paid to Seller at Closing by wire transfer in immediately available funds or by cashier's check (subject to collection) issued by a bank with a branch in the County where the Property is located. If Buyer delivers all or any portion of the Closing Proceeds in the form of a cashier's check exceeding $25,000.00, then Buyer will not be entitled to possession of the Home until the Closing Proceeds have cleared.

6. **Credit Information Authorization**. Buyer authorizes Lender to whom Buyer has applied or is in the process of applying for a mortgage loan in connection with this transaction to disclose to Seller the information contained in any loan application, verification of deposit, income and employment, and credit reports or credit related documentation on Buyer. Buyer authorizes Seller to order one or more credit reports from a consumer reporting agency to be used in connection with this transaction. The cost of said report(s) is (are) to be paid by Buyer. Buyer authorizes Seller to forward all copies of all or any portion of such report(s) without interpretation to Lender who (at the request of Buyer) will evaluate a potential extension of credit to Buyer in connection with this transaction. Buyer authorizes Lender, and any credit bureau or other person or entity utilized or engaged by Lender, to obtain one or more consumer reports regarding Buyer and to investigate any information, reference, statement, or data, provided to Lender by Buyer or by any other

person or entity, pertaining to Buyer's credit and financial status. Buyer shall indemnify, defend and hold harmless Seller, its officers, directors, shareholders, employees, agents, contractors, subcontractors and suppliers ("Indemnified Parties"), Lender, and any credit bureau or other person or entity utilized or engaged by Lender or Seller, from and against any deficiencies, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, awards, suits, costs or disbursements of any kind or nature whatsoever, including attorneys' fees and expenses ("Claims") arising from an investigation of Buyer's credit and financial status.

7. **Closing**. Without limiting the terms of Section 8, Buyer acknowledges and agrees that Seller has the right in its sole discretion to schedule the date, time and place for the closing of the transaction contemplated by this Agreement ("**Closing**") and Buyer shall close on such Closing Date (the "**Closing Date**"). Buyer will be given notice of the Closing Date, time and place by the "**Closing Date Notice Period**" (as such term is defined in Rider B attached hereto). Seller is authorized to postpone or advance the date of Closing at its discretion. Seller must, however, give Buyer reasonable notice of the new Closing Date. Any notice of Closing may be given verbally, by telephone, telegraph, telex, facsimile, mail, e-mail, or other means of communication at Seller's option. All notices of Closing will be given to Buyer at the address or by use of the telephone number(s) or e-mail address(es) specified on page 1 of this Agreement unless Seller has received written notice from Buyer of any change therein prior to the date notice of Closing is given. Buyer's failure to receive the notice of Closing because Buyer has failed to advise Seller of any changes of address or phone number, or because Buyer has failed to pick up a letter when Buyer has been advised of an attempted delivery or for any other reason, shall not relieve Buyer of Buyer's obligation to close on the scheduled Closing Date, unless Seller otherwise agrees in writing to postpone the Closing Date. To the extent not prohibited by applicable law, if Seller, in its sole discretion, agrees in writing to reschedule the Closing Date at Buyer's request, or because Buyer (if a corporation) has failed to produce all corporate documents requested by Seller, or for any other reason (except for delay required by Seller), then (1) Seller may impose a late charge as liquidated damages for such delay equal to One Hundred Twenty-Five Dollars ($125.00) per day for every day from the original Closing Date through the date that the transaction closes, and (2) Seller may require that prorations be made as of the original Closing Date. Buyer agrees the late charge is appropriate in order to cover Seller's administrative and other expenses resulting from a delay in Closing and that the amount of liquidated damages is fixed and agreed to by the parties as a reasonable estimate of the damages that Seller shall suffer and is not in the nature of a penalty. Seller is not required to agree to reschedule Closing, but Seller may reschedule Closing in Seller's sole discretion.

8. **Completion Date**. It is expressly agreed by Buyer that notwithstanding anything to the contrary specified herein or verbally represented (including but not limited to Seller's sales representative), any scheduled completion date is a good faith estimate, and Seller makes no promises or representations concerning the date of completion. Buyer agrees that Buyer has not relied, and will not rely upon, any estimated completion date for any purpose whatsoever, including, without limitation, relocation of residence, storage of personal property, or lock-in financing, and Buyer agrees that Seller shall not be liable for any additional costs, expenses or damages whatsoever should the Home not be completed by an estimated completion date. Notwithstanding the foregoing, Seller is required to complete and does agree that the construction of the Home shall be completed not later than two (2) years from the date of Buyer's execution of this Agreement. If construction is delayed by any event recognized by the law of the state in which the Home is located as a defense to a contract action for non-performance or a delay in performance, then the date of completion shall be extended by the delay period. It is the express intent of the parties that the parties' rights and obligations under this Agreement be construed in the manner necessary to exempt this Agreement and the sale of the Property from registration under the Interstate Land Sales Full Disclosure Act, and both Buyer and Seller hereby expressly waive any right or provision of this Agreement that would otherwise preclude such exemption.

9. **Casualty Before Closing**. If the Property is damaged by fire, act of terrorism or other casualty before Closing and the cost of restoration does not exceed three percent (3%) of the Total Purchase Price and repairs will not substantially delay Closing, Seller shall repair the damage and Closing shall proceed pursuant to the terms of this Agreement. If the cost of restoration exceeds three percent (3%) of the Total Purchase Price or the repairs would substantially delay Closing, Buyer shall have the option to: (1) terminate this Agreement and receive a refund of the Deposit made by Buyer to Seller, in which event both parties shall be released from all obligations under this Agreement, or (2) have Seller repair the damage as soon as reasonably possible, and Closing shall be extended until such repair or rebuilding is complete.
Notwithstanding the foregoing, if all or a portion of the Property is damaged by fire, act of terrorism or other casualty and (1) the plans, specifications or construction materials for the Property must be materially modified in order to repair or reconstruct the Property, or (2) the repair or reconstruction of the Property substantially in accordance with the plans and specifications is rendered impossible by any cause recognized by the law of the state in which the Property is located as a defense to a contract action for non-performance, then Seller shall have the right to terminate this Agreement and Buyer shall receive a refund of the Deposit made by Buyer to Seller in which event both parties shall be released from all obligations under this Agreement.

10. **Deed**. Seller shall convey title to Buyer at Closing by delivery to Buyer of a General Limited Warranty Deed (the "**Deed**") describing the Property, which Deed shall convey title to Buyer subject to all matters described in this Agreement.

11. **Closing and Title Matters**. Title to the Property to be delivered to Buyer at Closing will be marketable and insurable, subject only to the following matters:

11.1 Title to the Property shall be subject to the following: (1) zoning, building codes, bulkhead laws, ordinances, regulations, rights or interests vested in the United States of America or the state in which the Community is located; (2) real estate taxes and other taxes for the year of conveyance and subsequent years including taxes or assessments of any special taxing or community development district (including assessments relating to capital improvements and bonds); (3) the general printed exceptions contained in an owner's title insurance policy; (4) utility easements, sewer agreements, telephone agreements, cable agreements, telecommunications agreements, monitoring agreements, restrictions and reservations common to any plat affecting title to the Property; (5) matters that would be disclosed by an accurate survey or inspection of the Property; (6) the Documents; (7) any laws and restrictions, covenants, conditions, limitations, reservations, agreements or easements recorded in the public records for the County (for example, use limitations and obligations, easements (right-of-way) and agreements relating to telephone, gas or electric lines, water and sewer lines and drainage, provided they do not prevent use of the Property for single family residential purposes); (8) minor encroachments on easements that do not substantially interfere with an easement holder's interest in the Property; and (9) acts done or suffered by Buyer and any mortgage or deed of trust obtained by Buyer for the purchase of the Property. It is Buyer's responsibility to review and become familiar with each of the foregoing title matters, some of which are covenants running with the land. If any title defects are discovered by Buyer after Closing, Buyer's sole remedy shall be to make a claim to Buyer's title insurer.

11.2 Seller shall convey title to Buyer at Closing by delivery to Buyer of the Deed, which shall convey title to Buyer subject to all matters described in Section 11.1 of this Agreement. Any such matters omitted from the Deed shall nevertheless be deemed to be included in the Deed.

11.3 Seller shall provide an affidavit complying with the Foreign Investment in Real Property Tax Act of 1980, as amended, upon written request of Buyer.

11.4 Seller may not own title to the Property as of the date of this Agreement or at Closing. However, Seller shall obtain title to the Property on or before the Closing Date or effect the necessary transfer of title on or before the date when Seller causes title to be transferred to Buyer.

11.5 If Seller cannot provide marketable and insurable title as described above, such failure shall not be an event of default and Seller will have a reasonable period of time (at least one hundred and twenty (120) days from the date of the scheduled Closing Date) to attempt to correct any defects in title; provided, however, Seller shall not be obligated to incur any expense, nor institute any litigation, to clear title to the Property. If Seller cannot or elects not to correct the title defects, Seller shall so notify Buyer within such period, and Buyer may thereafter elect (by written notice from Buyer to Seller) one of the following two (2) options: (1) to accept title in the condition offered (with defects) and pay the balance of the Total Purchase Price for the Property (without set off or deduction therefor), thereby waiving any claim with respect to such title defects and Buyer will not make any claims against Seller because of the title defects; or (2) to terminate this Agreement and receive a full refund of the Deposit deposited hereunder. If all such amounts are refunded, Buyer agrees to accept it as full payment of Seller's liability hereunder, whereupon this Agreement shall be terminated and Seller shall thereafter be relieved and released of all further liability hereunder. Buyer shall not thereafter have any rights to make any additional claims against Seller. In the event Buyer does not notify Seller in writing within five (5) calendar days from the receipt of Seller's notice (time being strictly of the essence) as to which option Buyer elects, Buyer shall be conclusively presumed to have elected option (1) set forth above in this subsection.

11.6 The acceptance of the Deed by Buyer shall be deemed to be full performance and discharge of every agreement and obligation on the part of Seller to be performed pursuant to this Agreement, except those which are herein specifically deemed to survive Closing or which may survive by operation of law, if any.

11.7 Title to the Property will be deemed marketable if an owner's policy is issued with standard exceptions.

11.8 All of the terms of this Section 11 shall survive Closing and the delivery of the Deed.

12. Closing Costs. The respective responsibilities of Buyer and Seller for all costs, prorations and fees payable at Closing (the "Closing Costs") are shown in Rider B attached hereto.

13. Site and Substitutions. The materials, equipment and fixtures included in and to be used in constructing the Home will be substantially the same as or similar in quality to those described in the applicable plans and specifications (except as to extras, options and/or upgrades).

13.1 Changes to Plans and Specifications.

13.1.1 Industry Practice. It is widely observed construction industry practice for pre-construction plans and specifications for any home or building to be changed and adjusted from time to time in order to accommodate on-going site conditions and in the field construction factors. These changes and adjustments are essential in order to permit all components of the Home to be integrated into a well-functioning and aesthetically pleasing product in an expeditious manner. Based on the foregoing, Buyer acknowledges that such changes and adjustments may occur and agrees that it is reasonable and to Buyer's benefit to allow Seller the flexibility to make such changes and adjustments to the Home.

13.1.2 Seller's Absolute Right to Make Modifications to Plans and Specifications. Seller has the absolute right to make modifications to the plans and specifications for the Home. Without limiting the generality of the foregoing, Buyer specifically agrees that changes in the dimensions of rooms and patios, entrances and terraces, if applicable, and changes in room size, in the locations of windows, doors, walls, partitions, utility lead-ins and outlets (including, but not limited to, electrical, cable television, and telephone), air-conditioning components, lighting fixtures and electrical panel boxes may be made by Seller in its sole discretion, provided however that changes in the layout and dimensions of the Home shall not substantially affect the value of the Home. Such changes may also include, but are not limited to, changes in the building location, setbacks and facing, the building's external configuration, its structural components, its finishes and the landscaping associated therewith.

13.1.3 Buyer's Acceptance of Actual Floor Plan. Buyer further understands and acknowledges that many of the Homes to be constructed within the Community require floor plans which are opposite (i.e. flipped) mirror images of the model floor plan and Buyer fully understands and accepts the floor plan configuration for the Home and improvements to be constructed within the Home.

13.1.4 No Warranty for Plans and Specifications on File. Buyer further acknowledges and agrees that (1) the plans and specifications of the Home and the Community on file with the applicable governmental authorities may not be identical in detail to Seller's plans and specifications, and (2) because of the day-to-day nature of the changes described in this Section 13, the plans and specifications on file with the applicable governmental authorities may not include some or any of these changes (there being no legal requirement to file all changes with such authorities). As a result of the foregoing, Buyer and Seller both acknowledge and agree that the Home and the Community may not be constructed in accordance with the plans and specifications on file with the applicable governmental authorities. Without limiting the generality of the provisions of Rider B attached hereto, Seller disclaims and Buyer waives any and all express or implied warranties that construction will be accomplished in compliance with such plans and specifications. Seller has not given and Buyer has not relied on or bargained for any such warranties. In furtherance of the foregoing, in the event of any conflict between the actual construction of the Home and/or the

Community, and that which is set forth on the plans and specifications, Buyer agrees that the actual construction shall prevail and to accept the Home and Community as actually constructed (in lieu of what is set forth on the plans and specifications).

13.2 Lot Change. In the event that Seller, in its sole discretion, determines that the Model of the Home selected under this Agreement cannot reasonably be built on the Homesite, then Buyer and Seller hereby agree that they will negotiate in good faith to relocate the Home to another lot in the Community, provided however that there are lots available for sale. If no replacement lot is available, then Buyer may terminate this Agreement and will be entitled to a refund of any paid Deposit.

13.3 Decorative and Landscaping Items.

13.3.1 Buyer understands and agrees that certain of the finishing items, such as tile, marble, carpet, cabinets, stone, brickwork, wood, paint, stain and mica are subject to size and color variations, grain and quality variations, and may vary in accordance with price, availability and changes by manufacturers from those shown in the model, if any, or in illustrations or brochures or those included in the specifications. Furthermore, if circumstances arise that, in Seller's opinion, warrant changes of subcontractors, suppliers, manufacturers, brand names or items, Seller reserves the right to substitute equipment, materials, appliances, etc., which in Seller's opinion are considered to be of quality substantially similar or equal, or of better quality, subject to their availability. Buyer also understands that Seller has the right to substitute or change materials and/or stain colors utilized in wood decor, if any.

13.3.2 Lot grades, lot area, options, facades, shrubs, trees, trim, built-ins, wall treatments, window treatments, furniture, furnishings, fences, decks, locations of walks, driveways and other items in or about a model home area in the subdivision are for display purposes only and are not included in the Total Purchase Price unless otherwise expressly provided herein. Seller has the right to remove any existing trees on the Property or on the surrounding area for any reason. Buyer further understands and agrees that the following items (which may be seen in models or shown in illustrations) will also not be included with the sale of the Home: wall coverings, paint colors, accent light fixtures, wall ornaments, drapes, blinds, bedspreads, furniture, furnishings, wet bars, monitoring systems, certain built-in fixtures, special floor coverings, wood trim, upgraded items and/or any other items of this nature which may be added or deleted from time to time. This list of items (which is not all-inclusive) is provided as an illustration of the type of items built-in or placed upon models or shown in illustrations strictly for purposes of decoration and example only.

13.4 Deed. By acceptance of the Deed, Buyer accepts all variations of the Home.

13.5 Survival. All of the terms of this Section 13 shall survive Closing and the delivery of the Deed.

14. **Buyer's Default**. In the event of Buyer's default and to the extent allowed by law, Seller shall be entitled to keep, as liquidated damages and not as a penalty, Buyer's Deposit not to exceed fifteen percent (15%) of the Total Purchase Price, except that Seller may, in addition, keep, as liquidated damages and not as a penalty, any and all Advanced Payments made by Buyer to Seller for options, extras or upgrades for which Seller has made contractual commitments or incurred liability by placing orders or otherwise. Buyer agrees that actual damages in the event of breach by Buyer would be costly and difficult to calculate, and that such liquidated damages are a fair and reasonable remedy and shall not be considered a penalty. The provisions of this Section shall survive the termination of this Agreement.

15. **Seller's Default**. In the event of Seller's default and to the extent allowed by law, Buyer may recover actual damages but shall not be entitled to special, consequential or punitive damages. Notwithstanding the foregoing, Buyer retains all remedies at law and in equity with respect to Seller's obligation to complete the Home within two (2) years pursuant to Section 8 above. The provisions of this Section shall survive the termination of this Agreement.

16. **Mediation / Arbitration of Disputes**.

16.1 The parties to this Agreement specifically agree that this transaction involves interstate commerce and that any Dispute (as hereinafter defined) shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by or in a court of law or equity. "Disputes" (whether contract, warranty, tort, statutory or otherwise), shall include, but are not limited to, any and all controversies, disputes or claims (1) arising under, or related to, this Agreement, the Property, the Community or any dealings between Buyer and Seller; (2) arising by virtue of any representations, promises or warranties alleged to have been made by Seller or Seller's representative; and (3) relating to personal injury or property damage alleged to have been sustained by Buyer, Buyer's children or other occupants of the Property, or in the Community. Buyer has executed this Agreement on behalf of his or her children and other occupants of the Property with the intent that all such parties be bound hereby. Any Dispute shall be submitted for binding arbitration within a reasonable time after such Dispute has arisen. Nothing herein shall extend the time period by which a claim or cause of action may be asserted under the applicable statute of limitations or statute of repose, and in no event shall the Dispute be submitted for arbitration after the date when institution of a legal or equitable proceeding based on the underlying claims in such Dispute would be barred by the applicable statute of limitations or statute of repose.

16.2 Any and all mediations commenced by any of the parties to this Agreement shall be filed with and administered by the American Arbitration Association or any successor thereto ("AAA") in accordance with the AAA's Home Construction Mediation Procedures in effect on the date of the request. If there are no Home Construction Mediation Procedures currently in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of such request shall be utilized. Any party who will be relying upon an expert report or repair estimate at the mediation shall provide the mediator and the other parties with a copy of the reports. If one or more issues directly or indirectly relate to alleged deficiencies in design, materials or construction, all parties and their experts shall be allowed to inspect, document (by photograph, videotape or otherwise) and test the alleged deficiencies prior to mediation. Unless mutually waived in writing by the parties, submission to mediation is a condition precedent to either party taking further action with regard to any matter covered hereunder.

16.3 If the Dispute is not fully resolved by mediation, the Dispute shall be submitted to binding arbitration and administered by the AAA in accordance with the AAA's Home Construction Arbitration Rules in effect on the date of the request. If there

are no Home Construction Arbitration Rules currently in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such request shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Dispute. If the claimed amount exceeds $250,000.00 or includes a demand for punitive damages, the Dispute shall be heard and determined by three arbitrators; however, if mutually agreed to by the parties, then the Dispute shall be heard and determined by one arbitrator. Arbitrators shall have expertise in the area(s) of Dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Dispute shall be decided by the arbitrator(s). At the request of any party, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

16.4 The waiver or invalidity of any portion of this Section shall not affect the validity or enforceability of the remaining portions of this Section. Buyer and Seller further agree (1) that any Dispute involving Seller's affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in a court of law or equity; (2) that Seller may, at its sole election, include Seller's contractors, subcontractors and suppliers, as well as any warranty company and insurer as parties in the mediation and arbitration; and (3) that the mediation and arbitration will be limited to the parties specified herein.

16.5 To the fullest extent permitted by applicable law, Buyer and Seller agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any other arbitration, judicial, or similar proceeding shall be given preclusive or collateral estoppel effect in any arbitration hereunder unless there is mutuality of parties. In addition, Buyer and Seller further agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is mutuality of parties.

16.6 Unless otherwise recoverable by law or statute, each party shall bear its own costs and expenses, including attorneys' fees and paraprofessional fees, for any mediation and arbitration. Notwithstanding the foregoing, if a party unsuccessfully contests the validity or scope of arbitration in a court of law or equity, the noncontesting party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in defending such contest, including such fees and costs associated with any appellate proceedings. In addition, if a party fails to abide by the terms of a mediation settlement or arbitration award, the other party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in enforcing such settlement or award.

16.7 Buyer may obtain additional information concerning the rules of the AAA by visiting its website at www.adr.org or by writing the AAA at 335 Madison Avenue, New York, New York 10017.

16.8 Seller supports the principles set forth in the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee and agrees to the following:

16.8.1 Notwithstanding the requirements of arbitration stated in Section 16.3 of this Agreement, Buyer shall have the option, after pursuing mediation as provided herein, to seek relief in a small claims court for disputes or claims within the scope of the court's jurisdiction in lieu of proceeding to arbitration. This option does not apply to any appeal from a decision by a small claims court.

16.8.2 Seller agrees to pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the parties.

16.8.3 The fees for any claim pursued via arbitration in an amount of $10,000.00 or less shall be apportioned as provided in the Home Construction Arbitration Rules of the AAA or other applicable rules.

16.9 Notwithstanding the foregoing, if either Seller or Buyer seeks injunctive relief, and not monetary damages, from a court because irreparable damage or harm would otherwise be suffered by either party before mediation or arbitration could be conducted, such actions shall not be interpreted to indicate that either party has waived the right to mediate or arbitrate. The right to mediate and arbitrate should also not be considered waived by the filing of a counterclaim by either party once a claim for injunctive relief had been filed with a court.

16.10 Buyer and Seller specifically agree that notwithstanding anything to the contrary, the rights and obligations set forth in this Section 16 shall survive (1) Closing and the delivery of the Deed; (2) the termination of this Agreement by either party; or (3) the default of this Agreement by either party.

17. **Other Dispute Resolutions.** Notwithstanding the parties' obligation to submit any Dispute to mediation and arbitration, in the event that a particular dispute is not subject to the mediation or the arbitration provisions of Section 16, then the parties agree to the following provisions: **BUYER ACKNOWLEDGES THAT JUSTICE WILL BEST BE SERVED IF ISSUES REGARDING THIS AGREEMENT ARE HEARD BY A JUDGE IN A COURT PROCEEDING, AND NOT A JURY. BUYER AND SELLER AGREE THAT ANY DISPUTE, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION SHALL BE HEARD BY A JUDGE IN A COURT PROCEEDING AND NOT A JURY. BUYER AND SELLER HEREBY WAIVE THEIR RESPECTIVE RIGHT TO A JURY TRIAL. SELLER HEREBY SUGGESTS THAT BUYER CONTACT AN ATTORNEY OF BUYER'S CHOICE IF BUYER DOES NOT UNDERSTAND THE LEGAL CONSEQUENCES OF EXECUTING THIS AGREEMENT.** All of the terms of this Section 17 shall survive Closing and the delivery of the Deed.

18. **Selling Agent, Cooperating Broker, and Seller's New Home Consultant.** Unless a Purchase Price and Payment Addendum indicating otherwise is attached hereto, Buyer represents to Seller that Buyer has not consulted, dealt or negotiated with a real estate broker, salesperson or agent other than Seller's sales personnel located at Seller's sales office. Buyer agrees that Seller is not responsible for the payment of a commission to a real estate broker, salesperson or agent other than Seller's sales personnel. Buyer shall indemnify, defend and hold harmless Indemnified Parties from and against any and all Claims resulting from or arising out of any representation or breach of a representation or warranty set forth in this Section. In addition, Buyer acknowledges and

understands that Seller's New Home Consultant ("NHC") and Internet New Home Consultant ("INHC") are agents of Seller, are acting solely for the Seller's interests, and are not acting in any representative capacity for Buyer. Buyer should not disclose any information to Seller's NHC and/or INHC that Buyer considers to be confidential or otherwise does not want disclosed to Seller.

19. Construction Activities. ALL OWNERS, OCCUPANTS AND USERS OF THE COMMUNITY ARE HEREBY PLACED ON NOTICE THAT (1) SELLER AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES, AND/OR (2) ANY OTHER PARTIES, WILL BE, FROM TIME TO TIME, CONDUCTING BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO THE COMMUNITY. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE COMMUNITY, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (1) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (2) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO THE AREA OF THE COMMUNITY WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (3) TO THE EXTENT PERMITTED OR NOT PROHIBITED UNDER APPLICABLE LAW, SELLER AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM SELLER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, (4) ANY PURCHASE OR USE OF ANY PORTION OF THE COMMUNITY HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING AND (5) THIS ACKNOWLEDGMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO SELL, CONVEY, AND/OR ALLOW THE USE OF THE PROPERTY.

20. Dangerous Condition; Construction Work.

20.1 Buyer understands and agrees that the Property is a construction site and that the Property and the improvements, equipment and supplies thereon constitute a danger to those who may enter on the Property. Buyer shall not enter onto the Property prior to Closing unless authorized and accompanied by Seller's representative. Any unauthorized, unaccompanied entry by Buyer shall constitute a breach of this Agreement by Buyer, at Seller's election. Moreover, any entry by Buyer onto the Property prior to Closing shall be done at Buyer's own risk and in compliance with all federal, state and local safety laws and regulations. To the extent permitted or not prohibited by applicable law, Buyer waives, releases and shall indemnify, defend and hold harmless Indemnified Parties from and against any Claims made by Buyer, Buyer's family members or guests, as a direct or indirect result of any such unauthorized, unaccompanied entry onto the Property.

20.2 Buyer agrees that supervision and direction of the working forces, including, without limitation, all contractors and subcontractors, is to be done exclusively by Seller, and Buyer agrees not to issue any instructions to the working forces or otherwise hinder construction or installation of improvements on the Property. Buyer shall not do or have any work done on the Property, nor may Buyer store any possessions thereon, prior to Closing and transfer of title to the Property to Buyer.

20.3 Buyer agrees that any and all controversies, disputes and claims arising under this Section shall be resolved through binding arbitration in accordance with the terms of this Agreement.

20.4 All of the terms of this Section 20 shall survive Closing and the delivery of the Deed.

21. OFAC. Executive Order 13224 requires all United States entities and persons to block assets and not transact business with entities, countries and persons (specifically designated nationals) set forth by the Office of Foreign Asset Control ("OFAC"). This requirement applies to all homebuilding entities in The Lennar Family of Builders (including but not limited to Seller), Universal American Mortgage Company, LLC and all of its affiliates, and North American Title Company and all of its affiliates (collectively, the "Lennar Affiliates"). Accordingly, each of Seller and the Lennar Affiliates will check current OFAC lists and other publications in connection with each potential transaction, loan, or home sale. In order to check the OFAC list, Buyer must provide to Seller a Government-issued identification card (this might include a driver's license, birth certificate, passport or resident alien card). To the extent Buyer (or any single person or entity constituting a part of Buyer) matches a name or entity on any such OFAC list or publication, the transactions with Buyer contemplated under or in connection with this Agreement will be immediately suspended, and Buyer shall be reported as instructed by the OFAC.

22. Agreement not to be Recorded. Buyer covenants that Buyer shall not record this Agreement (or any memorandum thereof) in the Public Records of the County. Buyer agrees, if Buyer records this Agreement, to pay all of Seller's attorneys' fees, paraprofessional fees and expenses incurred in removing the cloud on title caused by such recordation. Seller's rights under this Section shall be in addition to Seller's remedies for Buyer's default provided elsewhere in this Agreement.

23. Transfer, Assignment and Persons Bound. Buyer agrees that Buyer will not, and does not have the right to, assign, sell or transfer Buyer's interest in this Agreement (whether voluntarily or by operation of law or otherwise) without Seller's prior written consent. If Buyer is a corporation, other business entity, trustee or nominee, a transfer of any material equity or beneficial or principal interest shall constitute an assignment of this Agreement. If Buyer attempts to assign this Agreement in violation of this Section, Seller can declare Buyer in default and Seller shall be entitled to all remedies available under this Agreement. Buyer agrees that Seller may withhold its consent with or without any reason or condition in any manner it chooses (if it gives it at all) and may charge Buyer a reasonable amount to cover administrative costs incurred in considering whether or not to grant consent. If Buyer dies or in any way loses legal control of his/her affairs, this Agreement will bind his/her heirs and legal representatives. If Buyer has received Seller's permission to assign or transfer this Agreement, then Buyer's approved assignees shall be bound by the terms of this Agreement. If more than one person signs this Agreement as Buyer, each such person shall be jointly and severally liable for full performance of all of Buyer's duties and obligations hereunder.

24. TIME OF THE ESSENCE. BUYER ACKNOWLEDGES THAT TIME IS OF THE ESSENCE IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED UNDER THIS AGREEMENT.

25. **Interpretation and Computation of Time.** The use of the masculine gender in this Agreement shall be deemed to refer to the feminine or neuter gender, and the singular shall include the plural, and vice versa, whenever the context so requires. This Agreement reflects the negotiated agreement of the parties. Each party acknowledges that they have been afforded the opportunity to seek competent legal counsel, and each have made an informed choice as to whether or not to be represented by legal counsel. Accordingly, this Agreement shall be construed as if both parties jointly prepared it, and no presumption against one party or the other shall govern the interpretation or construction of any of the provisions of this Agreement. Any reference in this Agreement to the time periods of less than five (5) days shall, in the computation thereof, exclude Saturdays, Sundays and legal holidays. Any reference in this Agreement to time periods of five (5) days or more shall, in computation thereof, include Saturdays, Sundays and legal holidays. If the last day of any such period is a Saturday, Sunday or legal holiday, the period shall be extended to 5:00 p.m. on the next full business day. The section headings in this Agreement are for convenience only and shall not affect the meaning, interpretation or scope of the provisions which follow them.

26. **Notice.** Except as provided in the Closing Section of this Agreement with respect to notices of the scheduled Closing Date, any notice required or permitted to be given in connection with this Agreement shall be in writing and sent by United States certified mail with return receipt requested, professional overnight courier or electronic transmission (with confirmation and copy by (1) certified mail, if Buyer's address is within the United States or (2) overnight professional courier, if to a Buyer whose address is outside of the United States) to Buyer or Seller at the addresses on Page 1 of this Agreement (unless Seller has received written notice from Buyer of any change therein prior to the date such notice is given), and additionally to Seller by hand delivery at Seller's sales office. All notices shall only be effective upon receipt or refusal to accept receipt (by failure to accept delivery or otherwise).

27. **Waiver.** Seller's waiver of any of its rights or remedies shall not operate to waive any other of Seller's rights or remedies or to prevent Seller from enforcing the waived right or remedy in another instance.

28. **Incorporation and Severability.** The explanations and disclaimers set forth in the Documents are incorporated into this Agreement. In the event that any clause or provision of this Agreement shall be void or unenforceable, such clause or provision shall be deemed deleted so that the balance of this Agreement is enforceable.

29. **Governing Law.** Any disputes that develop under this Agreement or questions regarding the interpretation of this Agreement will be settled according to the law of the state where the Property is located to the extent federal law is not applicable.

30. **Entire Agreement.** BUYER CERTIFIES THAT BUYER HAS READ EVERY PROVISION OF THIS AGREEMENT, WHICH INCLUDES EACH RIDER AND ADDENDUM ATTACHED HERETO AND THAT THIS AGREEMENT, TOGETHER WITH EACH SUCH RIDER AND ADDENDUM, CONSTITUTES THE ENTIRE AGREEMENT BETWEEN BUYER AND SELLER. PRIOR AGREEMENTS, REPRESENTATIONS, UNDERSTANDINGS, AND ORAL STATEMENTS NOT REFLECTED IN THIS AGREEMENT HAVE NO EFFECT AND ARE NOT BINDING ON SELLER. BUYER ACKNOWLEDGES THAT BUYER HAS NOT RELIED ON ANY REPRESENTATIONS, NEWSPAPERS, RADIO OR TELEVISION ADVERTISEMENTS, WARRANTIES, STATEMENTS, OR ESTIMATES OF ANY NATURE WHATSOEVER, WHETHER WRITTEN OR ORAL, MADE BY SELLER, SALES PERSONS, AGENTS, OFFICERS, EMPLOYEES, CO-OPERATING BROKERS (IF ANY) OR OTHERWISE EXCEPT AS HEREIN SPECIFICALLY REPRESENTED. BUYER HAS BASED HIS/HER/THEIR DECISION TO PURCHASE THE PROPERTY ON PERSONAL INVESTIGATION, OBSERVATION AND THE DOCUMENTS.

31. **Modification.** This Agreement is the entire agreement for the sale and purchase of the Property and once it is signed by both Buyer and a Division Agent or Officer of Seller, it can only be amended by a written agreement signed by both Buyer and Seller.

32. **Additional Changes.** Notwithstanding Section 32 of this Agreement, Buyer agrees that it may be necessary (at any time and from time to time) after Buyer executes this Agreement for Seller, and/or the developer or declarant under the Documents, to change the terms and provisions of this Agreement and/or the Documents to comply with and conform to the rules and regulations (as same may exist and as same may be promulgated from time to time) of any governmental agency, subdivision or authority or court of competent jurisdiction and Buyer consents to all such changes. Notwithstanding Section 32 of this Agreement, Seller, and/or the developer or declarant under the Documents, shall have the right to amend all Documents for development or other purposes, and Buyer consents to all such amendments.

33. **Inducement.** Buyer acknowledges that the sole inducement to close on the purchase of the Property is the Property itself and not (1) the common facilities comprising part of the Community, if any, or (2) any expectation that the Property will increase in value.

34. **Reservation of Easement.** For the purpose of completing the construction and servicing of the Property and Community, Seller hereby reserves an easement of ingress and egress for itself and its successors and assigns, and each of their respective agents, employees, materialmen and subcontractors, over, under and upon the Property for a period of one (1) year after Closing. Seller shall provide reasonable notice to Buyer before exercising easement rights granted herein. All of the terms of this Section 35 shall survive Closing and the delivery of the Deed.

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Rider B to the Agreement shall be deemed to include references to this Rider B and to any other rider and addenda attached to the Agreement, which are hereby incorporated by this reference. In addition to those terms, the following terms shall have the meanings set forth below:

"**Closing Date Notice Period**" shall mean at least seven (7) days prior to the Closing Date.

"**Mortgage Contingency Period**" shall mean five (5) days if this Agreement is contingent on Buyer obtaining financing as indicated in the Purchase and Sale Agreement.

2. **Additional Mortgage Contingency**. Unless Buyer shall have notified Seller otherwise writing within the Mortgage Contingency Period, Buyer shall be conclusively presumed to have obtained the loan commitment or agreed to purchase the Property without mortgage financing. If Buyer does timely notify Seller within the Mortgage Contingency Period that he/she failed to obtain a loan commitment, Seller may require Buyer to immediately reapply for a mortgage loan with another lending institution designated by Seller. If Buyer then fails to obtain a loan commitment within seven (7) days from Seller's notice to reapply, either Buyer or Seller shall have the right to terminate this Agreement whereupon the Deposit shall be returned to Buyer, and thereupon the parties hereto shall be released from all liability hereunder without any further acts by either party

3. **Closing Costs**. BUYER UNDERSTANDS AND AGREES THAT IN ADDITION TO THE TOTAL CASH TO CLOSE (WHICH AMOUNT IS SPECIFIED IN SECTION 2 OF THE AGREEMENT AND THE PURCHASE PRICE AND PAYMENT ADDENDUM), BUYER SHALL PAY CERTAIN OTHER FEES AND CLOSING COSTS, IF ANY, AT CLOSING (LISTED BELOW). IN CONNECTION THEREWITH, WITHOUT LIMITATION, THE ITEMS LISTED BELOW WILL COLLECTIVELY BE REFERRED TO AS "**CLOSING COSTS**." NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, IN THE CASE OF AN FHA/VA OR FANNIE MAE LOAN, BUYER SHALL NOT PAY FOR ANY COSTS PROHIBITED BY HUD (FHA), VA OR FANNIE MAE REGULATIONS. ALL REFERENCES TO "PRO RATA SHARES" WILL BE DEEMED A TIME PRO RATION, BASED ON THE CLOSING DATE, WITH BUYER PAYING AMOUNTS ACCRUED ON AND AFTER THE CLOSING DATE. The Closing Costs include, without limitation:

3.1 The premium for a policy of mortgagee's title insurance and the cost to record the Deed. If the settlement charges that VA does not allow Buyer to pay exceed the amount of settlement charges, if any, to be paid by Seller, Seller at its sole discretion may terminate the Agreement and refund Buyer's earnest money. If the settlement charges that FHA does not allow Buyer to pay exceed the amount of settlement charges, if any, to be paid by Seller, Buyer may either pay the additional settlement charges at Closing or the additional settlement charges shall be added to the principal on Buyer's loan, regardless of whether or not the interest rate on Buyer's loan will increase as result of the addition of the settlement charges to the principal.

3.2 Customary closing costs of a Buyer of a single family residence, including but not limited to items such as loan fees, loan closing costs and all other related sums, attorneys' fees, escrows for taxes and insurance, recording fees, documentary stamp taxes on the note, intangible taxes, credit reports and PMI insurance, if applicable, charged by the Lender or otherwise customary for a Buyer at Closing.

3.8 A pro rata share of County interim service fees, if any.

3.9 A pro rata share of waste fees.

3.12 Amounts reflected in the Master Disclosure and Information Addendum to the Purchase and Sale Agreement, if any, attached hereto and incorporated herein.

3.13 Current expenses of the Property (for example: taxes, special assessments and current monthly assessments to one or more homeowner's associations) will be adjusted between Seller and Buyer as of the Closing Date. Buyer shall reimburse Seller for any prepaid expenses of the Property and capital contributions made to one or more homeowners' associations, paid by Seller in advance and/or for the month in which the Closing Date occurs.

3.14 If real estate taxes for the year in which the Closing Date occurs are assessed in the aggregate on the real estate comprising the portion of the Community (including the Property) rather than on a homesite-by-homesite basis, Seller will pay such taxes in full when due, but Buyer will reimburse Seller at the Closing for Buyer's pro rata share of such taxes from the Closing Date (if such taxes are then known) or the Property's allocable share (so prorated) of Seller's estimate of those taxes (if such taxes are not then known), subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual tax bill is known. 4.2 4.2 BUYER IS HEREBY ADVISED BY SELLER THAT INTEREST RATES, LOANS FEES, AND OTHER LOAN CONDITIONS ARE NOT GUARANTEED, FIXED OR ESTABLISHED (AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO SUCH ITEMS) AND ARE SUBJECT TO CHANGE BY ANY LENDER. SUBJECT TO SECTION 8 OF THE AGREEMENT, SELLER DOES NOT WARRANT OR GUARANTEE THAT COMPLETION OF THE IMPROVEMENTS OR LOAN FUNDING CAN BE ACHIEVED WITHIN LOAN LOCK PERIODS, IF ANY, REGARDLESS OF WHETHER SUCH LOCKS ARE PAID FOR BY SELLER OR BUYER. IF BUYER LOCKS IN AN INTEREST RATE AND POINTS FOR LOAN FUNDING PRIOR TO CLOSING, BUYER AGREES TO PAY THE DIFFERENCE BETWEEN THE LOCK-IN RATE AND THE MARKET INTEREST RATE AT CLOSING IF THE LOCK-IN RATE EXPIRES PRIOR TO CLOSING.

4.3 Responsibility for obtaining the loan and for satisfying all conditions made by the Lender with regard to the loan shall rest solely with the Buyer.

5. **Warranties.** Buyer understands and agrees that Seller is making only those express limited warranties set forth in the homeowner's warranty (the "**Limited Warranty**"). TO THE EXTENT OF ANY CONFLICT BETWEEN ANY PROVISION OF THIS AGREEMENT RELATED TO WARRANTIES AND THE LIMITED WARRANTY, THE PROVISIONS OF THE LIMITED WARRANTY SHALL CONTROL. All of the terms of this Section 6 shall survive Closing and the delivery of the Deed. BUYER AND SELLER ACKNOWLEDGE THAT THEY HAVE EXPRESSLY NEGOTIATED AND BARGAINED FOR THE WAIVER OF THE IMPLIED WARRANTY OF HABITABILITY, AND BUYER ACKNOWLEDGES THE SUFFICIENCY AND RECEIPT OF VALUABLE CONSIDERATION FOR SUCH WAIVER IN THE AMOUNT OF $0, WHICH AMOUNT SHALL BE CREDITED TOWARD THE PURCHASE PRICE AT CLOSING. THE CONSIDERATION AGREED UPON ABOVE HAS BEEN SPECIFICALLY NEGOTIATED BETWEEN BUYER AND SELLER.

6. **Documents.** Buyer acknowledges receipt of the Document Book for the Community containing many important documents regarding the Community, including but not limited to some of the documents of record affecting the Property and the Community (collectively, the "**Documents**"). The Document Book is hereby incorporated into this Agreement by this reference. The Document Book may be amended as deemed necessary by Seller in its sole and absolute discretion. Buyer agrees to take title to the Property subject to the Documents, to abide

by and be bound by all of the terms and conditions of the Documents, and any amendments thereto. The Master Disclosure and Information Addendum to Purchase and Sale Agreement attached hereto sets forth additional information respecting lien rights and homeowners association's restrictions affecting the Property. Buyer understands and agrees this Section shall survive the termination of this Agreement.

7. **Inspection of the Home.** BUYER SHALL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE PRIOR TO CLOSING ON A DATE AND TIME SCHEDULED BY SELLER (A "NEW HOME ORIENTATION," COMMONLY REFERRED TO AS A "WALKTHROUGH"). AT THAT TIME, IF ANY DEFECTIVE OR INCOMPLETE ITEMS ARE NOTED, BUYER SHALL PRESENT TO SELLER AN INSPECTION STATEMENT LISTING SAID ITEMS AND SIGNED BY BUYER. IF ANY ITEMS NOTED ARE ACTUALLY DEFECTIVE IN WORKMANSHIP OR MATERIALS IN SELLER'S OPINION (IN ACCORDANCE WITH CONSTRUCTION STANDARDS PREVALENT FOR A SIMILAR HOME IN THE COUNTY), SELLER WILL BE OBLIGATED TO CORRECT THOSE ITEMS AT SELLER'S COST. A SECOND INSPECTION OF THE HOME WILL BE CONDUCTED PRIOR TO CLOSING AT WHICH TIME BUYER WILL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE TO ACKNOWLEDGE THAT ITEMS LISTED ON THE INSPECTION STATEMENT PREPARED AFTER THE FIRST INSPECTION HAVE BEEN CORRECTED. ANY REMAINING ITEMS THAT SELLER HAS AGREED TO CORRECT WILL BE CORRECTED BY SELLER AT SELLER'S SOLE COST AND EXPENSE PRIOR TO CLOSING (OR AT SELLER'S OPTION WITHIN A REASONABLE TIME AFTER CLOSING), PROVIDED HOWEVER THAT SELLER'S OBLIGATION TO CORRECT WILL NOT BE A GROUND FOR DEFERRING CLOSING, NOR FOR ANY SETOFF, NOR FOR IMPOSING ANY CONDITION ON CLOSING AS LONG AS THE HOME IS HABITABLE. THE ISSUANCE OF A CERTIFICATE OF COMPLETION, OR USE SHALL BE CONCLUSIVE EVIDENCE OF HABITABILITY. NO ESCROW OR HOLDBACK OF CLOSING FUNDS OR ANY CASH TO CLOSE SHALL BE PERMITTED. **EXCEPT FOR WORK THAT CANNOT BE COMPLETED AT THAT TIME OF YEAR.** IF A BUYER FAILS TO TAKE ADVANTAGE OF ANY PRE-CLOSING INSPECTION ON THE TIME AND DATE SCHEDULED BY SELLER, BUYER SHALL BE DEEMED TO HAVE WAIVED THE RIGHT TO INSPECT THE HOME PRIOR TO CLOSING.

8. **No Right to Enter.** Buyer acknowledges that all matters pertaining to the initial construction of the Property will be performed by Seller and Seller's representatives. Buyer acknowledges and agrees that for reasons of safety and to comply with liability and insurance requirements imposed upon Seller, neither Buyer nor any agent of Buyer shall, until after the Closing, be permitted to enter upon the Property without being accompanied by Seller's representative. Any permitted personal inspections shall be made at times designated by Seller, and shall not be allowed under any condition prior to the formal inspection described above and only with Seller's representative. Buyer agrees not to give instructions to, interfere with or interrupt any workmen at the Property. Buyer may not order any work on the Property until after the Closing. Buyer recognizes that Seller is under no obligation to agree to provide options, extras and/or upgrades. Without limiting the applicability of this Section to all obligations, representations and covenants of Buyer hereunder, Buyer specifically acknowledges that any breach by Buyer of the terms and conditions contained within this Section shall be deemed to be a material breach and shall entitle Seller to declare this Agreement to be in default in accordance with the provisions of the Buyer's Default in the Agreement. Seller's failure to promptly take any action with respect to Buyer's breach of the terms and conditions contained herein shall not be deemed a waiver of any of Seller's rights or remedies hereunder. Whenever this Agreement shall require Seller to complete or substantially complete an item of construction, unless provided specifically to the contrary herein, such item shall be deemed complete or substantially complete when so completed, in the sole and unfettered opinion of Seller. Should Seller fail to provide any item of construction required to be provided, Buyer's sole remedy therefore will be to collect an amount from Seller equal to Seller's cost for such item and for Seller's cost of installation of such item had such item been installed at the appropriate time during construction. Without limiting Seller's rights and Buyer's obligations contained within this Section and elsewhere in this Agreement, should any warranted defects in workmanship or materials be discovered before or after the Closing, Buyer agrees that Buyer's sole remedy therefore is for Seller to, at Seller's sole and absolute discretion, either repair or replace the defective item. To the extent permitted by applicable law, Seller disclaims any liability for incidental or consequential damages that may arise from a defective item.

9. **Counterparts.** This Rider B may be executed in counterparts, a complete set of which shall form a single document.

10. **Conflicts.** In the event of any conflict between this Rider B and the Agreement, this Rider B shall control. In all other respects, the Agreement shall remain in full force and effect.

The Agreement, together with this Rider B and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. FHA/VA ADDENDUM

THIS FHA/VA ADDENDUM (this "**Addendum**") s executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the thirteenth day of FEBRUARY , 2012, between Jonathan WE Douglass, Theresa A Douglass ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0043 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **FHA/VA**. BUYER AGREES TO PROCEED WITH THE PURCHASE OF THE HOME AFTER HAVING READ BUYER'S RIGHTS AND PRIVILEGES, AS SET FORTH BELOW:

2.1 FHA Loans.

2.1.1 It is expressly agreed that, notwithstanding any provisions of the Agreement (contract) to the contrary, Buyer (purchaser) shall not incur any penalty by forfeiture of earnest money deposits or otherwise be obligated to complete the purchase of the Home (property described herein) unless Buyer (purchaser) has been given in accordance with the Department of Housing and Urban Development ("**HUD**"), Federal Housing Administration ("**FHA**") or United States Department of Veterans Affairs (the "**VA**") requirements, a written statement by the Federal Housing Commissioner, the VA, or a Direct Endorsement lender setting forth the appraised value of the Home (property) (for mortgage purposes) of not less than $ 179,998.00 (which statement Seller agrees to deliver to Buyer (purchaser) promptly after such Appraised Value Statement is made available to Seller). Buyer (purchaser) shall have the privilege and option of proceeding with the consummation of the Agreement (the contract) without regard to the maximum mortgage the Department of Housing and Urban Development will insure. HUD DOES NOT WARRANT THE VALUE OR THE CONDITION OF THE HOME (PROPERTY). BUYER (PURCHASER) SHOULD SATISFY HIMSELF/HERSELF THAT THE PRICE AND CONDITION OF THE HOME (PROPERTY) ARE ACCEPTABLE.

2.1.2 In the event the value of the Property set forth in the Appraised Value Statement is less than the Total Purchase Price, Buyer shall have the right to exercise the above-mentioned privilege and option to proceed at the Total Purchase Price, which is over and above the FHA Appraised Value Statement, by giving Seller written notice of Buyer's intention to do so in accordance with the Agreement notice requirements. Said notice shall be given within five (5) days of Buyer's receipt of the FHA appraisal by returning to Seller a copy of this Addendum executed by Buyer in the "AGREE TO PROCEED" signature block below. In the event Buyer fails to give proper notice hereunder of Buyer's intention to proceed at the Total Purchase Price, the Agreement shall automatically become null and void and the parties shall promptly execute a written release of Buyer's Deposit, pursuant to which the Deposit shall immediately be returned in full to Buyer.

2.1.3 Buyer agrees to pay a mortgage insurance premium as required by FHA. Buyer has the right to pay the entire premium at the time of Closing or the premium may be added to the loan amount and financed over the term of the loan. If Buyer elects to add the premium to the loan amount, the total loan amount shall consist of the Cash to Close amount specified in the Purchase Price and Payment Addendum, plus the mortgage insurance premium. Pursuant to FHA regulations, Buyer shall pay an annual premium, if required, in addition to the up-front (or financed) premium. Said additional premium shall be paid monthly on a declining balance (excluding the portion of the balance, if any, attributable to the up-front premium).

2.1.4 All parties acknowledge that the processing of a government loan is not subject to specific time limitations. Nevertheless, Buyer agrees to diligently pursue such loan commitment.

2.1.5 Seller and Buyer certify that the terms of the Agreement are true and complete to the best of their respective knowledge and belief. Seller and Buyer further certify that all agreements relating to this real estate transaction have been fully disclosed and are covered in the Agreement, including any addenda attached thereto. Seller and Buyer understand that the failure to provide a complete and accurate copy of the Agreement could jeopardize this transaction. If there are any subsequent changes to the Agreement, the undersigned will submit them promptly to the Lender.

2.1.6 Buyer acknowledges that Buyer has read and completed the attached U.S. Department of Housing and Urban Development form HUD-92564-CN entitled "For Your Protection: Get a Home Inspection".

2.2 VA Loans.

2.2.1 It is expressly agreed that, notwithstanding any provisions of the Agreement to the contrary, Buyer shall not incur any penalty by forfeiture of earnest monies or otherwise be obligated to complete the purchase of the Home if Buyer cannot obtain a loan guaranteed by the VA, including without limitation, if the Total Purchase Price exceeds the reasonable value of the Home established by the VA or a VA lender pursuant to the Lender Appraisal Proceeding Program ("**LAPP**"). Buyer shall, however, have the privilege and option of proceeding with the consummation of the Agreement without regard to the amount of reasonable value established by the VA or a VA lender with LAPP authority. Buyer agrees that should Buyer elect to complete the purchase at an amount in excess of the reasonable value established by the VA or a VA LAPP

lender, Buyer shall pay such excess amount in cash from a source that Buyer agrees to disclose to the lender and the VA, which source Buyer represents and covenants will not be from borrowed funds except as approved by the VA.

2.2.2 To exercise the above-mentioned privilege and option to proceed at the Total Purchase Price, which is over and above the amount of reasonable value established by the VA or a VA LAPP lender, Buyer shall give Seller written notice of Buyer's intention to do so in accordance with the Agreement notice requirements. Said notice shall be given within five (5) days of Buyer's receipt of the amount of reasonable value established by the VA or a VA LAPP lender by returning to Seller a copy of this Addendum executed by Buyer in the "AGREE TO PROCEED" signature block below. In the event Buyer fails to give proper notice hereunder of Buyer's intention to proceed at the Total Purchase Price, the Agreement shall automatically become null and void and the parties shall promptly execute a written release of Buyer's Deposit, pursuant to which the Deposit shall immediately be returned in full to Buyer.

2.2.3 VA DOES NOT WARRANT THE VALUE OR THE CONDITION OF THE HOME (PROPERTY). BUYER (PURCHASER) SHOULD SATISFY HIMSELF/HERSELF THAT THE PRICE AND CONDITION OF THE HOME (PROPERTY) ARE ACCEPTABLE.

2.3 Special Trust Account. If Buyer is financing the purchase of the Home with a VA guaranteed loan, the Deposit received from Buyer prior to Closing shall be placed in a special trust account with Wilmington Savings Fund Society FSB, a Federal Savings Bank ("**Trustee**") in accordance with the provisions of a Lennar Deposits Trust Agreement ("**Trust Agreement**") between Lennar Corporation on behalf of Seller and the Trustee, and as required under 38 U.S.C. §3706 or other applicable law. In the event that the Agreement is cancelled for any reason other than Seller's default and pursuant to the provisions of the Trust Agreement, if Buyer seeks a refund of the Deposit from Seller and Seller refunds the Deposit directly to Buyer, Buyer hereby authorizes the Trustee to reimburse Seller for such refund. In consideration for either Seller's or Trustee's refund of the Deposit to Buyer, Seller and Lennar Corporation shall be unconditionally released from any claim arising out of or related to the Deposit and purchase of the Home and Trustee shall be unconditionally released from any claim arising out of or related to the escrow of the Deposit in connection with the purchase of the Home.

In addition, any and all manufacturers' warranties on personalty and fixtures will, to the extent allowable, be passed through to Buyer at Closing and all items covered by manufacturers' warranties are expressly not warranted by Seller. The RWC Warranty Booklet and the Warranty of Completion of Construction, incorporated herein by reference, shall be delivered to Buyer at Closing and are available for examination at Seller's offices and will, at Buyer's request, be attached as an exhibit to this Agreement. By initialing below, Buyer acknowledges that Buyer has had the opportunity to receive and review the RWC Warranty and the Warranty of Completion of Construction prior to the execution of this Agreement. Seller agrees to pay Cooperating Broker, at Closing, a commission in the amount of three percent (3%) of the Base **Purchase Price plus the Homesite Premium less any builder incentives and/or discounts to the Base Purchase Price**, as that amount is determined by the Purchase Price and Payment Addendum (the "**Commission**"), subject however to the terms and conditions set forth below and in the Broker Participation Policy ("**Participation Policy**"). As set forth herein, "incentive" shall mean the total dollar value of all consideration, incentives, discounts, credits, reductions, gifts or other inducements offered or arranged by Seller in connection with Buyer's purchase of the Property, including, without limitation, any: reduction or discount in the Total Purchase Price, Base Purchase Price, or the Homesite Premium; credit for or contribution toward Closing Costs; payment of or contribution toward assessments or capital contributions charged by any homeowner's association or Seller; payment of or contribution toward homeowner's casualty or liability insurance, and/or lease payments; financing incentive such as payment of buy down fees to the Lender; and retail value of any gift to Buyer. No Commission shall be payable by Seller unless Buyer consummates the purchase of the Property in accordance with the terms and conditions of the Purchase and Sale Agreement; accordingly, the Commission shall not be deemed earned unless and until the Closing occurs. Cooperating Broker agrees that it shall look to Buyer for any other commission due to Cooperating Broker that is in excess of the Commission payable by Seller pursuant to this Agreement and for any commission due to any other real estate brokers or salesmen claiming to have represented Buyer in connection with the purchase of the Property. Notwithstanding the foregoing, Seller agrees to pay any and all commissions due to Seller's New Home Consultants working in Seller's sales office.

3. **Sales Associate of Cooperating Broker**. By signing below, sales associate or designated agent of Cooperating Broker ("**Sales Associate**") agrees, on behalf of himself/herself and on behalf of Cooperating Broker, to the terms of this Agreement. Without limiting the foregoing, Sales Associate agrees that Seller's sole responsibility hereunder is to pay the Commission to Cooperating Broker in the manner described above. Any other amounts payable to Sales Associate and/or Cooperating Broker shall be the sole responsibility of Buyer, if provided for in a separate agreement between Cooperating Broker and Buyer. In addition, Sales Associate hereby personally represents and warrants that Sales Associate has full power and authority to execute and deliver this Agreement on behalf of Cooperating Broker and that such execution of this Agreement on behalf of Cooperating Broker has been duly authorized by all necessary and proper corporate action of Cooperating Broker.

4. **Participation Policy**. By signing this Agreement, Sales Associate acknowledges that Sales Associate has read and agrees, on behalf of such Sales Associate and Cooperating Broker, to comply with the terms and conditions in the Participation Policy set forth below. This Agreement shall be null and void if Seller determines, in its absolute discretion, at any time before Closing that Sales Associate and/or Cooperating Broker has/have violated the terms of the Participation Policy. The Participation Policy follows:

4.1 In order for Cooperating Broker to receive a commission in connection with the sale of real property in the Community, Cooperating Broker or Sales Associate must register a prospective buyer (the "**Prospect**") in person at the sales office for the Community (phone registrations will not be accepted). Cooperating Broker or Sales Associate must accompany the Prospect during Prospect's initial visit. If the tracking system used at the sales office for the Community indicates that the Prospect was initially introduced to the Community via the internet, and/or initially registered at the sales office without being accompanied by Cooperating Broker or Sales Associate, neither Cooperating Broker nor Sales Associate

shall be entitled to receive a commission in connection with the sale of real property in the Community to such Prospect. This registration is effective for the period of their realtor buyers contract ("**Registration Period**"). Cooperating Broker may extend the Registration Period as needed.

4.2 Cooperating Broker shall be entitled to receive the Commission, provided that the Prospect (i) is properly registered, (ii) contracts to purchase a home from the on-site sales staff in the Community ("**New Home Consultant**") before the expiration of the Registration Period, and (iii) closes on the transaction pursuant to the Purchase and Sale Agreement for the Property. Notwithstanding the foregoing, in the event two or more brokers claim that they are entitled to a commission from having registered a Prospect, the cooperating broker who is the procuring cause of the sale will be entitled to the commission. This registration, or any extension thereof, does not protect Cooperating Broker or Sales Associate from another broker or sales associate registering the same Prospect in the Community.

4.3 Seller will pay the Commission to Cooperating Broker, provided that the terms and conditions contained herein are satisfied and except as otherwise set forth above relating to later-registering cooperating brokers. In all cases, Sales Associate agrees to look solely to Cooperating Broker for payment of any commission. By way of example, if Sales Associate terminates his/her employment with a registered Cooperating Broker who is entitled to a commission pursuant to this Participation Policy, then Sales Associate shall have no claim against Seller with respect to such commission.

4.4 Cooperating Broker and Sales Associate acknowledge that this Participation Policy, the registration forms, sign-up sheets and other incentives, contracts, or forms given to Prospects or buyers of homes are trade secrets of Seller. Cooperating Broker agrees to indemnify, defend and hold Seller harmless from and against any and all claims, demands, damages, losses, costs and expenses of whatever nature or kind, including reasonable attorneys' fees, paraprofessional fees and costs relating to or arising out of any claim against Seller as a result of conduct or representations made by Cooperating Broker and/or Sales Associate. In the event that Seller must enforce or defend any of the terms and conditions of this Participation Policy, Seller shall be entitled to collect from Cooperating Broker reasonable attorneys' fees, paraprofessional fees and costs.

INSULATION ADDENDUM

THIS INSULATION ADDENDUM (this "Addendum") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") dated as of the twenty-first day of Dec 2012 between _____ (collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 43 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "Community").

2. Insulation. Pursuant to Title 16, Chapter I, Section 460.16 of the Code of Federal Regulations, the insulation that is or will be installed in the Home where conditioned space meets unconditioned space is as follows and will, according to the manufacturer, yield the R-values stated:

INDOOR ENVIRONMENTAL QUALITY DISCLOSURE

THIS INDOOR ENVIRONMENTAL QUALITY DISCLOSURE (this "**Disclosure**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the thirteenth day of FEBRUARY , 2012, between Jonathan WE Douglass, Theresa A Douglass (collectively, "**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0043 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. **Defined Terms.** All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Disclosure to the Agreement shall be deemed to include references to this Disclosure and to any other disclosure and/or addenda and riders attached to the Agreement, which are hereby incorporated by this reference:

2. **Indoor Environmental Contaminates.** There are many different types of indoor environmental contaminants, such as pet dander, dust mites and mold. Molds and other potential contaminants have been a part of our environment for millions of years. Contaminants are everywhere, indoors and outdoors. Therefore, everyone is exposed to some contaminants on a daily basis without evident harm. Due to a number of factors, including the fact that sensitivities to various types of molds and other potential contaminants vary from person to person, there are no state or federal standards concerning acceptable levels of exposure to mold. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illness have been linked with biological pollutants in the indoor environment, including some forms of mold. However, many of these conditions also have causes unrelated to the indoor environment. Therefore, it is unknown how many potential health problems relate exclusively to poor indoor air. Buyer should determine for himself/herself whether Buyer, Buyer's family members or any other individuals who will occupy or use the Home have special needs or increased risk to these conditions. Buyer should carefully monitor the conditions in the Home for mold growth and other contaminants.

When excessive moisture or water accumulates indoors, mold growth can and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all molds or mold spores in an indoor environment. The key to controlling indoor mold growth is to control moisture.

There are many ways to help control moisture in and beneath the Home. The U.S. Environmental Protection Agency, the Consumer Product Safety Commission, the American Lung Association and others recommend taking measures such as those listed below to help control moisture in and beneath the Home. The following list is not meant to be all-inclusive.

- o Fix leaking plumbing and any other source of unwanted water immediately.
- o Maintain proper indoor humidity. Equipment that conditions the air, such as air conditioners, humidifiers and ventilation systems must be operated year round.
- o Raise the temperature in areas where moisture condenses on surfaces and open doors between rooms to increase air circulation in the Home, including doors to closets.
- o Have major appliances, such as furnaces, heat pumps, central air conditioners, window air conditioning units, ventilation systems and furnace attached humidifiers inspected, cleaned and serviced regularly by a qualified professional.
- o Clean and dry refrigerator, air conditioner and dehumidifier drip pans and filters regularly and make sure that refrigerator and freezer doors seal properly.
- o Keep water away from the foundation of the Home by maintaining required slopes, drainage and keeping plantings and sprinklers the proper distance from the Home.
- o If there is a sump pump in the Home, inspect it regularly to ensure that it is properly operating.
- o If there is a crawl space or structural sub-floor, inspect the ground beneath the floor on a regular basis to make sure there is no standing or excessive water. If there is standing or excessive water, seek professional assistance to remove the water. If Buyer is interested in finishing the basement, only do so after consulting an expert to determine the suitability of the basement for a finished area.

The following are suggestions that may assist Buyer in preventing and addressing mold growth in the Home.

- o It is important that Buyer responds promptly when Buyer sees signs of moisture or mold.
- o Do not allow moisture to stand or make contact with carpet, furniture and cellulose-based materials, such as wood, drywall or other non-tile, non-plastic or non-metal materials.
- o Dry all water damaged areas and items immediately to prevent mold growth.
- o If mold develops, clean up the mold by washing off hard surfaces with detergent and water and completely dry the surface.
- o Depending upon the nature and extent of the mold infestation, trained professionals may be needed to assist in the remediation effort.
- o Mold that is not properly and adequately removed may reappear.

Proper maintenance and cleaning of the Home is the responsibility of each homeowner and will lessen the potential for water intrusion and help to control indoor environmental contaminants. Further, it is the responsibility of each homeowner to monitor their Home on a continual basis for excessive moisture, water and mold accumulation. If Buyer discovers accumulation of water or moisture in, around or under the Home, Buyer should immediately seek to control the source of the water or moisture. Failing to control the source could result in additional damage and the growth of mold. Plumbing leaks and water penetrations that are covered by the Limited Warranty, if any, during the term of the Limited Warranty must be reported to Seller immediately. If the Limited Warranty has expired or does not cover the specific problem, Buyer should not delay in having professionals address the problem. Seller will not be responsible for, and Buyer agrees to indemnify and hold harmless Indemnified Parties from and against all Claims in connection with, water-related damages, including personal injuries or property damage caused by mold, but only to extent that the damages are caused by (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction. Buyer also agrees to waive all rights of subrogation for damages resulting from water-related damages, mold growth, any personal injuries, or any remediation resulting from (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction.

3. **Counterparts**. This Disclosure may be executed in counterparts, a complete set of which shall form a single Disclosure.

4. **Conflicts**. In the event of any conflict between this Disclosure and the Agreement or any other addenda and/or riders, this Disclosure shall control. In all other respects, the Agreement shall remain in full force and effect.

5. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. 4. **Manufacturers' Warranty Disclaimer**. SELLER ASSIGNS AND PASSES THROUGH TO BUYER THE MANUFACTURERS' WARRANTIES FOR SCHLAGE LINK AND SELLER MAKES NO WARRANTIES WITH RESPECT THERETO. SELLER DISCLAIMS ANY WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, ON SCHLAGE LINK, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF USE, FITNESS OF USE, WORKMANSHIP OR QUALITY. SELLER SHALL NOT BE LIABLE FOR ANY DAMAGES OR INJURY TO THE SCHLAGE LINK OR FOR ANY DAMAGES OR INJURY CAUSED BY SCHLAGE LINK. SELLER'S DISCLAIMER OF MANUFACTURERS' WARRANTIES DOES NOT LIMIT OR OTHERWISE AFFECT THE WARRANTY OF ANY MANUFACTURER.

5. **Counterparts**. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

6. **Conflicts**. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

7. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

RICEFIELD WAY and THE ABBEY AT SPRING GROVE PLANTATION
MASTER DISCLOSURE AND INFORMATION ADDENDUM TO
PURCHASE AND SALE AGREEMENT
SOUTH CAROLINA

THIS MASTER DISCLOSURE AND INFORMATION ADDENDUM (this "**Addendum**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") entered into as of the Thirteenth day of February , 2012, between Jonathan WE Douglass, Theresa A Douglass ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0043 of Building/Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as **Spring Grove Plantation** (the "**Community**").

1. **Defined Terms**. All capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Community**. The Property lies within a neighborhood known as Ricefield Way or The Abbey at Spring Grove Plantation (the "**Neighborhood**"), which lies within a community known as Spring Grove Plantation (the "**Community**"). This Addendum explains certain terms which are applicable to the purchase of Homes within the Community and the Neighborhood. Current plans are for Ben McCormick Homes, Harbor Homes and First Coast Homes to build homes in the Community. Other builders besides Seller may be added or deleted from the list of builders in the future. Seller, and any other builder in the Community, shall have the right, without notice to Buyer, to make changes to, among other things, homesite sizes, number of homes being built, size and style of homes being built, features and materials in homes being built, prices of homes (whether more or less than currently published), price per square foot of homes (whether more or less than currently published), street layout, amenity layout, and usage, location, size and number of trees, bushes and other foliage (current and future), and any other items or uses which are currently planned for the Community or the Neighborhood. Seller makes no representation or warranties that Seller will be the exclusive builder or developer in the Community or the Neighborhood or that the Community or the Neighborhood will be built out exactly as currently planned, and Seller expressly reserves the right to make whatever changes it deems necessary relating to future development or build out of the Community and the Neighborhood. Any current maps or other materials showing any final or projected community development may be modified or updated in the future.

SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES WITH REGARD TO THE DEVELOPMENT OF HOMESITES IN AND AROUND THE COMMUNITY. HOMESITES IN AND AROUND THE COMMUNITY MAY REMAIN UNDEVELOPED AT THE SOLE DISCRETION OF SELLER, OTHER BUILDERS IN THE COMMUNITY, AND/OR THE DEVELOPER OF THE COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO SELLER BEING THE SOLE OR EXCLUSIVE BUILDER WITHIN THE COMMUNITY. SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO CONTINUING TO BUILD IN THE COMMUNITY THROUGH FINAL BUILD OUT AND/OR BUILDING UPON ANY UNDEVELOPED HOMESITE(S). FURTHERMORE, IT IS UNDERSTOOD THAT NO REPRESENTATIONS, ESTIMATES OR PROJECTIONS HAVE BEEN CONVEYED REGARDING THE FINAL BUILD OUT TIME OF ANY UNDEVELOPED HOMESITE(S) OR THE OVERALL COMPLETION SCHEDULE OF THIS COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER CONSTANTLY EVALUATES THE PRICING, DESIGNS, PRODUCT MIX AND AMENITIES OF ITS COMMUNITIES AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING WHETHER TO CONTINUE TO BUILD HOMES WITHIN THE COMMUNITY AND BUYER IS NOT RELYING UPON ANY OF THE FOREGOING IN DECIDING TO PURCHASE THE PROPERTY.

3. **Governing Documents**. Buyer acknowledges receipt, either in hard-copy or via internet or electronic means, of all documents ("**Governing Documents**") for the Community and the Neighborhood.

3.1 Buyer acknowledges receipt of, and agrees to be bound by the Declaration for Spring Grove Plantation Community (the "**Declaration**"), the Articles of Incorporation, By-Laws and any Rules and Regulations of Spring Grove Plantation Community Service Association, Inc., all as amended and supplemented from time to time (collectively, the "**Community Documents**"). Buyer acknowledges and agrees that title to the Home will be subject to the Community Documents.

3.2 The Property will be subject to certain deed restrictions as reflected in the General Limited Warranty Deed executed by Seller and furnished to Buyer at Closing. The deed restrictions run with the Homesite and require, among other things, that (i) buyer give Seller notice of Seller's defaults or any Claim (as defined therein) after Closing and (ii) Seller have an opportunity to inspect and cure defects in the Home. The deed restrictions further require the arbitration of any Claim against Seller that cannot be resolved.

3.3 Buyer acknowledges the provisions of the Governing Documents are fair and reasonable.

4. **Association Memberships**.

4.1 Upon conveyance and recording of the Deed to the Home, Buyer understands and agrees that Buyer will then become a member of the Spring Grove Plantation Community Service Association, Inc., a South Carolina nonprofit corporation (the "**Association**"). Buyer agrees to accept the liability and obligations of

such memberships. Buyer understands that as a member of the Association, Buyer will be required to pay Assessments (as defined in the Governing Documents) for the maintenance of the Common Areas (as defined in the Governing Documents) and for such other uses and purposes as are provided for in the Governing Documents. Buyer also understands and agrees that a failure to pay Assessments when due could cause the Association to record a lien on the Home and to foreclose such lien. Assessments are subject to additional increases in the manner currently provided for in the Governing Documents. Neither Seller, the Association, nor any other builder can estimate the amount or frequency of any such increase.

4.2 Buyer acknowledges that nominees of Seller, and the developer of the Community and the developer of the Neighborhood may serve as the initial officers and directors of the Association. The officers and directors and the management company, which may be an affiliate of Seller, are authorized by Buyer to act for and on the behalf of the Association. Seller may, but is not required to, advance monies to the Association for operations. In the event such advances are made, they will be considered a loan from Seller, and the Association will be obligated to repay such advances as set forth in the Community Documents.

4.3 Buyer acknowledges that all new construction and modifications of existing construction and exterior improvements within the Community are subject to the prior written approval of the appropriate architectural review, design review or similar committee or authority, which is appointed by the Board of Directors of the Association. Buyer agrees to comply with all rules and regulations of the appropriate authority (or authorities) governing construction of improvements within the Community and the Neighborhood as the same may be amended and exist from time to time. These restrictions are subject to change without notice. Building and use restrictions include, but are not limited to, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, the developer of the Community, the developer of the Neighborhood and homebuilder(s), leases and restoration of homesites. Buyer agrees not to commence any construction upon the Homesite until it has obtained all requisite written approvals therefore. Buyer further agrees not to make any modifications of any existing buildings and improvements, including, but not limited to, landscaping and landscape irrigation, without the prior written approvals of the appropriate authority (or authorities) pursuant to any city, county or state regulation and pursuant to recorded covenants, conditions or restrictions governing the land. In addition, every city, county or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to the Home or Homesite, Buyer should contact the applicable governmental authorities for further information concerning local codes and ordinances. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required.

4.4 Approval of any work by the appropriate reviewing authority or authorities shall not constitute an express or implied warranty of representation that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designated or will be constructed in a proper manner.

4.5 Failure to submit plans and specifications to the appropriate reviewing authority or authorities for approval is a violation of the provisions of the Declaration and/or applicable deed restrictions, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, any of non-approved improvements or modifications.

5. **Community Charges**. In addition to the Closing Costs set forth in Rider B, Buyer shall pay the following additional Closing Costs respecting the Community:

5.1 Association Assessments. Assessments payable to the Association ("**Association Assessments**"), prorated for the month in which the Closing occurs (based on the then current Assessments at the time of closing). Such Assessments are estimated to be $325.00 per year at this time. Buyer understands that the estimated operating budget for the Association is only an estimate of what it will cost to run the Association. The Association may make changes in the budget at any time to cover increases or decreases in expenses or estimates in the budget. Without limiting the generality of this Section, those changes will not give Buyer any right to cancel the Agreement.

5.2 Association Initial Capital Contribution. Buyer acknowledges that among other Assessments provided for in the Community Documents, the Association has established an initial capital contribution ("**Initial Capital Contribution**"). Buyer acknowledges that upon conveyance of the Property an Initial Capital Contribution in an amount equal to $300.00 (or such amount as determined from time to time) is due. The Initial Capital Contribution may be used for any reason whatsoever including, without limitation, reimbursement for costs in setting up the Association and costs of deficit funding. Buyer acknowledges and agrees that the Initial Capital Contribution is not to be considered as an advance payment of Assessments.

5.3 Resale Capital Contribution. Buyer acknowledges that the Association may establish a Resale Capital Contribution (as defined in the Governing Documents). For more information on the Resale Capital Contribution, please refer to the Governing Documents.

6. **Security**. The Community is not a gated community and the roads in the Community are public.

7. **Building and Use Restrictions**. Every homesite is subject to building and use restrictions as set forth in the Declaration. These restrictions are subject to change without notice. Building and use restrictions may affect,

among other things, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, satellite dishes, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, any developer and homebuilder(s), leases and restoration of homesites. Seller encourages you to carefully review the Declaration and to ensure the long-term quality of life for both you and your neighbors.

8. **Municipal Building Codes And Ordinances**. Every city or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to your Home or Homesite, you should contact the Building Inspector for Berkeley County at 843.719.4095 for further information concerning local codes and ordinances. Seller is not responsible for notifying Buyer or any other homeowners of the content or restrictions contained in any local codes or ordinances.

9. **Architectural Review**.

9.1 The Declaration currently provides that no improvements shall be commenced upon any homesite, nor shall the exterior color, style and materials of an approved structure on a homesite be altered without the prior written approval of the Architectural Control Committee ("ACC"), as applicable, which is appointed by the Board of Directors of the Association. Improvements constructed by Seller or the developer of the Community, or the Neighborhood, as applicable, are exempt from this requirement. Approval of any work by the ACC shall not constitute an express or implied warranty or representation by the ACC that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designed or will be constructed in a proper manner. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required. For more information concerning architectural review, please review the Declaration.

9.2 Failure to submit plans and specifications to the ACC for approval is a violation of the Declaration, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, of any non-approved modifications.

10. **Pet Restrictions**. Buyer understands that the only pets allowed in the Neighborhood and the Community are those which are in accordance with the restrictions contained in the Community Documents or any amendments thereto.

11. **Short-Term Rentals.** Buyer acknowledges that homes in the Community may be rented for any length of time, subject to certain restrictions set forth in the Community Documents.

12. **Flood Zone**. Buyer acknowledges that the Property may be in a flood zone. Mortgage lenders will typically require the issuance of flood insurance as a requirement for financing, which insurance must be present at Closing. Seller recommends that each Buyer of a Home protect his/her Home by obtaining proper insurance coverage. It is possible, however, for Buyer to submit documentation to the Federal Emergency Management Agency (FEMA) to have the Home re-classified by FEMA, whereby the mortgage lender may have the option to waive the requirement of flood insurance. Buyer is solely responsible for the submission to FEMA for such re-classification and any and all expenses related to such submission. Further, Buyer acknowledges and understands that the waiver of flood insurance is at the sole discretion of the mortgage lender.

13. **Utilities**.

13.1 Buyer acknowledges that no septic tanks shall be permitted within the Community and the Neighborhood. No wells shall be installed without the express written consent of the ACC and all other applicable government agencies.

13.2 Some homesites contain or are adjacent to drainage and utility structures such as storm water overflow swales, storm water retention and/or detention basins, manholes, fire hydrants, electrical transformers, switch boxes, telephone pedestals and streetlights. None of these items shall be altered, obstructed, buried, modified, restricted or interfered with in any manner whatsoever. Overflow swales are generally utilized for overflow storm water capacity as a result of water drainage. Electrical transformers may only be landscaped to the extent permission is given by the utility provider. In some cases, water may flow from one homesite to another. State law may provide that the owner of the homesite receiving water is required to accept the water flow and may not impede the flow of this water. In addition, the Property will be graded to provide for reasonable drainage away from the Home's foundation. The vast majority of foundation problems are caused by insufficient drainage or lack of watering of soil around the foundation. Buyer should keep Buyer's lawn well watered to maintain consistent moisture content and avoid excess wetness, dryness or cracking of soil. The construction of curbs, decks, retaining walls, pools, spas, patios, landscape edging and similar items can also trap water within the yard area and cause structural damage to the Home's foundation. Seller strongly recommends that Buyer consult with a licensed landscape architect and civil engineer before performing any work or making any changes that may affect the existing drainage pattern.

13.3 Berkeley County provides water to the Community. Because Seller does not control the water supply, Seller cannot guarantee the quality of the water provided to the Community. In addition, this area is periodically subjected to extended periods of drought that may cause depletion of water supplies. Municipalities and other providers of water services (including the Town of Moncks Corner) may enact mandatory or voluntary cut backs or other restrictions in water usage. Seller has no control, influence, responsibility or liability for or over decisions concerning water rationing.

13.4 If Buyer has any questions about utility rates, services, safety, or anything else to do with overhead or underground transmission or utility lines, Buyer should contact the utility companies directly. Because Seller values Buyer's safety and that of Buyer's neighbors, no excavation or trenching should be done without first calling the utility companies for the location of buried utilities. There is currently no charge by the utilities for this service. This is especially important in utility easements where buried utility equipment is probable. Digging without advance notification and approval of the utility companies may be illegal, is dangerous and can result in severe personal injury or death to Buyer and Buyer's neighbors, and can also result in severe property damage to homes, property and utility equipment.

14. Waterbodies. BUYER ACKNOWLEDGES THAT THE WATER LEVELS OF LAKES, PONDS OR OTHER WATERBODIES WITHIN THE COMMUNITY AND/OR THE NEIGHBORHOOD MAY VARY. THERE IS NO GUARANTEE BY SELLER, THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT.

15. Regulatory And Governmental Approvals. The zoning, plans, etc. have been approved by Berkeley County. The development of the project, lot, sidewalks, etc. is subject to approval by Berkeley County. For more information on the approvals required and pending in the Community, Buyer should contact the Berkeley County Planning & Zoning Department at 843.719.4095.

16. Prices/Market Values. Seller, and any other builder in the Community, shall have the unilateral right to establish prices for the homes it builds in the Community. Seller and any other builder in the Community may, at its sole discretion, increase or decrease the price or the price per square foot for any home, homesite or option at any time, or offer incentives for sales of homesites and homes, all without notice to Buyer. Once Buyer has signed the Agreement establishing a price for the Property, the prices for any subsequent changes or upgrades to the Home as requested by Buyer, including but not limited to design, floor plan, options, materials or otherwise, are subject to change by Seller until a written and signed agreement on the price is reached by Seller and Buyer for such change or upgrade. Seller makes no representations or warranties that the price for the Property or options in the Home will be increased or decreased for other buyers of identical or similar homes or options. Seller also makes no representations or warranties that changes or options made by Buyer will or will not increase or decrease the market value of the Property. The Property is being sold for residential purposes and not as an investment.

17. Construction And Sales Activities. BUYER ACKNOWLEDGES THAT SOME AREAS OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNDER CONSTRUCTION AND DEVELOPMENT FOR AN EXTENDED TIME. INCIDENT TO THE DEVELOPMENT PROCESS, THE QUIET ENJOYMENT OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNAVOIDABLY INTERFERED WITH TO SOME EXTENT BY THE CONSTRUCTION OPERATIONS. Construction, development and sales activities in the Community and/or the Neighborhood will likely occur after Buyer has taken occupancy of Buyer's Home. Depending upon Buyer's sensitivities, this may result in some inconvenience to Buyer and Buyer's family and guests due to increased noise, dust, road closures, operation of the model homes and sales offices, and other activities. Construction activities can occur at various hours throughout the day, and sales activities can result in additional traffic and visitors throughout the Community, particularly before the Community is completely built out. Neither Seller nor any other builder that may be active in the Community can guarantee that Buyer will not be affected or impacted as a result of the overall construction and development of the Community. Seller gives no guarantees or assurances on the active time of the Community model homes. Homesites across the street or next to the model homes may remain undeveloped until Seller determines that these homesites are no longer needed for marketing purposes.

18. Views. Future development and construction activities in the Community can and will modify the view from homesites (including but not limited to the Homesite). Trees and other foliage may be added or removed from lots or common areas of the Community. Additional housing and other improvements will be added within the community. Because future development and construction activities in the Community will modify views from homesites, Seller does not warrant or guarantee any existing views will be maintained in the future relative to the Property.

19. Streetlights. Numerous streetlights will be installed within the Community, many of which will be installed after homes have been completed, sold and occupied. Streetlights are sized and placed in accordance with Town ordinances and governmental requirements, and could in some instances generate light in or obstruct views from homes in the Community. Information about streetlight size, light output, design and location of streetlights within the Community can be obtained from the service provider.

20. Trees And Foliage. The Community contains numerous native trees of various sizes and varieties. While Seller has taken great care during the planning and construction of the Community to save trees, future development and construction will require the removal of additional trees, shrubs and other foliage and, therefore, Seller does not guarantee the preservation of any trees, shrubs, ground cover or other foliage in the Community or Buyer's Homesite, and cannot be responsible for short or long-term damages to foliage due to construction or development activities. Seller makes no representation or warranty that trees on the Homesite being purchased or any other homesite or common area in the Community will not be removed. All care and maintenance of foliage on an individual homesite is the responsibility of the homeowner, and Seller does not guarantee or warranty the survival of any foliage. Berkeley County has adopted a Tree Ordinance regulating the removal of any tree over a certain size. Before removing a tree, Buyer should contact Berkeley County to ensure that its regulations are adhered to. The Declaration also contains restrictions regarding the removal of any tree over a certain size. Buyer should contact the Association to ensure that its regulations are adhered to.

21. Facilities And Conditions Affecting Homesites.

21.1 The information set forth in this section contains an overview of facilities and conditions which may affect some or all homesites in the Community (including but not limited to the Homesite). Because Seller does not have control over development outside of the Community, Seller does not warrant or guarantee any future development, usage, or lack of development or usage for properties located outside of the Community, or their possible impact on the residents of the Community. For additional information about offsite features that may affect the purchase of the Property, please contact the local governmental authorities having jurisdiction over the Community.

21.2 Seller advises Buyer that some of the homesites (including but not limited to the Homesite) are or may be adjacent to or near some of the following:

DRAINAGE CHANNEL, AIRPORT, RAILROAD TRACKS, STORM WATER DETENTION FACILITY, COMMUNITY CENTER, ELEVATED WATER STORAGE TOWER, SCHOOL FACILITY, PARK SCHOOL SITE, SPORTS FACILITY OR BALL FIELD, COMMUNITY LAKES, PARK AND/OR RECREATION FACILITY, WATER PLANT/SEWER PLANT, LIFT STATION, CELLULAR PHONE, RADIO, TELEVISION OR OTHER TOWER ANTENNA SITE, HIGH VOLTAGE TRANSMISSION LINES OR PIPELINE EASEMENT.

Buyer acknowledges that such facilities may impact noise, vibration, lighting, traffic and other conditions caused by daily operations of the facility. Drainage channels, lakes and storm water detention facilities will have varying levels of water for varying periods of time depending upon rainfall.

21.3 Approximately 10 miles from the edge of the Community is the Charleston International Airport. Some flights landing at or taking off from the airport currently pass over the Community. Jets, helicopters or other aircraft may be seen or heard overhead from the Homesite or even from within the Home. The Charleston International Airport may, in the future, expand the Airport and its operations.

21.4 As a result of the open spaces and bodies of water in and around the Community, Buyer may periodically find wild animals within the confines of the Community including, but not limited to, skunks, nutria, opossums, deer, raccoons, spiders, snakes, bees, fire ants, and other insects common to the area. Contact with any wild animal can be dangerous. Should Buyer encounter any such animal, Buyer is encouraged to contact Buyer's local animal control office for further instructions.

21.5 Property West of the Community. The property west of the Community is currently comprised of agricultural and wooded land and land occupied by the Charleston Steel & Metal plant, Parker Gas Turbine Fuel Systems, and Mt. Holly Hill Park.

21.6 Property North of the Community. The property north of the Community is currently comprised of undeveloped woodlands and land used for residential purposes.

21.7 Property East of the Community. The property east of the Community is currently comprised of forested wetlands and undeveloped woodlands and land used for residential purposes. The property further east of the Community was occupied by the former Pattillo/Stone Mountain Industrial Park Site.

21.8 Property South of the Community. The property south of the Community is currently comprised of undeveloped woodlands and forested wetlands and land used for residential purposes.

21.9 Future Commercial/Retail Uses. The Community is located adjacent to properties which will be developed with major commercial and retail uses in the future. The development of such uses adjacent to the Community may increase traffic volumes, noise, outdoor lighting, pedestrian activity and other similar impacts resulting from commercial development.

21.10 Development of Adjacent Property. Buyer acknowledges that Seller's current construction plans for the Community where the Home and Homesite are located may change and that no representations or warranties are made concerning the development of the Community, or any property adjacent to, surrounding, or near such Community.

21.11 Public Ballfields. Public ballfields are located within the Community. The ballfields are or will be owned by the Association and the future use of the ballfields is in the discretion of Association.

21.12 Major Public Roads. The Community is located along portions of Old Hwy 52 and Cypress Garden Road. These roads may experience heavy traffic.

22. **Floor and Roof Truss Support.** The Home has been designed and constructed with the intent to support typical loads on the floor and roof trusses. Placing or storing excessive loads such as a waterbed or pool table, may result in the warping or failure of the supporting structural components of the Home.

23. **Real Estate Taxes.** When a new home is built, the full value of the home is typically not reflected in the real estate taxes until the second calendar year after construction has been completed. Seller is not responsible for communicating any information regarding real estate taxes (current or future) and cannot and will not predict what the taxes on the Home may be. Buyer should confirm any information provided concerning appraisals, tax valuation, tax rates or other tax-related questions, with Buyer's personal tax advisor and the local taxing authorities.

24. **Public Financing of Capital Improvements.** Berkeley County may finance certain capital improvements in the Community, may issue bonds in connection with such financing and may create one or more special tax districts

within the Community to provide for repayment of such bonds.

25. **Town and County Taxes, Charges And Fees**. Property within the Community is subject to Berkeley County taxes, utility charges, fees and may become part of a special taxing district. For additional information, contact the Tax Collector's office of Berkeley at 843.719.4030.

26. **Addendum Not A Substitute**. Buyer acknowledges and agrees that this Addendum is not a substitute for reading the entire Governing Documents. For a more detailed explanation of any section contained in this Addendum, refer to the Governing Documents.

27. **Pre-Sale Contingency.** Seller shall have the right to terminate this Agreement and cause Buyer's deposits to be refunded in the event that Seller does not enter into binding contracts to sell at least ten percent (10%) of the homes and homesites in the Community. Seller must, however, notify Buyer of such a termination at any time within one hundred eighty (180) days following the date of the first purchase agreement for the sale of a home in the Community, otherwise Seller will be required to construct the Community and the Home and otherwise proceed to perform its obligations under this Agreement. This shall not delay the effectiveness of this Agreement, which shall be immediate, but rather, shall be deemed a "condition subsequent" to this Agreement. In the event of Seller's termination of this Agreement pursuant to this Section, upon such termination and the return of Buyer's Deposit, Seller and Buyer will be fully relieved and released from all obligations and liabilities under and in connection with this Agreement. Seller agrees to use its good faith efforts to meet the foregoing pre-sale requirement.

28. **Third Party Developer**. Seller is not the developer/declarant of the Community ("**Developer**"). Buyer acknowledges that (i) Seller is neither related to nor a joint venture partner with Developer, (ii) Seller does not control the amenities (existing or planned), landscaping, or other improvements that Developer may provide within the Community in the sole and absolute discretion of Developer, (iii) Seller has neither prepared nor participated in the preparation of the Community budgets or any other financial information with regard to the Community, and (iv) any representations or warranties which relate to amenities or other matters contained within the Community shall not be construed as representations made by Seller nor shall such representations be relied upon by Buyer in Buyer's determination as to whether to purchase the Property located within the Community. Seller has no control or influence related to the construction timing, completion, changes in design, changes in location, or other major decisions, including the decision not to build future amenities. Buyer agrees to look solely to the Developer with respect to any matters regarding the Association, existing Community amenities, any proposed amenities, landscaping or other improvements.

29. **Statements Made By Sales Staff And Brokers**. Seller wants to ensure that Seller and Buyer are in full agreement on all terms and conditions relating to the Agreement. To best ensure that there are no misunderstandings, Buyer should ensure that all terms and conditions (including all statements, representations, or understandings upon which Buyer relies in purchasing the Home) are set forth in writing in the Agreement. **If there are any statements, representations or understandings which are made by a sales staff person or any other representative of Seller which are material to Buyer's decision to purchase, Buyer should insist that any such statement, representation or understanding is put in writing and contained in the Agreement. Seller reserves the right to reject the Agreement notwithstanding the inclusion of any such item in the Agreement.**

30. **Public School Assignment**. Seller does not control and cannot guarantee public school assignments for the Community. Because Seller does not control public school assignments, Seller cannot assure Buyer that public school assignments will not be changed in the future. For more information about public school assignments, Buyer should contact the Berkeley County School Board.

31. **Counterparts**. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

32. **Conflicts**. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

33. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

34. **Survival**. All of the terms of this Addendum shall survive Closing and the delivery of the Deed.

Address: 146 Harvest Moon Road Moncks Corner SC 29461

The residence and improvements (the "**Home**") constructed or to be constructed on the above described property (the "**Homesite**"), and all appurtenances thereto are collectively referred to in this Agreement as the "**Property.**" The Property is located within the community known as Ricefield at Spring Grove (the "**Community**").

2. **Purchase Price and Payments.** The total purchase price ("**Total Purchase Price**") for the Home, exclusive of any Builder's Fee, as applicable, and Closing Costs as described in Rider B and the Purchase Price and Payment Addendum, is $ 203,356 Buyer (and not a third party) has made an earnest money deposit upon the signing of this Agreement (the "**Initial Deposit**") of $ 1,000.00. Buyer shall make further payments to Seller, including but not limited to any "Additional Deposit" or "Advanced Payment" (consisting of non-refundable deposit(s) for options, extras, and upgrades) as set forth in the Purchase Price and Payment Addendum attached hereto and made a part hereof. The term "**Deposit**" shall include the Initial Deposit, Additional Deposit and Advanced Payment.

3. **Legally Binding Agreement.** THIS AGREEMENT IS A LEGALLY BINDING CONTRACT. IF NOT FULLY UNDERSTOOD, PLEASE SEEK COMPETENT LEGAL ADVICE. NO WARRANTIES OR REPRESENTATIONS, OTHER THAN THOSE SPECIFIED IN THIS AGREEMENT, ARE EXPRESSED OR IMPLIED. ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF SELLER. FOR CORRECT WARRANTIES AND REPRESENTATIONS, REFERENCE SHOULD BE MADE TO THIS AGREEMENT, INCLUDING THE RIDERS AND ADDENDA ATTACHED HERETO, AND THE "**DOCUMENTS**" (AS SUCH TERM IS DEFINED IN RIDER B) PROVIDED TO BUYER, IF ANY.

4. **Financing.**

☐ **NO CONTINGENCY.** If this box is checked, this is a cash transaction and not contingent on financing. Buyer agrees to provide within five (5) calendar days from the Buyer's execution of this Agreement financial statements or other written verification of Buyer's ability to purchase the Property with cash. If Buyer does not (in Seller's sole judgment, based on the documentation provided by Buyer to Seller) have the financial ability to purchase the Property with cash, then Seller may terminate this Agreement by refunding to Buyer any paid Deposit.

☒ **MORTGAGE CONTINGENCY.** If this box is checked, this Agreement is contingent on Buyer obtaining a loan commitment within the Mortgage Contingency Period (as such term is defined in Rider B attached hereto) for a first mortgage loan from Universal American Mortgage Company, LLC (an affiliate of Seller), or another qualified institutional mortgage lender of Buyer's choice ("**Lender**"), with interest, term and service charges at current market rates at time of Closing (as defined below) for a borrower of

Buyer's credit qualifications (the "**Mortgage Contingency**"). Buyer agrees to apply within five (5) calendar days from the execution of this Agreement for a loan at the then prevailing interest rate and terms (the "**Mortgage Contingency Period**"). In the event Buyer chooses to obtain financing through a Lender other than Universal American Mortgage Company, LLC, Buyer agrees to promptly provide Seller, upon Seller's request, with the name, address and phone number of such Lender, the loan officer and the loan processor. Buyer shall furnish promptly and accurately to Lender all information and documents requested by Lender in connection with such application. If Buyer properly makes and pursues the loan application as provided herein but is unable to provide Seller with a copy of a written loan commitment reasonably satisfactory to Seller within the Mortgage Contingency Period, or if Buyer is at any time disapproved for such loan (and Buyer does not cancel or withdraw his/her loan application), then Seller, at its sole discretion, may cancel this Agreement by written notice to Buyer, at Buyer's last known address, in which event Seller shall refund any paid Deposit made by Buyer. If Buyer properly makes and pursues the loan application as provided herein but is unable to obtain mortgage loan financing, despite Buyer's good faith efforts to do so, and Buyer is not otherwise in default under this Agreement, and further provided that Buyer provides Seller with documentation from Lender that the loan has been declined, Buyer may cancel this Agreement by giving written notice to Seller within the Mortgage Contingency Period, in which event Seller shall refund any paid Deposit. If this Agreement provides for a VA guaranteed or FHA-insured loan, Buyer's obligation to complete the purchase contemplated under this Agreement is subject to the VA/FHA Addendum attached hereto and incorporated herein.

The following shall apply only if this Agreement is subject to the Mortgage Contingency, as indicated above:

4.1 Mortgage Loan. Unless Buyer shall have otherwise notified Seller in writing within the Mortgage Contingency Period, Buyer shall be conclusively presumed to have obtained the loan commitment or agreed to purchase the Property without mortgage financing, and the Mortgage Contingency shall be deemed to have been satisfied.

4.2 Application. Buyer understands that any loan application required under this Agreement must be fully completed in order to obtain the mortgage loan, and Buyer will make a good faith attempt to qualify for the mortgage loan. If Buyer has a spouse who does not constitute a Buyer under this Agreement, Buyer agrees to have his/her spouse sign the mortgage documents as required by Lender. BUYER AGREES TO INCUR NO DEBT SUBSEQUENT TO THE DATE HEREOF WHICH MIGHT JEOPARDIZE APPROVAL OF BUYER'S MORTGAGE LOAN. IF THE PROPERTY IS BEING PURCHASED BY A CORPORATION, PARTNERSHIP, OR OTHER ENTITY, BUYER AGREES TO (1) OBTAIN ANY PERSONAL ENDORSEMENTS OR GUARANTEES REQUIRED BY LENDER AND (2) PROVIDE TO LENDER AND/OR THE TITLE INSURER PROMPTLY UPON REQUEST SUCH CERTIFICATES, RESOLUTIONS OR OTHER CORPORATE, PARTNERSHIP OR OTHER ORGANIZATIONAL DOCUMENTS AS MAY BE REQUIRED. Except as provided in this Agreement, Buyer agrees to pay all loan fees and closing costs charged by Lender in connection with the mortgage loan. Buyer will pay any prepaid interest due on the mortgage loan at the time of Closing and any amount Lender may require to be put into escrow toward the payment of property taxes and insurance on the Property. Buyer will also pay any mortgage insurance premiums (prepaid or otherwise), if required by Lender.

4.3 Commitment. Buyer understands that the rate of interest on the mortgage is established by Lender and not by Seller and that any predictions or representations of present or future interest rate that may have been contained in any advertising or promotion by Seller are not binding. If Buyer obtains a written mortgage loan commitment and the mortgage loan commitment is subsequently withdrawn through no fault of Seller including, but not limited to, any condition to such loan commitment not being satisfied for any reason (other than failure of the Property to appraise equal to or greater than the Total Purchase Price), this Agreement shall remain in full force and effect and Buyer shall be conclusively presumed to have agreed to purchase the Property without mortgage financing. If the Lender's appraiser does not appraise the Property for the Total Purchase Price then Seller shall have the option in, Seller's sole discretion, to (i) lower the Total Purchase Price to the appraised value and Buyer shall proceed to Closing, or (ii) terminate this Agreement and return the Deposits to Buyer. If Buyer obtains a loan commitment containing any special condition that is not ordinarily contained in typical loan commitments for the Community, Seller, in Seller's sole discretion, may treat Buyer's loan application as having been denied; whereupon, Seller shall have the rights set forth in this Section 4.

4.4 Sale of Other Residence. Unless the Home Sale Contingency Addendum is executed, Buyer represents and warrants that this Agreement and the mortgage loan referenced herein, are not and will not be subject to or contingent upon Buyer's selling and/or closing on the sale of Buyer's present residence or other property. Failure to close on the purchase of the Property will constitute a default by Buyer and the remedies available to Seller for Buyer's default under this Agreement shall apply.

5. **Funds**. Any funds paid by Buyer under the terms of this Agreement to Seller through a check or cashier's check are accepted by Seller subject to collection. Buyer acknowledges that Seller shall have the right to deposit such check for the Initial Deposit without such action being deemed acceptance of this Agreement. If any such check is not paid by the bank after acceptance of this Agreement, Seller shall have the option to cancel this Agreement and declare Buyer in default. If Buyer provides any check for a Deposit in the form of Canadian currency (a "**C$ check**"), Seller's depository bank will convert such C$ check into a U.S. dollar amount using its currency procedures and exchange rate then in effect two (2) business days following the date of processing (the "**Conversion Date**") and the amount of the Deposit to be applied toward the Total Purchase Price shall be equal to the amount received by Seller from the depository bank on the Conversion Date. Seller reserves the right to charge or pass through any currency conversion-related fees or costs to the Buyer at Closing (as hereafter defined). Notwithstanding the foregoing or anything contained in the Agreement to the contrary, the balance of the Total Purchase Price plus all applicable Closing Costs (the "**Closing Proceeds**") shall be paid to Seller at Closing by wire transfer in immediately available funds or by cashier's check (subject to collection) issued by a bank with a branch in the County where the Property is located. If Buyer delivers all or any portion of the Closing Proceeds in the form of a cashier's check exceeding $100,000.00, then Buyer will not be entitled to possession of the Home until the Closing Proceeds have cleared.

6. **Credit Information Authorization**. Buyer authorizes Lender to whom Buyer has applied or is in the process of applying for a mortgage loan in connection with this transaction to disclose to Seller the information contained in any loan application, verification of deposit, income and employment, and credit reports or credit related documentation on Buyer. Buyer authorizes Seller to order one or more credit reports from a consumer reporting agency to be used in connection with this transaction. The cost of said report(s) is (are) to be paid by Buyer. Buyer authorizes Seller to forward all copies of all or any portion of such report(s) without interpretation to Lender who (at the request of Buyer) will evaluate a potential extension of credit to Buyer in connection with this transaction. Buyer authorizes Lender, and any credit bureau or other person or entity utilized or engaged by Lender, to obtain one or more consumer reports regarding Buyer and to investigate any information, reference, statement, or data, provided to Lender by Buyer or by any other

person or entity, pertaining to Buyer's credit and financial status. Buyer shall indemnify, defend and hold harmless Seller, its officers, directors, shareholders, employees, agents, contractors, subcontractors and suppliers ("Indemnified Parties"), Lender, and any credit bureau or other person or entity utilized or engaged by Lender or Seller, from and against any deficiencies, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, awards, suits, costs or disbursements of any kind or nature whatsoever, including attorneys' fees and expenses ("Claims") arising from an investigation of Buyer's credit and financial status.

7. **Closing**. Without limiting the terms of Section 8, Buyer acknowledges and agrees that Seller has the right in its sole discretion to schedule the date, time and place for the closing of the transaction contemplated by this Agreement ("**Closing**") and Buyer shall close on such Closing Date (the "**Closing Date**"). Buyer will be given notice of the Closing Date, time and place by the "**Closing Date Notice Period**" (as such term is defined in Rider B attached hereto). Seller is authorized to postpone or advance the date of Closing at its discretion. Seller must, however, give Buyer reasonable notice of the new Closing Date. Any notice of Closing may be given verbally, by telephone, telegraph, telex, facsimile, mail, e-mail, or other means of communication at Seller's option. All notices of Closing will be given to Buyer at the address or by use of the telephone number(s) or e-mail address(es) specified on page 1 of this Agreement unless Seller has received written notice from Buyer of any change therein prior to the date notice of Closing is given. Buyer's failure to receive the notice of Closing because Buyer has failed to advise Seller of any changes of address or phone number, or because Buyer has failed to pick up a letter when Buyer has been advised of an attempted delivery or for any other reason, shall not relieve Buyer of Buyer's obligation to close on the scheduled Closing Date, unless Seller otherwise agrees in writing to postpone the Closing Date. To the extent not prohibited by applicable law, if Seller, in its sole discretion, agrees in writing to reschedule the Closing Date at Buyer's request, or because Buyer (if a corporation) has failed to produce all corporate documents requested by Seller, or for any other reason (except for delay required by Seller), then (1) Seller may impose a late charge as liquidated damages for such delay equal to One Hundred Twenty-Five Dollars ($125.00) per day for every day from the original Closing Date through the date that the transaction closes, and (2) Seller may require that prorations be made as of the original Closing Date. Buyer agrees the late charge is appropriate in order to cover Seller's administrative and other expenses resulting from a delay in Closing and that the amount of liquidated damages is fixed and agreed to by the parties as a reasonable estimate of the damages that Seller shall suffer and is not in the nature of a penalty. Seller is not required to agree to reschedule Closing, but Seller may reschedule Closing in Seller's sole discretion.

8. **Completion Date**. It is expressly agreed by Buyer that notwithstanding anything to the contrary specified herein or verbally represented (including but not limited to Seller's sales representative), any scheduled completion date is a good faith estimate, and Seller makes no promises or representations concerning the date of completion. Buyer agrees that Buyer has not relied, and will not rely upon, any estimated completion date for any purpose whatsoever, including, without limitation, relocation of residence, storage of personal property, or lock-in financing, and Buyer agrees that Seller shall not be liable for any additional costs, expenses or damages whatsoever should the Home not be completed by an estimated completion date. Notwithstanding the foregoing, Seller is required to complete and does agree that the construction of the Home shall be completed not later than two (2) years from the date of Buyer's execution of this Agreement. If construction is delayed by any event recognized by the law of the state in which the Home is located as a defense to a contract action for non-performance or a delay in performance, then the date of completion shall be extended by the delay period. It is the express intent of the parties that the parties' rights and obligations under this Agreement be construed in the manner necessary to exempt this Agreement and the sale of the Property from registration under the Interstate Land Sales Full Disclosure Act, and both Buyer and Seller hereby expressly waive any right or provision of this Agreement that would otherwise preclude such exemption.

9. **Casualty Before Closing**. If the Property is damaged by fire, act of terrorism or other casualty before Closing and the cost of restoration does not exceed three percent (3%) of the Total Purchase Price and repairs will not substantially delay Closing, Seller shall repair the damage and Closing shall proceed pursuant to the terms of this Agreement. If the cost of restoration exceeds three percent (3%) of the Total Purchase Price or the repairs would substantially delay Closing, Buyer shall have the option to: (1) terminate this Agreement and receive a refund of the Deposit made by Buyer to Seller, in which event both parties shall be released from all obligations under this Agreement, or (2) have Seller repair the damage as soon as reasonably possible, and Closing shall be extended until such repair or rebuilding is complete.
Notwithstanding the foregoing, if all or a portion of the Property is damaged by fire, act of terrorism or other casualty and (1) the plans, specifications or construction materials for the Property must be materially modified in order to repair or reconstruct the Property, or (2) the repair or reconstruction of the Property substantially in accordance with the plans and specifications is rendered impossible by any cause recognized by the law of the state in which the Property is located as a defense to a contract action for non-performance, then Seller shall have the right to terminate this Agreement and Buyer shall receive a refund of the Deposit made by Buyer to Seller in which event both parties shall be released from all obligations under this Agreement.

10. **Deed**. Seller shall convey title to Buyer at Closing by delivery to Buyer of a General Limited Warranty Deed (the "**Deed**") describing the Property, which Deed shall convey title to Buyer subject to all matters described in this Agreement.

11. **Closing and Title Matters**. Title to the Property to be delivered to Buyer at Closing will be marketable and insurable, subject only to the following matters:

11.1 Title to the Property shall be subject to the following: (1) zoning, building codes, bulkhead laws, ordinances, regulations, rights or interests vested in the United States of America or the state in which the Community is located; (2) real estate taxes and other taxes for the year of conveyance and subsequent years including taxes or assessments of any special taxing or community development district (including assessments relating to capital improvements and bonds); (3) the general printed exceptions contained in an owner's title insurance policy; (4) utility easements, sewer agreements, telephone agreements, cable agreements, telecommunications agreements, monitoring agreements, restrictions and reservations common to any plat affecting title to the Property; (5) matters that would be disclosed by an accurate survey or inspection of the Property; (6) the Documents; (7) any laws and restrictions, covenants, conditions, limitations, reservations, agreements or easements recorded in the public records for the County (for example, use limitations and obligations, easements (right-of-way) and agreements relating to telephone, gas or electric lines, water and sewer lines and drainage, provided they do not prevent use of the Property for single family residential purposes); (8) minor encroachments on easements that do not substantially interfere with an easement holder's interest in the Property; and (9) acts done or suffered by Buyer and any mortgage or deed of trust obtained by Buyer for the purchase of the Property. It is Buyer's responsibility to review and become familiar with each of the foregoing title matters, some of which are covenants running with the land. If any title defects are discovered by Buyer after Closing, Buyer's sole remedy shall be to make a claim to Buyer's title insurer.

11.2 Seller shall convey title to Buyer at Closing by delivery to Buyer of the Deed, which shall convey title to Buyer subject to all matters described in Section 11.1 of this Agreement. Any such matters omitted from the Deed shall nevertheless be deemed to be included in the Deed.

11.3 Seller shall provide an affidavit complying with the Foreign Investment in Real Property Tax Act of 1980, as amended, upon written request of Buyer.

11.4 Seller may not own title to the Property as of the date of this Agreement or at Closing. However, Seller shall obtain title to the Property on or before the Closing Date or effect the necessary transfer of title on or before the date when Seller causes title to be transferred to Buyer.

11.5 If Seller cannot provide marketable and insurable title as described above, such failure shall not be an event of default and Seller will have a reasonable period of time (at least one hundred and twenty (120) days from the date of the scheduled Closing Date) to attempt to correct any defects in title; provided, however, Seller shall not be obligated to incur any expense, nor institute any litigation, to clear title to the Property. If Seller cannot or elects not to correct the title defects, Seller shall so notify Buyer within such period, and Buyer may thereafter elect (by written notice from Buyer to Seller) one of the following two (2) options: (1) to accept title in the condition offered (with defects) and pay the balance of the Total Purchase Price for the Property (without set off or deduction therefor), thereby waiving any claim with respect to such title defects and Buyer will not make any claims against Seller because of the title defects; or (2) to terminate this Agreement and receive a full refund of the Deposit deposited hereunder. If all such amounts are refunded, Buyer agrees to accept it as full payment of Seller's liability hereunder, whereupon this Agreement shall be terminated and Seller shall thereafter be relieved and released of all further liability hereunder. Buyer shall not thereafter have any rights to make any additional claims against Seller. In the event Buyer does not notify Seller in writing within five (5) calendar days from the receipt of Seller's notice (time being strictly of the essence) as to which option Buyer elects, Buyer shall be conclusively presumed to have elected option (1) set forth above in this subsection.

11.6 The acceptance of the Deed by Buyer shall be deemed to be full performance and discharge of every agreement and obligation on the part of Seller to be performed pursuant to this Agreement, except those which are herein specifically deemed to survive Closing or which may survive by operation of law, if any.

11.7 Title to the Property will be deemed marketable if an owner's policy is issued with standard exceptions.

11.8 All of the terms of this Section 11 shall survive Closing and the delivery of the Deed.

12. Closing Costs. The respective responsibilities of Buyer and Seller for all costs, prorations and fees payable at Closing (the "Closing Costs") are shown in Rider B attached hereto.

13. Site and Substitutions. The materials, equipment and fixtures included in and to be used in constructing the Home will be substantially the same as or similar in quality to those described in the applicable plans and specifications (except as to extras, options and/or upgrades).

13.1 Changes to Plans and Specifications.

13.1.1 Industry Practice. It is widely observed construction industry practice for pre-construction plans and specifications for any home or building to be changed and adjusted from time to time in order to accommodate on-going site conditions and in the field construction factors. These changes and adjustments are essential in order to permit all components of the Home to be integrated into a well-functioning and aesthetically pleasing product in an expeditious manner. Based on the foregoing, Buyer acknowledges that such changes and adjustments may occur and agrees that it is reasonable and to Buyer's benefit to allow Seller the flexibility to make such changes and adjustments to the Home.

13.1.2 Seller's Absolute Right to Make Modifications to Plans and Specifications. Seller has the absolute right to make modifications to the plans and specifications for the Home. Without limiting the generality of the foregoing, Buyer specifically agrees that changes in the dimensions of rooms and patios, entrances and terraces, if applicable, and changes in room size, in the locations of windows, doors, walls, partitions, utility lead-ins and outlets (including, but not limited to, electrical, cable television, and telephone), air-conditioning components, lighting fixtures and electrical panel boxes may be made by Seller in its sole discretion, provided however that changes in the layout and dimensions of the Home shall not substantially affect the value of the Home. Such changes may also include, but are not limited to, changes in the building location, setbacks and facing, the building's external configuration, its structural components, its finishes and the landscaping associated therewith.

13.1.3 Buyer's Acceptance of Actual Floor Plan. Buyer further understands and acknowledges that many of the Homes to be constructed within the Community require floor plans which are opposite (i.e. flipped) mirror images of the model floor plan and Buyer fully understands and accepts the floor plan configuration for the Home and improvements to be constructed within the Home.

13.1.4 No Warranty for Plans and Specifications on File. Buyer further acknowledges and agrees that (1) the plans and specifications of the Home and the Community on file with the applicable governmental authorities may not be identical in detail to Seller's plans and specifications, and (2) because of the day-to-day nature of the changes described in this Section 13, the plans and specifications on file with the applicable governmental authorities may not include some or any of these changes (there being no legal requirement to file all changes with such authorities). As a result of the foregoing, Buyer and Seller both acknowledge and agree that the Home and the Community may not be constructed in accordance with the plans and specifications on file with the applicable governmental authorities. Without limiting the generality of the provisions of Rider B attached hereto, Seller disclaims and Buyer waives any and all express or implied warranties that construction will be accomplished in compliance with such plans and specifications. Seller has not given and Buyer has not relied on or bargained for any such warranties. In furtherance of the foregoing, in the event of any conflict between the actual construction of the Home and/or the

Community, and that which is set forth on the plans and specifications, Buyer agrees that the actual construction shall prevail and to accept the Home and Community as actually constructed (in lieu of what is set forth on the plans and specifications).

13.2 Lot Change. In the event that Seller, in its sole discretion, determines that the Model of the Home selected under this Agreement cannot reasonably be built on the Homesite, then Buyer and Seller hereby agree that they will negotiate in good faith to relocate the Home to another lot in the Community, provided however that there are lots available for sale. If no replacement lot is available, then Buyer may terminate this Agreement and will be entitled to a refund of any paid Deposit.

13.3 Decorative and Landscaping Items.

13.3.1 Buyer understands and agrees that certain of the finishing items, such as tile, marble, carpet, cabinets, stone, brickwork, wood, paint, stain and mica are subject to size and color variations, grain and quality variations, and may vary in accordance with price, availability and changes by manufacturers from those shown in the model, if any, or in illustrations or brochures or those included in the specifications. Furthermore, if circumstances arise that, in Seller's opinion, warrant changes of subcontractors, suppliers, manufacturers, brand names or items, Seller reserves the right to substitute equipment, materials, appliances, etc., which in Seller's opinion are considered to be of quality substantially similar or equal, or of better quality, subject to their availability. Buyer also understands that Seller has the right to substitute or change materials and/or stain colors utilized in wood decor, if any.

13.3.2 Lot grades, lot area, options, facades, shrubs, trees, trim, built-ins, wall treatments, window treatments, furniture, furnishings, fences, decks, locations of walks, driveways and other items in or about a model home area in the subdivision are for display purposes only and are not included in the Total Purchase Price unless otherwise expressly provided herein. Seller has the right to remove any existing trees on the Property or on the surrounding area for any reason. Buyer further understands and agrees that the following items (which may be seen in models or shown in illustrations) will also not be included with the sale of the Home: wall coverings, paint colors, accent light fixtures, wall ornaments, drapes, blinds, bedspreads, furniture, furnishings, wet bars, monitoring systems, certain built-in fixtures, special floor coverings, wood trim, upgraded items and/or any other items of this nature which may be added or deleted from time to time. This list of items (which is not all-inclusive) is provided as an illustration of the type of items built-in or placed upon models or shown in illustrations strictly for purposes of decoration and example only.

13.4 Deed. By acceptance of the Deed, Buyer accepts all variations of the Home.

13.5 Survival. All of the terms of this Section 13 shall survive Closing and the delivery of the Deed.

14. **Buyer's Default.** In the event of Buyer's default and to the extent allowed by law, Seller shall be entitled to keep, as liquidated damages and not as a penalty, Buyer's Deposit not to exceed fifteen percent (15%) of the Total Purchase Price, except that Seller may, in addition, keep, as liquidated damages and not as a penalty, any and all Advanced Payments made by Buyer to Seller for options, extras or upgrades for which Seller has made contractual commitments or incurred liability by placing orders or otherwise. Buyer agrees that actual damages in the event of breach by Buyer would be costly and difficult to calculate, and that such liquidated damages are a fair and reasonable remedy and shall not be considered a penalty. The provisions of this Section shall survive the termination of this Agreement.

15. **Seller's Default.** In the event of Seller's default and to the extent allowed by law, Buyer may recover actual damages but shall not be entitled to special, consequential or punitive damages. Notwithstanding the foregoing, Buyer retains all remedies at law and in equity with respect to Seller's obligation to complete the Home within two (2) years pursuant to Section 8 above. Notwithstanding anything to the contrary in this Agreement, Buyer releases and holds harmless Seller's past and present officers and employees from all claims, liabilities, and causes of action of any nature. Buyer now has or may have arising from any act or omission of Seller's officers or employees related to Lennar's performance of its obligations under this Agreement and Lennar's construction of a Home on the Homesite. The provisions of this Section shall survive the termination of this Agreement.

16. **Mediation / Arbitration of Disputes.**

16.1 The parties to this Agreement specifically agree that this transaction involves interstate commerce and that any Dispute (as hereinafter defined) shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by or in a court of law or equity. "Disputes" (whether contract, warranty, tort, statutory or otherwise), shall include, but are not limited to, any and all controversies, disputes or claims (1) arising under, or related to, this Agreement, the Property, the Community or any dealings between Buyer and Seller; (2) arising by virtue of any representations, promises or warranties alleged to have been made by Seller or Seller's representative; and (3) relating to personal injury or property damage alleged to have been sustained by Buyer, Buyer's children or other occupants of the Property, or in the Community. Buyer has executed this Agreement on behalf of his or her children and other occupants of the Property with the intent that all such parties be bound hereby. Any Dispute shall be submitted for binding arbitration within a reasonable time after such Dispute has arisen. Nothing herein shall extend the time period by which a claim or cause of action may be asserted under the applicable statute of limitations or statute of repose, and in no event shall the Dispute be submitted for arbitration after the date when institution of a legal or equitable proceeding based on the underlying claims in such Dispute would be barred by the applicable statute of limitations or statute of repose.

16.2 Any and all mediations commenced by any of the parties to this Agreement shall be filed with and administered by the American Arbitration Association or any successor thereto ("AAA") in accordance with the AAA's Home Construction Mediation Procedures in effect on the date of the request. If there are no Home Construction Mediation Procedures currently in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of such request shall be utilized. Any party who will be relying upon an expert report or repair estimate at the mediation shall provide the mediator and the other parties with a copy of the reports. If one or more issues directly or indirectly relate to alleged deficiencies in design, materials or construction, all parties and their experts shall be allowed to inspect, document (by photograph, videotape or otherwise) and test the alleged deficiencies prior to mediation. Unless mutually waived in writing by the parties, submission to mediation is a condition precedent to either party taking further action with regard to any matter covered hereunder.

16.3 If the Dispute is not fully resolved by mediation, the Dispute shall be submitted to binding arbitration and administered by the AAA in accordance with the AAA's Home Construction Arbitration Rules in effect on the date of the request. If there are no Home Construction Arbitration Rules currently in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such request shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Dispute. If the claimed amount exceeds $250,000.00 or includes a demand for punitive damages, the Dispute shall be heard and determined by three arbitrators; however, if mutually agreed to by the parties, then the Dispute shall be heard and determined by one arbitrator. Arbitrators shall have expertise in the area(s) of Dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Dispute shall be decided by the arbitrator(s). At the request of any party, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

16.4 The waiver or invalidity of any portion of this Section shall not affect the validity or enforceability of the remaining portions of this Section. Buyer and Seller further agree (1) that any Dispute involving Seller's affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in a court of law or equity; (2) that Seller may, at its sole election, include Seller's contractors, subcontractors and suppliers, as well as any warranty company and insurer as parties in the mediation and arbitration; and (3) that the mediation and arbitration will be limited to the parties specified herein.

16.5 To the fullest extent permitted by applicable law, Buyer and Seller agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any other arbitration, judicial, or similar proceeding shall be given preclusive or collateral estoppel effect in any arbitration hereunder unless there is mutuality of parties. In addition, Buyer and Seller further agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is mutuality of parties.

16.6 Unless otherwise recoverable by law or statute, each party shall bear its own costs and expenses, including attorneys' fees and paraprofessional fees, for any mediation and arbitration. Notwithstanding the foregoing, if a party unsuccessfully contests the validity or scope of arbitration in a court of law or equity, the noncontesting party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in defending such contest, including such fees and costs associated with any appellate proceedings. In addition, if a party fails to abide by the terms of a mediation settlement or arbitration award, the other party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in enforcing such settlement or award.

16.7 Buyer may obtain additional information concerning the rules of the AAA by visiting its website at www.adr.org or by writing the AAA at 335 Madison Avenue, New York, New York 10017.

16.8 Seller supports the principles set forth in the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee and agrees to the following:

16.8.1 Notwithstanding the requirements of arbitration stated in Section 16.3 of this Agreement, Buyer shall have the option, after pursuing mediation as provided herein, to seek relief in a small claims court for disputes or claims within the scope of the court's jurisdiction in lieu of proceeding to arbitration. This option does not apply to any appeal from a decision by a small claims court.

16.8.2 Seller agrees to pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the parties.

16.8.3 The fees for any claim pursued via arbitration in an amount of $10,000.00 or less shall be apportioned as provided in the Home Construction Arbitration Rules of the AAA or other applicable rules.

16.9 Notwithstanding the foregoing, if either Seller or Buyer seeks injunctive relief, and not monetary damages, from a court because irreparable damage or harm would otherwise be suffered by either party before mediation or arbitration could be conducted, such actions shall not be interpreted to indicate that either party has waived the right to mediate or arbitrate. The right to mediate and arbitrate should also not be considered waived by the filing of a counterclaim by either party once a claim for injunctive relief had been filed with a court.

16.10 Buyer and Seller specifically agree that notwithstanding anything to the contrary, the rights and obligations set forth in this Section 16 shall survive (1) Closing and the delivery of the Deed; (2) the termination of this Agreement by either party; or (3) the default of this Agreement by either party.

17. **Other Dispute Resolutions.** Notwithstanding the parties' obligation to submit any Dispute to mediation and arbitration, in the event that a particular dispute is not subject to the mediation or the arbitration provisions of Section 16, then the parties agree to the following provisions: **BUYER ACKNOWLEDGES THAT JUSTICE WILL BEST BE SERVED IF ISSUES REGARDING THIS AGREEMENT ARE HEARD BY A JUDGE IN A COURT PROCEEDING, AND NOT A JURY. BUYER AND SELLER AGREE THAT ANY DISPUTE, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION SHALL BE HEARD BY A JUDGE IN A COURT PROCEEDING AND NOT A JURY. BUYER AND SELLER HEREBY WAIVE THEIR RESPECTIVE RIGHT TO A JURY TRIAL. SELLER HEREBY SUGGESTS THAT BUYER CONTACT AN ATTORNEY OF BUYER'S CHOICE IF BUYER DOES NOT UNDERSTAND THE LEGAL CONSEQUENCES OF EXECUTING THIS AGREEMENT.** All of the terms of this Section 17 shall survive Closing and the delivery of the Deed.

18. **Selling Agent, Cooperating Broker, and Seller's New Home Consultant.** Unless a Purchase Price and Payment Addendum indicating otherwise is attached hereto, Buyer represents to Seller that Buyer has not consulted, dealt or negotiated with a real estate broker, salesperson or agent other than Seller's sales personnel located at Seller's sales office. Buyer agrees that Seller is not responsible for the payment of a commission to a real estate broker, salesperson or agent other than Seller's sales personnel. Buyer

shall indemnify, defend and hold harmless Indemnified Parties from and against any and all Claims resulting from or arising out of any representation or breach of a representation or warranty set forth in this Section. In addition, Buyer acknowledges and understands that Seller's New Home Consultant ("NHC") and Internet New Home Consultant ("INHC") are agents of Seller, are acting solely for the Seller's interests, and are not acting in any representative capacity for Buyer. Buyer should not disclose any information to Seller's NHC and/or INHC that Buyer considers to be confidential or otherwise does not want disclosed to Seller.

19. **Construction Activities.** ALL OWNERS, OCCUPANTS AND USERS OF THE COMMUNITY ARE HEREBY PLACED ON NOTICE THAT (1) SELLER AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES, AND/OR (2) ANY OTHER PARTIES, WILL BE, FROM TIME TO TIME, CONDUCTING BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO THE COMMUNITY. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE COMMUNITY, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (1) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (2) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO THE AREA OF THE COMMUNITY WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (3) TO THE EXTENT PERMITTED OR NOT PROHIBITED UNDER APPLICABLE LAW, SELLER AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM SELLER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, (4) ANY PURCHASE OR USE OF ANY PORTION OF THE COMMUNITY HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING AND (5) THIS ACKNOWLEDGMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO SELL, CONVEY, AND/OR ALLOW THE USE OF THE PROPERTY.

20. **Dangerous Condition; Construction Work.**

20.1 Buyer understands and agrees that the Property is a construction site and that the Property and the improvements, equipment and supplies thereon constitute a danger to those who may enter on the Property. Buyer shall not enter onto the Property prior to Closing unless authorized and accompanied by Seller's representative. Any unauthorized, unaccompanied entry by Buyer shall constitute a breach of this Agreement by Buyer, at Seller's election. Moreover, any entry by Buyer onto the Property prior to Closing shall be done at Buyer's own risk and in compliance with all federal, state and local safety laws and regulations. To the extent permitted or not prohibited by applicable law, Buyer waives, releases and shall indemnify, defend and hold harmless Indemnified Parties from and against any Claims made by Buyer, Buyer's family members or guests, as a direct or indirect result of any such unauthorized, unaccompanied entry onto the Property.

20.2 Buyer agrees that supervision and direction of the working forces, including, without limitation, all contractors and subcontractors, is to be done exclusively by Seller, and Buyer agrees not to issue any instructions to the working forces or otherwise hinder construction or installation of improvements on the Property. Buyer shall not do or have any work done on the Property, nor may Buyer store any possessions thereon, prior to Closing and transfer of title to the Property to Buyer.

20.3 Buyer agrees that any and all controversies, disputes and claims arising under this Section shall be resolved through binding arbitration in accordance with the terms of this Agreement.

20.4 All of the terms of this Section 20 shall survive Closing and the delivery of the Deed.

21. **OFAC.** Executive Order 13224 requires all United States entities and persons to block assets and not transact business with entities, countries and persons (specifically designated nationals) set forth by the Office of Foreign Asset Control ("**OFAC**"). This requirement applies to all homebuilding entities in The Lennar Family of Builders (including but not limited to Seller), Universal American Mortgage Company, LLC and all of its affiliates, and North American Title Company and all of its affiliates (collectively, the "**Lennar Affiliates**"). Accordingly, each of Seller and the Lennar Affiliates will check current OFAC lists and other publications in connection with each potential transaction, loan, or home sale. In order to check the OFAC list, Buyer must provide to Seller a Government-issued identification card (this might include a driver's license, birth certificate, passport or resident alien card). To the extent Buyer (or any single person or entity constituting a part of Buyer) matches a name or entity on any such OFAC list or publication, the transactions with Buyer contemplated under or in connection with this Agreement will be immediately suspended, and Buyer shall be reported as instructed by the OFAC.

22. **Agreement not to be Recorded.** Buyer covenants that Buyer shall not record this Agreement (or any memorandum thereof) in the Public Records of the County. Buyer agrees, if Buyer records this Agreement, to pay all of Seller's attorneys' fees, paraprofessional fees and expenses incurred in removing the cloud on title caused by such recordation. Seller's rights under this Section shall be in addition to Seller's remedies for Buyer's default provided elsewhere in this Agreement.

23. **Transfer, Assignment and Persons Bound.** Buyer agrees that Buyer will not, and does not have the right to, assign, sell or transfer Buyer's interest in this Agreement (whether voluntarily or by operation of law or otherwise) without Seller's prior written consent. If Buyer is a corporation, other business entity, trustee or nominee, a transfer of any material equity or beneficial or principal interest shall constitute an assignment of this Agreement. If Buyer attempts to assign this Agreement in violation of this Section, Seller can declare Buyer in default and Seller shall be entitled to all remedies available under this Agreement. Buyer agrees that Seller may withhold its consent with or without any reason or condition in any manner it chooses (if it gives it at all) and may charge Buyer a reasonable amount to cover administrative costs incurred in considering whether or not to grant consent. If Buyer dies or in any way loses legal control of his/her affairs, this Agreement will bind his/her heirs and legal representatives. If Buyer has received Seller's permission to assign or transfer this Agreement, then Buyer's approved assignees shall be bound by the terms of this Agreement. If more than one person signs this Agreement as Buyer, each such person shall be jointly and severally liable for full performance of all of Buyer's duties and obligations hereunder.

24. TIME OF THE ESSENCE. BUYER ACKNOWLEDGES THAT TIME IS OF THE ESSENCE IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED UNDER THIS AGREEMENT.

25. Interpretation and Computation of Time. The use of the masculine gender in this Agreement shall be deemed to refer to the feminine or neuter gender, and the singular shall include the plural, and vice versa, whenever the context so requires. This Agreement reflects the negotiated agreement of the parties. Each party acknowledges that they have been afforded the opportunity to seek competent legal counsel, and each have made an informed choice as to whether or not to be represented by legal counsel. Accordingly, this Agreement shall be construed as if both parties jointly prepared it, and no presumption against one party or the other shall govern the interpretation or construction of any of the provisions of this Agreement. Any reference in this Agreement to the time periods of less than five (5) days shall, in the computation thereof, exclude Saturdays, Sundays and legal holidays. Any reference in this Agreement to time periods of five (5) days or more shall, in computation thereof, include Saturdays, Sundays and legal holidays. If the last day of any such period is a Saturday, Sunday or legal holiday, the period shall be extended to 5:00 p.m. on the next full business day. The section headings in this Agreement are for convenience only and shall not affect the meaning, interpretation or scope of the provisions which follow them.

26. Notice. Except as provided in the Closing Section of this Agreement with respect to notices of the scheduled Closing Date, any notice required or permitted to be given in connection with this Agreement shall be in writing and sent by United States certified mail with return receipt requested, professional overnight courier or electronic transmission (with confirmation and copy by (1) certified mail, if Buyer's address is within the United States or (2) overnight professional courier, if to a Buyer whose address is outside of the United States) to Buyer or Seller at the addresses on Page 1 of this Agreement (unless Seller has received written notice from Buyer of any change therein prior to the date such notice is given), and additionally to Seller by hand delivery at Seller's sales office. All notices shall only be effective upon receipt or refusal to accept receipt (by failure to accept delivery or otherwise).

27. Waiver. Seller's waiver of any of its rights or remedies shall not operate to waive any other of Seller's rights or remedies or to prevent Seller from enforcing the waived right or remedy in another instance.

28. Incorporation and Severability. The explanations and disclaimers set forth in the Documents are incorporated into this Agreement. In the event that any clause or provision of this Agreement shall be void or unenforceable, such clause or provision shall be deemed deleted so that the balance of this Agreement is enforceable.

29. Governing Law. Any disputes that develop under this Agreement or questions regarding the interpretation of this Agreement will be settled according to the law of the state where the Property is located to the extent federal law is not applicable.

30. Entire Agreement. BUYER CERTIFIES THAT BUYER HAS READ EVERY PROVISION OF THIS AGREEMENT, WHICH INCLUDES EACH RIDER AND ADDENDUM ATTACHED HERETO AND THAT THIS AGREEMENT, TOGETHER WITH EACH SUCH RIDER AND ADDENDUM, CONSTITUTES THE ENTIRE AGREEMENT BETWEEN BUYER AND SELLER. PRIOR AGREEMENTS, REPRESENTATIONS, UNDERSTANDINGS, AND ORAL STATEMENTS NOT REFLECTED IN THIS AGREEMENT HAVE NO EFFECT AND ARE NOT BINDING ON SELLER. BUYER ACKNOWLEDGES THAT BUYER HAS NOT RELIED ON ANY REPRESENTATIONS, NEWSPAPERS, RADIO OR TELEVISION ADVERTISEMENTS, WARRANTIES, STATEMENTS, OR ESTIMATES OF ANY NATURE WHATSOEVER, WHETHER WRITTEN OR ORAL, MADE BY SELLER, SALES PERSONS, AGENTS, OFFICERS, EMPLOYEES, CO-OPERATING BROKERS (IF ANY) OR OTHERWISE EXCEPT AS HEREIN SPECIFICALLY REPRESENTED. BUYER HAS BASED HIS/HER/THEIR DECISION TO PURCHASE THE PROPERTY ON PERSONAL INVESTIGATION, OBSERVATION AND THE DOCUMENTS.

31. Modification. This Agreement is the entire agreement for the sale and purchase of the Property and once it is signed by both Buyer and a Division Agent or Officer of Seller, it can only be amended by a written agreement signed by both Buyer and Seller.

32. Additional Changes. Notwithstanding Section 32 of this Agreement, Buyer agrees that it may be necessary (at any time and from time to time) after Buyer executes this Agreement for Seller, and/or the developer or declarant under the Documents, to change the terms and provisions of this Agreement and/or the Documents to comply with and conform to the rules and regulations (as same may exist and as same may be promulgated from time to time) of any governmental agency, subdivision or authority or court of competent jurisdiction and Buyer consents to all such changes. Notwithstanding Section 32 of this Agreement, Seller, and/or the developer or declarant under the Documents, shall have the right to amend all Documents for development or other purposes, and Buyer consents to all such amendments.

33. Inducement. Buyer acknowledges that the sole inducement to close on the purchase of the Property is the Property itself and not (1) the common facilities comprising part of the Community, if any, or (2) any expectation that the Property will increase in value.

34. Reservation of Easement. For the purpose of completing the construction and servicing of the Property and Community, Seller hereby reserves an easement of ingress and egress for itself and its successors and assigns, and each of their respective agents, employees, materialmen and subcontractors, over, under and upon the Property for a period of one (1) year after Closing. Seller shall provide reasonable notice to Buyer before exercising easement rights granted herein. All of the terms of this Section 35 shall survive Closing and the delivery of the Deed.

If the settlement charges that FHA does not allow Buyer to pay exceed the amount of settlement charges, if any, to be paid by Seller, Buyer may either pay the additional settlement charges at Closing or the additional settlement charges shall be added to the principal on Buyer's loan, regardless of whether or not the interest rate on Buyer's loan will increase as result of the addition of the settlement charges to the principal.

3.13 Current expenses of the Property (for example: taxes, special assessments and current monthly assessments to one or more homeowner's associations) will be adjusted between Seller and Buyer as of the Closing Date. Buyer shall reimburse Seller for any prepaid expenses of the Property and capital contributions made to one or more homeowners' associations, paid by Seller in advance and/or for the month in which the Closing Date occurs.

3.14 If real estate taxes for the year in which the Closing Date occurs are assessed in the aggregate on the real estate comprising the portion of the Community (including the Property) rather than on a homesite-by-homesite basis, Seller will pay such taxes in full when due, but Buyer will reimburse Seller at the Closing for Buyer's pro rata share of such taxes from the Closing Date (if such taxes are then known) or the Property's allocable share (so prorated) of Seller's estimate of those taxes (if such taxes are not then known), subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual tax bill is known. If taxes for the year in which the Closing Date occurs are assessed on a homesite-by-homesite basis but such taxes are not due on the Closing Date, Buyer will be responsible for paying such tax bill in full when due but Seller will reimburse Buyer at the Closing for Seller's pro rata share of such taxes (if the taxes are then known) or Seller's estimate of those taxes (if such taxes are not then known) through the Closing Date, subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual bill is known. If the Closing takes place after Seller has paid the taxes for the year in which the Closing Date occurs, Buyer will reimburse Seller at Closing for Buyer's pro rata share of those taxes from and after the Closing Date.

3.15 The cost of any modifications or changes which are incurred by Seller as a result of changes in building codes, governmental rules, regulations or requirements, or the enforcement of any of the same, after the Effective Date of this Agreement, shall be paid by Buyer at the time of Closing.

4. **Additional Financing and Closing Costs Disclosures**.

4.1 Although Seller may make available to Buyer the name of one or more lenders or information about one or more available financing alternatives, Buyer agrees that the choice of a lender and loan is Buyer's sole decision, and Seller has not made any promises or representations concerning the likelihood of Buyer obtaining the loan, the terms and conditions of such loan or the interest rate or fees associated with such loan

4.2 4.2 BUYER IS HEREBY ADVISED BY SELLER THAT INTEREST RATES, LOANS FEES, AND OTHER LOAN CONDITIONS ARE NOT GUARANTEED, FIXED OR ESTABLISHED (AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO SUCH ITEMS) AND ARE SUBJECT TO CHANGE BY ANY LENDER. SUBJECT TO SECTION 8 OF THE AGREEMENT, SELLER DOES NOT WARRANT OR GUARANTEE THAT COMPLETION OF THE IMPROVEMENTS OR LOAN FUNDING CAN BE ACHIEVED WITHIN LOAN LOCK PERIODS, IF ANY, REGARDLESS OF WHETHER SUCH LOCKS ARE PAID FOR BY SELLER OR BUYER. IF BUYER LOCKS IN AN INTEREST RATE AND POINTS FOR LOAN FUNDING PRIOR TO CLOSING, BUYER AGREES TO PAY THE DIFFERENCE BETWEEN THE LOCK-IN RATE AND THE MARKET INTEREST RATE AT CLOSING IF THE LOCK-IN RATE EXPIRES PRIOR TO CLOSING.

4.3 Responsibility for obtaining the loan and for satisfying all conditions made by the Lender with regard to the loan shall rest solely with the Buyer.

5. **Warranties**. Buyer understands and agrees that Seller is making only those express limited warranties set forth in the homeowner's warranty (the "**Limited Warranty**"). The Limited Warranty, incorporated herein, shall be delivered to Buyer at Closing and a copy of which is attached hereto **OR** a copy of which is available for examination at Seller's office and will, at Buyer's request, be attached as an exhibit to this Agreement. THE EXPRESS LIMITED WARRANTY AND REMEDIES PROVIDED BY SELLER CONSTITUTE THE EXCLUSIVE WARRANTY AND REMEDIES TO BE MADE AVAILABLE BY SELLER AND, EXCEPT WHERE ADDITIONAL WARRANTIES ARE REQUIRED BY APPLICABLE LAW OR REGULATION, ARE IN PLACE OF ALL OTHER GUARANTIES OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF WORKMANSHIP, MERCHANTABILITY, HABITABILITY, SUITABILITY AND FITNESS, WHICH ARE HEREBY EXPRESSLY DISCLAIMED BY SELLER AND WAIVED BY BUYER. TO THE EXTENT OF ANY CONFLICT BETWEEN ANY PROVISION OF THIS AGREEMENT RELATED TO WARRANTIES AND THE LIMITED WARRANTY, THE PROVISIONS OF THE LIMITED WARRANTY SHALL CONTROL. All of the terms of this Section 6 shall survive Closing and the delivery of the Deed. BUYER AND SELLER ACKNOWLEDGE THAT THEY HAVE EXPRESSLY NEGOTIATED AND BARGAINED FOR THE WAIVER OF THE IMPLIED WARRANTY OF HABITABILITY, AND BUYER ACKNOWLEDGES THE SUFFICIENCY AND RECEIPT OF VALUABLE CONSIDERATION FOR SUCH WAIVER IN THE AMOUNT OF $0, WHICH AMOUNT SHALL BE CREDITED TOWARD THE PURCHASE PRICE AT CLOSING. THE CONSIDERATION AGREED UPON ABOVE HAS BEEN SPECIFICALLY NEGOTIATED BETWEEN BUYER AND SELLER.

Buyer CLE Buyer CEE

6. **Documents**. Buyer acknowledges receipt of the Document Book for the Community containing many important documents regarding the Community, including but not limited to some of the documents of record affecting the Property and the Community (collectively, the "**Documents**"). The Document Book is hereby incorporated into this Agreement by this reference. The Document Book may be amended as deemed necessary by Seller in its sole and absolute discretion. Buyer agrees to take title to the Property subject to the Documents, to abide

by and be bound by all of the terms and conditions of the Documents, and any amendments thereto. The Master Disclosure and Information Addendum to Purchase and Sale Agreement attached hereto sets forth additional information respecting lien rights and homeowners association's restrictions affecting the Property. Buyer understands and agrees this Section shall survive the termination of this Agreement.

7. **Inspection of the Home**. BUYER SHALL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE PRIOR TO CLOSING ON A DATE AND TIME SCHEDULED BY SELLER (A "NEW HOME ORIENTATION," COMMONLY REFERRED TO AS A "WALKTHROUGH"). AT THAT TIME, IF ANY DEFECTIVE OR INCOMPLETE ITEMS ARE NOTED, BUYER SHALL PRESENT TO SELLER AN INSPECTION STATEMENT LISTING SAID ITEMS AND SIGNED BY BUYER. IF ANY ITEMS NOTED ARE ACTUALLY DEFECTIVE IN WORKMANSHIP OR MATERIALS IN SELLER'S OPINION (IN ACCORDANCE WITH CONSTRUCTION STANDARDS PREVALENT FOR A SIMILAR HOME IN THE COUNTY), SELLER WILL BE OBLIGATED TO CORRECT THOSE ITEMS AT SELLER'S COST. A SECOND INSPECTION OF THE HOME WILL BE CONDUCTED PRIOR TO CLOSING AT WHICH TIME BUYER WILL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE TO ACKNOWLEDGE THAT ITEMS LISTED ON THE INSPECTION STATEMENT PREPARED AFTER THE FIRST INSPECTION HAVE BEEN CORRECTED. ANY REMAINING ITEMS THAT SELLER HAS AGREED TO CORRECT WILL BE CORRECTED BY SELLER AT SELLER'S SOLE COST AND EXPENSE PRIOR TO CLOSING (OR AT SELLER'S OPTION WITHIN A REASONABLE TIME AFTER CLOSING), PROVIDED HOWEVER THAT SELLER'S OBLIGATION TO CORRECT WILL NOT BE A GROUND FOR DEFERRING CLOSING, NOR FOR ANY SETOFF, NOR FOR IMPOSING ANY CONDITION ON CLOSING AS LONG AS THE HOME IS HABITABLE. THE ISSUANCE OF A CERTIFICATE OF COMPLETION, OR USE SHALL BE CONCLUSIVE EVIDENCE OF HABITABILITY. NO ESCROW OR HOLDBACK OF CLOSING FUNDS OR ANY CASH TO CLOSE SHALL BE PERMITTED. **EXCEPT FOR WORK THAT CANNOT BE COMPLETED AT THAT TIME OF YEAR**. IF A BUYER FAILS TO TAKE ADVANTAGE OF ANY PRE-CLOSING INSPECTION ON THE TIME AND DATE SCHEDULED BY SELLER, BUYER SHALL BE DEEMED TO HAVE WAIVED THE RIGHT TO INSPECT THE HOME PRIOR TO CLOSING.

8. **No Right to Enter**. Buyer acknowledges that all matters pertaining to the initial construction of the Property will be performed by Seller and Seller's representatives. Buyer acknowledges and agrees that for reasons of safety and to comply with liability and insurance requirements imposed upon Seller, neither Buyer nor any agent of Buyer shall, until after the Closing, be permitted to enter upon the Property without being accompanied by Seller's representative. Any permitted personal inspections shall be made at times designated by Seller, and shall not be allowed under any condition prior to the formal inspection described above and only with Seller's representative. Buyer agrees not to give instructions to, interfere with or interrupt any workmen at the Property. Buyer may not order any work on the Property until after the Closing. Buyer recognizes that Seller is under no obligation to agree to provide options, extras and/or upgrades. Without limiting the applicability of this Section to all obligations, representations and covenants of Buyer hereunder, Buyer specifically acknowledges that any breach by Buyer of the terms and conditions contained within this Section shall be deemed to be a material breach and shall entitle Seller to declare this Agreement to be in default in accordance with the provisions of the Buyer's Default in the Agreement. Seller's failure to promptly take any action with respect to Buyer's breach of the terms and conditions contained herein shall not be deemed a waiver of any of Seller's rights or remedies hereunder. Whenever this Agreement shall require Seller to complete or substantially complete an item of construction, unless provided specifically to the contrary herein, such item shall be deemed complete or substantially complete when so completed, in the sole and unfettered opinion of Seller. Should Seller fail to provide any item of construction required to be provided, Buyer's sole remedy therefore will be to collect an amount from Seller equal to Seller's cost for such item and for Seller's cost of installation of such item had such item been installed at the appropriate time during construction. Without limiting Seller's rights and Buyer's obligations contained within this Section and elsewhere in this Agreement, should any warranted defects in workmanship or materials be discovered before or after the Closing, Buyer agrees that Buyer's sole remedy therefore is for Seller to, at Seller's sole and absolute discretion, either repair or replace the defective item. To the extent permitted by applicable law, Seller disclaims any liability for incidental or consequential damages that may arise from a defective item.

9. **Counterparts**. This Rider B may be executed in counterparts, a complete set of which shall form a single document.

10. **Conflicts**. In the event of any conflict between this Rider B and the Agreement, this Rider B shall control. In all other respects, the Agreement shall remain in full force and effect.

11. **Entire Agreement**. The Agreement, together with this Rider B and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Rider B or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

FHA/VA ADDENDUM

THIS FHA/VA ADDENDUM (this "**Addendum**") s executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the twenty-sixth day of APRIL , 2011, between Chad R England, Czara E England ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0040 of Block _____, of Ricefield at Spring Grove Subdivision/Plat in the community known as Ricefield at Spring Grove (the "**Community**").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. FHA/VA. BUYER AGREES TO PROCEED WITH THE PURCHASE OF THE HOME AFTER HAVING READ BUYER'S RIGHTS AND PRIVILEGES, AS SET FORTH BELOW:

2.1 FHA Loans.

2.1.1 It is expressly agreed that, notwithstanding any provisions of the Agreement (contract) to the contrary, Buyer (purchaser) shall not incur any penalty by forfeiture of earnest money deposits or otherwise be obligated to complete the purchase of the Home (property described herein) unless Buyer (purchaser) has been given in accordance with the Department of Housing and Urban Development ("**HUD**"), Federal Housing Administration ("**FHA**") or United States Department of Veterans Affairs (the "**VA**") requirements, a written statement by the Federal Housing Commissioner, the VA, or a Direct Endorsement lender setting forth the appraised value of the Home (property) (for mortgage purposes) of not less than $ 219,990.00 (which statement Seller agrees to deliver to Buyer (purchaser) promptly after such Appraised Value Statement is made available to Seller). Buyer (purchaser) shall have the privilege and option of proceeding with the consummation of the Agreement (the contract) without regard to the maximum mortgage the Department of Housing and Urban Development will insure. HUD DOES NOT WARRANT THE VALUE OR THE CONDITION OF THE HOME (PROPERTY). BUYER (PURCHASER) SHOULD SATISFY HIMSELF/HERSELF THAT THE PRICE AND CONDITION OF THE HOME (PROPERTY) ARE ACCEPTABLE.

2.1.2 In the event the value of the Property set forth in the Appraised Value Statement is less than the Total Purchase Price, Buyer shall have the right to exercise the above-mentioned privilege and option to proceed at the Total Purchase Price, which is over and above the FHA Appraised Value Statement, by giving Seller written notice of Buyer's intention to do so in accordance with the Agreement notice requirements. Said notice shall be given within five (5) days of Buyer's receipt of the FHA appraisal by returning to Seller a copy of this Addendum executed by Buyer in the "AGREE TO PROCEED" signature block below. In the event Buyer fails to give proper notice hereunder of Buyer's intention to proceed at the Total Purchase Price, the Agreement shall automatically become null and void and the parties shall promptly execute a written release of Buyer's Deposit, pursuant to which the Deposit shall immediately be returned in full to Buyer.

2.1.3 Buyer agrees to pay a mortgage insurance premium as required by FHA. Buyer has the right to pay the entire premium at the time of Closing or the premium may be added to the loan amount and financed over the term of the loan. If Buyer elects to add the premium to the loan amount, the total loan amount shall consist of the Cash to Close amount specified in the Purchase Price and Payment Addendum, plus the mortgage insurance premium. Pursuant to FHA regulations, Buyer shall pay an annual premium, if required, in addition to the up-front (or financed) premium. Said additional premium shall be paid monthly on a declining balance (excluding the portion of the balance, if any, attributable to the up-front premium).

2.1.4 All parties acknowledge that the processing of a government loan is not subject to specific time limitations. Nevertheless, Buyer agrees to diligently pursue such loan commitment.

2.1.5 Seller and Buyer certify that the terms of the Agreement are true and complete to the best of their respective knowledge and belief. Seller and Buyer further certify that all agreements relating to this real estate transaction have been fully disclosed and are covered in the Agreement, including any addenda attached thereto. Seller and Buyer understand that the failure to provide a complete and accurate copy of the Agreement could jeopardize this transaction. If there are any subsequent changes to the Agreement, the undersigned will submit them promptly to the Lender.

2.1.6 Buyer acknowledges that Buyer has read and completed the attached U.S. Department of Housing and Urban Development form HUD-92564-CN entitled "For Your Protection: Get a Home Inspection".

2.2 VA Loans.

2.2.1 It is expressly agreed that, notwithstanding any provisions of the Agreement to the contrary, Buyer shall not incur any penalty by forfeiture of earnest monies or otherwise be obligated to complete the purchase of the Home if Buyer cannot obtain a loan guaranteed by the VA, including without limitation, if the Total Purchase Price exceeds the reasonable value of the Home established by the VA or a VA lender pursuant to the Lender Appraisal Proceeding Program ("**LAPP**"). Buyer shall, however, have the privilege and option of proceeding with the consummation of the Agreement without regard to the amount of reasonable value established by the VA or a VA lender with LAPP authority. Buyer agrees that should Buyer elect to complete the purchase at an amount in excess of the reasonable value established by the VA or a VA LAPP

lender, Buyer shall pay such excess amount in cash from a source that Buyer agrees to disclose to the lender and the VA, which source Buyer represents and covenants will not be from borrowed funds except as approved by the VA.

2.2.2 To exercise the above-mentioned privilege and option to proceed at the Total Purchase Price, which is over and above the amount of reasonable value established by the VA or a VA LAPP lender, Buyer shall give Seller written notice of Buyer's intention to do so in accordance with the Agreement notice requirements. Said notice shall be given within **five (5)** days of Buyer's receipt of the amount of reasonable value established by the VA or a VA LAPP lender by returning to Seller a copy of this Addendum executed by Buyer in the "AGREE TO PROCEED" signature block below. In the event Buyer fails to give proper notice hereunder of Buyer's intention to proceed at the Total Purchase Price, the Agreement shall automatically become null and void and the parties shall promptly execute a written release of Buyer's Deposit, pursuant to which the Deposit shall immediately be returned in full to Buyer.

2.2.3 VA DOES NOT WARRANT THE VALUE OR THE CONDITION OF THE HOME (PROPERTY). BUYER (PURCHASER) SHOULD SATISFY HIMSELF/HERSELF THAT THE PRICE AND CONDITION OF THE HOME (PROPERTY) ARE ACCEPTABLE.

2.3 Special Trust Account. If Buyer is financing the purchase of the Home with a VA guaranteed loan, the Deposit received from Buyer prior to Closing shall be placed in a special trust account with SunTrust Bank ("**Escrow Agent**") in accordance with the provisions of an Amended and Restated VA Escrow Agreement ("**VA Escrow Agreement**") between Lennar Corporation on behalf of Seller and the Escrow Agent, and as required under 38 U.S.C. §3706 or other applicable law. In the event that the Agreement is cancelled for any reason other than Seller's default and pursuant to the provisions of the VA Escrow Agreement, if Buyer seeks a refund of the Deposit from Seller and Seller refunds the Deposit directly to Buyer, Buyer hereby authorizes the Escrow Agent to reimburse Seller for such refund. In consideration for either Seller's or Escrow Agent's refund of the Deposit to Buyer, Seller and Lennar Corporation shall be unconditionally released from any claim arising out of or related to the Deposit and purchase of the Home and Escrow Agent shall be unconditionally released from any claim arising out of or related to the escrow of the Deposit in connection with the purchase of the Home.

For Your Protection: Get a Home Inspection

Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

- ✔ Evaluate the physical condition: structure, construction, and mechanical systems;
- ✔ Identify items that need to be repaired or replaced; and
- ✔ Estimate the remaining useful life of the major systems, equipment, structure, and finishes.

Appraisals are Different from Home Inspections

An appraisal is different from a home inspection. Appraisals are for lenders; home inspections are for buyers. An appraisal is required to:

- ✔ Estimate the market value of a house;
- ✔ Make sure that the house meets FHA minimum property standards/requirements; and
- ✔ Make sure that the property is marketable.

FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA can not give or lend you money for repairs, and FHA can not buy the home back from you. That is why it is so important for you, the buyer, to get an independent home inspection. Ask a qualified home inspector to inspect your potential new home and give you the information you need to make a wise decision.

Radon Gas Testing

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the toll-free National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236. As with a home inspection, if you decide to test for radon, you may do so before signing your contract, or you may do so after signing the contract as long as your contract states the sale of the home depends on your satisfaction with the results of the radon test.

Be an Informed Buyer

It is your responsibility to be an informed buyer. Be sure that what you buy is satisfactory in every respect. You have the right to carefully examine your potential new home with a qualified home inspector. You may arrange to do so before signing your contract, or may do so after signing the contract as long as your contract states that the sale of the home depends on the inspection.

THIS INSULATION ADDENDUM (this "**Addendum**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the twenty-sixth day of APRIL , 2011, between Chad R England, Czara E England (collectively, "**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0040 of Block _____, of Ricefield at Spring Grove Subdivision/Plat in the community known as Ricefield at Spring Grove (the "**Community**").

2. **Insulation**. Pursuant to Title 16, Chapter I, Section 460.16 of the Code of Federal Regulations, the insulation that is or will be installed in the Home where conditioned space meets unconditioned space is as follows and will, according to the manufacturer, yield the R-values stated:

Location	Type	Thickness	R-Value
Exterior Masonry Walls	N/A	N/A	N/A
Exterior Stud Wall	Batt	3 1/2 inches	R-13
Ceilings	Batt	10 inches	R-30

N/A	N/A	N/A	N/A

If so indicated above, fiberglass (also known as glass wool) is/will be used for insulation in the Home. The U.S. Department of Health and Human Services ("HHS") has listed fiberglass as a substance "which may reasonably be anticipated to be a carcinogen." This listing identifies substances selected for further study because of their potential carcinogenic risk but is not an assessment by HHS that there is a causal connection between fiberglass and human cancer. The listing does not establish that fiberglass presents a risk to persons in their daily lives.

INDOOR ENVIRONMENTAL QUALITY DISCLOSURE

THIS INDOOR ENVIRONMENTAL QUALITY DISCLOSURE (this "**Disclosure**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the twenty-sixth day of APRIL , 2011, between Chad R England, Czara E England (collectively, "**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0040 of Block _____, of Ricefield at Spring Grove Subdivision/Plat in the community known as Ricefield at Spring Grove (the "**Community**").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Disclosure to the Agreement shall be deemed to include references to this Disclosure and to any other disclosure and/or addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Indoor Environmental Contaminates**. There are many different types of indoor environmental contaminants, such as pet dander, dust mites and mold. Molds and other potential contaminants have been a part of our environment for millions of years. Contaminants are everywhere, indoors and outdoors. Therefore, everyone is exposed to some contaminants on a daily basis without evident harm. Due to a number of factors, including the fact that sensitivities to various types of molds and other potential contaminants vary from person to person, there are no state or federal standards concerning acceptable levels of exposure to mold. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illness have been linked with biological pollutants in the indoor environment, including some forms of mold. However, many of these conditions also have causes unrelated to the indoor environment. Therefore, it is unknown how many potential health problems relate exclusively to poor indoor air. Buyer should determine for himself/herself whether Buyer, Buyer's family members or any other individuals who will occupy or use the Home have special needs or increased risk to these conditions. Buyer should carefully monitor the conditions in the Home for mold growth and other contaminants.

When excessive moisture or water accumulates indoors, mold growth can and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all molds or mold spores in an indoor environment. The key to controlling indoor mold growth is to control moisture.

There are many ways to help control moisture in and beneath the Home. The U.S. Environmental Protection Agency, the Consumer Product Safety Commission, the American Lung Association and others recommend taking measures such as those listed below to help control moisture in and beneath the Home. The following list is not meant to be all-inclusive.

- o Fix leaking plumbing and any other source of unwanted water immediately.
- o Maintain proper indoor humidity. Equipment that conditions the air, such as air conditioners, humidifiers and ventilation systems must be operated year round.
- o Raise the temperature in areas where moisture condenses on surfaces and open doors between rooms to increase air circulation in the Home, including doors to closets.
- o Have major appliances, such as furnaces, heat pumps, central air conditioners, window air conditioning units, ventilation systems and furnace attached humidifiers inspected, cleaned and serviced regularly by a qualified professional.
- o Clean and dry refrigerator, air conditioner and dehumidifier drip pans and filters regularly and make sure that refrigerator and freezer doors seal properly.
- o Keep water away from the foundation of the Home by maintaining required slopes, drainage and keeping plantings and sprinklers the proper distance from the Home.
- o If there is a sump pump in the Home, inspect it regularly to ensure that it is properly operating.
- o If there is a crawl space or structural sub-floor, inspect the ground beneath the floor on a regular basis to make sure there is no standing or excessive water. If there is standing or excessive water, seek professional assistance to remove the water. If Buyer is interested in finishing the basement, only do so after consulting an expert to determine the suitability of the basement for a finished area.

The following are suggestions that may assist Buyer in preventing and addressing mold growth in the Home.

- o It is important that Buyer responds promptly when Buyer sees signs of moisture or mold.
- o Do not allow moisture to stand or make contact with carpet, furniture and cellulose-based materials, such as wood, drywall or other non-tile, non-plastic or non-metal materials.
- o Dry all water damaged areas and items immediately to prevent mold growth.
- o If mold develops, clean up the mold by washing off hard surfaces with detergent and water and completely dry the surface.
- o Depending upon the nature and extent of the mold infestation, trained professionals may be needed to assist in the remediation effort.
- o Mold that is not properly and adequately removed may reappear.

Proper maintenance and cleaning of the Home is the responsibility of each homeowner and will lessen the potential for water intrusion and help to control indoor environmental contaminants. Further, it is the responsibility of each homeowner to monitor their Home on a continual basis for excessive moisture, water and mold accumulation. If Buyer discovers accumulation of water or moisture in, around or under the Home, Buyer should immediately seek to control the source of the water or moisture. Failing to control the source could result in additional damage and the growth of mold. Plumbing leaks and water penetrations that are covered by the Limited Warranty, if any, during the term of the Limited Warranty must be reported to Seller immediately. If the Limited Warranty has expired or does not cover the specific problem, Buyer should not delay in having professionals address the problem. Seller will not be responsible for, and Buyer agrees to indemnify and hold harmless Indemnified Parties from and against all Claims in connection with, water-related damages, including personal injuries or property damage caused by mold, but only to extent that the damages are caused by (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction. Buyer also agrees to waive all rights of subrogation for damages resulting from water-related damages, mold growth, any personal injuries, or any remediation resulting from (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction.

4. **Conflicts**. In the event of any conflict between this Disclosure and the Agreement or any other addenda and/or riders, this Disclosure shall control. In all other respects, the Agreement shall remain in full force and effect.

5. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. RICEFIELD WAY and THE ABBEY AT SPRING GROVE PLANTATION
MASTER DISCLOSURE AND INFORMATION ADDENDUM TO
PURCHASE AND SALE AGREEMENT
SOUTH CAROLINA

THIS MASTER DISCLOSURE AND INFORMATION ADDENDUM (this "**Addendum**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") entered into as of the Twenty-Sixth day of April , 2011, between Chad R England, Czara E England ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0040 of Building/Block _____, of Ricefield at Spring Grove Subdivision/Plat in the community known as **Spring Grove Plantation** (the "**Community**").

1. **Defined Terms**. All capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Community**. The Property lies within a neighborhood known as Ricefield Way or The Abbey at Spring Grove Plantation (the "**Neighborhood**"), which lies within a community known as Spring Grove Plantation (the "**Community**"). This Addendum explains certain terms which are applicable to the purchase of Homes within the Community and the Neighborhood. Current plans are for Ben McCormick Homes, Harbor Homes and First Coast Homes to build homes in the Community. Other builders besides Seller may be added or deleted from the list of builders in the future. Seller, and any other builder in the Community, shall have the right, without notice to Buyer, to make changes to, among other things, homesite sizes, number of homes being built, size and style of homes being built, features and materials in homes being built, prices of homes (whether more or less than currently published), price per square foot of homes (whether more or less than currently published), street layout, amenity layout, and usage, location, size and number of trees, bushes and other foliage (current and future), and any other items or uses which are currently planned for the Community or the Neighborhood. Seller makes no representation or warranties that Seller will be the exclusive builder or developer in the Community or the Neighborhood or that the Community or the Neighborhood will be built out exactly as currently planned, and Seller expressly reserves the right to make whatever changes it deems necessary relating to future development or build out of the Community and the Neighborhood. Any current maps or other materials showing any final or projected community development may be modified or updated in the future.

SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES WITH REGARD TO THE DEVELOPMENT OF HOMESITES IN AND AROUND THE COMMUNITY. HOMESITES IN AND AROUND THE COMMUNITY MAY REMAIN UNDEVELOPED AT THE SOLE DISCRETION OF SELLER, OTHER BUILDERS IN THE COMMUNITY, AND/OR THE DEVELOPER OF THE COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO SELLER BEING THE SOLE OR EXCLUSIVE BUILDER WITHIN THE COMMUNITY. SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO CONTINUING TO BUILD IN THE COMMUNITY THROUGH FINAL BUILD OUT AND/OR BUILDING UPON ANY UNDEVELOPED HOMESITE(S). FURTHERMORE, IT IS UNDERSTOOD THAT NO REPRESENTATIONS, ESTIMATES OR PROJECTIONS HAVE BEEN CONVEYED REGARDING THE FINAL BUILD OUT TIME OF ANY UNDEVELOPED HOMESITE(S) OR THE OVERALL COMPLETION SCHEDULE OF THIS COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER CONSTANTLY EVALUATES THE PRICING, DESIGNS, PRODUCT MIX AND AMENITIES OF ITS COMMUNITIES AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING WHETHER TO CONTINUE TO BUILD HOMES WITHIN THE COMMUNITY AND BUYER IS NOT RELYING UPON ANY OF THE FOREGOING IN DECIDING TO PURCHASE THE PROPERTY.

3. **Governing Documents**. Buyer acknowledges receipt, either in hard-copy or via internet or electronic means, of all documents ("**Governing Documents**") for the Community and the Neighborhood.

3.1 Buyer acknowledges receipt of, and agrees to be bound by the Declaration for Spring Grove Plantation Community (the "**Declaration**"), the Articles of Incorporation, By-Laws and any Rules and Regulations of Spring Grove Plantation Community Service Association, Inc., all as amended and supplemented from time to time (collectively, the "**Community Documents**"). Buyer acknowledges and agrees that title to the Home will be subject to the Community Documents.

3.2 The Property will be subject to certain deed restrictions as reflected in the General Limited Warranty Deed executed by Seller and furnished to Buyer at Closing. The deed restrictions run with the Homesite and require, among other things, that (i) buyer give Seller notice of Seller's defaults or any Claim (as defined therein) after Closing and (ii) Seller have an opportunity to inspect and cure defects in the Home. The deed restrictions further require the arbitration of any Claim against Seller that cannot be resolved.

3.3 Buyer acknowledges the provisions of the Governing Documents are fair and reasonable.

4. **Association Memberships**.

4.1 Upon conveyance and recording of the Deed to the Home, Buyer understands and agrees that Buyer will then become a member of the Spring Grove Plantation Community Service Association, Inc., a South Carolina nonprofit corporation (the "**Association**"). Buyer agrees to accept the liability and obligations of

such memberships. Buyer understands that as a member of the Association, Buyer will be required to pay Assessments (as defined in the Governing Documents) for the maintenance of the Common Areas (as defined in the Governing Documents) and for such other uses and purposes as are provided for in the Governing Documents. Buyer also understands and agrees that a failure to pay Assessments when due could cause the Association to record a lien on the Home and to foreclose such lien. Assessments are subject to additional increases in the manner currently provided for in the Governing Documents. Neither Seller, the Association, nor any other builder can estimate the amount or frequency of any such increase.

4.2 Buyer acknowledges that nominees of Seller, and the developer of the Community and the developer of the Neighborhood may serve as the initial officers and directors of the Association. The officers and directors and the management company, which may be an affiliate of Seller, are authorized by Buyer to act for and on the behalf of the Association. Seller may, but is not required to, advance monies to the Association for operations. In the event such advances are made, they will be considered a loan from Seller, and the Association will be obligated to repay such advances as set forth in the Community Documents.

4.3 Buyer acknowledges that all new construction and modifications of existing construction and exterior improvements within the Community are subject to the prior written approval of the appropriate architectural review, design review or similar committee or authority, which is appointed by the Board of Directors of the Association. Buyer agrees to comply with all rules and regulations of the appropriate authority (or authorities) governing construction of improvements within the Community and the Neighborhood as the same may be amended and exist from time to time. These restrictions are subject to change without notice. Building and use restrictions include, but are not limited to, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, the developer of the Community, the developer of the Neighborhood and homebuilder(s), leases and restoration of homesites. Buyer agrees not to commence any construction upon the Homesite until it has obtained all requisite written approvals therefore. Buyer further agrees not to make any modifications of any existing buildings and improvements, including, but not limited to, landscaping and landscape irrigation, without the prior written approvals of the appropriate authority (or authorities) pursuant to any city, county or state regulation and pursuant to recorded covenants, conditions or restrictions governing the land. In addition, every city, county or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to the Home or Homesite, Buyer should contact the applicable governmental authorities for further information concerning local codes and ordinances. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required.

4.4 Approval of any work by the appropriate reviewing authority or authorities shall not constitute an express or implied warranty of representation that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designated or will be constructed in a proper manner.

4.5 Failure to submit plans and specifications to the appropriate reviewing authority or authorities for approval is a violation of the provisions of the Declaration and/or applicable deed restrictions, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, any of non-approved improvements or modifications.

5. **Community Charges**. In addition to the Closing Costs set forth in Rider B, Buyer shall pay the following additional Closing Costs respecting the Community:

5.1 Association Assessments. Assessments payable to the Association ("**Association Assessments**"), prorated for the month in which the Closing occurs (based on the then current Assessments at the time of closing). Such Assessments are estimated to be $300.00 per year at this time. Buyer understands that the estimated operating budget for the Association is only an estimate of what it will cost to run the Association. The Association may make changes in the budget at any time to cover increases or decreases in expenses or estimates in the budget. Without limiting the generality of this Section, those changes will not give Buyer any right to cancel the Agreement.

5.2 Association Initial Capital Contribution. Buyer acknowledges that among other Assessments provided for in the Community Documents, the Association has established an initial capital contribution ("**Initial Capital Contribution**"). Buyer acknowledges that upon conveyance of the Property an Initial Capital Contribution in an amount equal to $300.00 (or such amount as determined from time to time) is due. The Initial Capital Contribution may be used for any reason whatsoever including, without limitation, reimbursement for costs in setting up the Association and costs of deficit funding. Buyer acknowledges and agrees that the Initial Capital Contribution is not to be considered as an advance payment of Assessments.

5.3 Resale Capital Contribution. Buyer acknowledges that the Association may establish a Resale Capital Contribution (as defined in the Governing Documents). For more information on the Resale Capital Contribution, please refer to the Governing Documents.

6. **Security**. The Community is not a gated community and the roads in the Community are public.

7. **Building and Use Restrictions**. Every homesite is subject to building and use restrictions as set forth in the Declaration. These restrictions are subject to change without notice. Building and use restrictions may affect,

among other things, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, satellite dishes, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, any developer and homebuilder(s), leases and restoration of homesites. Seller encourages you to carefully review the Declaration and to ensure the long-term quality of life for both you and your neighbors.

8. **Municipal Building Codes And Ordinances**. Every city or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to your Home or Homesite, you should contact the Building Inspector for Berkeley County at 843.719.4095 for further information concerning local codes and ordinances. Seller is not responsible for notifying Buyer or any other homeowners of the content or restrictions contained in any local codes or ordinances.

9. **Architectural Review**.

9.1 The Declaration currently provides that no improvements shall be commenced upon any homesite, nor shall the exterior color, style and materials of an approved structure on a homesite be altered without the prior written approval of the Architectural Control Committee ("**ACC**"), as applicable, which is appointed by the Board of Directors of the Association. Improvements constructed by Seller or the developer of the Community, or the Neighborhood, as applicable, are exempt from this requirement. Approval of any work by the ACC shall not constitute an express or implied warranty or representation by the ACC that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designed or will be constructed in a proper manner. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required. For more information concerning architectural review, please review the Declaration.

9.2 Failure to submit plans and specifications to the ACC for approval is a violation of the Declaration, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, of any non-approved modifications.

10. **Pet Restrictions**. Buyer understands that the only pets allowed in the Neighborhood and the Community are those which are in accordance with the restrictions contained in the Community Documents or any amendments thereto.

11. **Short-Term Rentals.** Buyer acknowledges that homes in the Community may be rented for any length of time, subject to certain restrictions set forth in the Community Documents.

12. **Flood Zone**. Buyer acknowledges that the Property may be in a flood zone. Mortgage lenders will typically require the issuance of flood insurance as a requirement for financing, which insurance must be present at Closing. Seller recommends that each Buyer of a Home protect his/her Home by obtaining proper insurance coverage. It is possible, however, for Buyer to submit documentation to the Federal Emergency Management Agency (FEMA) to have the Home re-classified by FEMA, whereby the mortgage lender may have the option to waive the requirement of flood insurance. Buyer is solely responsible for the submission to FEMA for such re-classification and any and all expenses related to such submission. Further, Buyer acknowledges and understands that the waiver of flood insurance is at the sole discretion of the mortgage lender.

13. **Utilities**.

13.1 Buyer acknowledges that no septic tanks shall be permitted within the Community and the Neighborhood. No wells shall be installed without the express written consent of the ACC and all other applicable government agencies.

13.2 Some homesites contain or are adjacent to drainage and utility structures such as storm water overflow swales, storm water retention and/or detention basins, manholes, fire hydrants, electrical transformers, switch boxes, telephone pedestals and streetlights. None of these items shall be altered, obstructed, buried, modified, restricted or interfered with in any manner whatsoever. Overflow swales are generally utilized for overflow storm water capacity as a result of water drainage. Electrical transformers may only be landscaped to the extent permission is given by the utility provider. In some cases, water may flow from one homesite to another. State law may provide that the owner of the homesite receiving water is required to accept the water flow and may not impede the flow of this water. In addition, the Property will be graded to provide for reasonable drainage away from the Home's foundation. The vast majority of foundation problems are caused by insufficient drainage or lack of watering of soil around the foundation. Buyer should keep Buyer's lawn well watered to maintain consistent moisture content and avoid excess wetness, dryness or cracking of soil. The construction of curbs, decks, retaining walls, pools, spas, patios, landscape edging and similar items can also trap water within the yard area and cause structural damage to the Home's foundation. Seller strongly recommends that Buyer consult with a licensed landscape architect and civil engineer before performing any work or making any changes that may affect the existing drainage pattern.

13.3 Berkeley County provides water to the Community. Because Seller does not control the water supply, Seller cannot guarantee the quality of the water provided to the Community. In addition, this area is periodically subjected to extended periods of drought that may cause depletion of water supplies. Municipalities and other providers of water services (including the Town of Moncks Corner) may enact mandatory or voluntary cut backs or other restrictions in water usage. Seller has no control, influence, responsibility or liability for or over decisions concerning water rationing.

13.4 If Buyer has any questions about utility rates, services, safety, or anything else to do with overhead or underground transmission or utility lines, Buyer should contact the utility companies directly. Because Seller values Buyer's safety and that of Buyer's neighbors, no excavation or trenching should be done without first calling the utility companies for the location of buried utilities. There is currently no charge by the utilities for this service. This is especially important in utility easements where buried utility equipment is probable. Digging without advance notification and approval of the utility companies may be illegal, is dangerous and can result in severe personal injury or death to Buyer and Buyer's neighbors, and can also result in severe property damage to homes, property and utility equipment.

14. Waterbodies. BUYER ACKNOWLEDGES THAT THE WATER LEVELS OF LAKES, PONDS OR OTHER WATERBODIES WITHIN THE COMMUNITY AND/OR THE NEIGHBORHOOD MAY VARY. THERE IS NO GUARANTEE BY SELLER, THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT.

15. Regulatory And Governmental Approvals. The zoning, plans, etc. have been approved by Berkeley County. The development of the project, lot, sidewalks, etc. is subject to approval by Berkeley County. For more information on the approvals required and pending in the Community, Buyer should contact the Berkeley County Planning & Zoning Department at 843.719.4095.

16. Prices/Market Values. Seller, and any other builder in the Community, shall have the unilateral right to establish prices for the homes it builds in the Community. Seller and any other builder in the Community may, at its sole discretion, increase or decrease the price or the price per square foot for any home, homesite or option at any time, or offer incentives for sales of homesites and homes, all without notice to Buyer. Once Buyer has signed the Agreement establishing a price for the Property, the prices for any subsequent changes or upgrades to the Home as requested by Buyer, including but not limited to design, floor plan, options, materials or otherwise, are subject to change by Seller until a written and signed agreement on the price is reached by Seller and Buyer for such change or upgrade. Seller makes no representations or warranties that the price for the Property or options in the Home will be increased or decreased for other buyers of identical or similar homes or options. Seller also makes no representations or warranties that changes or options made by Buyer will or will not increase or decrease the market value of the Property. The Property is being sold for residential purposes and not as an investment.

17. Construction And Sales Activities. BUYER ACKNOWLEDGES THAT SOME AREAS OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNDER CONSTRUCTION AND DEVELOPMENT FOR AN EXTENDED TIME. INCIDENT TO THE DEVELOPMENT PROCESS, THE QUIET ENJOYMENT OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNAVOIDABLY INTERFERED WITH TO SOME EXTENT BY THE CONSTRUCTION OPERATIONS. Construction, development and sales activities in the Community and/or the Neighborhood will likely occur after Buyer has taken occupancy of Buyer's Home. Depending upon Buyer's sensitivities, this may result in some inconvenience to Buyer and Buyer's family and guests due to increased noise, dust, road closures, operation of the model homes and sales offices, and other activities. Construction activities can occur at various hours throughout the day, and sales activities can result in additional traffic and visitors throughout the Community, particularly before the Community is completely built out. Neither Seller nor any other builder that may be active in the Community can guarantee that Buyer will not be affected or impacted as a result of the overall construction and development of the Community. Seller gives no guarantees or assurances on the active time of the Community model homes. Homesites across the street or next to the model homes may remain undeveloped until Seller determines that these homesites are no longer needed for marketing purposes.

18. Views. Future development and construction activities in the Community can and will modify the view from homesites (including but not limited to the Homesite). Trees and other foliage may be added or removed from lots or common areas of the Community. Additional housing and other improvements will be added within the community. Because future development and construction activities in the Community will modify views from homesites, Seller does not warrant or guarantee any existing views will be maintained in the future relative to the Property.

19. Streetlights. Numerous streetlights will be installed within the Community, many of which will be installed after homes have been completed, sold and occupied. Streetlights are sized and placed in accordance with Town ordinances and governmental requirements, and could in some instances generate light in or obstruct views from homes in the Community. Information about streetlight size, light output, design and location of streetlights within the Community can be obtained from the service provider.

20. Trees And Foliage. The Community contains numerous native trees of various sizes and varieties. While Seller has taken great care during the planning and construction of the Community to save trees, future development and construction will require the removal of additional trees, shrubs and other foliage and, therefore, Seller does not guarantee the preservation of any trees, shrubs, ground cover or other foliage in the Community or Buyer's Homesite, and cannot be responsible for short or long-term damages to foliage due to construction or development activities. Seller makes no representation or warranty that trees on the Homesite being purchased or any other homesite or common area in the Community will not be removed. All care and maintenance of foliage on an individual homesite is the responsibility of the homeowner, and Seller does not guarantee or warranty the survival of any foliage. Berkeley County has adopted a Tree Ordinance regulating the removal of any tree over a certain size. Before removing a tree, Buyer should contact Berkeley County to ensure that its regulations are adhered to. The Declaration also contains restrictions regarding the removal of any tree over a certain size. Buyer should contact the Association to ensure that its regulations are adhered to.

21. Facilities And Conditions Affecting Homesites.

21.1 The information set forth in this section contains an overview of facilities and conditions which may affect some or all homesites in the Community (including but not limited to the Homesite). Because Seller does not have control over development outside of the Community, Seller does not warrant or guarantee any future development, usage, or lack of development or usage for properties located outside of the Community, or their possible impact on the residents of the Community. For additional information about offsite features that may affect the purchase of the Property, please contact the local governmental authorities having jurisdiction over the Community.

21.2 Seller advises Buyer that some of the homesites (including but not limited to the Homesite) are or may be adjacent to or near some of the following:

DRAINAGE CHANNEL, AIRPORT, RAILROAD TRACKS, STORM WATER DETENTION FACILITY, COMMUNITY CENTER, ELEVATED WATER STORAGE TOWER, SCHOOL FACILITY, PARK SCHOOL SITE, SPORTS FACILITY OR BALL FIELD, COMMUNITY LAKES, PARK AND/OR RECREATION FACILITY, WATER PLANT/SEWER PLANT, LIFT STATION, CELLULAR PHONE, RADIO, TELEVISION OR OTHER TOWER ANTENNA SITE, HIGH VOLTAGE TRANSMISSION LINES OR PIPELINE EASEMENT.

Buyer acknowledges that such facilities may impact noise, vibration, lighting, traffic and other conditions caused by daily operations of the facility. Drainage channels, lakes and storm water detention facilities will have varying levels of water for varying periods of time depending upon rainfall.

21.3 Approximately 10 miles from the edge of the Community is the Charleston International Airport. Some flights landing at or taking off from the airport currently pass over the Community. Jets, helicopters or other aircraft may be seen or heard overhead from the Homesite or even from within the Home. The Charleston International Airport may, in the future, expand the Airport and its operations.

21.4 As a result of the open spaces and bodies of water in and around the Community, Buyer may periodically find wild animals within the confines of the Community including, but not limited to, skunks, nutria, opossums, deer, raccoons, spiders, snakes, bees, fire ants, and other insects common to the area. Contact with any wild animal can be dangerous. Should Buyer encounter any such animal, Buyer is encouraged to contact Buyer's local animal control office for further instructions.

21.5 Property West of the Community. The property west of the Community is currently comprised of agricultural and wooded land and land occupied by the Charleston Steel & Metal plant, Parker Gas Turbine Fuel Systems, and Mt. Holly Hill Park.

21.6 Property North of the Community. The property north of the Community is currently comprised of undeveloped woodlands and land used for residential purposes.

21.7 Property East of the Community. The property east of the Community is currently comprised of forested wetlands and undeveloped woodlands and land used for residential purposes. The property further east of the Community was occupied by the former Pattillo/Stone Mountain Industrial Park Site.

21.8 Property South of the Community. The property south of the Community is currently comprised of undeveloped woodlands and forested wetlands and land used for residential purposes.

21.9 Future Commercial/Retail Uses. The Community is located adjacent to properties which will be developed with major commercial and retail uses in the future. The development of such uses adjacent to the Community may increase traffic volumes, noise, outdoor lighting, pedestrian activity and other similar impacts resulting from commercial development.

21.10 Development of Adjacent Property. Buyer acknowledges that Seller's current construction plans for the Community where the Home and Homesite are located may change and that no representations or warranties are made concerning the development of the Community, or any property adjacent to, surrounding, or near such Community.

21.11 Public Ballfields. Public ballfields are located within the Community. The ballfields are or will be owned by the Association and the future use of the ballfields is in the discretion of Association.

21.12 Major Public Roads. The Community is located along portions of Old Hwy 52 and Cypress Garden Road. These roads may experience heavy traffic.

22. **Real Estate Taxes**. When a new home is built, the full value of the home is typically not reflected in the real estate taxes until the second calendar year after construction has been completed. Seller is not responsible for communicating any information regarding real estate taxes (current or future) and cannot and will not predict what the taxes on the Home may be. Buyer should confirm any information provided concerning appraisals, tax valuation, tax rates or other tax-related questions, with Buyer's personal tax advisor and the local taxing authorities.

23. **Public Financing of Capital Improvements**. Berkeley County may finance certain capital improvements in the Community, may issue bonds in connection with such financing and may create one or more special tax districts within the Community to provide for repayment of such bonds.

24. **Town and County Taxes, Charges And Fees**. Property within the Community is subject to Berkeley County taxes, utility charges, fees and may become part of a special taxing district. For additional information, contact the

Tax Collector's office of Berkeley at 843.719.4030.

25. **Addendum Not A Substitute**. Buyer acknowledges and agrees that this Addendum is not a substitute for reading the entire Governing Documents. For a more detailed explanation of any section contained in this Addendum, refer to the Governing Documents.

26. **Pre-Sale Contingency.** Seller shall have the right to terminate this Agreement and cause Buyer's deposits to be refunded in the event that Seller does not enter into binding contracts to sell at least ten percent (10%) of the homes and homesites in the Community. Seller must, however, notify Buyer of such a termination at any time within one hundred eighty (180) days following the date of the first purchase agreement for the sale of a home in the Community, otherwise Seller will be required to construct the Community and the Home and otherwise proceed to perform its obligations under this Agreement. This shall not delay the effectiveness of this Agreement, which shall be immediate, but rather, shall be deemed a "condition subsequent" to this Agreement. In the event of Seller's termination of this Agreement pursuant to this Section, upon such termination and the return of Buyer's Deposit, Seller and Buyer will be fully relieved and released from all obligations and liabilities under and in connection with this Agreement. Seller agrees to use its good faith efforts to meet the foregoing pre-sale requirement.

27. **Third Party Developer**. Seller is not the developer/declarant of the Community ("**Developer**"). Buyer acknowledges that (i) Seller is neither related to nor a joint venture partner with Developer, (ii) Seller does not control the amenities (existing or planned), landscaping, or other improvements that Developer may provide within the Community in the sole and absolute discretion of Developer, (iii) Seller has neither prepared nor participated in the preparation of the Community budgets or any other financial information with regard to the Community, and (iv) any representations or warranties which relate to amenities or other matters contained within the Community shall not be construed as representations made by Seller nor shall such representations be relied upon by Buyer in Buyer's determination as to whether to purchase the Property located within the Community. Seller has no control or influence related to the construction timing, completion, changes in design, changes in location, or other major decisions, including the decision not to build future amenities. Buyer agrees to look solely to the Developer with respect to any matters regarding the Association, existing Community amenities, any proposed amenities, landscaping or other improvements.

28. **Statements Made By Sales Staff And Brokers**. Seller wants to ensure that Seller and Buyer are in full agreement on all terms and conditions relating to the Agreement. To best ensure that there are no misunderstandings, Buyer should ensure that all terms and conditions (including all statements, representations, or understandings upon which Buyer relies in purchasing the Home) are set forth in writing in the Agreement. **If there are any statements, representations or understandings which are made by a sales staff person or any other representative of Seller which are material to Buyer's decision to purchase, Buyer should insist that any such statement, representation or understanding is put in writing and contained in the Agreement. Seller reserves the right to reject the Agreement notwithstanding the inclusion of any such item in the Agreement.**

29. **Public School Assignment**. Seller does not control and cannot guarantee public school assignments for the Community. Because Seller does not control public school assignments, Seller cannot assure Buyer that public school assignments will not be changed in the future. For more information about public school assignments, Buyer should contact the Berkeley County School Board.

30. **Counterparts**. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

31. **Conflicts**. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

32. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

HOME SALE CONTINGENCY ADDENDUM

THIS HOME SALE CONTINGENCY ADDENDUM (this "Addendum") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") dated as of the Twenty-Sixth day of April , 2011, between Chad R England, Czara E England(collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 0040 of Block _____ of Ricefield at Spring Grove Subdivision/Plat in the community known as Ricefield at Spring Grove (the "Community").

1. Defined Terms. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to every other addendum attached to the Agreement, which are hereby incorporated by this reference.

2. Buyer's Home. Buyer presently is the owner of the residence located at the following address: 157 S Westwind Drive, El Cajon, CA 92020 ("Buyer's Home"). Buyer agrees that from and after this date Buyer shall actively seek to sell Buyer's Home.

3. Agreement Contingent. Seller agrees that Buyer's obligations under the Agreement shall be contingent upon the sale of Buyer's Home as hereinafter provided. Buyer shall list Buyer's Home for sale with a local real estate broker using the Multiple Listing Service (MLS) system at a price not to exceed its fair market value or appraised value within ten (10) days of Seller's acceptance of the Agreement, and shall use diligent good faith efforts to sell Buyer's Home. Buyer shall provide Seller with a copy of the listing agreement within such ten (10) day period. In the event that Buyer does not enter into a written and binding purchase and sale agreement (together with all amendments thereto, "Buyer's Contract") selling Buyer's Home within (24) days from the date of the Agreement, then Seller shall have the right to terminate the Agreement by written notice to Buyer and return any paid Deposit to Buyer less administrative expenses of $ [illegible] .00. If Buyer does enter into a Buyer's Contract, but if Buyer's Contract does not close within sixty (60) days from the date of the Agreement, then Seller may terminate the Agreement and return any paid Deposit to Buyer less administrative expenses of $ [illegible] .00. Seller reserves the right, in Seller's sole and absolute discretion, to extend the time periods set forth herein.

4. No Obligation To Construct. Buyer understands that Seller is under no obligation to begin construction of the Home until (i) Buyer's Home is sold, closing has taken place and documentation satisfactory to Seller as to the sale is received by Seller, or (ii) Buyer agrees to purchase the Home without any contingency for sale of Buyer's Home. All time periods within the Agreement, other than those set forth in this Addendum, shall not begin to run until Buyer has delivered Buyer's Contract to Seller. Notwithstanding the foregoing, Seller, in Seller's sole discretion, may begin construction of the Home at any time even if this contingency still exists.

5. Seller's Additional Right To Terminate. As the Agreement is subject to this Addendum, Buyer hereby agrees and acknowledges that Seller may accept another purchase and sale agreement respecting the Home from and after the date hereof and prior to Buyer's sale of Buyer's Home and/or closing of Buyer's Contract. In the event Seller desires to sell the Home to another party, Seller agrees to provide Buyer with written notice of Seller's receipt of such third party purchase and sale agreement. Within twenty-four (24) hours from the delivery by Seller to Buyer of such written notice, either (i) Buyer must agree in writing to purchase the Home without any contingency for the sale of Buyer's Home and provide evidence satisfactory to Seller, in its sole and absolute discretion, that Buyer is financially able to close the Agreement without the sale of Buyer's Home, or (ii) Seller shall have the right, in its sole and absolute discretion, to terminate the Agreement and return any paid Deposit to Buyer less administrative expenses of $ [illegible] .00. If Buyer does not provide written notice to Seller within such twenty-four (24) hour period that Buyer will purchase the Home without any contingency, then Buyer shall be deemed to have requested that the Agreement be terminated and that Buyer's Deposit be returned. Upon termination of the Agreement pursuant to this Addendum, and without further notice to Buyer, the Agreement shall be null and void, all parties shall be released therefrom, and all monies tendered thereunder by Buyer as Deposit shall be returned forthwith to Buyer less $ .00 to cover administrative expenses.

6. Counterparts. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

Lot 0005 of Block _____ of The Abbey at Spring Grove Subdivision/Plat, in Berkeley County (the "**County**"), South Carolina

Address: 210 Maywood Drive Moncks Corner SC 29461

The residence and improvements (the "**Home**") constructed or to be constructed on the above described property (the "**Homesite**"), and all appurtenances thereto are collectively referred to in this Agreement as the "**Property.**" The Property is located within the community known as The Abbey at Spring Grove (the "**Community**").

2. **Purchase Price and Payments.** The total purchase price ("**Total Purchase Price**") for the Home, exclusive of any Builder's Fee, as applicable, and Closing Costs as described in Rider B and the Purchase Price and Payment Addendum, is $ 175,072.00. Buyer shall make further payments to Seller, including but not limited to any "Additional Deposit" or "Advanced Payment" (consisting of non-refundable deposit(s) for options, extras, and upgrades) as set forth in the Purchase Price and Payment Addendum attached hereto and made a part hereof. The term "**Deposit**" shall include the Initial Deposit, Additional Deposit and Advanced Payment.

3. **Legally Binding Agreement.** THIS AGREEMENT IS A LEGALLY BINDING CONTRACT. IF NOT FULLY UNDERSTOOD, PLEASE SEEK COMPETENT LEGAL ADVICE. NO WARRANTIES OR REPRESENTATIONS, OTHER THAN THOSE SPECIFIED IN THIS AGREEMENT, ARE EXPRESSED OR IMPLIED. ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF SELLER. FOR CORRECT WARRANTIES AND REPRESENTATIONS, REFERENCE SHOULD BE MADE TO THIS AGREEMENT, INCLUDING THE RIDERS AND ADDENDA ATTACHED HERETO, AND THE "**DOCUMENTS**" (AS SUCH TERM IS DEFINED IN RIDER B) PROVIDED TO BUYER, IF ANY.

4. **Financing.**

☐ **NO CONTINGENCY.** If this box is checked, this is a cash transaction and not contingent on financing. Buyer agrees to provide within five (5) calendar days from the Buyer's execution of this Agreement financial statements or other written verification of Buyer's ability to purchase the Property with cash. If Buyer does not (in Seller's sole judgment, based on the documentation provided by Buyer to Seller) have the financial ability to purchase the Property with cash, then Seller may terminate this Agreement by refunding to Buyer any paid Deposit.

☒ **MORTGAGE CONTINGENCY.** If this box is checked, this Agreement is contingent on Buyer obtaining a loan commitment within the Mortgage Contingency Period (as such term is defined in Rider B attached hereto) for a first mortgage loan from Universal American Mortgage Company, LLC (an affiliate of Seller), or another qualified institutional mortgage lender of Buyer's choice ("**Lender**"), with interest, term and service charges at current market rates at time of Closing (as defined below) for a borrower of

Buyer's credit qualifications (the "**Mortgage Contingency**"). Buyer agrees to apply within five (5) calendar days from the execution of this Agreement for a loan at the then prevailing interest rate and terms (the "**Mortgage Contingency Period**"). In the event Buyer chooses to obtain financing through a Lender other than Universal American Mortgage Company, LLC, Buyer agrees to promptly provide Seller, upon Seller's request, with the name, address and phone number of such Lender, the loan officer and the loan processor. Buyer shall furnish promptly and accurately to Lender all information and documents requested by Lender in connection with such application. If Buyer properly makes and pursues the loan application as provided herein but is unable to provide Seller with a copy of a written loan commitment reasonably satisfactory to Seller within the Mortgage Contingency Period, or if Buyer is at any time disapproved for such loan (and Buyer does not cancel or withdraw his/her loan application), then Seller, at its sole discretion, may cancel this Agreement by written notice to Buyer, at Buyer's last known address, in which event Seller shall refund any paid Deposit made by Buyer. If Buyer properly makes and pursues the loan application as provided herein but is unable to obtain mortgage loan financing, despite Buyer's good faith efforts to do so, and Buyer is not otherwise in default under this Agreement, and further provided that Buyer provides Seller with documentation from Lender that the loan has been declined, Buyer may cancel this Agreement by giving written notice to Seller within the Mortgage Contingency Period, in which event Seller shall refund any paid Deposit. If this Agreement provides for a VA guaranteed or FHA-insured loan, Buyer's obligation to complete the purchase contemplated under this Agreement is subject to the VA/FHA Addendum attached hereto and incorporated herein.

The following shall apply only if this Agreement is subject to the Mortgage Contingency, as indicated above:

4.1 Mortgage Loan. Unless Buyer shall have otherwise notified Seller in writing within the Mortgage Contingency Period, Buyer shall be conclusively presumed to have obtained the loan commitment or agreed to purchase the Property without mortgage financing, and the Mortgage Contingency shall be deemed to have been satisfied.

4.2 Application. Buyer understands that any loan application required under this Agreement must be fully completed in order to obtain the mortgage loan, and Buyer will make a good faith attempt to qualify for the mortgage loan. If Buyer has a spouse who does not constitute a Buyer under this Agreement, Buyer agrees to have his/her spouse sign the mortgage documents as required by Lender. BUYER AGREES TO INCUR NO DEBT SUBSEQUENT TO THE DATE HEREOF WHICH MIGHT JEOPARDIZE APPROVAL OF BUYER'S MORTGAGE LOAN. IF THE PROPERTY IS BEING PURCHASED BY A CORPORATION, PARTNERSHIP, OR OTHER ENTITY, BUYER AGREES TO (1) OBTAIN ANY PERSONAL ENDORSEMENTS OR GUARANTEES REQUIRED BY LENDER AND (2) PROVIDE TO LENDER AND/OR THE TITLE INSURER PROMPTLY UPON REQUEST SUCH CERTIFICATES, RESOLUTIONS OR OTHER CORPORATE, PARTNERSHIP OR OTHER ORGANIZATIONAL DOCUMENTS AS MAY BE REQUIRED. Except as provided in this Agreement, Buyer agrees to pay all loan fees and closing costs charged by Lender in connection with the mortgage loan. Buyer will pay any prepaid interest due on the mortgage loan at the time of Closing and any amount Lender may require to be put into escrow toward the payment of property taxes and insurance on the Property. Buyer will also pay any mortgage insurance premiums (prepaid or otherwise), if required by Lender.

4.3 Commitment. Buyer understands that the rate of interest on the mortgage is established by Lender and not by Seller and that any predictions or representations of present or future interest rate that may have been contained in any advertising or promotion by Seller are not binding. If Buyer obtains a written mortgage loan commitment and the mortgage loan commitment is subsequently withdrawn through no fault of Seller including, but not limited to, any condition to such loan commitment not being satisfied for any reason (other than failure of the Property to appraise equal to or greater than the Total Purchase Price), this Agreement shall remain in full force and effect and Buyer shall be conclusively presumed to have agreed to purchase the Property without mortgage financing. If the Lender's appraiser does not appraise the Property for the Total Purchase Price then Seller shall have the option in, Seller's sole discretion, to (i) lower the Total Purchase Price to the appraised value and Buyer shall proceed to Closing, or (ii) terminate this Agreement and return the Deposits to Buyer. If Buyer obtains a loan commitment containing any special condition that is not ordinarily contained in typical loan commitments for the Community, Seller, in Seller's sole discretion, may treat Buyer's loan application as having been denied; whereupon, Seller shall have the rights set forth in this Section 4.

4.4 Sale of Other Residence. Unless the Home Sale Contingency Addendum is executed, Buyer represents and warrants that this Agreement and the mortgage loan referenced herein, are not and will not be subject to or contingent upon Buyer's selling and/or closing on the sale of Buyer's present residence or other property. Failure to close on the purchase of the Property will constitute a default by Buyer and the remedies available to Seller for Buyer's default under this Agreement shall apply.

5. **Funds**. Any funds paid by Buyer under the terms of this Agreement to Seller through a check or cashier's check are accepted by Seller subject to collection. Buyer acknowledges that Seller shall have the right to deposit such check for the Initial Deposit without such action being deemed acceptance of this Agreement. If any such check is not paid by the bank after acceptance of this Agreement, Seller shall have the option to cancel this Agreement and declare Buyer in default. If Buyer provides any check for a Deposit in the form of Canadian currency (a "**C$ check**"), Seller's depository bank will convert such C$ check into a U.S. dollar amount using its currency procedures and exchange rate then in effect two (2) business days following the date of processing (the "**Conversion Date**") and the amount of the Deposit to be applied toward the Total Purchase Price shall be equal to the amount received by Seller from the depository bank on the Conversion Date. Seller reserves the right to charge or pass through any currency conversion-related fees or costs to the Buyer at Closing (as hereafter defined). Notwithstanding the foregoing or anything contained in the Agreement to the contrary, the balance of the Total Purchase Price plus all applicable Closing Costs (the "**Closing Proceeds**") shall be paid to Seller at Closing by wire transfer in immediately available funds or by cashier's check (subject to collection) issued by a bank with a branch in the County where the Property is located. If Buyer delivers all or any portion of the Closing Proceeds in the form of a cashier's check exceeding $25,000.00, then Buyer will not be entitled to possession of the Home until the Closing Proceeds have cleared.

6. **Credit Information Authorization**. Buyer authorizes Lender to whom Buyer has applied or is in the process of applying for a mortgage loan in connection with this transaction to disclose to Seller the information contained in any loan application, verification of deposit, income and employment, and credit reports or credit related documentation on Buyer. Buyer authorizes Seller to order one or more credit reports from a consumer reporting agency to be used in connection with this transaction. The cost of said report(s) is (are) to be paid by Buyer. Buyer authorizes Seller to forward all copies of all or any portion of such report(s) without interpretation to Lender who (at the request of Buyer) will evaluate a potential extension of credit to Buyer in connection with this transaction. Buyer authorizes Lender, and any credit bureau or other person or entity utilized or engaged by Lender, to obtain one or more consumer reports regarding Buyer and to investigate any information, reference, statement, or data, provided to Lender by Buyer or by any other

person or entity, pertaining to Buyer's credit and financial status. Buyer shall indemnify, defend and hold harmless Seller, its officers, directors, shareholders, employees, agents, contractors, subcontractors and suppliers ("Indemnified Parties"), Lender, and any credit bureau or other person or entity utilized or engaged by Lender or Seller, from and against any deficiencies, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, awards, suits, costs or disbursements of any kind or nature whatsoever, including attorneys' fees and expenses ("Claims") arising from an investigation of Buyer's credit and financial status.

7. **Closing.** Without limiting the terms of Section 8, Buyer acknowledges and agrees that Seller has the right in its sole discretion to schedule the date, time and place for the closing of the transaction contemplated by this Agreement ("**Closing**") and Buyer shall close on such Closing Date (the "**Closing Date**"). Buyer will be given notice of the Closing Date, time and place by the "**Closing Date Notice Period**" (as such term is defined in Rider B attached hereto). Seller is authorized to postpone or advance the date of Closing at its discretion. Seller must, however, give Buyer reasonable notice of the new Closing Date. Any notice of Closing may be given verbally, by telephone, telegraph, telex, facsimile, mail, e-mail, or other means of communication at Seller's option. All notices of Closing will be given to Buyer at the address or by use of the telephone number(s) or e-mail address(es) specified on page 1 of this Agreement unless Seller has received written notice from Buyer of any change therein prior to the date notice of Closing is given. Buyer's failure to receive the notice of Closing because Buyer has failed to advise Seller of any changes of address or phone number, or because Buyer has failed to pick up a letter when Buyer has been advised of an attempted delivery or for any other reason, shall not relieve Buyer of Buyer's obligation to close on the scheduled Closing Date, unless Seller otherwise agrees in writing to postpone the Closing Date. To the extent not prohibited by applicable law, if Seller, in its sole discretion, agrees in writing to reschedule the Closing Date at Buyer's request, or because Buyer (if a corporation) has failed to produce all corporate documents requested by Seller, or for any other reason (except for delay required by Seller), then (1) Seller may impose a late charge as liquidated damages for such delay equal to One Hundred Twenty-Five Dollars ($125.00) per day for every day from the original Closing Date through the date that the transaction closes, and (2) Seller may require that prorations be made as of the original Closing Date. Buyer agrees the late charge is appropriate in order to cover Seller's administrative and other expenses resulting from a delay in Closing and that the amount of liquidated damages is fixed and agreed to by the parties as a reasonable estimate of the damages that Seller shall suffer and is not in the nature of a penalty. Seller is not required to agree to reschedule Closing, but Seller may reschedule Closing in Seller's sole discretion.

8. **Completion Date.** It is expressly agreed by Buyer that notwithstanding anything to the contrary specified herein or verbally represented (including but not limited to Seller's sales representative), any scheduled completion date is a good faith estimate, and Seller makes no promises or representations concerning the date of completion. Buyer agrees that Buyer has not relied, and will not rely upon, any estimated completion date for any purpose whatsoever, including, without limitation, relocation of residence, storage of personal property, or lock-in financing, and Buyer agrees that Seller shall not be liable for any additional costs, expenses or damages whatsoever should the Home not be completed by an estimated completion date. Notwithstanding the foregoing, Seller is required to complete and does agree that the construction of the Home shall be completed not later than two (2) years from the date of Buyer's execution of this Agreement. If construction is delayed by any event recognized by the law of the state in which the Home is located as a defense to a contract action for non-performance or a delay in performance, then the date of completion shall be extended by the delay period. It is the express intent of the parties that the parties' rights and obligations under this Agreement be construed in the manner necessary to exempt this Agreement and the sale of the Property from registration under the Interstate Land Sales Full Disclosure Act, and both Buyer and Seller hereby expressly waive any right or provision of this Agreement that would otherwise preclude such exemption.

9. **Casualty Before Closing.** If the Property is damaged by fire, act of terrorism or other casualty before Closing and the cost of restoration does not exceed three percent (3%) of the Total Purchase Price and repairs will not substantially delay Closing, Seller shall repair the damage and Closing shall proceed pursuant to the terms of this Agreement. If the cost of restoration exceeds three percent (3%) of the Total Purchase Price or the repairs would substantially delay Closing, Buyer shall have the option to: (1) terminate this Agreement and receive a refund of the Deposit made by Buyer to Seller, in which event both parties shall be released from all obligations under this Agreement, or (2) have Seller repair the damage as soon as reasonably possible, and Closing shall be extended until such repair or rebuilding is complete.
Notwithstanding the foregoing, if all or a portion of the Property is damaged by fire, act of terrorism or other casualty and (1) the plans, specifications or construction materials for the Property must be materially modified in order to repair or reconstruct the Property, or (2) the repair or reconstruction of the Property substantially in accordance with the plans and specifications is rendered impossible by any cause recognized by the law of the state in which the Property is located as a defense to a contract action for non-performance, then Seller shall have the right to terminate this Agreement and Buyer shall receive a refund of the Deposit made by Buyer to Seller in which event both parties shall be released from all obligations under this Agreement.

10. **Deed.** Seller shall convey title to Buyer at Closing by delivery to Buyer of a General Limited Warranty Deed (the "**Deed**") describing the Property, which Deed shall convey title to Buyer subject to all matters described in this Agreement.

11. **Closing and Title Matters.** Title to the Property to be delivered to Buyer at Closing will be marketable and insurable, subject only to the following matters:

11.1 Title to the Property shall be subject to the following: (1) zoning, building codes, bulkhead laws, ordinances, regulations, rights or interests vested in the United States of America or the state in which the Community is located; (2) real estate taxes and other taxes for the year of conveyance and subsequent years including taxes or assessments of any special taxing or community development district (including assessments relating to capital improvements and bonds); (3) the general printed exceptions contained in an owner's title insurance policy; (4) utility easements, sewer agreements, telephone agreements, cable agreements, telecommunications agreements, monitoring agreements, restrictions and reservations common to any plat affecting title to the Property; (5) matters that would be disclosed by an accurate survey or inspection of the Property; (6) the Documents; (7) any laws and restrictions, covenants, conditions, limitations, reservations, agreements or easements recorded in the public records for the County (for example, use limitations and obligations, easements (right-of-way) and agreements relating to telephone, gas or electric lines, water and sewer lines and drainage, provided they do not prevent use of the Property for single family residential purposes); (8) minor encroachments on easements that do not substantially interfere with an easement holder's interest in the Property; and (9) acts done or suffered by Buyer and any mortgage or deed of trust obtained by Buyer for the purchase of the Property. It is Buyer's responsibility to review and become familiar with each of the foregoing title matters, some of which are covenants running with the land. If any title defects are discovered by Buyer after Closing, Buyer's sole remedy shall be to make a claim to Buyer's title insurer.

11.2 Seller shall convey title to Buyer at Closing by delivery to Buyer of the Deed, which shall convey title to Buyer subject to all matters described in Section 11.1 of this Agreement. Any such matters omitted from the Deed shall nevertheless be deemed to be included in the Deed.

11.3 Seller shall provide an affidavit complying with the Foreign Investment in Real Property Tax Act of 1980, as amended, upon written request of Buyer.

11.4 Seller may not own title to the Property as of the date of this Agreement or at Closing. However, Seller shall obtain title to the Property on or before the Closing Date or effect the necessary transfer of title on or before the date when Seller causes title to be transferred to Buyer.

11.5 If Seller cannot provide marketable and insurable title as described above, such failure shall not be an event of default and Seller will have a reasonable period of time (at least one hundred and twenty (120) days from the date of the scheduled Closing Date) to attempt to correct any defects in title; provided, however, Seller shall not be obligated to incur any expense, nor institute any litigation, to clear title to the Property. If Seller cannot or elects not to correct the title defects, Seller shall so notify Buyer within such period, and Buyer may thereafter elect (by written notice from Buyer to Seller) one of the following two (2) options: (1) to accept title in the condition offered (with defects) and pay the balance of the Total Purchase Price for the Property (without set off or deduction therefor), thereby waiving any claim with respect to such title defects and Buyer will not make any claims against Seller because of the title defects; or (2) to terminate this Agreement and receive a full refund of the Deposit deposited hereunder. If all such amounts are refunded, Buyer agrees to accept it as full payment of Seller's liability hereunder, whereupon this Agreement shall be terminated and Seller shall thereafter be relieved and released of all further liability hereunder. Buyer shall not thereafter have any rights to make any additional claims against Seller. In the event Buyer does not notify Seller in writing within five (5) calendar days from the receipt of Seller's notice (time being strictly of the essence) as to which option Buyer elects, Buyer shall be conclusively presumed to have elected option (1) set forth above in this subsection.

11.6 The acceptance of the Deed by Buyer shall be deemed to be full performance and discharge of every agreement and obligation on the part of Seller to be performed pursuant to this Agreement, except those which are herein specifically deemed to survive Closing or which may survive by operation of law, if any.

11.7 Title to the Property will be deemed marketable if an owner's policy is issued with standard exceptions.

11.8 All of the terms of this Section 11 shall survive Closing and the delivery of the Deed.

12. **Closing Costs**. The respective responsibilities of Buyer and Seller for all costs, prorations and fees payable at Closing (the "**Closing Costs**") are shown in Rider B attached hereto.

13. **Site and Substitutions**. The materials, equipment and fixtures included in and to be used in constructing the Home will be substantially the same as or similar in quality to those described in the applicable plans and specifications (except as to extras, options and/or upgrades).

13.1 Changes to Plans and Specifications.

13.1.1 Industry Practice. It is widely observed construction industry practice for pre-construction plans and specifications for any home or building to be changed and adjusted from time to time in order to accommodate on-going site conditions and in the field construction factors. These changes and adjustments are essential in order to permit all components of the Home to be integrated into a well-functioning and aesthetically pleasing product in an expeditious manner. Based on the foregoing, Buyer acknowledges that such changes and adjustments may occur and agrees that it is reasonable and to Buyer's benefit to allow Seller the flexibility to make such changes and adjustments to the Home.

13.1.2 Seller's Absolute Right to Make Modifications to Plans and Specifications. Seller has the absolute right to make modifications to the plans and specifications for the Home. Without limiting the generality of the foregoing, Buyer specifically agrees that changes in the dimensions of rooms and patios, entrances and terraces, if applicable, and changes in room size, in the locations of windows, doors, walls, partitions, utility lead-ins and outlets (including, but not limited to, electrical, cable television, and telephone), air-conditioning components, lighting fixtures and electrical panel boxes may be made by Seller in its sole discretion, provided however that changes in the layout and dimensions of the Home shall not substantially affect the value of the Home. Such changes may also include, but are not limited to, changes in the building location, setbacks and facing, the building's external configuration, its structural components, its finishes and the landscaping associated therewith.

13.1.3 Buyer's Acceptance of Actual Floor Plan. Buyer further understands and acknowledges that many of the Homes to be constructed within the Community require floor plans which are opposite (i.e. flipped) mirror images of the model floor plan and Buyer fully understands and accepts the floor plan configuration for the Home and improvements to be constructed within the Home.

13.1.4 No Warranty for Plans and Specifications on File. Buyer further acknowledges and agrees that (1) the plans and specifications of the Home and the Community on file with the applicable governmental authorities may not be identical in detail to Seller's plans and specifications, and (2) because of the day-to-day nature of the changes described in this Section 13, the plans and specifications on file with the applicable governmental authorities may not include some or any of these changes (there being no legal requirement to file all changes with such authorities). As a result of the foregoing, Buyer and Seller both acknowledge and agree that the Home and the Community may not be constructed in accordance with the plans and specifications on file with the applicable governmental authorities. Without limiting the generality of the provisions of Rider B attached hereto, Seller disclaims and Buyer waives any and all express or implied warranties that construction will be accomplished in compliance with such plans and specifications. Seller has not given and Buyer has not relied on or bargained for any such warranties. In furtherance of the foregoing, in the event of any conflict between the actual construction of the Home and/or the

Community, and that which is set forth on the plans and specifications, Buyer agrees that the actual construction shall prevail and to accept the Home and Community as actually constructed (in lieu of what is set forth on the plans and specifications).

13.2 Lot Change. In the event that Seller, in its sole discretion, determines that the Model of the Home selected under this Agreement cannot reasonably be built on the Homesite, then Buyer and Seller hereby agree that they will negotiate in good faith to relocate the Home to another lot in the Community, provided however that there are lots available for sale. If no replacement lot is available, then Buyer may terminate this Agreement and will be entitled to a refund of any paid Deposit.

13.3 Decorative and Landscaping Items.

13.3.1 Buyer understands and agrees that certain of the finishing items, such as tile, marble, carpet, cabinets, stone, brickwork, wood, paint, stain and mica are subject to size and color variations, grain and quality variations, and may vary in accordance with price, availability and changes by manufacturers from those shown in the model, if any, or in illustrations or brochures or those included in the specifications. Furthermore, if circumstances arise that, in Seller's opinion, warrant changes of subcontractors, suppliers, manufacturers, brand names or items, Seller reserves the right to substitute equipment, materials, appliances, etc., which in Seller's opinion are considered to be of quality substantially similar or equal, or of better quality, subject to their availability. Buyer also understands that Seller has the right to substitute or change materials and/or stain colors utilized in wood decor, if any.

13.3.2 Lot grades, lot area, options, facades, shrubs, trees, trim, built-ins, wall treatments, window treatments, furniture, furnishings, fences, decks, locations of walks, driveways and other items in or about a model home area in the subdivision are for display purposes only and are not included in the Total Purchase Price unless otherwise expressly provided herein. Seller has the right to remove any existing trees on the Property or on the surrounding area for any reason. Buyer further understands and agrees that the following items (which may be seen in models or shown in illustrations) will also not be included with the sale of the Home: wall coverings, paint colors, accent light fixtures, wall ornaments, drapes, blinds, bedspreads, furniture, furnishings, wet bars, monitoring systems, certain built-in fixtures, special floor coverings, wood trim, upgraded items and/or any other items of this nature which may be added or deleted from time to time. This list of items (which is not all-inclusive) is provided as an illustration of the type of items built-in or placed upon models or shown in illustrations strictly for purposes of decoration and example only.

13.4 Deed. By acceptance of the Deed, Buyer accepts all variations of the Home.

13.5 Survival. All of the terms of this Section 13 shall survive Closing and the delivery of the Deed.

14. **Buyer's Default.** In the event of Buyer's default and to the extent allowed by law, Seller shall be entitled to keep, as liquidated damages and not as a penalty, Buyer's Deposit not to exceed fifteen percent (15%) of the Total Purchase Price, except that Seller may, in addition, keep, as liquidated damages and not as a penalty, any and all Advanced Payments made by Buyer to Seller for options, extras or upgrades for which Seller has made contractual commitments or incurred liability by placing orders or otherwise. Buyer agrees that actual damages in the event of breach by Buyer would be costly and difficult to calculate, and that such liquidated damages are a fair and reasonable remedy and shall not be considered a penalty. The provisions of this Section shall survive the termination of this Agreement.

15. **Seller's Default.** In the event of Seller's default and to the extent allowed by law, Buyer may recover actual damages but shall not be entitled to special, consequential or punitive damages. Notwithstanding the foregoing, Buyer retains all remedies at law and in equity with respect to Seller's obligation to complete the Home within two (2) years pursuant to Section 8 above. The provisions of this Section shall survive the termination of this Agreement.

16. **Mediation / Arbitration of Disputes.**

16.1 The parties to this Agreement specifically agree that this transaction involves interstate commerce and that any Dispute (as hereinafter defined) shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by or in a court of law or equity. "Disputes" (whether contract, warranty, tort, statutory or otherwise), shall include, but are not limited to, any and all controversies, disputes or claims (1) arising under, or related to, this Agreement, the Property, the Community or any dealings between Buyer and Seller; (2) arising by virtue of any representations, promises or warranties alleged to have been made by Seller or Seller's representative; and (3) relating to personal injury or property damage alleged to have been sustained by Buyer, Buyer's children or other occupants of the Property, or in the Community. Buyer has executed this Agreement on behalf of his or her children and other occupants of the Property with the intent that all such parties be bound hereby. Any Dispute shall be submitted for binding arbitration within a reasonable time after such Dispute has arisen. Nothing herein shall extend the time period by which a claim or cause of action may be asserted under the applicable statute of limitations or statute of repose, and in no event shall the Dispute be submitted for arbitration after the date when institution of a legal or equitable proceeding based on the underlying claims in such Dispute would be barred by the applicable statute of limitations or statute of repose.

16.2 Any and all mediations commenced by any of the parties to this Agreement shall be filed with and administered by the American Arbitration Association or any successor thereto ("AAA") in accordance with the AAA's Home Construction Mediation Procedures in effect on the date of the request. If there are no Home Construction Mediation Procedures currently in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of such request shall be utilized. Any party who will be relying upon an expert report or repair estimate at the mediation shall provide the mediator and the other parties with a copy of the reports. If one or more issues directly or indirectly relate to alleged deficiencies in design, materials or construction, all parties and their experts shall be allowed to inspect, document (by photograph, videotape or otherwise) and test the alleged deficiencies prior to mediation. Unless mutually waived in writing by the parties, submission to mediation is a condition precedent to either party taking further action with regard to any matter covered hereunder.

16.3 If the Dispute is not fully resolved by mediation, the Dispute shall be submitted to binding arbitration and administered by the AAA in accordance with the AAA's Home Construction Arbitration Rules in effect on the date of the request. If there

are no Home Construction Arbitration Rules currently in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such request shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Dispute. If the claimed amount exceeds $250,000.00 or includes a demand for punitive damages, the Dispute shall be heard and determined by three arbitrators; however, if mutually agreed to by the parties, then the Dispute shall be heard and determined by one arbitrator. Arbitrators shall have expertise in the area(s) of Dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Dispute shall be decided by the arbitrator(s). At the request of any party, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

16.4 The waiver or invalidity of any portion of this Section shall not affect the validity or enforceability of the remaining portions of this Section. Buyer and Seller further agree (1) that any Dispute involving Seller's affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in a court of law or equity; (2) that Seller may, at its sole election, include Seller's contractors, subcontractors and suppliers, as well as any warranty company and insurer as parties in the mediation and arbitration; and (3) that the mediation and arbitration will be limited to the parties specified herein.

16.5 To the fullest extent permitted by applicable law, Buyer and Seller agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any other arbitration, judicial, or similar proceeding shall be given preclusive or collateral estoppel effect in any arbitration hereunder unless there is mutuality of parties. In addition, Buyer and Seller further agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is mutuality of parties.

16.6 Unless otherwise recoverable by law or statute, each party shall bear its own costs and expenses, including attorneys' fees and paraprofessional fees, for any mediation and arbitration. Notwithstanding the foregoing, if a party unsuccessfully contests the validity or scope of arbitration in a court of law or equity, the noncontesting party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in defending such contest, including such fees and costs associated with any appellate proceedings. In addition, if a party fails to abide by the terms of a mediation settlement or arbitration award, the other party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in enforcing such settlement or award.

16.7 Buyer may obtain additional information concerning the rules of the AAA by visiting its website at www.adr.org or by writing the AAA at 335 Madison Avenue, New York, New York 10017.

16.8 Seller supports the principles set forth in the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee and agrees to the following:

16.8.1 Notwithstanding the requirements of arbitration stated in Section 16.3 of this Agreement, Buyer shall have the option, after pursuing mediation as provided herein, to seek relief in a small claims court for disputes or claims within the scope of the court's jurisdiction in lieu of proceeding to arbitration. This option does not apply to any appeal from a decision by a small claims court.

16.8.2 Seller agrees to pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the parties.

16.8.3 The fees for any claim pursued via arbitration in an amount of $10,000.00 or less shall be apportioned as provided in the Home Construction Arbitration Rules of the AAA or other applicable rules.

16.9 Notwithstanding the foregoing, if either Seller or Buyer seeks injunctive relief, and not monetary damages, from a court because irreparable damage or harm would otherwise be suffered by either party before mediation or arbitration could be conducted, such actions shall not be interpreted to indicate that either party has waived the right to mediate or arbitrate. The right to mediate and arbitrate should also not be considered waived by the filing of a counterclaim by either party once a claim for injunctive relief had been filed with a court.

16.10 Buyer and Seller specifically agree that notwithstanding anything to the contrary, the rights and obligations set forth in this Section 16 shall survive (1) Closing and the delivery of the Deed; (2) the termination of this Agreement by either party; or (3) the default of this Agreement by either party.

17. **Other Dispute Resolutions**. Notwithstanding the parties' obligation to submit any Dispute to mediation and arbitration, in the event that a particular dispute is not subject to the mediation or the arbitration provisions of Section 16, then the parties agree to the following provisions: **BUYER ACKNOWLEDGES THAT JUSTICE WILL BEST BE SERVED IF ISSUES REGARDING THIS AGREEMENT ARE HEARD BY A JUDGE IN A COURT PROCEEDING, AND NOT A JURY. BUYER AND SELLER AGREE THAT ANY DISPUTE, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION SHALL BE HEARD BY A JUDGE IN A COURT PROCEEDING AND NOT A JURY. BUYER AND SELLER HEREBY WAIVE THEIR RESPECTIVE RIGHT TO A JURY TRIAL. SELLER HEREBY SUGGESTS THAT BUYER CONTACT AN ATTORNEY OF BUYER'S CHOICE IF BUYER DOES NOT UNDERSTAND THE LEGAL CONSEQUENCES OF EXECUTING THIS AGREEMENT.** All of the terms of this Section 17 shall survive Closing and the delivery of the Deed.

18. **Selling Agent, Cooperating Broker, and Seller's New Home Consultant**. Unless a Purchase Price and Payment Addendum indicating otherwise is attached hereto, Buyer represents to Seller that Buyer has not consulted, dealt or negotiated with a real estate broker, salesperson or agent other than Seller's sales personnel located at Seller's sales office. Buyer agrees that Seller is not responsible for the payment of a commission to a real estate broker, salesperson or agent other than Seller's sales personnel. Buyer shall indemnify, defend and hold harmless Indemnified Parties from and against any and all Claims resulting from or arising out of any representation or breach of a representation or warranty set forth in this Section. In addition, Buyer acknowledges and

understands that Seller's New Home Consultant ("NHC") and Internet New Home Consultant ("INHC") are agents of Seller, are acting solely for the Seller's interests, and are not acting in any representative capacity for Buyer. Buyer should not disclose any information to Seller's NHC and/or INHC that Buyer considers to be confidential or otherwise does not want disclosed to Seller.

19. **Construction Activities**. ALL OWNERS, OCCUPANTS AND USERS OF THE COMMUNITY ARE HEREBY PLACED ON NOTICE THAT (1) SELLER AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES, AND/OR (2) ANY OTHER PARTIES, WILL BE, FROM TIME TO TIME, CONDUCTING BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO THE COMMUNITY. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE COMMUNITY, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (1) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (2) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO THE AREA OF THE COMMUNITY WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (3) TO THE EXTENT PERMITTED OR NOT PROHIBITED UNDER APPLICABLE LAW, SELLER AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM SELLER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, (4) ANY PURCHASE OR USE OF ANY PORTION OF THE COMMUNITY HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING AND (5) THIS ACKNOWLEDGMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO SELL, CONVEY, AND/OR ALLOW THE USE OF THE PROPERTY.

20. **Dangerous Condition; Construction Work.**

20.1 Buyer understands and agrees that the Property is a construction site and that the Property and the improvements, equipment and supplies thereon constitute a danger to those who may enter on the Property. Buyer shall not enter onto the Property prior to Closing unless authorized and accompanied by Seller's representative. Any unauthorized, unaccompanied entry by Buyer shall constitute a breach of this Agreement by Buyer, at Seller's election. Moreover, any entry by Buyer onto the Property prior to Closing shall be done at Buyer's own risk and in compliance with all federal, state and local safety laws and regulations. To the extent permitted or not prohibited by applicable law, Buyer waives, releases and shall indemnify, defend and hold harmless Indemnified Parties from and against any Claims made by Buyer, Buyer's family members or guests, as a direct or indirect result of any such unauthorized, unaccompanied entry onto the Property.

20.2 Buyer agrees that supervision and direction of the working forces, including, without limitation, all contractors and subcontractors, is to be done exclusively by Seller, and Buyer agrees not to issue any instructions to the working forces or otherwise hinder construction or installation of improvements on the Property. Buyer shall not do or have any work done on the Property, nor may Buyer store any possessions thereon, prior to Closing and transfer of title to the Property to Buyer.

20.3 Buyer agrees that any and all controversies, disputes and claims arising under this Section shall be resolved through binding arbitration in accordance with the terms of this Agreement.

20.4 All of the terms of this Section 20 shall survive Closing and the delivery of the Deed.

21. **OFAC**. Executive Order 13224 requires all United States entities and persons to block assets and not transact business with entities, countries and persons (specifically designated nationals) set forth by the Office of Foreign Asset Control ("OFAC"). This requirement applies to all homebuilding entities in The Lennar Family of Builders (including but not limited to Seller), Universal American Mortgage Company, LLC and all of its affiliates, and North American Title Company and all of its affiliates (collectively, the "Lennar Affiliates"). Accordingly, each of Seller and the Lennar Affiliates will check current OFAC lists and other publications in connection with each potential transaction, loan, or home sale. In order to check the OFAC list, Buyer must provide to Seller a Government-issued identification card (this might include a driver's license, birth certificate, passport or resident alien card). To the extent Buyer (or any single person or entity constituting a part of Buyer) matches a name or entity on any such OFAC list or publication, the transactions with Buyer contemplated under or in connection with this Agreement will be immediately suspended, and Buyer shall be reported as instructed by the OFAC.

22. **Agreement not to be Recorded**. Buyer covenants that Buyer shall not record this Agreement (or any memorandum thereof) in the Public Records of the County. Buyer agrees, if Buyer records this Agreement, to pay all of Seller's attorneys' fees, paraprofessional fees and expenses incurred in removing the cloud on title caused by such recordation. Seller's rights under this Section shall be in addition to Seller's remedies for Buyer's default provided elsewhere in this Agreement.

23. **Transfer, Assignment and Persons Bound**. Buyer agrees that Buyer will not, and does not have the right to, assign, sell or transfer Buyer's interest in this Agreement (whether voluntarily or by operation of law or otherwise) without Seller's prior written consent. If Buyer is a corporation, other business entity, trustee or nominee, a transfer of any material equity or beneficial or principal interest shall constitute an assignment of this Agreement. If Buyer attempts to assign this Agreement in violation of this Section, Seller can declare Buyer in default and Seller shall be entitled to all remedies available under this Agreement. Buyer agrees that Seller may withhold its consent with or without any reason or condition in any manner it chooses (if it gives it at all) and may charge Buyer a reasonable amount to cover administrative costs incurred in considering whether or not to grant consent. If Buyer dies or in any way loses legal control of his/her affairs, this Agreement will bind his/her heirs and legal representatives. If Buyer has received Seller's permission to assign or transfer this Agreement, then Buyer's approved assignees shall be bound by the terms of this Agreement. If more than one person signs this Agreement as Buyer, each such person shall be jointly and severally liable for full performance of all of Buyer's duties and obligations hereunder.

24. TIME OF THE ESSENCE. BUYER ACKNOWLEDGES THAT TIME IS OF THE ESSENCE IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED UNDER THIS AGREEMENT.

25. **Interpretation and Computation of Time**. The use of the masculine gender in this Agreement shall be deemed to refer to the feminine or neuter gender, and the singular shall include the plural, and vice versa, whenever the context so requires. This Agreement reflects the negotiated agreement of the parties. Each party acknowledges that they have been afforded the opportunity to seek competent legal counsel, and each have made an informed choice as to whether or not to be represented by legal counsel. Accordingly, this Agreement shall be construed as if both parties jointly prepared it, and no presumption against one party or the other shall govern the interpretation or construction of any of the provisions of this Agreement. Any reference in this Agreement to the time periods of less than five (5) days shall, in the computation thereof, exclude Saturdays, Sundays and legal holidays. Any reference in this Agreement to time periods of five (5) days or more shall, in computation thereof, include Saturdays, Sundays and legal holidays. If the last day of any such period is a Saturday, Sunday or legal holiday, the period shall be extended to 5:00 p.m. on the next full business day. The section headings in this Agreement are for convenience only and shall not affect the meaning, interpretation or scope of the provisions which follow them.

26. **Notice**. Except as provided in the Closing Section of this Agreement with respect to notices of the scheduled Closing Date, any notice required or permitted to be given in connection with this Agreement shall be in writing and sent by United States certified mail with return receipt requested, professional overnight courier or electronic transmission (with confirmation and copy by (1) certified mail, if Buyer's address is within the United States or (2) overnight professional courier, if to a Buyer whose address is outside of the United States) to Buyer or Seller at the addresses on Page 1 of this Agreement (unless Seller has received written notice from Buyer of any change therein prior to the date such notice is given), and additionally to Seller by hand delivery at Seller's sales office. All notices shall only be effective upon receipt or refusal to accept receipt (by failure to accept delivery or otherwise).

27. **Waiver**. Seller's waiver of any of its rights or remedies shall not operate to waive any other of Seller's rights or remedies or to prevent Seller from enforcing the waived right or remedy in another instance.

28. **Incorporation and Severability**. The explanations and disclaimers set forth in the Documents are incorporated into this Agreement. In the event that any clause or provision of this Agreement shall be void or unenforceable, such clause or provision shall be deemed deleted so that the balance of this Agreement is enforceable.

29. **Governing Law**. Any disputes that develop under this Agreement or questions regarding the interpretation of this Agreement will be settled according to the law of the state where the Property is located to the extent federal law is not applicable.

30. Entire Agreement. BUYER CERTIFIES THAT BUYER HAS READ EVERY PROVISION OF THIS AGREEMENT, WHICH INCLUDES EACH RIDER AND ADDENDUM ATTACHED HERETO AND THAT THIS AGREEMENT, TOGETHER WITH EACH SUCH RIDER AND ADDENDUM, CONSTITUTES THE ENTIRE AGREEMENT BETWEEN BUYER AND SELLER. PRIOR AGREEMENTS, REPRESENTATIONS, UNDERSTANDINGS, AND ORAL STATEMENTS NOT REFLECTED IN THIS AGREEMENT HAVE NO EFFECT AND ARE NOT BINDING ON SELLER. BUYER ACKNOWLEDGES THAT BUYER HAS NOT RELIED ON ANY REPRESENTATIONS, NEWSPAPERS, RADIO OR TELEVISION ADVERTISEMENTS, WARRANTIES, STATEMENTS, OR ESTIMATES OF ANY NATURE WHATSOEVER, WHETHER WRITTEN OR ORAL, MADE BY SELLER, SALES PERSONS, AGENTS, OFFICERS, EMPLOYEES, CO-OPERATING BROKERS (IF ANY) OR OTHERWISE EXCEPT AS HEREIN SPECIFICALLY REPRESENTED. BUYER HAS BASED HIS/HER/THEIR DECISION TO PURCHASE THE PROPERTY ON PERSONAL INVESTIGATION, OBSERVATION AND THE DOCUMENTS.

31. **Modification**. This Agreement is the entire agreement for the sale and purchase of the Property and once it is signed by both Buyer and a Division Agent or Officer of Seller, it can only be amended by a written agreement signed by both Buyer and Seller.

32. **Additional Changes**. Notwithstanding Section 32 of this Agreement, Buyer agrees that it may be necessary (at any time and from time to time) after Buyer executes this Agreement for Seller, and/or the developer or declarant under the Documents, to change the terms and provisions of this Agreement and/or the Documents to comply with and conform to the rules and regulations (as same may exist and as same may be promulgated from time to time) of any governmental agency, subdivision or authority or court of competent jurisdiction and Buyer consents to all such changes. Notwithstanding Section 32 of this Agreement, Seller, and/or the developer or declarant under the Documents, shall have the right to amend all Documents for development or other purposes, and Buyer consents to all such amendments.

33. **Inducement**. Buyer acknowledges that the sole inducement to close on the purchase of the Property is the Property itself and not (1) the common facilities comprising part of the Community, if any, or (2) any expectation that the Property will increase in value.

34. **Reservation of Easement**. For the purpose of completing the construction and servicing of the Property and Community, Seller hereby reserves an easement of ingress and egress for itself and its successors and assigns, and each of their respective agents, employees, materialmen and subcontractors, over, under and upon the Property for a period of one (1) year after Closing. Seller shall provide reasonable notice to Buyer before exercising easement rights granted herein. All of the terms of this Section 35 shall survive Closing and the delivery of the Deed.

RIDER B
Coastal Carolina Division

THIS RIDER B (Coastal Carolina) (this "**Rider B**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") entered into as of the twenty-fifth day of SEPTEMBER, 2011, between Danny Morrow, ~~Ellen Morrow~~ ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0005 of Block _____ of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. **Defined Terms.** All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Rider B to the Agreement shall be deemed to include references to this Rider B and to any other rider and addenda attached to the Agreement, which are hereby incorporated by this reference. In addition to those terms, the following terms shall have the meanings set forth below:

"**Closing Date Notice Period**" shall mean at least seven (7) days prior to the Closing Date.

"**Mortgage Contingency Period**" shall mean five (5) days if this Agreement is contingent on Buyer obtaining financing as indicated in the Purchase and Sale Agreement.

2. **Additional Mortgage Contingency.** Unless Buyer shall have notified Seller otherwise writing within the Mortgage Contingency Period, Buyer shall be conclusively presumed to have obtained the loan commitment or agreed to purchase the Property without mortgage financing. If Buyer does timely notify Seller within the Mortgage Contingency Period that he/she failed to obtain a loan commitment, Seller may require Buyer to immediately reapply for a mortgage loan with another lending institution designated by Seller. If Buyer then fails to obtain a loan commitment within seven (7) days from Seller's notice to reapply, either Buyer or Seller shall have the right to terminate this Agreement whereupon the Deposit shall be returned to Buyer, and thereupon the parties hereto shall be released from all liability hereunder without any further acts by either party

3. **Closing Costs.** BUYER UNDERSTANDS AND AGREES THAT IN ADDITION TO THE TOTAL CASH TO CLOSE (WHICH AMOUNT IS SPECIFIED IN SECTION 2 OF THE AGREEMENT AND THE PURCHASE PRICE AND PAYMENT ADDENDUM), BUYER SHALL PAY CERTAIN OTHER FEES AND CLOSING COSTS, IF ANY, AT CLOSING (LISTED BELOW). IN CONNECTION THEREWITH, WITHOUT LIMITATION, THE ITEMS LISTED BELOW WILL COLLECTIVELY BE REFERRED TO AS "**CLOSING COSTS**." NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, IN THE CASE OF AN FHA/VA OR FANNIE MAE LOAN, BUYER SHALL NOT PAY FOR ANY COSTS PROHIBITED BY HUD (FHA), VA OR FANNIE MAE REGULATIONS. ALL REFERENCES TO "PRO RATA SHARES" WILL BE DEEMED A TIME PRO RATION, BASED ON THE CLOSING DATE, WITH BUYER PAYING AMOUNTS ACCRUED ON AND AFTER THE CLOSING DATE. The Closing Costs include, without limitation:

3.1 The premium for a policy of mortgagee's title insurance and the cost to record the Deed. If the settlement charges that VA does not allow Buyer to pay exceed the amount of settlement charges, if any, to be paid by Seller, Seller at its sole discretion may terminate the Agreement and refund Buyer's earnest money. If the settlement charges that FHA does not allow Buyer to pay exceed the amount of settlement charges, if any, to be paid by Seller, Buyer may either pay the additional settlement charges at Closing or the additional settlement charges shall be added to the principal on Buyer's loan, regardless of whether or not the interest rate on Buyer's loan will increase as result of the addition of the settlement charges to the principal.

3.2 Customary closing costs of a Buyer of a single family residence, including but not limited to items such as loan fees, loan closing costs and all other related sums, attorneys' fees, escrows for taxes and insurance, recording fees, documentary stamp taxes on the note, intangible taxes, credit reports and PMI insurance, if applicable, charged by the Lender or otherwise customary for a Buyer at Closing.

3.3 Title search updates, title examination fees, delivery charges, and any other Closing expenses of Buyer.

3.4 All additional costs respecting the Property imposed by any governmental authority.

3.5 The cost of any obligations Buyer incurs not provided for in this Agreement.

3.6 The cost of a survey of the Property.

3.7 Certified governmental liens (liens which can be paid pursuant to written notice), if any, shall be assumed and paid by Seller, pending governmental improvement liens shall be paid and assumed by Buyer.

3.8 A pro rata share of County interim service fees, if any.

3.9 A pro rata share of waste fees.

3.10 A pro rata share of utility deposits and capacity fees (water and/or sewer) for the Property prepaid by Seller.

3.11 Any other expenses of an owner of the Property provided for or referenced in the Documents.

3.12 Amounts reflected in the Master Disclosure and Information Addendum to the Purchase and Sale Agreement, if any, attached hereto and incorporated herein.

3.13 Current expenses of the Property (for example: taxes, special assessments and current monthly assessments to one or more homeowner's associations) will be adjusted between Seller and Buyer as of the Closing Date. Buyer shall reimburse Seller for any prepaid expenses of the Property and capital contributions made to one or more homeowners' associations, paid by Seller in advance and/or for the month in which the Closing Date occurs.

3.14 If real estate taxes for the year in which the Closing Date occurs are assessed in the aggregate on the real estate comprising the portion of the Community (including the Property) rather than on a homesite-by-homesite basis, Seller will pay such taxes in full when due, but Buyer will reimburse Seller at the Closing for Buyer's pro rata share of such taxes from the Closing Date (if such taxes are then known) or the Property's allocable share (so prorated) of Seller's estimate of those taxes (if such taxes are not then known), subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual tax bill is known. If taxes for the year in which the Closing Date occurs are assessed on a homesite-by-homesite basis but such taxes are not due on the Closing Date, Buyer will be responsible for paying such tax bill in full when due but Seller will reimburse Buyer at the Closing for Seller's pro rata share of such taxes (if the taxes are then known) or Seller's estimate of those taxes (if such taxes are not then known) through the Closing Date, subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual bill is known. If the Closing takes place after Seller has paid the taxes for the year in which the Closing Date occurs, Buyer will reimburse Seller at Closing for Buyer's pro rata share of those taxes from and after the Closing Date.

3.15 The cost of any modifications or changes which are incurred by Seller as a result of changes in building codes, governmental rules, regulations or requirements, or the enforcement of any of the same, after the Effective Date of this Agreement, shall be paid by Buyer at the time of Closing.

4. **Additional Financing and Closing Costs Disclosures.**

4.1 Although Seller may make available to Buyer the name of one or more lenders or information about one or more available financing alternatives, Buyer agrees that the choice of a lender and loan is Buyer's sole decision, and Seller has not made any promises or representations concerning the likelihood of Buyer obtaining the loan, the terms and conditions of such loan or the interest rate or fees associated with such loan.

4.2 4.2 BUYER IS HEREBY ADVISED BY SELLER THAT INTEREST RATES, LOANS FEES, AND OTHER LOAN CONDITIONS ARE NOT GUARANTEED, FIXED OR ESTABLISHED (AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO SUCH ITEMS) AND ARE SUBJECT TO CHANGE BY ANY LENDER. SUBJECT TO SECTION 8 OF THE AGREEMENT, SELLER DOES NOT WARRANT OR GUARANTEE THAT COMPLETION OF THE IMPROVEMENTS OR LOAN FUNDING CAN BE ACHIEVED WITHIN LOAN LOCK PERIODS, IF ANY, REGARDLESS OF WHETHER SUCH LOCKS ARE PAID FOR BY SELLER OR BUYER. IF BUYER LOCKS IN AN INTEREST RATE AND POINTS FOR LOAN FUNDING PRIOR TO CLOSING, BUYER AGREES TO PAY THE DIFFERENCE BETWEEN THE LOCK-IN RATE AND THE MARKET INTEREST RATE AT CLOSING IF THE LOCK-IN RATE EXPIRES PRIOR TO CLOSING.

4.3 Responsibility for obtaining the loan and for satisfying all conditions made by the Lender with regard to the loan shall rest solely with the Buyer.

5. **Warranties.** Buyer understands and agrees that Seller is making only those express limited warranties set forth in the homeowner's warranty (the "**Limited Warranty**"). The Limited Warranty, incorporated herein, shall be delivered to Buyer at Closing and a copy of which is attached hereto **OR** a copy of which is available for examination at Seller's office and will, at Buyer's request, be attached as an exhibit to this Agreement. THE EXPRESS LIMITED WARRANTY AND REMEDIES PROVIDED BY SELLER CONSTITUTE THE EXCLUSIVE WARRANTY AND REMEDIES TO BE MADE AVAILABLE BY SELLER AND, EXCEPT WHERE ADDITIONAL WARRANTIES ARE REQUIRED BY APPLICABLE LAW OR REGULATION, ARE IN PLACE OF ALL OTHER GUARANTIES OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF WORKMANSHIP, MERCHANTABILITY, HABITABILITY, SUITABILITY AND FITNESS, WHICH ARE HEREBY EXPRESSLY DISCLAIMED BY SELLER AND WAIVED BY BUYER. TO THE EXTENT OF ANY CONFLICT BETWEEN ANY PROVISION OF THIS AGREEMENT RELATED TO WARRANTIES AND THE LIMITED WARRANTY, THE PROVISIONS OF THE LIMITED WARRANTY SHALL CONTROL. All of the terms of this Section 6 shall survive Closing and the delivery of the Deed. BUYER AND SELLER ACKNOWLEDGE THAT THEY HAVE EXPRESSLY NEGOTIATED AND BARGAINED FOR THE WAIVER OF THE IMPLIED WARRANTY OF HABITABILITY, AND BUYER ACKNOWLEDGES THE SUFFICIENCY AND RECEIPT OF VALUABLE CONSIDERATION FOR SUCH WAIVER IN THE AMOUNT OF $0, WHICH AMOUNT SHALL BE CREDITED TOWARD THE PURCHASE PRICE AT CLOSING. THE CONSIDERATION AGREED UPON ABOVE HAS BEEN SPECIFICALLY NEGOTIATED BETWEEN BUYER AND SELLER.

Buyer _____ Buyer _____

6. **Documents.** Buyer acknowledges receipt of the Document Book for the Community containing many important documents regarding the Community, including but not limited to some of the documents of record affecting the Property and the Community (collectively, the "**Documents**"). The Document Book is hereby incorporated into this Agreement by this reference. The Document Book may be amended as deemed necessary by Seller in its sole and absolute discretion. Buyer agrees to take title to the Property subject to the Documents, to abide

by and be bound by all of the terms and conditions of the Documents, and any amendments thereto. The Master Disclosure and Information Addendum to Purchase and Sale Agreement attached hereto sets forth additional information respecting lien rights and homeowners association's restrictions affecting the Property. Buyer understands and agrees this Section shall survive the termination of this Agreement.

7. Inspection of the Home. BUYER SHALL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE PRIOR TO CLOSING ON A DATE AND TIME SCHEDULED BY SELLER (A "NEW HOME ORIENTATION," COMMONLY REFERRED TO AS A "WALKTHROUGH"). AT THAT TIME, IF ANY DEFECTIVE OR INCOMPLETE ITEMS ARE NOTED, BUYER SHALL PRESENT TO SELLER AN INSPECTION STATEMENT LISTING SAID ITEMS AND SIGNED BY BUYER. IF ANY ITEMS NOTED ARE ACTUALLY DEFECTIVE IN WORKMANSHIP OR MATERIALS IN SELLER'S OPINION (IN ACCORDANCE WITH CONSTRUCTION STANDARDS PREVALENT FOR A SIMILAR HOME IN THE COUNTY), SELLER WILL BE OBLIGATED TO CORRECT THOSE ITEMS AT SELLER'S COST. A SECOND INSPECTION OF THE HOME WILL BE CONDUCTED PRIOR TO CLOSING AT WHICH TIME BUYER WILL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE TO ACKNOWLEDGE THAT ITEMS LISTED ON THE INSPECTION STATEMENT PREPARED AFTER THE FIRST INSPECTION HAVE BEEN CORRECTED. ANY REMAINING ITEMS THAT SELLER HAS AGREED TO CORRECT WILL BE CORRECTED BY SELLER AT SELLER'S SOLE COST AND EXPENSE PRIOR TO CLOSING (OR AT SELLER'S OPTION WITHIN A REASONABLE TIME AFTER CLOSING), PROVIDED HOWEVER THAT SELLER'S OBLIGATION TO CORRECT WILL NOT BE A GROUND FOR DEFERRING CLOSING, NOR FOR ANY SETOFF, NOR FOR IMPOSING ANY CONDITION ON CLOSING AS LONG AS THE HOME IS HABITABLE. THE ISSUANCE OF A CERTIFICATE OF COMPLETION, OR USE SHALL BE CONCLUSIVE EVIDENCE OF HABITABILITY. NO ESCROW OR HOLDBACK OF CLOSING FUNDS OR ANY CASH TO CLOSE SHALL BE PERMITTED. **EXCEPT FOR WORK THAT CANNOT BE COMPLETED AT THAT TIME OF YEAR**. IF A BUYER FAILS TO TAKE ADVANTAGE OF ANY PRE-CLOSING INSPECTION ON THE TIME AND DATE SCHEDULED BY SELLER, BUYER SHALL BE DEEMED TO HAVE WAIVED THE RIGHT TO INSPECT THE HOME PRIOR TO CLOSING.

8. No Right to Enter. Buyer acknowledges that all matters pertaining to the initial construction of the Property will be performed by Seller and Seller's representatives. Buyer acknowledges and agrees that for reasons of safety and to comply with liability and insurance requirements imposed upon Seller, neither Buyer nor any agent of Buyer shall, until after the Closing, be permitted to enter upon the Property without being accompanied by Seller's representative. Any permitted personal inspections shall be made at times designated by Seller, and shall not be allowed under any condition prior to the formal inspection described above and only with Seller's representative. Buyer agrees not to give instructions to, interfere with or interrupt any workmen at the Property. Buyer may not order any work on the Property until after the Closing. Buyer recognizes that Seller is under no obligation to agree to provide options, extras and/or upgrades. Without limiting the applicability of this Section to all obligations, representations and covenants of Buyer hereunder, Buyer specifically acknowledges that any breach by Buyer of the terms and conditions contained within this Section shall be deemed to be a material breach and shall entitle Seller to declare this Agreement to be in default in accordance with the provisions of the Buyer's Default in the Agreement. Seller's failure to promptly take any action with respect to Buyer's breach of the terms and conditions contained herein shall not be deemed a waiver of any of Seller's rights or remedies hereunder. Whenever this Agreement shall require Seller to complete or substantially complete an item of construction, unless provided specifically to the contrary herein, such item shall be deemed complete or substantially complete when so completed, in the sole and unfettered opinion of Seller. Should Seller fail to provide any item of construction required to be provided, Buyer's sole remedy therefore will be to collect an amount from Seller equal to Seller's cost for such item and for Seller's cost of installation of such item had such item been installed at the appropriate time during construction. Without limiting Seller's rights and Buyer's obligations contained within this Section and elsewhere in this Agreement, should any warranted defects in workmanship or materials be discovered before or after the Closing, Buyer agrees that Buyer's sole remedy therefore is for Seller to, at Seller's sole and absolute discretion, either repair or replace the defective item. To the extent permitted by applicable law, Seller disclaims any liability for incidental or consequential damages that may arise from a defective item.

9. Counterparts. This Rider B may be executed in counterparts, a complete set of which shall form a single document.

10. Conflicts. In the event of any conflict between this Rider B and the Agreement, this Rider B shall control. In all other respects, the Agreement shall remain in full force and effect.

11. **Entire Agreement**. The Agreement, together with this Rider B and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Rider B or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Insulation**. Pursuant to Title 16, Chapter I, Section 460.16 of the Code of Federal Regulations, the insulation that is or will be installed in the Home where conditioned space meets unconditioned space is as follows and will, according to the manufacturer, yield the R-values stated:

INDOOR ENVIRONMENTAL QUALITY DISCLOSURE

THIS INDOOR ENVIRONMENTAL QUALITY DISCLOSURE (this "Disclosure") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") dated as of the twenty-fifth day of SEPTEMBER, 2011, between Danny Morrow, ~~Ellen Morrow~~ (collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 0005 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "Community").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Disclosure to the Agreement shall be deemed to include references to this Disclosure and to any other disclosure and/or addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Indoor Environmental Contaminates**. There are many different types of indoor environmental contaminants, such as pet dander, dust mites and mold. Molds and other potential contaminants have been a part of our environment for millions of years. Contaminants are everywhere, indoors and outdoors. Therefore, everyone is exposed to some contaminants on a daily basis without evident harm. Due to a number of factors, including the fact that sensitivities to various types of molds and other potential contaminants vary from person to person, there are no state or federal standards concerning acceptable levels of exposure to mold. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illness have been linked with biological pollutants in the indoor environment, including some forms of mold. However, many of these conditions also have causes unrelated to the indoor environment. Therefore, it is unknown how many potential health problems relate exclusively to poor indoor air. Buyer should determine for himself/herself whether Buyer, Buyer's family members or any other individuals who will occupy or use the Home have special needs or increased risk to these conditions. Buyer should carefully monitor the conditions in the Home for mold growth and other contaminants.

When excessive moisture or water accumulates indoors, mold growth can and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all molds or mold spores in an indoor environment. The key to controlling indoor mold growth is to control moisture.

There are many ways to help control moisture in and beneath the Home. The U.S. Environmental Protection Agency, the Consumer Product Safety Commission, the American Lung Association and others recommend taking measures such as those listed below to help control moisture in and beneath the Home. The following list is not meant to be all-inclusive.

- o Fix leaking plumbing and any other source of unwanted water immediately.
- o Maintain proper indoor humidity. Equipment that conditions the air, such as air conditioners, humidifiers and ventilation systems must be operated year round.
- o Raise the temperature in areas where moisture condenses on surfaces and open doors between rooms to increase air circulation in the Home, including doors to closets.
- o Have major appliances, such as furnaces, heat pumps, central air conditioners, window air conditioning units, ventilation systems and furnace attached humidifiers inspected, cleaned and serviced regularly by a qualified professional.
- o Clean and dry refrigerator, air conditioner and dehumidifier drip pans and filters regularly and make sure that refrigerator and freezer doors seal properly.
- o Keep water away from the foundation of the Home by maintaining required slopes, drainage and keeping plantings and sprinklers the proper distance from the Home.
- o If there is a sump pump in the Home, inspect it regularly to ensure that it is properly operating.
- o If there is a crawl space or structural sub-floor, inspect the ground beneath the floor on a regular basis to make sure there is no standing or excessive water. If there is standing or excessive water, seek professional assistance to remove the water. If Buyer is interested in finishing the basement, only do so after consulting an expert to determine the suitability of the basement for a finished area.

The following are suggestions that may assist Buyer in preventing and addressing mold growth in the Home.

- o It is important that Buyer responds promptly when Buyer sees signs of moisture or mold.
- o Do not allow moisture to stand or make contact with carpet, furniture and cellulose-based materials, such as wood, drywall or other non-tile, non-plastic or non-metal materials.
- o Dry all water damaged areas and items immediately to prevent mold growth.
- o If mold develops, clean up the mold by washing off hard surfaces with detergent and water and completely dry the surface.
- o Depending upon the nature and extent of the mold infestation, trained professionals may be needed to assist in the remediation effort.
- o Mold that is not properly and adequately removed may reappear.

Proper maintenance and cleaning of the Home is the responsibility of each homeowner and will lessen the potential for water intrusion and help to control indoor environmental contaminants. Further, it is the responsibility of each homeowner to monitor their Home on a continual basis for excessive moisture, water and mold accumulation. If Buyer discovers accumulation of water or moisture in, around or under the Home, Buyer should immediately seek to control the source of the water or moisture. Failing to control the source could result in additional damage and the growth of mold. Plumbing leaks and water penetrations that are covered by the Limited Warranty, if any, during the term of the Limited Warranty must be reported to Seller immediately. If the Limited Warranty has expired or does not cover the specific problem, Buyer should not delay in having professionals address the problem. Seller will not be responsible for, and Buyer agrees to indemnify and hold harmless Indemnified Parties from and against all Claims in connection with, water-related damages, including personal injuries or property damage caused by mold, but only to extent that the damages are caused by (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction. Buyer also agrees to waive all rights of subrogation for damages resulting from water-related damages, mold growth, any personal injuries, or any remediation resulting from (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction.

3. **Counterparts**. This Disclosure may be executed in counterparts, a complete set of which shall form a single Disclosure.

4. **Conflicts**. In the event of any conflict between this Disclosure and the Agreement or any other addenda and/or riders, this Disclosure shall control. In all other respects, the Agreement shall remain in full force and effect.

5. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

FHA/VA ADDENDUM

THIS FHA/VA ADDENDUM (this "**Addendum**") s executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the twenty-fifth day of SEPTEMBER, 2011, between Danny Morrow, ~~Ellen Morrow~~ ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0005 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. Defined Terms. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. FHA/VA. BUYER AGREES TO PROCEED WITH THE PURCHASE OF THE HOME AFTER HAVING READ BUYER'S RIGHTS AND PRIVILEGES, AS SET FORTH BELOW:

2.1 FHA Loans.

2.1.1 It is expressly agreed that, notwithstanding any provisions of the Agreement (contract) to the contrary, Buyer (purchaser) shall not incur any penalty by forfeiture of earnest money deposits or otherwise be obligated to complete the purchase of the Home (property described herein) unless Buyer (purchaser) has been given in accordance with the Department of Housing and Urban Development ("**HUD**"), Federal Housing Administration ("**FHA**") or United States Department of Veterans Affairs (the "**VA**") requirements, a written statement by the Federal Housing Commissioner, the VA, or a Direct Endorsement lender setting forth the appraised value of the Home (property) (for mortgage purposes) of not less than $ 175,072.00 (which statement Seller agrees to deliver to Buyer (purchaser) promptly after such Appraised Value Statement is made available to Seller). Buyer (purchaser) shall have the privilege and option of proceeding with the consummation of the Agreement (the contract) without regard to the maximum mortgage the Department of Housing and Urban Development will insure. HUD DOES NOT WARRANT THE VALUE OR THE CONDITION OF THE HOME (PROPERTY). BUYER (PURCHASER) SHOULD SATISFY HIMSELF/HERSELF THAT THE PRICE AND CONDITION OF THE HOME (PROPERTY) ARE ACCEPTABLE.

2.1.2 In the event the value of the Property set forth in the Appraised Value Statement is less than the Total Purchase Price, Buyer shall have the right to exercise the above-mentioned privilege and option to proceed at the Total Purchase Price, which is over and above the FHA Appraised Value Statement, by giving Seller written notice of Buyer's intention to do so in accordance with the Agreement notice requirements. Said notice shall be given within five (5) days of Buyer's receipt of the FHA appraisal by returning to Seller a copy of this Addendum executed by Buyer in the "AGREE TO PROCEED" signature block below. In the event Buyer fails to give proper notice hereunder of Buyer's intention to proceed at the Total Purchase Price, the Agreement shall automatically become null and void and the parties shall promptly execute a written release of Buyer's Deposit, pursuant to which the Deposit shall immediately be returned in full to Buyer.

2.1.3 Buyer agrees to pay a mortgage insurance premium as required by FHA. Buyer has the right to pay the entire premium at the time of Closing or the premium may be added to the loan amount and financed over the term of the loan. If Buyer elects to add the premium to the loan amount, the total loan amount shall consist of the Cash to Close amount specified in the Purchase Price and Payment Addendum, plus the mortgage insurance premium. Pursuant to FHA regulations, Buyer shall pay an annual premium, if required, in addition to the up-front (or financed) premium. Said additional premium shall be paid monthly on a declining balance (excluding the portion of the balance, if any, attributable to the up-front premium).

2.1.4 All parties acknowledge that the processing of a government loan is not subject to specific time limitations. Nevertheless, Buyer agrees to diligently pursue such loan commitment.

2.1.5 Seller and Buyer certify that the terms of the Agreement are true and complete to the best of their respective knowledge and belief. Seller and Buyer further certify that all agreements relating to this real estate transaction have been fully disclosed and are covered in the Agreement, including any addenda attached thereto. Seller and Buyer understand that the failure to provide a complete and accurate copy of the Agreement could jeopardize this transaction. If there are any subsequent changes to the Agreement, the undersigned will submit them promptly to the Lender.

2.1.6 Buyer acknowledges that Buyer has read and completed the attached U.S. Department of Housing and Urban Development form HUD-92564-CN entitled "For Your Protection: Get a Home Inspection".

2.2 VA Loans.

2.2.1 It is expressly agreed that, notwithstanding any provisions of the Agreement to the contrary, Buyer shall not incur any penalty by forfeiture of earnest monies or otherwise be obligated to complete the purchase of the Home if Buyer cannot obtain a loan guaranteed by the VA, including without limitation, if the Total Purchase Price exceeds the reasonable value of the Home established by the VA or a VA lender pursuant to the Lender Appraisal Proceeding Program ("**LAPP**"). Buyer shall, however, have the privilege and option of proceeding with the consummation of the Agreement without regard to the amount of reasonable value established by the VA or a VA lender with LAPP authority. Buyer agrees that should Buyer elect to complete the purchase at an amount in excess of the reasonable value established by the VA or a VA LAPP

lender, Buyer shall pay such excess amount in cash from a source that Buyer agrees to disclose to the lender and the VA, which source Buyer represents and covenants will not be from borrowed funds except as approved by the VA.

2.2.2 To exercise the above-mentioned privilege and option to proceed at the Total Purchase Price, which is over and above the amount of reasonable value established by the VA or a VA LAPP lender, Buyer shall give Seller written notice of Buyer's intention to do so in accordance with the Agreement notice requirements. Said notice shall be given within five (5) days of Buyer's receipt of the amount of reasonable value established by the VA or a VA LAPP lender by returning to Seller a copy of this Addendum executed by Buyer in the "AGREE TO PROCEED" signature block below. In the event Buyer fails to give proper notice hereunder of Buyer's intention to proceed at the Total Purchase Price, the Agreement shall automatically become null and void and the parties shall promptly execute a written release of Buyer's Deposit, pursuant to which the Deposit shall immediately be returned in full to Buyer.

2.2.3 VA DOES NOT WARRANT THE VALUE OR THE CONDITION OF THE HOME (PROPERTY). BUYER (PURCHASER) SHOULD SATISFY HIMSELF/HERSELF THAT THE PRICE AND CONDITION OF THE HOME (PROPERTY) ARE ACCEPTABLE.

2.3 Special Trust Account. If Buyer is financing the purchase of the Home with a VA guaranteed loan, the Deposit received from Buyer prior to Closing shall be placed in a special trust account with SunTrust Bank ("**Escrow Agent**") in accordance with the provisions of an Amended and Restated VA Escrow Agreement ("**VA Escrow Agreement**") between Lennar Corporation on behalf of Seller and the Escrow Agent, and as required under 38 U.S.C. §3706 or other applicable law. In the event that the Agreement is cancelled for any reason other than Seller's default and pursuant to the provisions of the VA Escrow Agreement, if Buyer seeks a refund of the Deposit from Seller and Seller refunds the Deposit directly to Buyer, Buyer hereby authorizes the Escrow Agent to reimburse Seller for such refund. In consideration for either Seller's or Escrow Agent's refund of the Deposit to Buyer, Seller and Lennar Corporation shall be unconditionally released from any claim arising out of or related to the Deposit and purchase of the Home and Escrow Agent shall be unconditionally released from any claim arising out of or related to the escrow of the Deposit in connection with the purchase of the Home.

For Your Protection: Get a Home Inspection

Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

- ✔ Evaluate the physical condition: structure, construction, and mechanical systems;
- ✔ Identify items that need to be repaired or replaced; and
- ✔ Estimate the remaining useful life of the major systems, equipment, structure, and finishes.

Appraisals are Different from Home Inspections

An appraisal is different from a home inspection. Appraisals are for lenders; home inspections are for buyers. An appraisal is required to:

- ✔ Estimate the market value of a house;
- ✔ Make sure that the house meets FHA minimum property standards/requirements; and
- ✔ Make sure that the property is marketable.

FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA can not give or lend you money for repairs, and FHA can not buy the home back from you. That is why it is so important for you, the buyer, to get an independent home inspection. Ask a qualified home inspector to inspect your potential new home and give you the information you need to make a wise decision.

Radon Gas Testing

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the toll-free National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236. As with a home inspection, if you decide to test for radon, you may do so before signing your contract, or you may do so after signing the contract as long as your contract states the sale of the home depends on your satisfaction with the results of the radon test.

Be an Informed Buyer

It is your responsibility to be an informed buyer. Be sure that what you buy is satisfactory in every respect. You have the right to carefully examine your potential new home with a qualified home inspector. You may arrange to do so before signing your contract, or may do so after signing the contract as long as your contract states that the sale of the home depends on the inspection.

2. **Cooperating Broker**. Notwithstanding anything contained in the Agreement to the contrary, Seller and Cooperating Broker acknowledge that Buyer has dealt with the following brokerage firm in connection with the purchase of the Property ("**Cooperating Broker**"):

Date of Registration: 09/23/2011

Seller agrees to pay Cooperating Broker, at Closing, a commission in the amount of three percent (~~3%~~ 4.5) of the **Base Purchase Price plus the Homesite Premium less any builder incentives and/or discounts to the Base Purchase Price**, as that amount is determined by the Purchase Price and Payment Addendum (the "**Commission**"), subject however to the terms and conditions set forth below and in the Broker Participation Policy ("**Participation Policy**"). As set forth herein, "incentive" shall mean the total dollar value of all consideration, incentives, discounts, credits, reductions, gifts or other inducements offered or arranged by Seller in connection with Buyer's purchase of the Property, including, without limitation, any: reduction or discount in the Total Purchase Price, Base Purchase Price, or the Homesite Premium; credit for or contribution toward Closing Costs; payment of or contribution toward assessments or capital contributions charged by any homeowner's association or Seller; payment of or contribution toward homeowner's casualty or liability insurance, and/or lease payments; financing incentive such as payment of buy down fees to the Lender; and retail value of any gift to Buyer. Cooperating Broker agrees that it shall look to Buyer for any other commission due to Cooperating Broker that is in excess of the Commission payable by Seller pursuant to this Agreement and for any commission due to any other real estate brokers or salesmen claiming to have represented Buyer in connection with the purchase of the Property. Notwithstanding the foregoing, Seller agrees to pay any and all commissions due to Seller's New Home Consultants working in Seller's sales office.

3. **Sales Associate of Cooperating Broker**. By signing below, sales associate or designated agent of Cooperating Broker ("**Sales Associate**") agrees, on behalf of himself/herself and on behalf of Cooperating Broker, to the terms of this Agreement. Without limiting the foregoing, Sales Associate agrees that Seller's sole responsibility hereunder is to pay the Commission to Cooperating Broker in the manner described above. Any other amounts payable to Sales Associate and/or Cooperating Broker shall be the sole responsibility of Buyer, if provided for in a separate agreement between Cooperating Broker and Buyer. In addition, Sales Associate hereby personally represents and warrants that Sales Associate has full power and authority to execute and deliver this Agreement on behalf of Cooperating Broker and that such execution of this Agreement on behalf of Cooperating Broker has been duly authorized by all necessary and proper corporate action of Cooperating Broker.

4. **Participation Policy**. By signing this Agreement, Sales Associate acknowledges that Sales Associate has read and agrees, on behalf of such Sales Associate and Cooperating Broker, to comply with the terms and conditions in the Participation Policy set forth below. This Agreement shall be null and void if Seller determines, in its absolute discretion, at any time before Closing that Sales Associate and/or Cooperating Broker has/have violated the terms of the Participation Policy. The Participation Policy follows:

4.1 In order for Cooperating Broker to receive a commission in connection with the sale of real property in the Community, Cooperating Broker or Sales Associate must register a prospective buyer (the "**Prospect**") in person at the sales office for the Community (phone registrations will not be accepted). Cooperating Broker or Sales Associate must accompany the Prospect during Prospect's initial visit. If the tracking system used at the sales office for the Community indicates that the Prospect was initially introduced to the Community via the internet, and/or initially registered at the sales office without being accompanied by Cooperating Broker or Sales Associate, neither Cooperating Broker nor Sales Associate

shall be entitled to receive a commission in connection with the sale of real property in the Community to such Prospect. This registration is effective for the period of their realtor buyers contract ("**Registration Period**"). Cooperating Broker may extend the Registration Period as needed.

4.2 Cooperating Broker shall be entitled to receive the Commission, provided that the Prospect (i) is properly registered, (ii) contracts to purchase a home from the on-site sales staff in the Community ("**New Home Consultant**") before the expiration of the Registration Period, and (iii) closes on the transaction pursuant to the Purchase and Sale Agreement for the Property. Notwithstanding the foregoing, in the event two or more brokers claim that they are entitled to a commission from having registered a Prospect, the cooperating broker who is the procuring cause of the sale will be entitled to the commission. This registration, or any extension thereof, does not protect Cooperating Broker or Sales Associate from another broker or sales associate registering the same Prospect in the Community.

4.3 Seller will pay the Commission to Cooperating Broker, provided that the terms and conditions contained herein are satisfied and except–as otherwise set forth above relating to later-registering cooperating brokers. In all cases, Sales Associate agrees to look solely to Cooperating Broker for payment of any commission. By way of example, if Sales Associate terminates his/her employment with a registered Cooperating Broker who is entitled to a commission pursuant to this Participation Policy, then Sales Associate shall have no claim against Seller with respect to such commission.

4.4 Cooperating Broker and Sales Associate acknowledge that this Participation Policy, the registration forms, sign-up sheets and other incentives, contracts, or forms given to Prospects or buyers of homes are trade secrets of Seller. Cooperating Broker agrees to indemnify, defend and hold Seller harmless from and against any and all claims, demands, damages, losses, costs and expenses of whatever nature or kind, including reasonable attorneys' fees, paraprofessional fees and costs relating to or arising out of any claim against Seller as a result of conduct or representations made by Cooperating Broker and/or Sales Associate. 4. **Counterparts**. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

5. **Conflicts**. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

6. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

RICEFIELD WAY and THE ABBEY AT SPRING GROVE PLANTATION
MASTER DISCLOSURE AND INFORMATION ADDENDUM TO
PURCHASE AND SALE AGREEMENT
SOUTH CAROLINA

THIS MASTER DISCLOSURE AND INFORMATION ADDENDUM (this "**Addendum**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") entered into as of the Twenty-Fifth day of September, 2011, between Danny Morrow, ~~Ellen Morrow~~ ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0005 of Building/Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as **Spring Grove Plantation** (the "**Community**").

1. **Defined Terms.** All capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Community.** The Property lies within a neighborhood known as Ricefield Way or The Abbey at Spring Grove Plantation (the "**Neighborhood**"), which lies within a community known as Spring Grove Plantation (the "**Community**"). This Addendum explains certain terms which are applicable to the purchase of Homes within the Community and the Neighborhood. Current plans are for Ben McCormick Homes, Harbor Homes and First Coast Homes to build homes in the Community. Other builders besides Seller may be added or deleted from the list of builders in the future. Seller, and any other builder in the Community, shall have the right, without notice to Buyer, to make changes to, among other things, homesite sizes, number of homes being built, size and style of homes being built, features and materials in homes being built, prices of homes (whether more or less than currently published), price per square foot of homes (whether more or less than currently published), street layout, amenity layout, and usage, location, size and number of trees, bushes and other foliage (current and future), and any other items or uses which are currently planned for the Community or the Neighborhood. Seller makes no representation or warranties that Seller will be the exclusive builder or developer in the Community or the Neighborhood or that the Community or the Neighborhood will be built out exactly as currently planned, and Seller expressly reserves the right to make whatever changes it deems necessary relating to future development or build out of the Community and the Neighborhood. Any current maps or other materials showing any final or projected community development may be modified or updated in the future.

SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES WITH REGARD TO THE DEVELOPMENT OF HOMESITES IN AND AROUND THE COMMUNITY. HOMESITES IN AND AROUND THE COMMUNITY MAY REMAIN UNDEVELOPED AT THE SOLE DISCRETION OF SELLER, OTHER BUILDERS IN THE COMMUNITY, AND/OR THE DEVELOPER OF THE COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO SELLER BEING THE SOLE OR EXCLUSIVE BUILDER WITHIN THE COMMUNITY. SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO CONTINUING TO BUILD IN THE COMMUNITY THROUGH FINAL BUILD OUT AND/OR BUILDING UPON ANY UNDEVELOPED HOMESITE(S). FURTHERMORE, IT IS UNDERSTOOD THAT NO REPRESENTATIONS, ESTIMATES OR PROJECTIONS HAVE BEEN CONVEYED REGARDING THE FINAL BUILD OUT TIME OF ANY UNDEVELOPED HOMESITE(S) OR THE OVERALL COMPLETION SCHEDULE OF THIS COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER CONSTANTLY EVALUATES THE PRICING, DESIGNS, PRODUCT MIX AND AMENITIES OF ITS COMMUNITIES AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING WHETHER TO CONTINUE TO BUILD HOMES WITHIN THE COMMUNITY AND BUYER IS NOT RELYING UPON ANY OF THE FOREGOING IN DECIDING TO PURCHASE THE PROPERTY.

3. **Governing Documents.** Buyer acknowledges receipt, either in hard-copy or via internet or electronic means, of all documents ("**Governing Documents**") for the Community and the Neighborhood.

3.1 Buyer acknowledges receipt of, and agrees to be bound by the Declaration for Spring Grove Plantation Community (the "**Declaration**"), the Articles of Incorporation, By-Laws and any Rules and Regulations of Spring Grove Plantation Community Service Association, Inc., all as amended and supplemented from time to time (collectively, the "**Community Documents**"). Buyer acknowledges and agrees that title to the Home will be subject to the Community Documents.

3.2 The Property will be subject to certain deed restrictions as reflected in the General Limited Warranty Deed executed by Seller and furnished to Buyer at Closing. The deed restrictions run with the Homesite and require, among other things, that (i) buyer give Seller notice of Seller's defaults or any Claim (as defined therein) after Closing and (ii) Seller have an opportunity to inspect and cure defects in the Home. The deed restrictions further require the arbitration of any Claim against Seller that cannot be resolved.

3.3 Buyer acknowledges the provisions of the Governing Documents are fair and reasonable.

4. **Association Memberships.**

4.1 Upon conveyance and recording of the Deed to the Home, Buyer understands and agrees that Buyer will then become a member of the Spring Grove Plantation Community Service Association, Inc., a South Carolina nonprofit corporation (the "**Association**"). Buyer agrees to accept the liability and obligations of

such memberships. Buyer understands that as a member of the Association, Buyer will be required to pay Assessments (as defined in the Governing Documents) for the maintenance of the Common Areas (as defined in the Governing Documents) and for such other uses and purposes as are provided for in the Governing Documents. Buyer also understands and agrees that a failure to pay Assessments when due could cause the Association to record a lien on the Home and to foreclose such lien. Assessments are subject to additional increases in the manner currently provided for in the Governing Documents. Neither Seller, the Association, nor any other builder can estimate the amount or frequency of any such increase.

4.2 Buyer acknowledges that nominees of Seller, and the developer of the Community and the developer of the Neighborhood may serve as the initial officers and directors of the Association. The officers and directors and the management company, which may be an affiliate of Seller, are authorized by Buyer to act for and on the behalf of the Association. Seller may, but is not required to, advance monies to the Association for operations. In the event such advances are made, they will be considered a loan from Seller, and the Association will be obligated to repay such advances as set forth in the Community Documents.

4.3 Buyer acknowledges that all new construction and modifications of existing construction and exterior improvements within the Community are subject to the prior written approval of the appropriate architectural review, design review or similar committee or authority, which is appointed by the Board of Directors of the Association. Buyer agrees to comply with all rules and regulations of the appropriate authority (or authorities) governing construction of improvements within the Community and the Neighborhood as the same may be amended and exist from time to time. These restrictions are subject to change without notice. Building and use restrictions include, but are not limited to, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, the developer of the Community, the developer of the Neighborhood and homebuilder(s), leases and restoration of homesites. Buyer agrees not to commence any construction upon the Homesite until it has obtained all requisite written approvals therefore. Buyer further agrees not to make any modifications of any existing buildings and improvements, including, but not limited to, landscaping and landscape irrigation, without the prior written approvals of the appropriate authority (or authorities) pursuant to any city, county or state regulation and pursuant to recorded covenants, conditions or restrictions governing the land. In addition, every city, county or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to the Home or Homesite, Buyer should contact the applicable governmental authorities for further information concerning local codes and ordinances. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required.

4.4 Approval of any work by the appropriate reviewing authority or authorities shall not constitute an express or implied warranty of representation that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designated or will be constructed in a proper manner.

4.5 Failure to submit plans and specifications to the appropriate reviewing authority or authorities for approval is a violation of the provisions of the Declaration and/or applicable deed restrictions, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, any of non-approved improvements or modifications.

5. **Community Charges**. In addition to the Closing Costs set forth in Rider B, Buyer shall pay the following additional Closing Costs respecting the Community:

5.1 Association Assessments. Assessments payable to the Association ("**Association Assessments**"), prorated for the month in which the Closing occurs (based on the then current Assessments at the time of closing). Such Assessments are estimated to be $300.00 per year at this time. Buyer understands that the estimated operating budget for the Association is only an estimate of what it will cost to run the Association. The Association may make changes in the budget at any time to cover increases or decreases in expenses or estimates in the budget. Without limiting the generality of this Section, those changes will not give Buyer any right to cancel the Agreement.

5.2 Association Initial Capital Contribution. Buyer acknowledges that among other Assessments provided for in the Community Documents, the Association has established an initial capital contribution ("**Initial Capital Contribution**"). Buyer acknowledges that upon conveyance of the Property an Initial Capital Contribution in an amount equal to $300.00 (or such amount as determined from time to time) is due. The Initial Capital Contribution may be used for any reason whatsoever including, without limitation, reimbursement for costs in setting up the Association and costs of deficit funding. Buyer acknowledges and agrees that the Initial Capital Contribution is not to be considered as an advance payment of Assessments.

5.3 Resale Capital Contribution. Buyer acknowledges that the Association may establish a Resale Capital Contribution (as defined in the Governing Documents). For more information on the Resale Capital Contribution, please refer to the Governing Documents.

6. **Security**. The Community is not a gated community and the roads in the Community are public.

7. **Building and Use Restrictions**. Every homesite is subject to building and use restrictions as set forth in the Declaration. These restrictions are subject to change without notice. Building and use restrictions may affect,

among other things, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, satellite dishes, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, any developer and homebuilder(s), leases and restoration of homesites. Seller encourages you to carefully review the Declaration and to ensure the long-term quality of life for both you and your neighbors.

8. **Municipal Building Codes And Ordinances.** Every city or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to your Home or Homesite, you should contact the Building Inspector for Berkeley County at 843.719.4095 for further information concerning local codes and ordinances. Seller is not responsible for notifying Buyer or any other homeowners of the content or restrictions contained in any local codes or ordinances.

9. **Architectural Review.**

9.1 The Declaration currently provides that no improvements shall be commenced upon any homesite, nor shall the exterior color, style and materials of an approved structure on a homesite be altered without the prior written approval of the Architectural Control Committee ("ACC"), as applicable, which is appointed by the Board of Directors of the Association. Improvements constructed by Seller or the developer of the Community, or the Neighborhood, as applicable, are exempt from this requirement. Approval of any work by the ACC shall not constitute an express or implied warranty or representation by the ACC that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designed or will be constructed in a proper manner. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required. For more information concerning architectural review, please review the Declaration.

9.2 Failure to submit plans and specifications to the ACC for approval is a violation of the Declaration, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, of any non-approved modifications.

10. **Pet Restrictions.** Buyer understands that the only pets allowed in the Neighborhood and the Community are those which are in accordance with the restrictions contained in the Community Documents or any amendments thereto.

11. **Short-Term Rentals.** Buyer acknowledges that homes in the Community may be rented for any length of time, subject to certain restrictions set forth in the Community Documents.

12. **Flood Zone.** Buyer acknowledges that the Property may be in a flood zone. Mortgage lenders will typically require the issuance of flood insurance as a requirement for financing, which insurance must be present at Closing. Seller recommends that each Buyer of a Home protect his/her Home by obtaining proper insurance coverage. It is possible, however, for Buyer to submit documentation to the Federal Emergency Management Agency (FEMA) to have the Home re-classified by FEMA, whereby the mortgage lender may have the option to waive the requirement of flood insurance. Buyer is solely responsible for the submission to FEMA for such re-classification and any and all expenses related to such submission. Further, Buyer acknowledges and understands that the waiver of flood insurance is at the sole discretion of the mortgage lender.

13. **Utilities.**

13.1 Buyer acknowledges that no septic tanks shall be permitted within the Community and the Neighborhood. No wells shall be installed without the express written consent of the ACC and all other applicable government agencies.

13.2 Some homesites contain or are adjacent to drainage and utility structures such as storm water overflow swales, storm water retention and/or detention basins, manholes, fire hydrants, electrical transformers, switch boxes, telephone pedestals and streetlights. None of these items shall be altered, obstructed, buried, modified, restricted or interfered with in any manner whatsoever. Overflow swales are generally utilized for overflow storm water capacity as a result of water drainage. Electrical transformers may only be landscaped to the extent permission is given by the utility provider. In some cases, water may flow from one homesite to another. State law may provide that the owner of the homesite receiving water is required to accept the water flow and may not impede the flow of this water. In addition, the Property will be graded to provide for reasonable drainage away from the Home's foundation. The vast majority of foundation problems are caused by insufficient drainage or lack of watering of soil around the foundation. Buyer should keep Buyer's lawn well watered to maintain consistent moisture content and avoid excess wetness, dryness or cracking of soil. The construction of curbs, decks, retaining walls, pools, spas, patios, landscape edging and similar items can also trap water within the yard area and cause structural damage to the Home's foundation. Seller strongly recommends that Buyer consult with a licensed landscape architect and civil engineer before performing any work or making any changes that may affect the existing drainage pattern.

13.3 Berkeley County provides water to the Community. Because Seller does not control the water supply, Seller cannot guarantee the quality of the water provided to the Community. In addition, this area is periodically subjected to extended periods of drought that may cause depletion of water supplies. Municipalities and other providers of water services (including the Town of Moncks Corner) may enact mandatory or voluntary cut backs or other restrictions in water usage. Seller has no control, influence, responsibility or liability for or over decisions concerning water rationing.

13.4 If Buyer has any questions about utility rates, services, safety, or anything else to do with overhead or underground transmission or utility lines, Buyer should contact the utility companies directly. Because Seller values Buyer's safety and that of Buyer's neighbors, no excavation or trenching should be done without first calling the utility companies for the location of buried utilities. There is currently no charge by the utilities for this service. This is especially important in utility easements where buried utility equipment is probable. Digging without advance notification and approval of the utility companies may be illegal, is dangerous and can result in severe personal injury or death to Buyer and Buyer's neighbors, and can also result in severe property damage to homes, property and utility equipment.

14. Waterbodies. BUYER ACKNOWLEDGES THAT THE WATER LEVELS OF LAKES, PONDS OR OTHER WATERBODIES WITHIN THE COMMUNITY AND/OR THE NEIGHBORHOOD MAY VARY. THERE IS NO GUARANTEE BY SELLER, THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT.

15. Regulatory And Governmental Approvals. The zoning, plans, etc. have been approved by Berkeley County. The development of the project, lot, sidewalks, etc. is subject to approval by Berkeley County. For more information on the approvals required and pending in the Community, Buyer should contact the Berkeley County Planning & Zoning Department at 843.719.4095.

16. Prices/Market Values. Seller, and any other builder in the Community, shall have the unilateral right to establish prices for the homes it builds in the Community. Seller and any other builder in the Community may, at its sole discretion, increase or decrease the price or the price per square foot for any home, homesite or option at any time, or offer incentives for sales of homesites and homes, all without notice to Buyer. Once Buyer has signed the Agreement establishing a price for the Property, the prices for any subsequent changes or upgrades to the Home as requested by Buyer, including but not limited to design, floor plan, options, materials or otherwise, are subject to change by Seller until a written and signed agreement on the price is reached by Seller and Buyer for such change or upgrade. Seller makes no representations or warranties that the price for the Property or options in the Home will be increased or decreased for other buyers of identical or similar homes or options. Seller also makes no representations or warranties that changes or options made by Buyer will or will not increase or decrease the market value of the Property. The Property is being sold for residential purposes and not as an investment.

17. Construction And Sales Activities. BUYER ACKNOWLEDGES THAT SOME AREAS OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNDER CONSTRUCTION AND DEVELOPMENT FOR AN EXTENDED TIME. INCIDENT TO THE DEVELOPMENT PROCESS, THE QUIET ENJOYMENT OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNAVOIDABLY INTERFERED WITH TO SOME EXTENT BY THE CONSTRUCTION OPERATIONS. Construction, development and sales activities in the Community and/or the Neighborhood will likely occur after Buyer has taken occupancy of Buyer's Home. Depending upon Buyer's sensitivities, this may result in some inconvenience to Buyer and Buyer's family and guests due to increased noise, dust, road closures, operation of the model homes and sales offices, and other activities. Construction activities can occur at various hours throughout the day, and sales activities can result in additional traffic and visitors throughout the Community, particularly before the Community is completely built out. Neither Seller nor any other builder that may be active in the Community can guarantee that Buyer will not be affected or impacted as a result of the overall construction and development of the Community. Seller gives no guarantees or assurances on the active time of the Community model homes. Homesites across the street or next to the model homes may remain undeveloped until Seller determines that these homesites are no longer needed for marketing purposes.

18. Views. Future development and construction activities in the Community can and will modify the view from homesites (including but not limited to the Homesite). Trees and other foliage may be added or removed from lots or common areas of the Community. Additional housing and other improvements will be added within the community. Because future development and construction activities in the Community will modify views from homesites, Seller does not warrant or guarantee any existing views will be maintained in the future relative to the Property.

19. Streetlights. Numerous streetlights will be installed within the Community, many of which will be installed after homes have been completed, sold and occupied. Streetlights are sized and placed in accordance with Town ordinances and governmental requirements, and could in some instances generate light in or obstruct views from homes in the Community. Information about streetlight size, light output, design and location of streetlights within the Community can be obtained from the service provider.

20. Trees And Foliage. The Community contains numerous native trees of various sizes and varieties. While Seller has taken great care during the planning and construction of the Community to save trees, future development and construction will require the removal of additional trees, shrubs and other foliage and, therefore, Seller does not guarantee the preservation of any trees, shrubs, ground cover or other foliage in the Community or Buyer's Homesite, and cannot be responsible for short or long-term damages to foliage due to construction or development activities. Seller makes no representation or warranty that trees on the Homesite being purchased or any other homesite or common area in the Community will not be removed. All care and maintenance of foliage on an individual homesite is the responsibility of the homeowner, and Seller does not guarantee or warranty the survival of any foliage. Berkeley County has adopted a Tree Ordinance regulating the removal of any tree over a certain size. Before removing a tree, Buyer should contact Berkeley County to ensure that its regulations are adhered to. The Declaration also contains restrictions regarding the removal of any tree over a certain size. Buyer should contact the Association to ensure that its regulations are adhered to.

21. Facilities And Conditions Affecting Homesites.

21.1 The information set forth in this section contains an overview of facilities and conditions which may affect some or all homesites in the Community (including but not limited to the Homesite). Because Seller does not have control over development outside of the Community, Seller does not warrant or guarantee any future development, usage, or lack of development or usage for properties located outside of the Community, or their possible impact on the residents of the Community. For additional information about offsite features that may affect the purchase of the Property, please contact the local governmental authorities having jurisdiction over the Community.

21.2 Seller advises Buyer that some of the homesites (including but not limited to the Homesite) are or may be adjacent to or near some of the following:

DRAINAGE CHANNEL, AIRPORT, RAILROAD TRACKS, STORM WATER DETENTION FACILITY, COMMUNITY CENTER, ELEVATED WATER STORAGE TOWER, SCHOOL FACILITY, PARK SCHOOL SITE, SPORTS FACILITY OR BALL FIELD, COMMUNITY LAKES, PARK AND/OR RECREATION FACILITY, WATER PLANT/SEWER PLANT, LIFT STATION, CELLULAR PHONE, RADIO, TELEVISION OR OTHER TOWER ANTENNA SITE, HIGH VOLTAGE TRANSMISSION LINES OR PIPELINE EASEMENT.

Buyer acknowledges that such facilities may impact noise, vibration, lighting, traffic and other conditions caused by daily operations of the facility. Drainage channels, lakes and storm water detention facilities will have varying levels of water for varying periods of time depending upon rainfall.

21.3 Approximately 10 miles from the edge of the Community is the Charleston International Airport. Some flights landing at or taking off from the airport currently pass over the Community. Jets, helicopters or other aircraft may be seen or heard overhead from the Homesite or even from within the Home. The Charleston International Airport may, in the future, expand the Airport and its operations.

21.4 As a result of the open spaces and bodies of water in and around the Community, Buyer may periodically find wild animals within the confines of the Community including, but not limited to, skunks, nutria, opossums, deer, raccoons, spiders, snakes, bees, fire ants, and other insects common to the area. Contact with any wild animal can be dangerous. Should Buyer encounter any such animal, Buyer is encouraged to contact Buyer's local animal control office for further instructions.

21.5 Property West of the Community. The property west of the Community is currently comprised of agricultural and wooded land and land occupied by the Charleston Steel & Metal plant, Parker Gas Turbine Fuel Systems, and Mt. Holly Hill Park.

21.6 Property North of the Community. The property north of the Community is currently comprised of undeveloped woodlands and land used for residential purposes.

21.7 Property East of the Community. The property east of the Community is currently comprised of forested wetlands and undeveloped woodlands and land used for residential purposes. The property further east of the Community was occupied by the former Pattillo/Stone Mountain Industrial Park Site.

21.8 Property South of the Community. The property south of the Community is currently comprised of undeveloped woodlands and forested wetlands and land used for residential purposes.

21.9 Future Commercial/Retail Uses. The Community is located adjacent to properties which will be developed with major commercial and retail uses in the future. The development of such uses adjacent to the Community may increase traffic volumes, noise, outdoor lighting, pedestrian activity and other similar impacts resulting from commercial development.

21.10 Development of Adjacent Property. Buyer acknowledges that Seller's current construction plans for the Community where the Home and Homesite are located may change and that no representations or warranties are made concerning the development of the Community, or any property adjacent to, surrounding, or near such Community.

21.11 Public Ballfields. Public ballfields are located within the Community. The ballfields are or will be owned by the Association and the future use of the ballfields is in the discretion of Association.

21.12 Major Public Roads. The Community is located along portions of Old Hwy 52 and Cypress Garden Road. These roads may experience heavy traffic.

22. **Floor and Roof Truss Support**. The Home has been designed and constructed with the intent to support typical loads on the floor and roof trusses. Placing or storing excessive loads such as a waterbed or pool table, may result in the warping or failure of the supporting structural components of the Home.

23. **Real Estate Taxes**. When a new home is built, the full value of the home is typically not reflected in the real estate taxes until the second calendar year after construction has been completed. Seller is not responsible for communicating any information regarding real estate taxes (current or future) and cannot and will not predict what the taxes on the Home may be. Buyer should confirm any information provided concerning appraisals, tax valuation, tax rates or other tax-related questions, with Buyer's personal tax advisor and the local taxing authorities.

24. **Public Financing of Capital Improvements**. Berkeley County may finance certain capital improvements in the Community, may issue bonds in connection with such financing and may create one or more special tax districts

within the Community to provide for repayment of such bonds.

25. **Town and County Taxes, Charges And Fees**. Property within the Community is subject to Berkeley County taxes, utility charges, fees and may become part of a special taxing district. For additional information, contact the Tax Collector's office of Berkeley at 843.719.4030.

26. **Addendum Not A Substitute.** Buyer acknowledges and agrees that this Addendum is not a substitute for reading the entire Governing Documents. For a more detailed explanation of any section contained in this Addendum, refer to the Governing Documents.

27. **Pre-Sale Contingency.** Seller shall have the right to terminate this Agreement and cause Buyer's deposits to be refunded in the event that Seller does not enter into binding contracts to sell at least ten percent (10%) of the homes and homesites in the Community. Seller must, however, notify Buyer of such a termination at any time within one hundred eighty (180) days following the date of the first purchase agreement for the sale of a home in the Community, otherwise Seller will be required to construct the Community and the Home and otherwise proceed to perform its obligations under this Agreement. This shall not delay the effectiveness of this Agreement, which shall be immediate, but rather, shall be deemed a "condition subsequent" to this Agreement. In the event of Seller's termination of this Agreement pursuant to this Section, upon such termination and the return of Buyer's Deposit, Seller and Buyer will be fully relieved and released from all obligations and liabilities under and in connection with this Agreement. Seller agrees to use its good faith efforts to meet the foregoing pre-sale requirement.

28. **Third Party Developer**. Seller is not the developer/declarant of the Community ("**Developer**"). Buyer acknowledges that (i) Seller is neither related to nor a joint venture partner with Developer, (ii) Seller does not control the amenities (existing or planned), landscaping, or other improvements that Developer may provide within the Community in the sole and absolute discretion of Developer, (iii) Seller has neither prepared nor participated in the preparation of the Community budgets or any other financial information with regard to the Community, and (iv) any representations or warranties which relate to amenities or other matters contained within the Community shall not be construed as representations made by Seller nor shall such representations be relied upon by Buyer in Buyer's determination as to whether to purchase the Property located within the Community. Seller has no control or influence related to the construction timing, completion, changes in design, changes in location, or other major decisions, including the decision not to build future amenities. Buyer agrees to look solely to the Developer with respect to any matters regarding the Association, existing Community amenities, any proposed amenities, landscaping or other improvements.

29. **Statements Made By Sales Staff And Brokers**. Seller wants to ensure that Seller and Buyer are in full agreement on all terms and conditions relating to the Agreement. To best ensure that there are no misunderstandings, Buyer should ensure that all terms and conditions (including all statements, representations, or understandings upon which Buyer relies in purchasing the Home) are set forth in writing in the Agreement. **If there are any statements, representations or understandings which are made by a sales staff person or any other representative of Seller which are material to Buyer's decision to purchase, Buyer should insist that any such statement, representation or understanding is put in writing and contained in the Agreement. Seller reserves the right to reject the Agreement notwithstanding the inclusion of any such item in the Agreement.**

30. **Public School Assignment**. Seller does not control and cannot guarantee public school assignments for the Community. Because Seller does not control public school assignments, Seller cannot assure Buyer that public school assignments will not be changed in the future. For more information about public school assignments, Buyer should contact the Berkeley County School Board.

31. **Counterparts**. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

32. **Conflicts**. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

33. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

34. **Survival**. All of the terms of this Addendum shall survive Closing and the delivery of the Deed.

Buyer shall make further payments to Seller, including but not limited to any "Additional Deposit" or "Advanced Payment" (consisting of non-refundable deposit(s) for options, extras, and upgrades) as set forth in the Purchase Price and Payment Addendum attached hereto and made a part hereof. The term "**Deposit**" shall include the Initial Deposit, Additional Deposit and Advanced Payment.

3. **Legally Binding Agreement**. THIS AGREEMENT IS A LEGALLY BINDING CONTRACT. IF NOT FULLY UNDERSTOOD, PLEASE SEEK COMPETENT LEGAL ADVICE. NO WARRANTIES OR REPRESENTATIONS, OTHER THAN THOSE SPECIFIED IN THIS AGREEMENT, ARE EXPRESSED OR IMPLIED. ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF SELLER. FOR CORRECT WARRANTIES AND REPRESENTATIONS, REFERENCE SHOULD BE MADE TO THIS AGREEMENT, INCLUDING THE RIDERS AND ADDENDA ATTACHED HERETO, AND THE "**DOCUMENTS**" (AS SUCH TERM IS DEFINED IN RIDER B) PROVIDED TO BUYER, IF ANY.

4. **Financing**.

☐ **NO CONTINGENCY**. If this box is checked, this is a cash transaction and not contingent on financing. Buyer agrees to provide within five (5) calendar days from the Buyer's execution of this Agreement financial statements or other written verification of Buyer's ability to purchase the Property with cash. If Buyer does not (in Seller's sole judgment, based on the documentation provided by Buyer to Seller) have the financial ability to purchase the Property with cash, then Seller may terminate this Agreement by refunding to Buyer any paid Deposit.

☐ **MORTGAGE CONTINGENCY**. If this box is checked, this Agreement is contingent on Buyer obtaining a loan commitment within the Mortgage Contingency Period (as such term is defined in Rider B attached hereto) for a first mortgage loan from Universal

American Mortgage Company, LLC (an affiliate of Seller), or another qualified institutional mortgage lender of Buyer's choice ("Lender"), with interest, term and service charges at current market rates at time of Closing (as defined below) for a borrower of Buyer's credit qualifications (the "Mortgage Contingency"). Buyer agrees to apply within five (5) calendar days from the execution of this Agreement for a loan at the then prevailing interest rate and terms (the "Mortgage Contingency Period"). In the event Buyer chooses to obtain financing through a Lender other than Universal American Mortgage Company, LLC, Buyer agrees to promptly provide Seller, upon Seller's request, with the name, address and phone number of such Lender, the loan officer and the loan processor. Buyer shall furnish promptly and accurately to Lender all information and documents requested by Lender in connection with such application. If Buyer properly makes and pursues the loan application as provided herein but is unable to provide Seller with a copy of a written loan commitment reasonably satisfactory to Seller within the Mortgage Contingency Period, or if Buyer is at any time disapproved for such loan (and Buyer does not cancel or withdraw his/her loan application), then Seller, at its sole discretion, may cancel this Agreement by written notice to Buyer, at Buyer's last known address, in which event Seller shall refund any paid Deposit made by Buyer. If Buyer properly makes and pursues the loan application as provided herein but is unable to obtain mortgage loan financing, despite Buyer's good faith efforts to do so, and Buyer is not otherwise in default under this Agreement, and further provided that Buyer provides Seller with documentation from Lender that the loan has been declined, Buyer may cancel this Agreement by giving written notice to Seller within the Mortgage Contingency Period, in which event Seller shall refund any paid Deposit. If this Agreement provides for a VA guaranteed or FHA-insured loan, Buyer's obligation to complete the purchase contemplated under this Agreement is subject to the VA/FHA Addendum attached hereto and incorporated herein.

The following shall apply only if this Agreement is subject to the Mortgage Contingency, as indicated above:

4.1 Mortgage Loan. Unless Buyer shall have otherwise notified Seller in writing within the Mortgage Contingency Period, Buyer shall be conclusively presumed to have obtained the loan commitment or agreed to purchase the Property without mortgage financing, and the Mortgage Contingency shall be deemed to have been satisfied.

4.2 Application. Buyer understands that any loan application required under this Agreement must be fully completed in order to obtain the mortgage loan, and Buyer will make a good faith attempt to qualify for the mortgage loan. If Buyer has a spouse who does not constitute a Buyer under this Agreement, Buyer agrees to have his/her spouse sign the mortgage documents as required by Lender. BUYER AGREES TO INCUR NO DEBT SUBSEQUENT TO THE DATE HEREOF WHICH MIGHT JEOPARDIZE APPROVAL OF BUYER'S MORTGAGE LOAN. IF THE PROPERTY IS BEING PURCHASED BY A CORPORATION, PARTNERSHIP, OR OTHER ENTITY, BUYER AGREES TO (1) OBTAIN ANY PERSONAL ENDORSEMENTS OR GUARANTEES REQUIRED BY LENDER AND (2) PROVIDE TO LENDER AND/OR THE TITLE INSURER PROMPTLY UPON REQUEST SUCH CERTIFICATES, RESOLUTIONS OR OTHER CORPORATE, PARTNERSHIP OR OTHER ORGANIZATIONAL DOCUMENTS AS MAY BE REQUIRED. Except as provided in this Agreement, Buyer agrees to pay all loan fees and closing costs charged by Lender in connection with the mortgage loan. Buyer will pay any prepaid interest due on the mortgage loan at the time of Closing and any amount Lender may require to be put into escrow toward the payment of property taxes and insurance on the Property. Buyer will also pay any mortgage insurance premiums (prepaid or otherwise), if required by Lender.

4.3 Commitment. Buyer understands that the rate of interest on the mortgage is established by Lender and not by Seller and that any predictions or representations of present or future interest rate that may have been contained in any advertising or promotion by Seller are not binding. If Buyer obtains a written mortgage loan commitment and the mortgage loan commitment is subsequently withdrawn through no fault of Seller including, but not limited to, any condition to such loan commitment not being satisfied for any reason (other than failure of the Property to appraise equal to or greater than the Total Purchase Price), this Agreement shall remain in full force and effect and Buyer shall be conclusively presumed to have agreed to purchase the Property without mortgage financing. If the Lender's appraiser does not appraise the Property for the Total Purchase Price then Seller shall have the option in, Seller's sole discretion, to (i) lower the Total Purchase Price to the appraised value and Buyer shall proceed to Closing, or (ii) terminate this Agreement and return the Deposits to Buyer. If Buyer obtains a loan commitment containing any special condition that is not ordinarily contained in typical loan commitments for the Community, Seller, in Seller's sole discretion, may treat Buyer's loan application as having been denied; whereupon, Seller shall have the rights set forth in this Section 4.

4.4 Sale of Other Residence. Unless the Home Sale Contingency Addendum is executed, Buyer represents and warrants that this Agreement and the mortgage loan referenced herein, are not and will not be subject to or contingent upon Buyer's selling and/or closing on the sale of Buyer's present residence or other property. Failure to close on the purchase of the Property will constitute a default by Buyer and the remedies available to Seller for Buyer's default under this Agreement shall apply.

5. **Funds**. Any funds paid by Buyer under the terms of this Agreement to Seller through a check or cashier's check are accepted by Seller subject to collection. Buyer acknowledges that Seller shall have the right to deposit such check for the Initial Deposit without such action being deemed acceptance of this Agreement. If any such check is not paid by the bank after acceptance of this Agreement, Seller shall have the option to cancel this Agreement and declare Buyer in default. If Buyer provides any check for a Deposit in the form of Canadian currency (a "C$ check"), Seller's depository bank will convert such C$ check into a U.S. dollar amount using its currency procedures and exchange rate then in effect two (2) business days following the date of processing (the "Conversion Date") and the amount of the Deposit to be applied toward the Total Purchase Price shall be equal to the amount received by Seller from the depository bank on the Conversion Date. Seller reserves the right to charge or pass through any currency conversion-related fees or costs to the Buyer at Closing (as hereafter defined). Notwithstanding the foregoing or anything contained in the Agreement to the contrary, the balance of the Total Purchase Price plus all applicable Closing Costs (the "Closing Proceeds") shall be paid to Seller at Closing by wire transfer in immediately available funds or by cashier's check (subject to collection) issued by a bank with a branch in the County where the Property is located. If Buyer delivers all or any portion of the Closing Proceeds in the form of a cashier's check exceeding $25,000.00, then Buyer will not be entitled to possession of the Home until the Closing Proceeds have cleared.

6. **Credit Information Authorization**. Buyer authorizes Lender to whom Buyer has applied or is in the process of applying for a mortgage loan in connection with this transaction to disclose to Seller the information contained in any loan application, verification of deposit, income and employment, and credit reports or credit related documentation on Buyer. Buyer authorizes Seller to order one or more credit reports from a consumer reporting agency to be used in connection with this transaction. The cost of said report(s) is

(are) to be paid by Buyer. Buyer authorizes Seller to forward all copies of all or any portion of such report(s) without interpretation to Lender who (at the request of Buyer) will evaluate a potential extension of credit to Buyer in connection with this transaction. Buyer authorizes Lender, and any credit bureau or other person or entity utilized or engaged by Lender, to obtain one or more consumer reports regarding Buyer and to investigate any information, reference, statement, or data, provided to Lender by Buyer or by any other person or entity, pertaining to Buyer's credit and financial status. Buyer shall indemnify, defend and hold harmless Seller, its officers, directors, shareholders, employees, agents, contractors, subcontractors and suppliers ("Indemnified Parties"), Lender, and any credit bureau or other person or entity utilized or engaged by Lender or Seller, from and against any deficiencies, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, awards, suits, costs or disbursements of any kind or nature whatsoever, including attorneys' fees and expenses ("Claims") arising from an investigation of Buyer's credit and financial status.

7. **Closing**. Without limiting the terms of Section 8, Buyer acknowledges and agrees that Seller has the right in its sole discretion to schedule the date, time and place for the closing of the transaction contemplated by this Agreement ("**Closing**") and Buyer shall close on such Closing Date (the "**Closing Date**"). Buyer will be given notice of the Closing Date, time and place by the "**Closing Date Notice Period**" (as such term is defined in Rider B attached hereto). Seller is authorized to postpone or advance the date of Closing at its discretion. Seller must, however, give Buyer reasonable notice of the new Closing Date. Any notice of Closing may be given verbally, by telephone, telegraph, telex, facsimile, mail, e-mail, or other means of communication at Seller's option. All notices of Closing will be given to Buyer at the address or by use of the telephone number(s) or e-mail address(es) specified on page 1 of this Agreement unless Seller has received written notice from Buyer of any change therein prior to the date notice of Closing is given. Buyer's failure to receive the notice of Closing because Buyer has failed to advise Seller of any changes of address or phone number, or because Buyer has failed to pick up a letter when Buyer has been advised of an attempted delivery or for any other reason, shall not relieve Buyer of Buyer's obligation to close on the scheduled Closing Date, unless Seller otherwise agrees in writing to postpone the Closing Date. To the extent not prohibited by applicable law, if Seller, in its sole discretion, agrees in writing to reschedule the Closing Date at Buyer's request, or because Buyer (if a corporation) has failed to produce all corporate documents requested by Seller, or for any other reason (except for delay required by Seller), then (1) Seller may impose a late charge as liquidated damages for such delay equal to One Hundred Twenty-Five Dollars ($125.00) per day for every day from the original Closing Date through the date that the transaction closes, and (2) Seller may require that prorations be made as of the original Closing Date. Buyer agrees the late charge is appropriate in order to cover Seller's administrative and other expenses resulting from a delay in Closing and that the amount of liquidated damages is fixed and agreed to by the parties as a reasonable estimate of the damages that Seller shall suffer and is not in the nature of a penalty. Seller is not required to agree to reschedule Closing, but Seller may reschedule Closing in Seller's sole discretion.

8. **Completion Date**. It is expressly agreed by Buyer that notwithstanding anything to the contrary specified herein or verbally represented (including but not limited to Seller's sales representative), any scheduled completion date is a good faith estimate, and Seller makes no promises or representations concerning the date of completion. Buyer agrees that Buyer has not relied, and will not rely upon, any estimated completion date for any purpose whatsoever, including, without limitation, relocation of residence, storage of personal property, or lock-in financing, and Buyer agrees that Seller shall not be liable for any additional costs, expenses or damages whatsoever should the Home not be completed by an estimated completion date. Notwithstanding the foregoing, Seller is required to complete and does agree that the construction of the Home shall be completed not later than two (2) years from the date of Buyer's execution of this Agreement. If construction is delayed by any event recognized by the law of the state in which the Home is located as a defense to a contract action for non-performance or a delay in performance, then the date of completion shall be extended by the delay period. It is the express intent of the parties that the parties' rights and obligations under this Agreement be construed in the manner necessary to exempt this Agreement and the sale of the Property from registration under the Interstate Land Sales Full Disclosure Act, and both Buyer and Seller hereby expressly waive any right or provision of this Agreement that would otherwise preclude such exemption.

9. **Casualty Before Closing**. If the Property is damaged by fire, act of terrorism or other casualty before Closing and the cost of restoration does not exceed three percent (3%) of the Total Purchase Price and repairs will not substantially delay Closing, Seller shall repair the damage and Closing shall proceed pursuant to the terms of this Agreement. If the cost of restoration exceeds three percent (3%) of the Total Purchase Price or the repairs would substantially delay Closing, Buyer shall have the option to: (1) terminate this Agreement and receive a refund of the Deposit made by Buyer to Seller, in which event both parties shall be released from all obligations under this Agreement, or (2) have Seller repair the damage as soon as reasonably possible, and Closing shall be extended until such repair or rebuilding is complete.
Notwithstanding the foregoing, if all or a portion of the Property is damaged by fire, act of terrorism or other casualty and (1) the plans, specifications or construction materials for the Property must be materially modified in order to repair or reconstruct the Property, or (2) the repair or reconstruction of the Property substantially in accordance with the plans and specifications is rendered impossible by any cause recognized by the law of the state in which the Property is located as a defense to a contract action for non-performance, then Seller shall have the right to terminate this Agreement and Buyer shall receive a refund of the Deposit made by Buyer to Seller in which event both parties shall be released from all obligations under this Agreement.

10. **Deed**. Seller shall convey title to Buyer at Closing by delivery to Buyer of a General Limited Warranty Deed (the "**Deed**") describing the Property, which Deed shall convey title to Buyer subject to all matters described in this Agreement.

11. **Closing and Title Matters**. Title to the Property to be delivered to Buyer at Closing will be marketable and insurable, subject only to the following matters:

11.1 Title to the Property shall be subject to the following: (1) zoning, building codes, bulkhead laws, ordinances, regulations, rights or interests vested in the United States of America or the state in which the Community is located; (2) real estate taxes and other taxes for the year of conveyance and subsequent years including taxes or assessments of any special taxing or community development district (including assessments relating to capital improvements and bonds); (3) the general printed exceptions contained in an owner's title insurance policy; (4) utility easements, sewer agreements, telephone agreements, cable agreements, telecommunications agreements, monitoring agreements, restrictions and reservations common to any plat affecting title to the Property; (5) matters that would be disclosed by an accurate survey or inspection of the Property; (6) the Documents; (7) any laws and restrictions, covenants, conditions, limitations, reservations, agreements or easements recorded in the public records for the County (for example, use limitations and obligations, easements (right-of-way) and agreements relating to telephone, gas or electric lines, water and sewer lines and drainage, provided they do not prevent use of the Property for single family residential purposes); (8) minor encroachments on easements that do not

substantially interfere with an easement holder's interest in the Property; and (9) acts done or suffered by Buyer and any mortgage or deed of trust obtained by Buyer for the purchase of the Property. It is Buyer's responsibility to review and become familiar with each of the foregoing title matters, some of which are covenants running with the land. If any title defects are discovered by Buyer after Closing, Buyer's sole remedy shall be to make a claim to Buyer's title insurer.

11.2 Seller shall convey title to Buyer at Closing by delivery to Buyer of the Deed, which shall convey title to Buyer subject to all matters described in Section 11.1 of this Agreement. Any such matters omitted from the Deed shall nevertheless be deemed to be included in the Deed.

11.3 Seller shall provide an affidavit complying with the Foreign Investment in Real Property Tax Act of 1980, as amended, upon written request of Buyer.

11.4 Seller may not own title to the Property as of the date of this Agreement or at Closing. However, Seller shall obtain title to the Property on or before the Closing Date or effect the necessary transfer of title on or before the date when Seller causes title to be transferred to Buyer.

11.5 If Seller cannot provide marketable and insurable title as described above, such failure shall not be an event of default and Seller will have a reasonable period of time (at least one hundred and twenty (120) days from the date of the scheduled Closing Date) to attempt to correct any defects in title; provided, however, Seller shall not be obligated to incur any expense, nor institute any litigation, to clear title to the Property. If Seller cannot or elects not to correct the title defects, Seller shall so notify Buyer within such period, and Buyer may thereafter elect (by written notice from Buyer to Seller) one of the following two (2) options: (1) to accept title in the condition offered (with defects) and pay the balance of the Total Purchase Price for the Property (without set off or deduction therefor), thereby waiving any claim with respect to such title defects and Buyer will not make any claims against Seller because of the title defects; or (2) to terminate this Agreement and receive a full refund of the Deposit deposited hereunder. If all such amounts are refunded, Buyer agrees to accept it as full payment of Seller's liability hereunder, whereupon this Agreement shall be terminated and Seller shall thereafter be relieved and released of all further liability hereunder. Buyer shall not thereafter have any rights to make any additional claims against Seller. In the event Buyer does not notify Seller in writing within five (5) calendar days from the receipt of Seller's notice (time being strictly of the essence) as to which option Buyer elects, Buyer shall be conclusively presumed to have elected option (1) set forth above in this subsection.

11.6 The acceptance of the Deed by Buyer shall be deemed to be full performance and discharge of every agreement and obligation on the part of Seller to be performed pursuant to this Agreement, except those which are herein specifically deemed to survive Closing or which may survive by operation of law, if any.

11.7 Title to the Property will be deemed marketable if an owner's policy is issued with standard exceptions.

11.8 All of the terms of this Section 11 shall survive Closing and the delivery of the Deed.

12. **Closing Costs**. The respective responsibilities of Buyer and Seller for all costs, prorations and fees payable at Closing (the "**Closing Costs**") are shown in Rider B attached hereto.

13. **Site and Substitutions**. The materials, equipment and fixtures included in and to be used in constructing the Home will be substantially the same as or similar in quality to those described in the applicable plans and specifications (except as to extras, options and/or upgrades).

13.1 Changes to Plans and Specifications.

13.1.1 Industry Practice. It is widely observed construction industry practice for pre-construction plans and specifications for any home or building to be changed and adjusted from time to time in order to accommodate on-going site conditions and in the field construction factors. These changes and adjustments are essential in order to permit all components of the Home to be integrated into a well-functioning and aesthetically pleasing product in an expeditious manner. Based on the foregoing, Buyer acknowledges that such changes and adjustments may occur and agrees that it is reasonable and to Buyer's benefit to allow Seller the flexibility to make such changes and adjustments to the Home.

13.1.2 Seller's Absolute Right to Make Modifications to Plans and Specifications. Seller has the absolute right to make modifications to the plans and specifications for the Home. Without limiting the generality of the foregoing, Buyer specifically agrees that changes in the dimensions of rooms and patios, entrances and terraces, if applicable, and changes in room size, in the locations of windows, doors, walls, partitions, utility lead-ins and outlets (including, but not limited to, electrical, cable television, and telephone), air-conditioning components, lighting fixtures and electrical panel boxes may be made by Seller in its sole discretion, provided however that changes in the layout and dimensions of the Home shall not substantially affect the value of the Home. Such changes may also include, but are not limited to, changes in the building location, setbacks and facing, the building's external configuration, its structural components, its finishes and the landscaping associated therewith.

13.1.3 Buyer's Acceptance of Actual Floor Plan. Buyer further understands and acknowledges that many of the Homes to be constructed within the Community require floor plans which are opposite (i.e. flipped) mirror images of the model floor plan and Buyer fully understands and accepts the floor plan configuration for the Home and improvements to be constructed within the Home.

13.1.4 No Warranty for Plans and Specifications on File. Buyer further acknowledges and agrees that (1) the plans and specifications of the Home and the Community on file with the applicable governmental authorities may not be identical in detail to Seller's plans and specifications, and (2) because of the day-to-day nature of the changes described in this Section 13, the plans and specifications on file with the applicable governmental authorities may not include some or any of these changes (there being no legal requirement to file all changes with such authorities). As a result of the foregoing, Buyer and Seller both acknowledge and agree that the Home and the Community may

not be constructed in accordance with the plans and specifications on file with the applicable governmental authorities. Without limiting the generality of the provisions of Rider B attached hereto, Seller disclaims and Buyer waives any and all express or implied warranties that construction will be accomplished in compliance with such plans and specifications. Seller has not given and Buyer has not relied on or bargained for any such warranties. In furtherance of the foregoing, in the event of any conflict between the actual construction of the Home and/or the Community, and that which is set forth on the plans and specifications, Buyer agrees that the actual construction shall prevail and to accept the Home and Community as actually constructed (in lieu of what is set forth on the plans and specifications).

13.2 Lot Change. In the event that Seller, in its sole discretion, determines that the Model of the Home selected under this Agreement cannot reasonably be built on the Homesite, then Buyer and Seller hereby agree that they will negotiate in good faith to relocate the Home to another lot in the Community, provided however that there are lots available for sale. If no replacement lot is available, then Buyer may terminate this Agreement and will be entitled to a refund of any paid Deposit.

13.3 Decorative and Landscaping Items.

13.3.1 Buyer understands and agrees that certain of the finishing items, such as tile, marble, carpet, cabinets, stone, brickwork, wood, paint, stain and mica are subject to size and color variations, grain and quality variations, and may vary in accordance with price, availability and changes by manufacturers from those shown in the model, if any, or in illustrations or brochures or those included in the specifications. Furthermore, if circumstances arise that, in Seller's opinion, warrant changes of subcontractors, suppliers, manufacturers, brand names or items, Seller reserves the right to substitute equipment, materials, appliances, etc., which in Seller's opinion are considered to be of quality substantially similar or equal, or of better quality, subject to their availability. Buyer also understands that Seller has the right to substitute or change materials and/or stain colors utilized in wood decor, if any.

13.3.2 Lot grades, lot area, options, facades, shrubs, trees, trim, built-ins, wall treatments, window treatments, furniture, furnishings, fences, decks, locations of walks, driveways and other items in or about a model home area in the subdivision are for display purposes only and are not included in the Total Purchase Price unless otherwise expressly provided herein. Seller has the right to remove any existing trees on the Property or on the surrounding area for any reason. Buyer further understands and agrees that the following items (which may be seen in models or shown in illustrations) will also not be included with the sale of the Home: wall coverings, paint colors, accent light fixtures, wall ornaments, drapes, blinds, bedspreads, furniture, furnishings, wet bars, monitoring systems, certain built-in fixtures, special floor coverings, wood trim, upgraded items and/or any other items of this nature which may be added or deleted from time to time. This list of items (which is not all-inclusive) is provided as an illustration of the type of items built-in or placed upon models or shown in illustrations strictly for purposes of decoration and example only.

13.4 Deed. By acceptance of the Deed, Buyer accepts all variations of the Home.

13.5 Survival. All of the terms of this Section 13 shall survive Closing and the delivery of the Deed.

14. **Buyer's Default.** In the event of Buyer's default and to the extent allowed by law, Seller shall be entitled to keep, as liquidated damages and not as a penalty, Buyer's Deposit not to exceed fifteen percent (15%) of the Total Purchase Price, except that Seller may, in addition, keep, as liquidated damages and not as a penalty, any and all Advanced Payments made by Buyer to Seller for options, extras or upgrades for which Seller has made contractual commitments or incurred liability by placing orders or otherwise. Buyer agrees that actual damages in the event of breach by Buyer would be costly and difficult to calculate, and that such liquidated damages are a fair and reasonable remedy and shall not be considered a penalty. The provisions of this Section shall survive the termination of this Agreement.

15. **Seller's Default.** In the event of Seller's default and to the extent allowed by law, Buyer may recover actual damages but shall not be entitled to special, consequential or punitive damages. Notwithstanding the foregoing, Buyer retains all remedies at law and in equity with respect to Seller's obligation to complete the Home within two (2) years pursuant to Section 8 above. Notwithstanding anything to the contrary in this Agreement, Buyer releases and holds harmless Seller's past and present officers and employees from all claims, liabilities, and causes of action of any nature. Buyer now has or may have arising from any act or omission of Seller's officers or employees related to Lennar's performance of its obligations under this Agreement and Lennar's construction of a Home on the Homesite. The provisions of this Section shall survive the termination of this Agreement.

16. **Mediation / Arbitration of Disputes.**

16.1 The parties to this Agreement specifically agree that this transaction involves interstate commerce and that any Dispute (as hereinafter defined) shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by or in a court of law or equity. "Disputes" (whether contract, warranty, tort, statutory or otherwise), shall include, but are not limited to, any and all controversies, disputes or claims (1) arising under, or related to, this Agreement, the Property, the Community or any dealings between Buyer and Seller; (2) arising by virtue of any representations, promises or warranties alleged to have been made by Seller or Seller's representative; and (3) relating to personal injury or property damage alleged to have been sustained by Buyer, Buyer's children or other occupants of the Property, or in the Community. Buyer has executed this Agreement on behalf of his or her children and other occupants of the Property with the intent that all such parties be bound hereby. Any Dispute shall be submitted for binding arbitration within a reasonable time after such Dispute has arisen. Nothing herein shall extend the time period by which a claim or cause of action may be asserted under the applicable statute of limitations or statute of repose, and in no event shall the Dispute be submitted for arbitration after the date when institution of a legal or equitable proceeding based on the underlying claims in such Dispute would be barred by the applicable statute of limitations or statute of repose.

16.2 Any and all mediations commenced by any of the parties to this Agreement shall be filed with and administered by the

American Arbitration Association or any successor thereto ("AAA") in accordance with the AAA's Home Construction Mediation Procedures in effect on the date of the request. If there are no Home Construction Mediation Procedures currently in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of such request shall be utilized. Any party who will be relying upon an expert report or repair estimate at the mediation shall provide the mediator and the other parties with a copy of the reports. If one or more issues directly or indirectly relate to alleged deficiencies in design, materials or construction, all parties and their experts shall be allowed to inspect, document (by photograph, videotape or otherwise) and test the alleged deficiencies prior to mediation. Unless mutually waived in writing by the parties, submission to mediation is a condition precedent to either party taking further action with regard to any matter covered hereunder.

16.3 If the Dispute is not fully resolved by mediation, the Dispute shall be submitted to binding arbitration and administered by the AAA in accordance with the AAA's Home Construction Arbitration Rules in effect on the date of the request. If there are no Home Construction Arbitration Rules currently in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such request shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Dispute. If the claimed amount exceeds $250,000.00 or includes a demand for punitive damages, the Dispute shall be heard and determined by three arbitrators; however, if mutually agreed to by the parties, then the Dispute shall be heard and determined by one arbitrator. Arbitrators shall have expertise in the area(s) of Dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Dispute shall be decided by the arbitrator(s). At the request of any party, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

16.4 The waiver or invalidity of any portion of this Section shall not affect the validity or enforceability of the remaining portions of this Section. Buyer and Seller further agree (1) that any Dispute involving Seller's affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in a court of law or equity; (2) that Seller may, at its sole election, include Seller's contractors, subcontractors and suppliers, as well as any warranty company and insurer as parties in the mediation and arbitration; and (3) that the mediation and arbitration will be limited to the parties specified herein.

16.5 To the fullest extent permitted by applicable law, Buyer and Seller agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any other arbitration, judicial, or similar proceeding shall be given preclusive or collateral estoppel effect in any arbitration hereunder unless there is mutuality of parties. In addition, Buyer and Seller further agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is mutuality of parties.

16.6 Unless otherwise recoverable by law or statute, each party shall bear its own costs and expenses, including attorneys' fees and paraprofessional fees, for any mediation and arbitration. Notwithstanding the foregoing, if a party unsuccessfully contests the validity or scope of arbitration in a court of law or equity, the noncontesting party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in defending such contest, including such fees and costs associated with any appellate proceedings. In addition, if a party fails to abide by the terms of a mediation settlement or arbitration award, the other party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in enforcing such settlement or award.

16.7 Buyer may obtain additional information concerning the rules of the AAA by visiting its website at www.adr.org or by writing the AAA at 335 Madison Avenue, New York, New York 10017.

16.8 Seller supports the principles set forth in the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee and agrees to the following:

16.8.1 Notwithstanding the requirements of arbitration stated in Section 16.3 of this Agreement, Buyer shall have the option, after pursuing mediation as provided herein, to seek relief in a small claims court for disputes or claims within the scope of the court's jurisdiction in lieu of proceeding to arbitration. This option does not apply to any appeal from a decision by a small claims court.

16.8.2 Seller agrees to pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the parties.

16.8.3 The fees for any claim pursued via arbitration in an amount of $10,000.00 or less shall be apportioned as provided in the Home Construction Arbitration Rules of the AAA or other applicable rules.

16.9 Notwithstanding the foregoing, if either Seller or Buyer seeks injunctive relief, and not monetary damages, from a court because irreparable damage or harm would otherwise be suffered by either party before mediation or arbitration could be conducted, such actions shall not be interpreted to indicate that either party has waived the right to mediate or arbitrate. The right to mediate and arbitrate should also not be considered waived by the filing of a counterclaim by either party once a claim for injunctive relief had been filed with a court.

16.10 Buyer and Seller specifically agree that notwithstanding anything to the contrary, the rights and obligations set forth in this Section 16 shall survive (1) Closing and the delivery of the Deed; (2) the termination of this Agreement by either party; or (3) the default of this Agreement by either party.

17. Other Dispute Resolutions. Notwithstanding the parties' obligation to submit any Dispute to mediation and arbitration, in the event that a particular dispute is not subject to the mediation or the arbitration provisions of Section 16, then the parties agree to the following provisions: **BUYER ACKNOWLEDGES THAT JUSTICE WILL BEST BE SERVED IF ISSUES REGARDING THIS AGREEMENT ARE HEARD BY A JUDGE IN A COURT PROCEEDING, AND NOT A JURY. BUYER AND**

SELLER AGREE THAT ANY DISPUTE, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION SHALL BE HEARD BY A JUDGE IN A COURT PROCEEDING AND NOT A JURY. BUYER AND SELLER HEREBY WAIVE THEIR RESPECTIVE RIGHT TO A JURY TRIAL. SELLER HEREBY SUGGESTS THAT BUYER CONTACT AN ATTORNEY OF BUYER'S CHOICE IF BUYER DOES NOT UNDERSTAND THE LEGAL CONSEQUENCES OF EXECUTING THIS AGREEMENT. All of the terms of this Section 17 shall survive Closing and the delivery of the Deed.

18. Selling Agent, Cooperating Broker, and Seller's New Home Consultant. Buyer agrees that Seller is not responsible for the payment of a commission to a real estate broker, salesperson or agent other than Seller's sales personnel. Buyer shall indemnify, defend and hold harmless Indemnified Parties from and against any and all Claims resulting from or arising out of any representation or breach of a representation or warranty set forth in this Section. In addition, Buyer acknowledges and understands that Seller's New Home Consultant ("NHC") and Internet New Home Consultant ("INHC") are agents of Seller, are acting solely for the Seller's interests, and are not acting in any representative capacity for Buyer. 20. Dangerous Condition; Construction Work.

20.1 Buyer understands and agrees that the Property is a construction site and that the Property and the improvements, equipment and supplies thereon constitute a danger to those who may enter on the Property. Buyer shall not enter onto the Property prior to Closing unless authorized and accompanied by Seller's representative. Any unauthorized, unaccompanied entry by Buyer shall constitute a breach of this Agreement by Buyer, at Seller's election. Moreover, any entry by Buyer onto the Property prior to Closing shall be done at Buyer's own risk and in compliance with all federal, state and local safety laws and regulations. To the extent permitted or not prohibited by applicable law, Buyer waives, releases and shall indemnify, defend and hold harmless Indemnified Parties from and against any Claims made by Buyer, Buyer's family members or guests, as a direct or indirect result of any such unauthorized, unaccompanied entry onto the Property.

20.2 Buyer agrees that supervision and direction of the working forces, including, without limitation, all contractors and subcontractors, is to be done exclusively by Seller, and Buyer agrees not to issue any instructions to the working forces or otherwise hinder construction or installation of improvements on the Property. Buyer shall not do or have any work done on the Property, nor may Buyer store any possessions thereon, prior to Closing and transfer of title to the Property to Buyer.

20.3 Buyer agrees that any and all controversies, disputes and claims arising under this Section shall be resolved through binding arbitration in accordance with the terms of this Agreement.

20.4 All of the terms of this Section 20 shall survive Closing and the delivery of the Deed.

21. OFAC. Executive Order 13224 requires all United States entities and persons to block assets and not transact business with entities, countries and persons (specifically designated nationals) set forth by the Office of Foreign Asset Control ("OFAC"). This requirement applies to all homebuilding entities in The Lennar Family of Builders (including but not limited to Seller), Universal American Mortgage Company, LLC and all of its affiliates, and North American Title Company and all of its affiliates (collectively, the "Lennar Affiliates"). Accordingly, each of Seller and the Lennar Affiliates will check current OFAC lists and other publications in connection with each potential transaction, loan, or home sale. In order to check the OFAC list, Buyer must provide to Seller a Government-issued identification card (this might include a driver's license, birth certificate, passport or resident alien card). To the extent Buyer (or any single person or entity constituting a part of Buyer) matches a name or entity on any such OFAC list or publication, the transactions with Buyer contemplated under or in connection with this Agreement will be immediately suspended, and Buyer shall be reported as instructed by the OFAC.

22. Agreement not to be Recorded. Buyer covenants that Buyer shall not record this Agreement (or any memorandum thereof) in the Public Records of the County. Buyer agrees, if Buyer records this Agreement, to pay all of Seller's attorneys' fees, paraprofessional fees and expenses incurred in removing the cloud on title caused by such recordation. Seller's rights under this

Section shall be in addition to Seller's remedies for Buyer's default provided elsewhere in this Agreement.

23. **Transfer, Assignment and Persons Bound**. Buyer agrees that Buyer will not, and does not have the right to, assign, sell or transfer Buyer's interest in this Agreement (whether voluntarily or by operation of law or otherwise) without Seller's prior written consent. If Buyer is a corporation, other business entity, trustee or nominee, a transfer of any material equity or beneficial or principal interest shall constitute an assignment of this Agreement. If Buyer attempts to assign this Agreement in violation of this Section, Seller can declare Buyer in default and Seller shall be entitled to all remedies available under this Agreement. Buyer agrees that Seller may withhold its consent with or without any reason or condition in any manner it chooses (if it gives it at all) and may charge Buyer a reasonable amount to cover administrative costs incurred in considering whether or not to grant consent. If Buyer dies or in any way loses legal control of his/her affairs, this Agreement will bind his/her heirs and legal representatives. If Buyer has received Seller's permission to assign or transfer this Agreement, then Buyer's approved assignees shall be bound by the terms of this Agreement. If more than one person signs this Agreement as Buyer, each such person shall be jointly and severally liable for full performance of all of Buyer's duties and obligations hereunder.

24. **TIME OF THE ESSENCE**. BUYER ACKNOWLEDGES THAT TIME IS OF THE ESSENCE IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED UNDER THIS AGREEMENT.

25. **Interpretation and Computation of Time**. The use of the masculine gender in this Agreement shall be deemed to refer to the feminine or neuter gender, and the singular shall include the plural, and vice-versa, whenever the context so requires. This Agreement reflects the negotiated agreement of the parties. Each party acknowledges that they have been afforded the opportunity to seek competent legal counsel, and each have made an informed choice as to whether or not to be represented by legal counsel. Accordingly, this Agreement shall be construed as if both parties jointly prepared it, and no presumption against one party or the other shall govern the interpretation or construction of any of the provisions of this Agreement. Any reference in this Agreement to the time periods of less than five (5) days shall, in the computation thereof, exclude Saturdays, Sundays and legal holidays. Any reference in this Agreement to time periods of five (5) days or more shall, in computation thereof, include Saturdays, Sundays and legal holidays. If the last day of any such period is a Saturday, Sunday or legal holiday, the period shall be extended to 5:00 p.m. on the next full business day. The section headings in this Agreement are for convenience only and shall not affect the meaning, interpretation or scope of the provisions which follow them.

26. **Notice**. Except as provided in the Closing Section of this Agreement with respect to notices of the scheduled Closing Date, any notice required or permitted to be given in connection with this Agreement shall be in writing and sent by United States certified mail with return receipt requested, professional overnight courier or electronic transmission (with confirmation and copy by (1) certified mail, if Buyer's address is within the United States or (2) overnight professional courier, if to a Buyer whose address is outside of the United States) to Buyer or Seller at the addresses on Page 1 of this Agreement (unless Seller has received written notice from Buyer of any change therein prior to the date such notice is given), and additionally to Seller by hand delivery at Seller's sales office. All notices shall only be effective upon receipt or refusal to accept receipt (by failure to accept delivery or otherwise).

27. **Waiver**. Seller's waiver of any of its rights or remedies shall not operate to waive any other of Seller's rights or remedies or to prevent Seller from enforcing the waived right or remedy in another instance.

28. **Incorporation and Severability**. The explanations and disclaimers set forth in the Documents are incorporated into this Agreement. In the event that any clause or provision of this Agreement shall be void or unenforceable, such clause or provision shall be deemed deleted so that the balance of this Agreement is enforceable.

29. **Governing Law**. Any disputes that develop under this Agreement or questions regarding the interpretation of this Agreement will be settled according to the law of the state where the Property is located to the extent federal law is not applicable.

30. **Entire Agreement**. BUYER CERTIFIES THAT BUYER HAS READ EVERY PROVISION OF THIS AGREEMENT, WHICH INCLUDES EACH RIDER AND ADDENDUM ATTACHED HERETO AND THAT THIS AGREEMENT, TOGETHER WITH EACH SUCH RIDER AND ADDENDUM, CONSTITUTES THE ENTIRE AGREEMENT BETWEEN BUYER AND SELLER. PRIOR AGREEMENTS, REPRESENTATIONS, UNDERSTANDINGS, AND ORAL STATEMENTS NOT REFLECTED IN THIS AGREEMENT HAVE NO EFFECT AND ARE NOT BINDING ON SELLER. BUYER ACKNOWLEDGES THAT BUYER HAS NOT RELIED ON ANY REPRESENTATIONS, NEWSPAPERS, RADIO OR TELEVISION ADVERTISEMENTS, WARRANTIES, STATEMENTS, OR ESTIMATES OF ANY NATURE WHATSOEVER, WHETHER WRITTEN OR ORAL, MADE BY SELLER, SALES PERSONS, AGENTS, OFFICERS, EMPLOYEES, CO-OPERATING BROKERS (IF ANY) OR OTHERWISE EXCEPT AS HEREIN SPECIFICALLY REPRESENTED. BUYER HAS BASED HIS/HER/THEIR DECISION TO PURCHASE THE PROPERTY ON PERSONAL INVESTIGATION, OBSERVATION AND THE DOCUMENTS.

31. **Modification**. This Agreement is the entire agreement for the sale and purchase of the Property and once it is signed by both Buyer and a Division Agent or Officer of Seller, it can only be amended by a written agreement signed by both Buyer and Seller.

32. **Additional Changes**. Notwithstanding Section 32 of this Agreement, Buyer agrees that it may be necessary (at any time and from time to time) after Buyer executes this Agreement for Seller, and/or the developer or declarant under the Documents, to change the terms and provisions of this Agreement and/or the Documents to comply with and conform to the rules and regulations (as same may exist and as same may be promulgated from time to time) of any governmental agency, subdivision or authority or court of competent jurisdiction and Buyer consents to all such changes. Notwithstanding Section 32 of this Agreement, Seller, and/or the developer or declarant under the Documents, shall have the right to amend all Documents for development or other purposes, and Buyer consents to all such amendments.

33. **Inducement**. Buyer acknowledges that the sole inducement to close on the purchase of the Property is the Property itself and not (1) the common facilities comprising part of the Community, if any, or (2) any expectation that the Property will increase in value.

34. **Reservation of Easement**. For the purpose of completing the construction and servicing of the Property and Community, Seller hereby reserves an easement of ingress and egress for itself and its successors and assigns, and each of their respective agents, employees, materialmen and subcontractors, over, under and upon the Property for a period of one (1) year after Closing. Seller shall

provide reasonable notice to Buyer before exercising easement rights granted herein. All of the terms of this Section 35 shall survive Closing and the delivery of the Deed.

RIDER B
Coastal Carolina Division

THIS RIDER B (Coastal Carolina) (this "Rider B") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") entered into as of the eighth day of MAY , 2013, between Anthony Logan Ray ("Buyer") and Seller, as defined in the Agreement, respecting Lot 0036 of Block _____ of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "Community").

1. Defined Terms. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Rider B to the Agreement shall be deemed to include references to this Rider B and to any other rider and addenda attached to the Agreement, which are hereby incorporated by this reference. In addition to those terms, the following terms shall have the meanings set forth below:

"Closing Date Notice Period" shall mean at least seven (7) days prior to the Closing Date.

"Mortgage Contingency Period" shall mean five (5) days if this Agreement is contingent on Buyer obtaining financing as indicated in the Purchase and Sale Agreement.

2. Additional Mortgage Contingency. Unless Buyer shall have notified Seller otherwise writing within the Mortgage Contingency Period, Buyer shall be conclusively presumed to have obtained the loan commitment or agreed to purchase the Property without mortgage financing. If Buyer does timely notify Seller within the Mortgage Contingency Period that he/she failed to obtain a loan commitment, Seller may require Buyer to immediately reapply for a mortgage loan with another lending institution designated by Seller. If Buyer then fails to obtain a loan commitment within seven (7) days from Seller's notice to reapply, either Buyer or Seller shall have the right to terminate this Agreement whereupon the Deposit shall be returned to Buyer, and thereupon the parties hereto shall be released from all liability hereunder without any further acts by either party

3. Closing Costs. BUYER UNDERSTANDS AND AGREES THAT IN ADDITION TO THE TOTAL CASH TO CLOSE (WHICH AMOUNT IS SPECIFIED IN SECTION 2 OF THE AGREEMENT AND THE PURCHASE PRICE AND PAYMENT ADDENDUM), BUYER SHALL PAY CERTAIN OTHER FEES AND CLOSING COSTS, IF ANY, AT CLOSING (LISTED BELOW). IN CONNECTION THEREWITH, WITHOUT LIMITATION, THE ITEMS LISTED BELOW WILL COLLECTIVELY BE REFERRED TO AS "CLOSING COSTS." NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, IN THE CASE OF AN FHA/VA OR FANNIE MAE LOAN, BUYER SHALL NOT PAY FOR ANY COSTS PROHIBITED BY HUD (FHA), VA OR FANNIE MAE REGULATIONS. ALL REFERENCES TO "PRO RATA SHARES" WILL BE DEEMED A TIME PRO RATION, BASED ON THE CLOSING DATE, WITH BUYER PAYING AMOUNTS ACCRUED ON AND AFTER THE CLOSING DATE. The Closing Costs include, without limitation:

3.1 The premium for a policy of mortgagee's title insurance and the cost to record the Deed. If the settlement charges that VA does not allow Buyer to pay exceed the amount of settlement charges, if any, to be paid by Seller, Seller at its sole discretion may terminate the Agreement and refund Buyer's earnest money. If the settlement charges that FHA does not allow Buyer to pay exceed the amount of settlement charges, if any, to be paid by Seller, Buyer may either pay the additional settlement charges at Closing or the additional settlement charges shall be added to the principal on Buyer's loan, regardless of whether or not the interest rate on Buyer's loan will increase as result of the addition of the settlement charges to the principal.

3.2 Customary closing costs of a Buyer of a single family residence, including but not limited to items such as loan fees, loan closing costs and all other related sums, attorneys' fees, escrows for taxes and insurance, recording fees, documentary stamp taxes on the note, intangible taxes, credit reports and PMI insurance, if applicable, charged by the Lender or otherwise customary for a Buyer at Closing.

3.3 Title search updates, title examination fees, delivery charges, and any other Closing expenses of Buyer.

3.4 All additional costs respecting the Property imposed by any governmental authority.

3.5 The cost of any obligations Buyer incurs not provided for in this Agreement.

3.6 The cost of a survey of the Property.

3.7 Certified governmental liens (liens which can be paid pursuant to written notice), if any, shall be assumed and paid by Seller, pending governmental improvement liens shall be paid and assumed by Buyer.

3.8 A pro rata share of County interim service fees, if any.

3.9 A pro rata share of waste fees.

3.10 A pro rata share of utility deposits and capacity fees (water and/or sewer) for the Property prepaid by Seller.

3.11 Any other expenses of an owner of the Property provided for or referenced in the Documents.

3.12 Amounts reflected in the Master Disclosure and Information Addendum to the Purchase and Sale Agreement, if any, attached hereto and incorporated herein.

3.13 Current expenses of the Property (for example: taxes, special assessments and current monthly assessments to one or more homeowner's associations) will be adjusted between Seller and Buyer as of the Closing Date. Buyer shall reimburse Seller for any prepaid expenses of the Property and capital contributions made to one or more homeowners' associations, paid by Seller in advance and/or for the month in which the Closing Date occurs.

3.14 If real estate taxes for the year in which the Closing Date occurs are assessed in the aggregate on the real estate comprising the portion of the Community (including the Property) rather than on a homesite-by-homesite basis, Seller will pay such taxes in full when due, but Buyer will reimburse Seller at the Closing for Buyer's pro rata share of such taxes from the Closing Date (if such taxes are then known) or the Property's allocable share (so prorated) of Seller's estimate of those taxes (if such taxes are not then known), subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual tax bill is known. If taxes for the year in which the Closing Date occurs are assessed on a homesite-by-homesite basis but such taxes are not due on the Closing Date, Buyer will be responsible for paying such tax bill in full when due but Seller will reimburse Buyer at the Closing for Seller's pro rata share of such taxes (if the taxes are then known) or Seller's estimate of those taxes (if such taxes are not then known) through the Closing Date, subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual bill is known. 3.15 The cost of any modifications or changes which are incurred by Seller as a result of changes in building codes, governmental rules, regulations or requirements, or the enforcement of any of the same, after the Effective Date of this Agreement, shall be paid by Buyer at the time of Closing.

4. **Additional Financing and Closing Costs Disclosures.**

4.1 Although Seller may make available to Buyer the name of one or more lenders or information about one or more available financing alternatives, Buyer agrees that the choice of a lender and loan is Buyer's sole decision, and Seller has not made any promises or representations concerning the likelihood of Buyer obtaining the loan, the terms and conditions of such loan or the interest rate or fees associated with such loan

4.2 4.2 BUYER IS HEREBY ADVISED BY SELLER THAT INTEREST RATES, LOANS FEES, AND OTHER LOAN CONDITIONS ARE NOT GUARANTEED, FIXED OR ESTABLISHED (AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO SUCH ITEMS) AND ARE SUBJECT TO CHANGE BY ANY LENDER. SUBJECT TO SECTION 8 OF THE AGREEMENT, SELLER DOES NOT WARRANT OR GUARANTEE THAT COMPLETION OF THE IMPROVEMENTS OR LOAN FUNDING CAN BE ACHIEVED WITHIN LOAN LOCK PERIODS, IF ANY, REGARDLESS OF WHETHER SUCH LOCKS ARE PAID FOR BY SELLER OR BUYER. IF BUYER LOCKS IN AN INTEREST RATE AND POINTS FOR LOAN FUNDING PRIOR TO CLOSING, BUYER AGREES TO PAY THE DIFFERENCE BETWEEN THE LOCK-IN RATE AND THE MARKET INTEREST RATE AT CLOSING IF THE LOCK-IN RATE EXPIRES PRIOR TO CLOSING.

4.3 Responsibility for obtaining the loan and for satisfying all conditions made by the Lender with regard to the loan shall rest solely with the Buyer.

5. **Warranties**. Buyer understands and agrees that Seller is making only those express limited warranties set forth in the homeowner's warranty (the "**Limited Warranty**"). The Limited Warranty, incorporated herein, shall be delivered to Buyer at Closing and a copy of which is attached hereto **OR** a copy of which is available for examination at Seller's office and will, at Buyer's request, be attached as an exhibit to this Agreement. THE EXPRESS LIMITED WARRANTY AND REMEDIES PROVIDED BY SELLER CONSTITUTE THE EXCLUSIVE WARRANTY AND REMEDIES TO BE MADE AVAILABLE BY SELLER AND, EXCEPT WHERE ADDITIONAL WARRANTIES ARE REQUIRED BY APPLICABLE LAW OR REGULATION, ARE IN PLACE OF ALL OTHER GUARANTIES OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF WORKMANSHIP, MERCHANTABILITY, HABITABILITY, SUITABILITY AND FITNESS, WHICH ARE HEREBY EXPRESSLY DISCLAIMED BY SELLER AND WAIVED BY BUYER. TO THE EXTENT OF ANY CONFLICT BETWEEN ANY PROVISION OF THIS AGREEMENT RELATED TO WARRANTIES AND THE LIMITED WARRANTY, THE PROVISIONS OF THE LIMITED WARRANTY SHALL CONTROL. All of the terms of this Section 6 shall survive Closing and the delivery of the Deed. BUYER AND SELLER ACKNOWLEDGE THAT THEY HAVE EXPRESSLY NEGOTIATED AND BARGAINED FOR THE WAIVER OF THE IMPLIED WARRANTY OF HABITABILITY, AND BUYER ACKNOWLEDGES THE SUFFICIENCY AND RECEIPT OF VALUABLE CONSIDERATION FOR SUCH WAIVER IN THE AMOUNT OF $0, WHICH AMOUNT SHALL BE CREDITED TOWARD THE PURCHASE PRICE AT CLOSING. THE CONSIDERATION AGREED UPON ABOVE HAS BEEN SPECIFICALLY NEGOTIATED BETWEEN BUYER AND SELLER.

6. **Documents**. Buyer acknowledges receipt of the Document Book for the Community containing many important documents regarding the Community, including but not limited to some of the documents of record affecting the Property and the Community (collectively, the "**Documents**"). The Document Book is hereby incorporated into this Agreement by this reference. The Document Book may be amended as deemed necessary by

Seller in its sole and absolute discretion. Buyer agrees to take title to the Property subject to the Documents, to abide by and be bound by all of the terms and conditions of the Documents, and any amendments thereto. The Master Disclosure and Information Addendum to Purchase and Sale Agreement attached hereto sets forth additional information respecting lien rights and homeowners association's restrictions affecting the Property. Buyer understands and agrees this Section shall survive the termination of this Agreement.

7. Inspection of the Home. BUYER SHALL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE PRIOR TO CLOSING ON A DATE AND TIME SCHEDULED BY SELLER (A "NEW HOME ORIENTATION," COMMONLY REFERRED TO AS A "WALKTHROUGH"). AT THAT TIME, IF ANY DEFECTIVE OR INCOMPLETE ITEMS ARE NOTED, BUYER SHALL PRESENT TO SELLER AN INSPECTION STATEMENT LISTING SAID ITEMS AND SIGNED BY BUYER. IF ANY ITEMS NOTED ARE ACTUALLY DEFECTIVE IN WORKMANSHIP OR MATERIALS IN SELLER'S OPINION (IN ACCORDANCE WITH CONSTRUCTION STANDARDS PREVALENT FOR A SIMILAR HOME IN THE COUNTY), SELLER WILL BE OBLIGATED TO CORRECT THOSE ITEMS AT SELLER'S COST. A SECOND INSPECTION OF THE HOME WILL BE CONDUCTED PRIOR TO CLOSING AT WHICH TIME BUYER WILL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE TO ACKNOWLEDGE THAT ITEMS LISTED ON THE INSPECTION STATEMENT PREPARED AFTER THE FIRST INSPECTION HAVE BEEN CORRECTED. ANY REMAINING ITEMS THAT SELLER HAS AGREED TO CORRECT WILL BE CORRECTED BY SELLER AT SELLER'S SOLE COST AND EXPENSE PRIOR TO CLOSING (OR AT SELLER'S OPTION WITHIN A REASONABLE TIME AFTER CLOSING), PROVIDED HOWEVER THAT SELLER'S OBLIGATION TO CORRECT WILL NOT BE A GROUND FOR DEFERRING CLOSING, NOR FOR ANY SETOFF, NOR FOR IMPOSING ANY CONDITION ON CLOSING AS LONG AS THE HOME IS HABITABLE. THE ISSUANCE OF A CERTIFICATE OF COMPLETION, OR USE SHALL BE CONCLUSIVE EVIDENCE OF HABITABILITY. NO ESCROW OR HOLDBACK OF CLOSING FUNDS OR ANY CASH TO CLOSE SHALL BE PERMITTED. **EXCEPT FOR WORK THAT CANNOT BE COMPLETED AT THAT TIME OF YEAR.** IF A BUYER FAILS TO TAKE ADVANTAGE OF ANY PRE-CLOSING INSPECTION ON THE TIME AND DATE SCHEDULED BY SELLER, BUYER SHALL BE DEEMED TO HAVE WAIVED THE RIGHT TO INSPECT THE HOME PRIOR TO CLOSING.

8. No Right to Enter. Buyer acknowledges that all matters pertaining to the initial construction of the Property will be performed by Seller and Seller's representatives. Buyer acknowledges and agrees that for reasons of safety and to comply with liability and insurance requirements imposed upon Seller, neither Buyer nor any agent of Buyer shall, until after the Closing, be permitted to enter upon the Property without being accompanied by Seller's representative. Any permitted personal inspections shall be made at times designated by Seller, and shall not be allowed under any condition prior to the formal inspection described above and only with Seller's representative. Buyer agrees not to give instructions to, interfere with or interrupt any workmen at the Property. Buyer may not order any work on the Property until after the Closing. Buyer recognizes that Seller is under no obligation to agree to provide options, extras and/or upgrades. Without limiting the applicability of this Section to all obligations, representations and covenants of Buyer hereunder, Buyer specifically acknowledges that any breach by Buyer of the terms and conditions contained within this Section shall be deemed to be a material breach and shall entitle Seller to declare this Agreement to be in default in accordance with the provisions of the Buyer's Default in the Agreement. Seller's failure to promptly take any action with respect to Buyer's breach of the terms and conditions contained herein shall not be deemed a waiver of any of Seller's rights or remedies hereunder. Whenever this Agreement shall require Seller to complete or substantially complete an item of construction, unless provided specifically to the contrary herein, such item shall be deemed complete or substantially complete when so completed, in the sole and unfettered opinion of Seller. Should Seller fail to provide any item of construction required to be provided, Buyer's sole remedy therefore will be to collect an amount from Seller equal to Seller's cost for such item and for Seller's cost of installation of such item had such item been installed at the appropriate time during construction. Without limiting Seller's rights and Buyer's obligations contained within this Section and elsewhere in this Agreement, should any warranted defects in workmanship or materials be discovered before or after the Closing, Buyer agrees that Buyer's sole remedy therefore is for Seller to, at Seller's sole and absolute discretion, either repair or replace the defective item. To the extent permitted by applicable law, Seller disclaims any liability for incidental or consequential damages that may arise from a defective item.

9. Counterparts. This Rider B may be executed in counterparts, a complete set of which shall form a single document.

10. Conflicts. In the event of any conflict between this Rider B and the Agreement, this Rider B shall control. In all other respects, the Agreement shall remain in full force and effect.

11. **Entire Agreement**. The Agreement, together with this Rider B and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Rider B or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

DISCLOSURE STATEMENT REGARDING CHANGE OF OWNERSHIP AND DEVELOPMENT CONTROL OF COMMUNITY

THIS DISCLOSURE STATEMENT (this "**Disclosure**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of May 08, 2013, between Anthony Logan Ray (collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 0036 of Block _____ of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Acknowledgment**. Buyer acknowledges and understands that the real estate market reacts to economic and other conditions which are beyond Seller's control. Due to current real estate market conditions, Buyer acknowledges that Seller has decided not to build additional homes and/or not pursue any further development in the Community. Seller agrees to work cooperatively to effectuate a smooth transition of ownership of certain lots in the Community and/or effectuate the transition of development control of the Community in accordance with applicable law. Buyer understands that the Community will be in a state of transition for an uncertain period of time.

3. **Effect on Community**. Buyer acknowledges that the Seller's decision to not build additional homes in the Community and/or to not pursue further development in the Community may result in the change in ownership of certain homesites and development control, if any, by the Seller. Seller's decision could have adverse impacts upon Buyer or other homeowners in the Community (e.g., the completed or partially completed homes which are currently unsold may remain unsold and vacant for an uncertain period of time). Additionally, Buyer acknowledges that any further development within the Community could be delayed indefinitely, and there is no assurance the Community will ever be completed as originally planned and approved by the local governmental agencies, if any. Also, various common improvements within the Community which have not been completed (e.g., gated entries, signage, club house, etc.) may not be completed for an extended period of time or may never be completed as originally planned. Further, the management and operation of the Community by the homeowners' association could be disrupted during the transition period. Some of the specific changes in this Community include: [*if known, provide information regarding certain amenities that will not be built certain phases that will not be completed, etc.*].

4. **Additional Impacts**. The above provisions provided in Section 3 are not intended to be an exhaustive list of all of the potential adverse impacts to Buyer or other homeowners in the Community that might result from the change in ownership of certain homesites and/or development control by Seller. In contrast, if the transition of ownership of certain homesites and development control to the Seller's successor were to occur as real estate market conditions improve, the foregoing potential adverse impacts could be mitigated.

Seller desires that Buyer be as informed as reasonably possible under the current uncertain circumstances about the potential impacts that might result from the change in ownership of homesites and development control of the Community by Seller prior to Buyer's close of escrow. Buyer acknowledges that Seller cannot predict every impact that may be material to Buyer and that it is imperative that Buyer make his own independent evaluation of the potential adverse impacts that may affect Buyer's decision to consummate the purchase of a home in the Community.

5. **Counterparts**. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

6. **Conflicts**. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

7. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

INSULATION ADDENDUM

THIS INSULATION ADDENDUM (this "Addendum") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") dated as of the eighth day of MAY , 2013, between Anthony Logan Ray (collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 0036 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "Community").

1. Defined Terms. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. Insulation. Pursuant to Title 16, Chapter I, Section 460.16 of the Code of Federal Regulations, the insulation that is or will be installed in the Home where conditioned space meets unconditioned space is as follows and will, according to the manufacturer, yield the R-values stated:

Location	Type	Thickness	R-Value
Exterior Masonry Walls	N/A	N/A	N/A
Exterior Stud Wall	Batt	3 1/2 inches	R-13
Ceilings	Batt	10 inches	R-30
Roof	Blown	12 inches	R-30
N/A	N/A	N/A	N/A

If so indicated above, fiberglass (also known as glass wool) is/will be used for insulation in the Home. The U.S. Department of Health and Human Services ("HHS") has listed fiberglass as a substance "which may reasonably be anticipated to be a carcinogen." This listing identifies substances selected for further study because of their potential carcinogenic risk but is not an assessment by HHS that there is a causal connection between fiberglass and human cancer. The listing does not establish that fiberglass presents a risk to persons in their daily lives.

3. Counterparts. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

4. Conflicts. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

5. Entire Agreement. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

INDOOR ENVIRONMENTAL QUALITY DISCLOSURE

THIS INDOOR ENVIRONMENTAL QUALITY DISCLOSURE (this "**Disclosure**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the eighth day of MAY , 2013, between Anthony Logan Ray (collectively, "**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0036 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Disclosure to the Agreement shall be deemed to include references to this Disclosure and to any other disclosure and/or addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Indoor Environmental Contaminates**. There are many different types of indoor environmental contaminants, such as pet dander, dust mites and mold. Molds and other potential contaminants have been a part of our environment for millions of years. Contaminants are everywhere, indoors and outdoors. Therefore, everyone is exposed to some contaminants on a daily basis without evident harm. Due to a number of factors, including the fact that sensitivities to various types of molds and other potential contaminants vary from person to person, there are no state or federal standards concerning acceptable levels of exposure to mold. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illness have been linked with biological pollutants in the indoor environment, including some forms of mold. However, many of these conditions also have causes unrelated to the indoor environment. Therefore, it is unknown how many potential health problems relate exclusively to poor indoor air. Buyer should determine for himself/herself whether Buyer, Buyer's family members or any other individuals who will occupy or use the Home have special needs or increased risk to these conditions. Buyer should carefully monitor the conditions in the Home for mold growth and other contaminants.

When excessive moisture or water accumulates indoors, mold growth can and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all molds or mold spores in an indoor environment. The key to controlling indoor mold growth is to control moisture.

There are many ways to help control moisture in and beneath the Home. The U.S. Environmental Protection Agency, the Consumer Product Safety Commission, the American Lung Association and others recommend taking measures such as those listed below to help control moisture in and beneath the Home. The following list is not meant to be all-inclusive.

- o Fix leaking plumbing and any other source of unwanted water immediately.
- o Maintain proper indoor humidity. Equipment that conditions the air, such as air conditioners, humidifiers and ventilation systems must be operated year round.
- o Raise the temperature in areas where moisture condenses on surfaces and open doors between rooms to increase air circulation in the Home, including doors to closets.
- o Have major appliances, such as furnaces, heat pumps, central air conditioners, window air conditioning units, ventilation systems and furnace attached humidifiers inspected, cleaned and serviced regularly by a qualified professional.
- o Clean and dry refrigerator, air conditioner and dehumidifier drip pans and filters regularly and make sure that refrigerator and freezer doors seal properly.
- o Keep water away from the foundation of the Home by maintaining required slopes, drainage and keeping plantings and sprinklers the proper distance from the Home.
- o If there is a sump pump in the Home, inspect it regularly to ensure that it is properly operating.
- o If there is a crawl space or structural sub-floor, inspect the ground beneath the floor on a regular basis to make sure there is no standing or excessive water. If there is standing or excessive water, seek professional assistance to remove the water. If Buyer is interested in finishing the basement, only do so after consulting an expert to determine the suitability of the basement for a finished area.

The following are suggestions that may assist Buyer in preventing and addressing mold growth in the Home.

- o It is important that Buyer responds promptly when Buyer sees signs of moisture or mold.
- o Do not allow moisture to stand or make contact with carpet, furniture and cellulose-based materials, such as wood, drywall or other non-tile, non-plastic or non-metal materials.
- o Dry all water damaged areas and items immediately to prevent mold growth.
- o If mold develops, clean up the mold by washing off hard surfaces with detergent and water and completely dry the surface.
- o Depending upon the nature and extent of the mold infestation, trained professionals may be needed to assist in the remediation effort.
- o Mold that is not properly and adequately removed may reappear.

Proper maintenance and cleaning of the Home is the responsibility of each homeowner and will lessen the potential for water intrusion and help to control indoor environmental contaminants. Further, it is the responsibility of each homeowner to monitor their Home on a continual basis for excessive moisture, water and mold accumulation. If Buyer discovers accumulation of water or moisture in, around or under the Home, Buyer should immediately seek to control the source of the water or moisture. Failing to control the source could result in additional damage and the growth of mold. Plumbing leaks and water penetrations that are covered by the Limited Warranty, if any, during the term of the Limited Warranty must be reported to Seller immediately. If the Limited Warranty has expired or does not cover the specific problem, Buyer should not delay in having professionals address the problem. Seller will not be responsible for, and Buyer agrees to indemnify and hold harmless Indemnified Parties from and against all Claims in connection with, water-related damages, including personal injuries or property damage caused by mold, but only to extent that the damages are caused by (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction. Buyer also agrees to waive all rights of subrogation for damages resulting from water-related damages, mold growth, any personal injuries, or any remediation resulting from (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction.

3. **Counterparts**. This Disclosure may be executed in counterparts, a complete set of which shall form a single Disclosure.

4. **Conflicts**. In the event of any conflict between this Disclosure and the Agreement or any other addenda and/or riders, this Disclosure shall control. In all other respects, the Agreement shall remain in full force and effect.

5. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

RICEFIELD WAY and THE ABBEY AT SPRING GROVE PLANTATION
MASTER DISCLOSURE AND INFORMATION ADDENDUM TO
PURCHASE AND SALE AGREEMENT
SOUTH CAROLINA

THIS MASTER DISCLOSURE AND INFORMATION ADDENDUM (this "**Addendum**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") entered into as of the Eighth day of May , 2013, between Anthony Logan Ray ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0036 of Building/Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as **Spring Grove Plantation** (the "**Community**").

1. **Defined Terms**. All capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Community**. The Property lies within a neighborhood known as Ricefield Way or The Abbey at Spring Grove Plantation (the "**Neighborhood**"), which lies within a community known as Spring Grove Plantation (the "**Community**"). This Addendum explains certain terms which are applicable to the purchase of Homes within the Community and the Neighborhood. Current plans are for Ben McCormick Homes, Harbor Homes and First Coast Homes to build homes in the Community. Other builders besides Seller may be added or deleted from the list of builders in the future. Seller, and any other builder in the Community, shall have the right, without notice to Buyer, to make changes to, among other things, homesite sizes, number of homes being built, size and style of homes being built, features and materials in homes being built, prices of homes (whether more or less than currently published), price per square foot of homes (whether more or less than currently published), street layout, amenity layout, and usage, location, size and number of trees, bushes and other foliage (current and future), and any other items or uses which are currently planned for the Community or the Neighborhood. Seller makes no representation or warranties that Seller will be the exclusive builder or developer in the Community or the Neighborhood or that the Community or the Neighborhood will be built out exactly as currently planned, and Seller expressly reserves the right to make whatever changes it deems necessary relating to future development or build out of the Community and the Neighborhood. Any current maps or other materials showing any final or projected community development may be modified or updated in the future.

SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES WITH REGARD TO THE DEVELOPMENT OF HOMESITES IN AND AROUND THE COMMUNITY. HOMESITES IN AND AROUND THE COMMUNITY MAY REMAIN UNDEVELOPED AT THE SOLE DISCRETION OF SELLER, OTHER BUILDERS IN THE COMMUNITY, AND/OR THE DEVELOPER OF THE COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO SELLER BEING THE SOLE OR EXCLUSIVE BUILDER WITHIN THE COMMUNITY. SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO CONTINUING TO BUILD IN THE COMMUNITY THROUGH FINAL BUILD OUT AND/OR BUILDING UPON ANY UNDEVELOPED HOMESITE(S). FURTHERMORE, IT IS UNDERSTOOD THAT NO REPRESENTATIONS, ESTIMATES OR PROJECTIONS HAVE BEEN CONVEYED REGARDING THE FINAL BUILD OUT TIME OF ANY UNDEVELOPED HOMESITE(S) OR THE OVERALL COMPLETION SCHEDULE OF THIS COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER CONSTANTLY EVALUATES THE PRICING, DESIGNS, PRODUCT MIX AND AMENITIES OF ITS COMMUNITIES AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING WHETHER TO CONTINUE TO BUILD HOMES WITHIN THE COMMUNITY AND BUYER IS NOT RELYING UPON ANY OF THE FOREGOING IN DECIDING TO PURCHASE THE PROPERTY.

3. **Governing Documents**. Buyer acknowledges receipt, either in hard-copy or via internet or electronic means, of all documents ("**Governing Documents**") for the Community and the Neighborhood.

3.1 Buyer acknowledges receipt of, and agrees to be bound by the Declaration for Spring Grove Plantation Community (the "**Declaration**"), the Articles of Incorporation, By-Laws and any Rules and Regulations of Spring Grove Plantation Community Service Association, Inc., all as amended and supplemented from time to time (collectively, the "**Community Documents**"). Buyer acknowledges and agrees that title to the Home will be subject to the Community Documents.

3.2 The Property will be subject to certain deed restrictions as reflected in the Limited Warranty Deed executed by Seller and furnished to Buyer at Closing. The deed restrictions run with the Homesite and require, among other things, that (i) buyer give Seller notice of Seller's defaults or any Claim (as defined therein) after Closing and (ii) Seller have an opportunity to inspect and cure defects in the Home. The deed restrictions further require the arbitration of any Claim against Seller that cannot be resolved.

3.3 Buyer acknowledges the provisions of the Governing Documents are fair and reasonable.

4. **Association Memberships**.

4.1 Upon conveyance and recording of the Deed to the Home, Buyer understands and agrees that Buyer will then become a member of the Spring Grove Plantation Community Service Association, Inc., a South Carolina nonprofit corporation (the "**Association**"). Buyer agrees to accept the liability and obligations of

such memberships. Buyer understands that as a member of the Association, Buyer will be required to pay Assessments (as defined in the Governing Documents) for the maintenance of the Common Areas (as defined in the Governing Documents) and for such other uses and purposes as are provided for in the Governing Documents. Buyer also understands and agrees that a failure to pay Assessments when due could cause the Association to record a lien on the Home and to foreclose such lien. Assessments are subject to additional increases in the manner currently provided for in the Governing Documents. Neither Seller, the Association, nor any other builder can estimate the amount or frequency of any such increase.

4.2 Buyer acknowledges that nominees of Seller, and the developer of the Community and the developer of the Neighborhood may serve as the initial officers and directors of the Association. The officers and directors and the management company, which may be an affiliate of Seller, are authorized by Buyer to act for and on the behalf of the Association. Seller may, but is not required to, advance monies to the Association for operations. In the event such advances are made, they will be considered a loan from Seller, and the Association will be obligated to repay such advances as set forth in the Community Documents.

4.3 Buyer acknowledges that all new construction and modifications of existing construction and exterior improvements within the Community are subject to the prior written approval of the appropriate architectural review, design review or similar committee or authority, which is appointed by the Board of Directors of the Association. Buyer agrees to comply with all rules and regulations of the appropriate authority (or authorities) governing construction of improvements within the Community and the Neighborhood as the same may be amended and exist from time to time. These restrictions are subject to change without notice. Building and use restrictions include, but are not limited to, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, the developer of the Community, the developer of the Neighborhood and homebuilder(s), leases and restoration of homesites. Buyer agrees not to commence any construction upon the Homesite until it has obtained all requisite written approvals therefore. Buyer further agrees not to make any modifications of any existing buildings and improvements, including, but not limited to, landscaping and landscape irrigation, without the prior written approvals of the appropriate authority (or authorities) pursuant to any city, county or state regulation and pursuant to recorded covenants, conditions or restrictions governing the land. In addition, every city, county or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to the Home or Homesite, Buyer should contact the applicable governmental authorities for further information concerning local codes and ordinances. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required.

4.4 Approval of any work by the appropriate reviewing authority or authorities shall not constitute an express or implied warranty of representation that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designated or will be constructed in a proper manner.

4.5 Failure to submit plans and specifications to the appropriate reviewing authority or authorities for approval is a violation of the provisions of the Declaration and/or applicable deed restrictions, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, any of non-approved improvements or modifications.

5. **Community Charges**. In addition to the Closing Costs set forth in Rider B, Buyer shall pay the following additional Closing Costs respecting the Community:

5.1 Association Assessments. Assessments payable to the Association ("**Association Assessments**"), prorated for the month in which the Closing occurs (based on the then current Assessments at the time of closing). Such Assessments are estimated to be $330.00 per year at this time. Buyer understands that the estimated operating budget for the Association is only an estimate of what it will cost to run the Association. The Association may make changes in the budget at any time to cover increases or decreases in expenses or estimates in the budget. Without limiting the generality of this Section, those changes will not give Buyer any right to cancel the Agreement.

5.2 Association Initial Capital Contribution. Buyer acknowledges that among other Assessments provided for in the Community Documents, the Association has established an initial capital contribution ("**Initial Capital Contribution**"). Buyer acknowledges that upon conveyance of the Property an Initial Capital Contribution in an amount equal to $300.00 (or such amount as determined from time to time) is due. The Initial Capital Contribution may be used for any reason whatsoever including, without limitation, reimbursement for costs in setting up the Association and costs of deficit funding. Buyer acknowledges and agrees that the Initial Capital Contribution is not to be considered as an advance payment of Assessments.

5.3 Resale Capital Contribution. Buyer acknowledges that the Association may establish a Resale Capital Contribution (as defined in the Governing Documents). For more information on the Resale Capital Contribution, please refer to the Governing Documents.

6. **Security**. The Community is not a gated community and the roads in the Community are public.

7. **Building and Use Restrictions**. Every homesite is subject to building and use restrictions as set forth in the Declaration. These restrictions are subject to change without notice. Building and use restrictions may affect,

among other things, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, satellite dishes, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, any developer and homebuilder(s), leases and restoration of homesites. Seller encourages you to carefully review the Declaration and to ensure the long-term quality of life for both you and your neighbors.

8. **Municipal Building Codes And Ordinances**. Every city or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to your Home or Homesite, you should contact the Building Inspector for Berkeley County at 843.719.4095 for further information concerning local codes and ordinances. Seller is not responsible for notifying Buyer or any other homeowners of the content or restrictions contained in any local codes or ordinances.

9. **Architectural Review**.

9.1 The Declaration currently provides that no improvements shall be commenced upon any homesite, nor shall the exterior color, style and materials of an approved structure on a homesite be altered without the prior written approval of the Architectural Control Committee ("**ACC**"), as applicable, which is appointed by the Board of Directors of the Association. Improvements constructed by Seller or the developer of the Community, or the Neighborhood, as applicable, are exempt from this requirement. Approval of any work by the ACC shall not constitute an express or implied warranty or representation by the ACC that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designed or will be constructed in a proper manner. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required. For more information concerning architectural review, please review the Declaration.

9.2 Failure to submit plans and specifications to the ACC for approval is a violation of the Declaration, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, of any non-approved modifications.

10. **Pet Restrictions**. Buyer understands that the only pets allowed in the Neighborhood and the Community are those which are in accordance with the restrictions contained in the Community Documents or any amendments thereto.

11. **Short-Term Rentals**. Buyer acknowledges that homes in the Community may be rented for any length of time, subject to certain restrictions set forth in the Community Documents.

12. **Flood Zone**. Buyer acknowledges that the Property may be in a flood zone. Mortgage lenders will typically require the issuance of flood insurance as a requirement for financing, which insurance must be present at Closing. Seller recommends that each Buyer of a Home protect his/her Home by obtaining proper insurance coverage. It is possible, however, for Buyer to submit documentation to the Federal Emergency Management Agency (FEMA) to have the Home re-classified by FEMA, whereby the mortgage lender may have the option to waive the requirement of flood insurance. Buyer is solely responsible for the submission to FEMA for such re-classification and any and all expenses related to such submission. Further, Buyer acknowledges and understands that the waiver of flood insurance is at the sole discretion of the mortgage lender.

13. **Utilities**.

13.1 Buyer acknowledges that no septic tanks shall be permitted within the Community and the Neighborhood. No wells shall be installed without the express written consent of the ACC and all other applicable government agencies.

13.2 Some homesites contain or are adjacent to drainage and utility structures such as storm water overflow swales, storm water retention and/or detention basins, manholes, fire hydrants, electrical transformers, switch boxes, telephone pedestals and streetlights. None of these items shall be altered, obstructed, buried, modified, restricted or interfered with in any manner whatsoever. Overflow swales are generally utilized for overflow storm water capacity as a result of water drainage. Electrical transformers may only be landscaped to the extent permission is given by the utility provider. In some cases, water may flow from one homesite to another. State law may provide that the owner of the homesite receiving water is required to accept the water flow and may not impede the flow of this water. In addition, the Property will be graded to provide for reasonable drainage away from the Home's foundation. The vast majority of foundation problems are caused by insufficient drainage or lack of watering of soil around the foundation. Buyer should keep Buyer's lawn well watered to maintain consistent moisture content and avoid excess wetness, dryness or cracking of soil. The construction of curbs, decks, retaining walls, pools, spas, patios, landscape edging and similar items can also trap water within the yard area and cause structural damage to the Home's foundation. Seller strongly recommends that Buyer consult with a licensed landscape architect and civil engineer before performing any work or making any changes that may affect the existing drainage pattern.

13.3 Berkeley County provides water to the Community. Because Seller does not control the water supply, Seller cannot guarantee the quality of the water provided to the Community. In addition, this area is periodically subjected to extended periods of drought that may cause depletion of water supplies. Municipalities and other providers of water services (including the Town of Moncks Corner) may enact mandatory or voluntary cut backs or other restrictions in water usage. Seller has no control, influence, responsibility or liability for or over decisions concerning water rationing.

13.4 If Buyer has any questions about utility rates, services, safety, or anything else to do with overhead or underground transmission or utility lines, Buyer should contact the utility companies directly. Because Seller values Buyer's safety and that of Buyer's neighbors, no excavation or trenching should be done without first calling the utility companies for the location of buried utilities. There is currently no charge by the utilities for this service. This is especially important in utility easements where buried utility equipment is probable. Digging without advance notification and approval of the utility companies may be illegal, is dangerous and can result in severe personal injury or death to Buyer and Buyer's neighbors, and can also result in severe property damage to homes, property and utility equipment.

14. Waterbodies. BUYER ACKNOWLEDGES THAT THE WATER LEVELS OF LAKES, PONDS OR OTHER WATERBODIES WITHIN THE COMMUNITY AND/OR THE NEIGHBORHOOD MAY VARY. THERE IS NO GUARANTEE BY SELLER, THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT.

15. Regulatory And Governmental Approvals. The zoning, plans, etc. have been approved by Berkeley County. The development of the project, lot, sidewalks, etc. is subject to approval by Berkeley County. For more information on the approvals required and pending in the Community, Buyer should contact the Berkeley County Planning & Zoning Department at 843.719.4095.

16. Prices/Market Values. Seller, and any other builder in the Community, shall have the unilateral right to establish prices for the homes it builds in the Community. Seller and any other builder in the Community may, at its sole discretion, increase or decrease the price or the price per square foot for any home, homesite or option at any time, or offer incentives for sales of homesites and homes, all without notice to Buyer. Once Buyer has signed the Agreement establishing a price for the Property, the prices for any subsequent changes or upgrades to the Home as requested by Buyer, including but not limited to design, floor plan, options, materials or otherwise, are subject to change by Seller until a written and signed agreement on the price is reached by Seller and Buyer for such change or upgrade. Seller makes no representations or warranties that the price for the Property or options in the Home will be increased or decreased for other buyers of identical or similar homes or options. Seller also makes no representations or warranties that changes or options made by Buyer will or will not increase or decrease the market value of the Property. The Property is being sold for residential purposes and not as an investment.

17. Construction And Sales Activities. BUYER ACKNOWLEDGES THAT SOME AREAS OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNDER CONSTRUCTION AND DEVELOPMENT FOR AN EXTENDED TIME. INCIDENT TO THE DEVELOPMENT PROCESS, THE QUIET ENJOYMENT OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNAVOIDABLY INTERFERED WITH TO SOME EXTENT BY THE CONSTRUCTION OPERATIONS. Construction, development and sales activities in the Community and/or the Neighborhood will likely occur after Buyer has taken occupancy of Buyer's Home. Depending upon Buyer's sensitivities, this may result in some inconvenience to Buyer and Buyer's family and guests due to increased noise, dust, road closures, operation of the model homes and sales offices, and other activities. Construction activities can occur at various hours throughout the day, and sales activities can result in additional traffic and visitors throughout the Community, particularly before the Community is completely built out. Neither Seller nor any other builder that may be active in the Community can guarantee that Buyer will not be affected or impacted as a result of the overall construction and development of the Community. Seller gives no guarantees or assurances on the active time of the Community model homes. Homesites across the street or next to the model homes may remain undeveloped until Seller determines that these homesites are no longer needed for marketing purposes.

18. Views. Future development and construction activities in the Community can and will modify the view from homesites (including but not limited to the Homesite). Trees and other foliage may be added or removed from lots or common areas of the Community. Additional housing and other improvements will be added within the community. Because future development and construction activities in the Community will modify views from homesites, Seller does not warrant or guarantee any existing views will be maintained in the future relative to the Property.

19. Streetlights. Numerous streetlights will be installed within the Community, many of which will be installed after homes have been completed, sold and occupied. Streetlights are sized and placed in accordance with Town ordinances and governmental requirements, and could in some instances generate light in or obstruct views from homes in the Community. Information about streetlight size, light output, design and location of streetlights within the Community can be obtained from the service provider.

20. Trees And Foliage. The Community contains numerous native trees of various sizes and varieties. While Seller has taken great care during the planning and construction of the Community to save trees, future development and construction will require the removal of additional trees, shrubs and other foliage and, therefore, Seller does not guarantee the preservation of any trees, shrubs, ground cover or other foliage in the Community or Buyer's Homesite, and cannot be responsible for short or long-term damages to foliage due to construction or development activities. Seller makes no representation or warranty that trees on the Homesite being purchased or any other homesite or common area in the Community will not be removed. All care and maintenance of foliage on an individual homesite is the responsibility of the homeowner, and Seller does not guarantee or warranty the survival of any foliage. Berkeley County has adopted a Tree Ordinance regulating the removal of any tree over a certain size. Before removing a tree, Buyer should contact Berkeley County to ensure that its regulations are adhered to. The Declaration also contains restrictions regarding the removal of any tree over a certain size. Buyer should contact the Association to ensure that its regulations are adhered to.

21. Facilities And Conditions Affecting Homesites.

21.1 The information set forth in this section contains an overview of facilities and conditions which may affect some or all homesites in the Community (including but not limited to the Homesite). Because Seller does not have control over development outside of the Community, Seller does not warrant or guarantee any future development, usage, or lack of development or usage for properties located outside of the Community, or their possible impact on the residents of the Community. For additional information about offsite features that may affect the purchase of the Property, please contact the local governmental authorities having jurisdiction over the Community.

21.2 Seller advises Buyer that some of the homesites (including but not limited to the Homesite) are or may be adjacent to or near some of the following:

DRAINAGE CHANNEL, AIRPORT, RAILROAD TRACKS, STORM WATER DETENTION FACILITY, COMMUNITY CENTER, ELEVATED WATER STORAGE TOWER, SCHOOL FACILITY, PARK SCHOOL SITE, SPORTS FACILITY OR BALL FIELD, COMMUNITY LAKES, PARK AND/OR RECREATION FACILITY, WATER PLANT/SEWER PLANT, LIFT STATION, CELLULAR PHONE, RADIO, TELEVISION OR OTHER TOWER ANTENNA SITE, HIGH VOLTAGE TRANSMISSION LINES OR PIPELINE EASEMENT.

Buyer acknowledges that such facilities may impact noise, vibration, lighting, traffic and other conditions caused by daily operations of the facility. Drainage channels, lakes and storm water detention facilities will have varying levels of water for varying periods of time depending upon rainfall.

21.3 Approximately 10 miles from the edge of the Community is the Charleston International Airport. Some flights landing at or taking off from the airport currently pass over the Community. Jets, helicopters or other aircraft may be seen or heard overhead from the Homesite or even from within the Home. The Charleston International Airport may, in the future, expand the Airport and its operations.

21.4 As a result of the open spaces and bodies of water in and around the Community, Buyer may periodically find wild animals within the confines of the Community including, but not limited to, skunks, nutria, opossums, deer, raccoons, spiders, snakes, bees, fire ants, and other insects common to the area. Contact with any wild animal can be dangerous. Should Buyer encounter any such animal, Buyer is encouraged to contact Buyer's local animal control office for further instructions.

21.5 Property West of the Community. The property west of the Community is currently comprised of agricultural and wooded land and land occupied by the Charleston Steel & Metal plant, Parker Gas Turbine Fuel Systems, and Mt. Holly Hill Park.

21.6 Property North of the Community. The property north of the Community is currently comprised of undeveloped woodlands and land used for residential purposes.

21.7 Property East of the Community. The property east of the Community is currently comprised of forested wetlands and undeveloped woodlands and land used for residential purposes. The property further east of the Community was occupied by the former Pattillo/Stone Mountain Industrial Park Site.

21.8 Property South of the Community. The property south of the Community is currently comprised of undeveloped woodlands and forested wetlands and land used for residential purposes.

21.9 Future Commercial/Retail Uses. The Community is located adjacent to properties which will be developed with major commercial and retail uses in the future. The development of such uses adjacent to the Community may increase traffic volumes, noise, outdoor lighting, pedestrian activity and other similar impacts resulting from commercial development.

21.10 Development of Adjacent Property. Buyer acknowledges that Seller's current construction plans for the Community where the Home and Homesite are located may change and that no representations or warranties are made concerning the development of the Community, or any property adjacent to, surrounding, or near such Community.

21.11 Public Ballfields. Public ballfields are located within the Community. The ballfields are or will be owned by the Association and the future use of the ballfields is in the discretion of Association.

21.12 Major Public Roads. The Community is located along portions of Old Hwy 52 and Cypress Garden Road. These roads may experience heavy traffic.

22. **Floor and Roof Truss Support**. The Home has been designed and constructed with the intent to support typical loads on the floor and roof trusses. Placing or storing excessive loads such as a waterbed or pool table, may result in the warping or failure of the supporting structural components of the Home.

23. **Real Estate Taxes**. When a new home is built, the full value of the home is typically not reflected in the real estate taxes until the second calendar year after construction has been completed. Seller is not responsible for communicating any information regarding real estate taxes (current or future) and cannot and will not predict what the taxes on the Home may be. Buyer should confirm any information provided concerning appraisals, tax valuation, tax rates or other tax-related questions, with Buyer's personal tax advisor and the local taxing authorities.

24. **Public Financing of Capital Improvements**. Berkeley County may finance certain capital improvements in the Community, may issue bonds in connection with such financing and may create one or more special tax districts

within the Community to provide for repayment of such bonds.

25. Town and County Taxes, Charges And Fees. Property within the Community is subject to Berkeley County taxes, utility charges, fees and may become part of a special taxing district. For additional information, contact the Tax Collector's office of Berkeley at 843.719.4030.

26. Addendum Not A Substitute. Buyer acknowledges and agrees that this Addendum is not a substitute for reading the entire Governing Documents. For a more detailed explanation of any section contained in this Addendum, refer to the Governing Documents.

27. Pre-Sale Contingency. Seller shall have the right to terminate this Agreement and cause Buyer's deposits to be refunded in the event that Seller does not enter into binding contracts to sell at least ten percent (10%) of the homes and homesites in the Community. Seller must, however, notify Buyer of such a termination at any time within one hundred eighty (180) days following the date of the first purchase agreement for the sale of a home in the Community, otherwise Seller will be required to construct the Community and the Home and otherwise proceed to perform its obligations under this Agreement. This shall not delay the effectiveness of this Agreement, which shall be immediate, but rather, shall be deemed a "condition subsequent" to this Agreement. In the event of Seller's termination of this Agreement pursuant to this Section, upon such termination and the return of Buyer's Deposit, Seller and Buyer will be fully relieved and released from all obligations and liabilities under and in connection with this Agreement. Seller agrees to use its good faith efforts to meet the foregoing pre-sale requirement.

28. Third Party Developer. Seller is not the developer/declarant of the Community ("Developer"). Buyer acknowledges that (i) Seller is neither related to nor a joint venture partner with Developer, (ii) Seller does not control the amenities (existing or planned), landscaping, or other improvements that Developer may provide within the Community in the sole and absolute discretion of Developer, (iii) Seller has neither prepared nor participated in the preparation of the Community budgets or any other financial information with regard to the Community, and (iv) any representations or warranties which relate to amenities or other matters contained within the Community shall not be construed as representations made by Seller nor shall such representations be relied upon by Buyer in Buyer's determination as to whether to purchase the Property located within the Community. Seller has no control or influence related to the construction timing, completion, changes in design, changes in location, or other major decisions, including the decision not to build future amenities. Buyer agrees to look solely to the Developer with respect to any matters regarding the Association, existing Community amenities, any proposed amenities, landscaping or other improvements.

29. Statements Made By Sales Staff And Brokers. Seller wants to ensure that Seller and Buyer are in full agreement on all terms and conditions relating to the Agreement. To best ensure that there are no misunderstandings, Buyer should ensure that all terms and conditions (including all statements, representations, or understandings upon which Buyer relies in purchasing the Home) are set forth in writing in the Agreement. **If there are any statements, representations or understandings which are made by a sales staff person or any other representative of Seller which are material to Buyer's decision to purchase, Buyer should insist that any such statement, representation or understanding is put in writing and contained in the Agreement. Seller reserves the right to reject the Agreement notwithstanding the inclusion of any such item in the Agreement.**

30. Public School Assignment. Seller does not control and cannot guarantee public school assignments for the Community. Because Seller does not control public school assignments, Seller cannot assure Buyer that public school assignments will not be changed in the future. For more information about public school assignments, Buyer should contact the Berkeley County School Board.

31. Counterparts. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

32. Conflicts. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

33. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

34. **Survival**. All of the terms of this Addendum shall survive Closing and the delivery of the Deed.

1. **Purchase and Sale.** Buyer agrees to buy and Seller agrees to sell to Buyer (on the terms and conditions set forth below) Model Hartford constructed or to be constructed on the following described property:
Lot 0006 of Block _____ of The Abbey at Spring Grove Subdivision/Plat, in Berkeley County (the "**County**"), South Carolina

Address: 212 Maywood Drive Moncks Corner SC 29461

The residence and improvements (the "**Home**") constructed or to be constructed on the above described property (the "**Homesite**"), and all appurtenances thereto are collectively referred to in this Agreement as the "**Property.**" The Property is located within the community known as The Abbey at Spring Grove (the "**Community**").

2. **Purchase Price and Payments.** The total purchase price ("**Total Purchase Price**") for the Home, exclusive of any Builder's Fee, as applicable, and Closing Costs as described in Rider B and the Purchase Price and Payment Addendum, is $ 172,990.00. Buyer (and not a third party) has made an earnest money deposit upon the signing of this Agreement (the "**Initial Deposit**") of $ 500.00. Buyer shall make further payments to Seller, including but not limited to any "Additional Deposit" or "Advanced Payment" (consisting of non-refundable deposit(s) for options, extras, and upgrades) as set forth in the Purchase Price and Payment Addendum attached hereto and made a part hereof. The term "**Deposit**" shall include the Initial Deposit, Additional Deposit and Advanced Payment.

3. **Legally Binding Agreement.** THIS AGREEMENT IS A LEGALLY BINDING CONTRACT. IF NOT FULLY UNDERSTOOD, PLEASE SEEK COMPETENT LEGAL ADVICE. NO WARRANTIES OR REPRESENTATIONS, OTHER THAN THOSE SPECIFIED IN THIS AGREEMENT, ARE EXPRESSED OR IMPLIED. ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF SELLER. FOR CORRECT WARRANTIES AND REPRESENTATIONS, REFERENCE SHOULD BE MADE TO THIS AGREEMENT, INCLUDING THE RIDERS AND ADDENDA ATTACHED HERETO, AND THE "**DOCUMENTS**" (AS SUCH TERM IS DEFINED IN RIDER B) PROVIDED TO BUYER, IF ANY.

4. **Financing.**

☐ **NO CONTINGENCY.** If this box is checked, this is a cash transaction and not contingent on financing. Buyer agrees to provide within five (5) calendar days from the Buyer's execution of this Agreement financial statements or other written verification of Buyer's ability to purchase the Property with cash. If Buyer does not (in Seller's sole judgment, based on the documentation provided by Buyer to Seller) have the financial ability to purchase the Property with cash, then Seller may terminate this Agreement by refunding to Buyer any paid Deposit.

☑ **MORTGAGE CONTINGENCY.** If this box is checked, this Agreement is contingent on Buyer obtaining a loan commitment within the Mortgage Contingency Period (as such term is defined in Rider B attached hereto) for a first mortgage loan from Universal American Mortgage Company, LLC (an affiliate of Seller), or another qualified institutional mortgage lender of Buyer's choice ("**Lender**"), with interest, term and service charges at current market rates at time of Closing (as defined below) for a borrower of

Buyer's credit qualifications (the "**Mortgage Contingency**"). Buyer agrees to apply within five (5) calendar days from the execution of this Agreement for a loan at the then prevailing interest rate and terms (the "**Mortgage Contingency Period**"). In the event Buyer chooses to obtain financing through a Lender other than Universal American Mortgage Company, LLC, Buyer agrees to promptly provide Seller, upon Seller's request, with the name, address and phone number of such Lender, the loan officer and the loan processor. Buyer shall furnish promptly and accurately to Lender all information and documents requested by Lender in connection with such application. If Buyer properly makes and pursues the loan application as provided herein but is unable to provide Seller with a copy of a written loan commitment reasonably satisfactory to Seller within the Mortgage Contingency Period, or if Buyer is at any time disapproved for such loan (and Buyer does not cancel or withdraw his/her loan application), then Seller, at its sole discretion, may cancel this Agreement by written notice to Buyer, at Buyer's last known address, in which event Seller shall refund any paid Deposit made by Buyer. If Buyer properly makes and pursues the loan application as provided herein but is unable to obtain mortgage loan financing, despite Buyer's good faith efforts to do so, and Buyer is not otherwise in default under this Agreement, and further provided that Buyer provides Seller with documentation from Lender that the loan has been declined, Buyer may cancel this Agreement by giving written notice to Seller within the Mortgage Contingency Period, in which event Seller shall refund any paid Deposit. If this Agreement provides for a VA guaranteed or FHA-insured loan, Buyer's obligation to complete the purchase contemplated under this Agreement is subject to the VA/FHA Addendum attached hereto and incorporated herein.

The following shall apply only if this Agreement is subject to the Mortgage Contingency, as indicated above:

4.1 Mortgage Loan. Unless Buyer shall have otherwise notified Seller in writing within the Mortgage Contingency Period, Buyer shall be conclusively presumed to have obtained the loan commitment or agreed to purchase the Property without mortgage financing, and the Mortgage Contingency shall be deemed to have been satisfied.

4.2 Application. Buyer understands that any loan application required under this Agreement must be fully completed in order to obtain the mortgage loan, and Buyer will make a good faith attempt to qualify for the mortgage loan. If Buyer has a spouse who does not constitute a Buyer under this Agreement, Buyer agrees to have his/her spouse sign the mortgage documents as required by Lender. BUYER AGREES TO INCUR NO DEBT SUBSEQUENT TO THE DATE HEREOF WHICH MIGHT JEOPARDIZE APPROVAL OF BUYER'S MORTGAGE LOAN. IF THE PROPERTY IS BEING PURCHASED BY A CORPORATION, PARTNERSHIP, OR OTHER ENTITY, BUYER AGREES TO (1) OBTAIN ANY PERSONAL ENDORSEMENTS OR GUARANTEES REQUIRED BY LENDER AND (2) PROVIDE TO LENDER AND/OR THE TITLE INSURER PROMPTLY UPON REQUEST SUCH CERTIFICATES, RESOLUTIONS OR OTHER CORPORATE, PARTNERSHIP OR OTHER ORGANIZATIONAL DOCUMENTS AS MAY BE REQUIRED. Except as provided in this Agreement, Buyer agrees to pay all loan fees and closing costs charged by Lender in connection with the mortgage loan. Buyer will pay any prepaid interest due on the mortgage loan at the time of Closing and any amount Lender may require to be put into escrow toward the payment of property taxes and insurance on the Property. Buyer will also pay any mortgage insurance premiums (prepaid or otherwise), if required by Lender.

4.3 Commitment. Buyer understands that the rate of interest on the mortgage is established by Lender and not by Seller and that any predictions or representations of present or future interest rate that may have been contained in any advertising or promotion by Seller are not binding. If Buyer obtains a written mortgage loan commitment and the mortgage loan commitment is subsequently withdrawn through no fault of Seller including, but not limited to, any condition to such loan commitment not being satisfied for any reason (other than failure of the Property to appraise equal to or greater than the Total Purchase Price), this Agreement shall remain in full force and effect and Buyer shall be conclusively presumed to have agreed to purchase the Property without mortgage financing. If the Lender's appraiser does not appraise the Property for the Total Purchase Price then Seller shall have the option in, Seller's sole discretion, to (i) lower the Total Purchase Price to the appraised value and Buyer shall proceed to Closing, or (ii) terminate this Agreement and return the Deposits to Buyer. If Buyer obtains a loan commitment containing any special condition that is not ordinarily contained in typical loan commitments for the Community, Seller, in Seller's sole discretion, may treat Buyer's loan application as having been denied; whereupon, Seller shall have the rights set forth in this Section 4.

4.4 Sale of Other Residence. Unless the Home Sale Contingency Addendum is executed, Buyer represents and warrants that this Agreement and the mortgage loan referenced herein, are not and will not be subject to or contingent upon Buyer's selling and/or closing on the sale of Buyer's present residence or other property. Failure to close on the purchase of the Property will constitute a default by Buyer and the remedies available to Seller for Buyer's default under this Agreement shall apply.

5. **Funds**. Any funds paid by Buyer under the terms of this Agreement to Seller through a check or cashier's check are accepted by Seller subject to collection. Buyer acknowledges that Seller shall have the right to deposit such check for the Initial Deposit without such action being deemed acceptance of this Agreement. If any such check is not paid by the bank after acceptance of this Agreement, Seller shall have the option to cancel this Agreement and declare Buyer in default. If Buyer provides any check for a Deposit in the form of Canadian currency (a "**C$ check**"), Seller's depository bank will convert such C$ check into a U.S. dollar amount using its currency procedures and exchange rate then in effect two (2) business days following the date of processing (the "**Conversion Date**") and the amount of the Deposit to be applied toward the Total Purchase Price shall be equal to the amount received by Seller from the depository bank on the Conversion Date. Seller reserves the right to charge or pass through any currency conversion-related fees or costs to the Buyer at Closing (as hereafter defined). Notwithstanding the foregoing or anything contained in the Agreement to the contrary, the balance of the Total Purchase Price plus all applicable Closing Costs (the "**Closing Proceeds**") shall be paid to Seller at Closing by wire transfer in immediately available funds or by cashier's check (subject to collection) issued by a bank with a branch in the County where the Property is located. If Buyer delivers all or any portion of the Closing Proceeds in the form of a cashier's check exceeding $25,000.00, then Buyer will not be entitled to possession of the Home until the Closing Proceeds have cleared.

6. **Credit Information Authorization**. Buyer authorizes Lender to whom Buyer has applied or is in the process of applying for a mortgage loan in connection with this transaction to disclose to Seller the information contained in any loan application, verification of deposit, income and employment, and credit reports or credit related documentation on Buyer. Buyer authorizes Seller to order one or more credit reports from a consumer reporting agency to be used in connection with this transaction. The cost of said report(s) is (are) to be paid by Buyer. Buyer authorizes Seller to forward all copies of all or any portion of such report(s) without interpretation to Lender who (at the request of Buyer) will evaluate a potential extension of credit to Buyer in connection with this transaction. Buyer authorizes Lender, and any credit bureau or other person or entity utilized or engaged by Lender, to obtain one or more consumer reports regarding Buyer and to investigate any information, reference, statement, or data, provided to Lender by Buyer or by any other

person or entity, pertaining to Buyer's credit and financial status. Buyer shall indemnify, defend and hold harmless Seller, its officers, directors, shareholders, employees, agents, contractors, subcontractors and suppliers ("Indemnified Parties"), Lender, and any credit bureau or other person or entity utilized or engaged by Lender or Seller, from and against any deficiencies, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, awards, suits, costs or disbursements of any kind or nature whatsoever, including attorneys' fees and expenses ("Claims") arising from an investigation of Buyer's credit and financial status.

7. **Closing**. Without limiting the terms of Section 8, Buyer acknowledges and agrees that Seller has the right in its sole discretion to schedule the date, time and place for the closing of the transaction contemplated by this Agreement ("**Closing**") and Buyer shall close on such Closing Date (the "**Closing Date**"). Buyer will be given notice of the Closing Date, time and place by the "**Closing Date Notice Period**" (as such term is defined in Rider B attached hereto). Seller is authorized to postpone or advance the date of Closing at its discretion. Seller must, however, give Buyer reasonable notice of the new Closing Date. Any notice of Closing may be given verbally, by telephone, telegraph, telex, facsimile, mail, e-mail, or other means of communication at Seller's option. All notices of Closing will be given to Buyer at the address or by use of the telephone number(s) or e-mail address(es) specified on page 1 of this Agreement unless Seller has received written notice from Buyer of any change therein prior to the date notice of Closing is given. Buyer's failure to receive the notice of Closing because Buyer has failed to advise Seller of any changes of address or phone number, or because Buyer has failed to pick up a letter when Buyer has been advised of an attempted delivery or for any other reason, shall not relieve Buyer of Buyer's obligation to close on the scheduled Closing Date, unless Seller otherwise agrees in writing to postpone the Closing Date. To the extent not prohibited by applicable law, if Seller, in its sole discretion, agrees in writing to reschedule the Closing Date at Buyer's request, or because Buyer (if a corporation) has failed to produce all corporate documents requested by Seller, or for any other reason (except for delay required by Seller), then (1) Seller may impose a late charge as liquidated damages for such delay equal to One Hundred Twenty-Five Dollars ($125.00) per day for every day from the original Closing Date through the date that the transaction closes, and (2) Seller may require that prorations be made as of the original Closing Date. Buyer agrees the late charge is appropriate in order to cover Seller's administrative and other expenses resulting from a delay in Closing and that the amount of liquidated damages is fixed and agreed to by the parties as a reasonable estimate of the damages that Seller shall suffer and is not in the nature of a penalty. Seller is not required to agree to reschedule Closing, but Seller may reschedule Closing in Seller's sole discretion.

8. **Completion Date**. It is expressly agreed by Buyer that notwithstanding anything to the contrary specified herein or verbally represented (including but not limited to Seller's sales representative), any scheduled completion date is a good faith estimate, and Seller makes no promises or representations concerning the date of completion. Buyer agrees that Buyer has not relied, and will not rely upon, any estimated completion date for any purpose whatsoever, including, without limitation, relocation of residence, storage of personal property, or lock-in financing, and Buyer agrees that Seller shall not be liable for any additional costs, expenses or damages whatsoever should the Home not be completed by an estimated completion date. Notwithstanding the foregoing, Seller is required to complete and does agree that the construction of the Home shall be completed not later than two (2) years from the date of Buyer's execution of this Agreement. If construction is delayed by any event recognized by the law of the state in which the Home is located as a defense to a contract action for non-performance or a delay in performance, then the date of completion shall be extended by the delay period. It is the express intent of the parties that the parties' rights and obligations under this Agreement be construed in the manner necessary to exempt this Agreement and the sale of the Property from registration under the Interstate Land Sales Full Disclosure Act, and both Buyer and Seller hereby expressly waive any right or provision of this Agreement that would otherwise preclude such exemption.

9. **Casualty Before Closing**. If the Property is damaged by fire, act of terrorism or other casualty before Closing and the cost of restoration does not exceed three percent (3%) of the Total Purchase Price and repairs will not substantially delay Closing, Seller shall repair the damage and Closing shall proceed pursuant to the terms of this Agreement. If the cost of restoration exceeds three percent (3%) of the Total Purchase Price or the repairs would substantially delay Closing, Buyer shall have the option to: (1) terminate this Agreement and receive a refund of the Deposit made by Buyer to Seller, in which event both parties shall be released from all obligations under this Agreement, or (2) have Seller repair the damage as soon as reasonably possible, and Closing shall be extended until such repair or rebuilding is complete.
Notwithstanding the foregoing, if all or a portion of the Property is damaged by fire, act of terrorism or other casualty and (1) the plans, specifications or construction materials for the Property must be materially modified in order to repair or reconstruct the Property, or (2) the repair or reconstruction of the Property substantially in accordance with the plans and specifications is rendered impossible by any cause recognized by the law of the state in which the Property is located as a defense to a contract action for non-performance, then Seller shall have the right to terminate this Agreement and Buyer shall receive a refund of the Deposit made by Buyer to Seller in which event both parties shall be released from all obligations under this Agreement.

10. **Deed**. Seller shall convey title to Buyer at Closing by delivery to Buyer of a General Limited Warranty Deed (the "**Deed**") describing the Property, which Deed shall convey title to Buyer subject to all matters described in this Agreement.

11. **Closing and Title Matters**. Title to the Property to be delivered to Buyer at Closing will be marketable and insurable, subject only to the following matters:

11.1 Title to the Property shall be subject to the following: (1) zoning, building codes, bulkhead laws, ordinances, regulations, rights or interests vested in the United States of America or the state in which the Community is located; (2) real estate taxes and other taxes for the year of conveyance and subsequent years including taxes or assessments of any special taxing or community development district (including assessments relating to capital improvements and bonds); (3) the general printed exceptions contained in an owner's title insurance policy; (4) utility easements, sewer agreements, telephone agreements, cable agreements, telecommunications agreements, monitoring agreements, restrictions and reservations common to any plat affecting title to the Property; (5) matters that would be disclosed by an accurate survey or inspection of the Property; (6) the Documents; (7) any laws and restrictions, covenants, conditions, limitations, reservations, agreements or easements recorded in the public records for the County (for example, use limitations and obligations, easements (right-of-way) and agreements relating to telephone, gas or electric lines, water and sewer lines and drainage, provided they do not prevent use of the Property for single family residential purposes); (8) minor encroachments on easements that do not substantially interfere with an easement holder's interest in the Property; and (9) acts done or suffered by Buyer and any mortgage or deed of trust obtained by Buyer for the purchase of the Property. It is Buyer's responsibility to review and become familiar with each of the foregoing title matters, some of which are covenants running with the land. If any title defects are discovered by Buyer after Closing, Buyer's sole remedy shall be to make a claim to Buyer's title insurer.

11.2 Seller shall convey title to Buyer at Closing by delivery to Buyer of the Deed, which shall convey title to Buyer subject to all matters described in Section 11.1 of this Agreement. Any such matters omitted from the Deed shall nevertheless be deemed to be included in the Deed.

11.3 Seller shall provide an affidavit complying with the Foreign Investment in Real Property Tax Act of 1980, as amended, upon written request of Buyer.

11.4 Seller may not own title to the Property as of the date of this Agreement or at Closing. However, Seller shall obtain title to the Property on or before the Closing Date or effect the necessary transfer of title on or before the date when Seller causes title to be transferred to Buyer.

11.5 If Seller cannot provide marketable and insurable title as described above, such failure shall not be an event of default and Seller will have a reasonable period of time (at least one hundred and twenty (120) days from the date of the scheduled Closing Date) to attempt to correct any defects in title; provided, however, Seller shall not be obligated to incur any expense, nor institute any litigation, to clear title to the Property. If Seller cannot or elects not to correct the title defects, Seller shall so notify Buyer within such period, and Buyer may thereafter elect (by written notice from Buyer to Seller) one of the following two (2) options: (1) to accept title in the condition offered (with defects) and pay the balance of the Total Purchase Price for the Property (without set off or deduction therefor), thereby waiving any claim with respect to such title defects and Buyer will not make any claims against Seller because of the title defects; or (2) to terminate this Agreement and receive a full refund of the Deposit deposited hereunder. If all such amounts are refunded, Buyer agrees to accept it as full payment of Seller's liability hereunder, whereupon this Agreement shall be terminated and Seller shall thereafter be relieved and released of all further liability hereunder. Buyer shall not thereafter have any rights to make any additional claims against Seller. In the event Buyer does not notify Seller in writing within five (5) calendar days from the receipt of Seller's notice (time being strictly of the essence) as to which option Buyer elects, Buyer shall be conclusively presumed to have elected option (1) set forth above in this subsection.

11.6 The acceptance of the Deed by Buyer shall be deemed to be full performance and discharge of every agreement and obligation on the part of Seller to be performed pursuant to this Agreement, except those which are herein specifically deemed to survive Closing or which may survive by operation of law, if any.

11.7 Title to the Property will be deemed marketable if an owner's policy is issued with standard exceptions.

11.8 All of the terms of this Section 11 shall survive Closing and the delivery of the Deed.

12. **Closing Costs**. The respective responsibilities of Buyer and Seller for all costs, prorations and fees payable at Closing (the "**Closing Costs**") are shown in Rider B attached hereto.

13. **Site and Substitutions**. The materials, equipment and fixtures included in and to be used in constructing the Home will be substantially the same as or similar in quality to those described in the applicable plans and specifications (except as to extras, options and/or upgrades).

13.1 Changes to Plans and Specifications.

13.1.1 Industry Practice. It is widely observed construction industry practice for pre-construction plans and specifications for any home or building to be changed and adjusted from time to time in order to accommodate on-going site conditions and in the field construction factors. These changes and adjustments are essential in order to permit all components of the Home to be integrated into a well-functioning and aesthetically pleasing product in an expeditious manner. Based on the foregoing, Buyer acknowledges that such changes and adjustments may occur and agrees that it is reasonable and to Buyer's benefit to allow Seller the flexibility to make such changes and adjustments to the Home.

13.1.2 Seller's Absolute Right to Make Modifications to Plans and Specifications. Seller has the absolute right to make modifications to the plans and specifications for the Home. Without limiting the generality of the foregoing, Buyer specifically agrees that changes in the dimensions of rooms and patios, entrances and terraces, if applicable, and changes in room size, in the locations of windows, doors, walls, partitions, utility lead-ins and outlets (including, but not limited to, electrical, cable television, and telephone), air-conditioning components, lighting fixtures and electrical panel boxes may be made by Seller in its sole discretion, provided however that changes in the layout and dimensions of the Home shall not substantially affect the value of the Home. Such changes may also include, but are not limited to, changes in the building location, setbacks and facing, the building's external configuration, its structural components, its finishes and the landscaping associated therewith.

13.1.3 Buyer's Acceptance of Actual Floor Plan. Buyer further understands and acknowledges that many of the Homes to be constructed within the Community require floor plans which are opposite (i.e. flipped) mirror images of the model floor plan and Buyer fully understands and accepts the floor plan configuration for the Home and improvements to be constructed within the Home.

13.1.4 No Warranty for Plans and Specifications on File. Buyer further acknowledges and agrees that (1) the plans and specifications of the Home and the Community on file with the applicable governmental authorities may not be identical in detail to Seller's plans and specifications, and (2) because of the day-to-day nature of the changes described in this Section 13, the plans and specifications on file with the applicable governmental authorities may not include some or any of these changes (there being no legal requirement to file all changes with such authorities). As a result of the foregoing, Buyer and Seller both acknowledge and agree that the Home and the Community may not be constructed in accordance with the plans and specifications on file with the applicable governmental authorities. Without limiting the generality of the provisions of Rider B attached hereto, Seller disclaims and Buyer waives any and all express or implied warranties that construction will be accomplished in compliance with such plans and specifications. Seller has not given and Buyer has not relied on or bargained for any such warranties. In furtherance of the foregoing, in the event of any conflict between the actual construction of the Home and/or the

Community, and that which is set forth on the plans and specifications, Buyer agrees that the actual construction shall prevail and to accept the Home and Community as actually constructed (in lieu of what is set forth on the plans and specifications).

13.2 Lot Change. In the event that Seller, in its sole discretion, determines that the Model of the Home selected under this Agreement cannot reasonably be built on the Homesite, then Buyer and Seller hereby agree that they will negotiate in good faith to relocate the Home to another lot in the Community, provided however that there are lots available for sale. If no replacement lot is available, then Buyer may terminate this Agreement and will be entitled to a refund of any paid Deposit.

13.3 Decorative and Landscaping Items.

13.3.1 Buyer understands and agrees that certain of the finishing items, such as tile, marble, carpet, cabinets, stone, brickwork, wood, paint, stain and mica are subject to size and color variations, grain and quality variations, and may vary in accordance with price, availability and changes by manufacturers from those shown in the model, if any, or in illustrations or brochures or those included in the specifications. Furthermore, if circumstances arise that, in Seller's opinion, warrant changes of subcontractors, suppliers, manufacturers, brand names or items, Seller reserves the right to substitute equipment, materials, appliances, etc., which in Seller's opinion are considered to be of quality substantially similar or equal, or of better quality, subject to their availability. Buyer also understands that Seller has the right to substitute or change materials and/or stain colors utilized in wood decor, if any.

13.3.2 Lot grades, lot area, options, facades, shrubs, trees, trim, built-ins, wall treatments, window treatments, furniture, furnishings, fences, decks, locations of walks, driveways and other items in or about a model home area in the subdivision are for display purposes only and are not included in the Total Purchase Price unless otherwise expressly provided herein. Seller has the right to remove any existing trees on the Property or on the surrounding area for any reason. Buyer further understands and agrees that the following items (which may be seen in models or shown in illustrations) will also not be included with the sale of the Home: wall coverings, paint colors, accent light fixtures, wall ornaments, drapes, blinds, bedspreads, furniture, furnishings, wet bars, monitoring systems, certain built-in fixtures, special floor coverings, wood trim, upgraded items and/or any other items of this nature which may be added or deleted from time to time. This list of items (which is not all-inclusive) is provided as an illustration of the type of items built-in or placed upon models or shown in illustrations strictly for purposes of decoration and example only.

13.4 Deed. By acceptance of the Deed, Buyer accepts all variations of the Home.

13.5 Survival. All of the terms of this Section 13 shall survive Closing and the delivery of the Deed.

14. **Buyer's Default.** In the event of Buyer's default and to the extent allowed by law, Seller shall be entitled to keep, as liquidated damages and not as a penalty, Buyer's Deposit not to exceed fifteen percent (15%) of the Total Purchase Price, except that Seller may, in addition, keep, as liquidated damages and not as a penalty, any and all Advanced Payments made by Buyer to Seller for options, extras or upgrades for which Seller has made contractual commitments or incurred liability by placing orders or otherwise. Buyer agrees that actual damages in the event of breach by Buyer would be costly and difficult to calculate, and that such liquidated damages are a fair and reasonable remedy and shall not be considered a penalty. The provisions of this Section shall survive the termination of this Agreement.

15. **Seller's Default.** In the event of Seller's default and to the extent allowed by law, Buyer may recover actual damages but shall not be entitled to special, consequential or punitive damages. Notwithstanding the foregoing, Buyer retains all remedies at law and in equity with respect to Seller's obligation to complete the Home within two (2) years pursuant to Section 8 above. The provisions of this Section shall survive the termination of this Agreement.

16. **Mediation / Arbitration of Disputes.**

16.1 The parties to this Agreement specifically agree that this transaction involves interstate commerce and that any Dispute (as hereinafter defined) shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by or in a court of law or equity. "Disputes" (whether contract, warranty, tort, statutory or otherwise), shall include, but are not limited to, any and all controversies, disputes or claims (1) arising under, or related to, this Agreement, the Property, the Community or any dealings between Buyer and Seller; (2) arising by virtue of any representations, promises or warranties alleged to have been made by Seller or Seller's representative; and (3) relating to personal injury or property damage alleged to have been sustained by Buyer, Buyer's children or other occupants of the Property, or in the Community. Buyer has executed this Agreement on behalf of his or her children and other occupants of the Property with the intent that all such parties be bound hereby. Any Dispute shall be submitted for binding arbitration within a reasonable time after such Dispute has arisen. Nothing herein shall extend the time period by which a claim or cause of action may be asserted under the applicable statute of limitations or statute of repose, and in no event shall the Dispute be submitted for arbitration after the date when institution of a legal or equitable proceeding based on the underlying claims in such Dispute would be barred by the applicable statute of limitations or statute of repose.

16.2 Any and all mediations commenced by any of the parties to this Agreement shall be filed with and administered by the American Arbitration Association or any successor thereto ("AAA") in accordance with the AAA's Home Construction Mediation Procedures in effect on the date of the request. If there are no Home Construction Mediation Procedures currently in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of such request shall be utilized. Any party who will be relying upon an expert report or repair estimate at the mediation shall provide the mediator and the other parties with a copy of the reports. If one or more issues directly or indirectly relate to alleged deficiencies in design, materials or construction, all parties and their experts shall be allowed to inspect, document (by photograph, videotape or otherwise) and test the alleged deficiencies prior to mediation. Unless mutually waived in writing by the parties, submission to mediation is a condition precedent to either party taking further action with regard to any matter covered hereunder.

16.3 If the Dispute is not fully resolved by mediation, the Dispute shall be submitted to binding arbitration and administered by the AAA in accordance with the AAA's Home Construction Arbitration Rules in effect on the date of the request. If there

are no Home Construction Arbitration Rules currently in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such request shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Dispute. If the claimed amount exceeds $250,000.00 or includes a demand for punitive damages, the Dispute shall be heard and determined by three arbitrators; however, if mutually agreed to by the parties, then the Dispute shall be heard and determined by one arbitrator. Arbitrators shall have expertise in the area(s) of Dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Dispute shall be decided by the arbitrator(s). At the request of any party, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

16.4 The waiver or invalidity of any portion of this Section shall not affect the validity or enforceability of the remaining portions of this Section. Buyer and Seller further agree (1) that any Dispute involving Seller's affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in a court of law or equity; (2) that Seller may, at its sole election, include Seller's contractors, subcontractors and suppliers, as well as any warranty company and insurer as parties in the mediation and arbitration; and (3) that the mediation and arbitration will be limited to the parties specified herein.

16.5 To the fullest extent permitted by applicable law, Buyer and Seller agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any other arbitration, judicial, or similar proceeding shall be given preclusive or collateral estoppel effect in any arbitration hereunder unless there is mutuality of parties. In addition, Buyer and Seller further agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is mutuality of parties.

16.6 Unless otherwise recoverable by law or statute, each party shall bear its own costs and expenses, including attorneys' fees and paraprofessional fees, for any mediation and arbitration. Notwithstanding the foregoing, if a party unsuccessfully contests the validity or scope of arbitration in a court of law or equity, the noncontesting party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in defending such contest, including such fees and costs associated with any appellate proceedings. In addition, if a party fails to abide by the terms of a mediation settlement or arbitration award, the other party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in enforcing such settlement or award.

16.7 Buyer may obtain additional information concerning the rules of the AAA by visiting its website at www.adr.org or by writing the AAA at 335 Madison Avenue, New York, New York 10017.

16.8 Seller supports the principles set forth in the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee and agrees to the following:

16.8.1 Notwithstanding the requirements of arbitration stated in Section 16.3 of this Agreement, Buyer shall have the option, after pursuing mediation as provided herein, to seek relief in a small claims court for disputes or claims within the scope of the court's jurisdiction in lieu of proceeding to arbitration. This option does not apply to any appeal from a decision by a small claims court.

16.8.2 Seller agrees to pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the parties.

16.8.3 The fees for any claim pursued via arbitration in an amount of $10,000.00 or less shall be apportioned as provided in the Home Construction Arbitration Rules of the AAA or other applicable rules.

16.9 Notwithstanding the foregoing, if either Seller or Buyer seeks injunctive relief, and not monetary damages, from a court because irreparable damage or harm would otherwise be suffered by either party before mediation or arbitration could be conducted, such actions shall not be interpreted to indicate that either party has waived the right to mediate or arbitrate. The right to mediate and arbitrate should also not be considered waived by the filing of a counterclaim by either party once a claim for injunctive relief had been filed with a court.

16.10 Buyer and Seller specifically agree that notwithstanding anything to the contrary, the rights and obligations set forth in this Section 16 shall survive (1) Closing and the delivery of the Deed; (2) the termination of this Agreement by either party; or (3) the default of this Agreement by either party.

17. **Other Dispute Resolutions.** Notwithstanding the parties' obligation to submit any Dispute to mediation and arbitration, in the event that a particular dispute is not subject to the mediation or the arbitration provisions of Section 16, then the parties agree to the following provisions: **BUYER ACKNOWLEDGES THAT JUSTICE WILL BEST BE SERVED IF ISSUES REGARDING THIS AGREEMENT ARE HEARD BY A JUDGE IN A COURT PROCEEDING, AND NOT A JURY. BUYER AND SELLER AGREE THAT ANY DISPUTE, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION SHALL BE HEARD BY A JUDGE IN A COURT PROCEEDING AND NOT A JURY. BUYER AND SELLER HEREBY WAIVE THEIR RESPECTIVE RIGHT TO A JURY TRIAL. SELLER HEREBY SUGGESTS THAT BUYER CONTACT AN ATTORNEY OF BUYER'S CHOICE IF BUYER DOES NOT UNDERSTAND THE LEGAL CONSEQUENCES OF EXECUTING THIS AGREEMENT.** All of the terms of this Section 17 shall survive Closing and the delivery of the Deed.

18. **Selling Agent, Cooperating Broker, and Seller's New Home Consultant.** Unless a Purchase Price and Payment Addendum indicating otherwise is attached hereto, Buyer represents to Seller that Buyer has not consulted, dealt or negotiated with a real estate broker, salesperson or agent other than Seller's sales personnel located at Seller's sales office. Buyer agrees that Seller is not responsible for the payment of a commission to a real estate broker, salesperson or agent other than Seller's sales personnel. Buyer shall indemnify, defend and hold harmless Indemnified Parties from and against any and all Claims resulting from or arising out of any representation or breach of a representation or warranty set forth in this Section. In addition, Buyer acknowledges and

understands that Seller's New Home Consultant ("NHC") and Internet New Home Consultant ("INHC") are agents of Seller, are acting solely for the Seller's interests, and are not acting in any representative capacity for Buyer. Buyer should not disclose any information to Seller's NHC and/or INHC that Buyer considers to be confidential or otherwise does not want disclosed to Seller.

BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE COMMUNITY, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (1) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (2) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO THE AREA OF THE COMMUNITY WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (3) TO THE EXTENT PERMITTED OR NOT PROHIBITED UNDER APPLICABLE LAW, SELLER AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM SELLER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, (4) ANY PURCHASE OR USE OF ANY PORTION OF THE COMMUNITY HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING AND (5) THIS ACKNOWLEDGMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO SELL, CONVEY, AND/OR ALLOW THE USE OF THE PROPERTY.

20. **Dangerous Condition; Construction Work.**

20.1 Buyer understands and agrees that the Property is a construction site and that the Property and the improvements, equipment and supplies thereon constitute a danger to those who may enter on the Property. Buyer shall not enter onto the Property prior to Closing unless authorized and accompanied by Seller's representative. Any unauthorized, unaccompanied entry by Buyer shall constitute a breach of this Agreement by Buyer, at Seller's election. Moreover, any entry by Buyer onto the Property prior to Closing shall be done at Buyer's own risk and in compliance with all federal, state and local safety laws and regulations. To the extent permitted or not prohibited by applicable law, Buyer waives, releases and shall indemnify, defend and hold harmless Indemnified Parties from and against any Claims made by Buyer, Buyer's family members or guests, as a direct or indirect result of any such unauthorized, unaccompanied entry onto the Property.

20.2 Buyer agrees that supervision and direction of the working forces, including, without limitation, all contractors and subcontractors, is to be done exclusively by Seller, and Buyer agrees not to issue any instructions to the working forces or otherwise hinder construction or installation of improvements on the Property. Buyer shall not do or have any work done on the Property, nor may Buyer store any possessions thereon, prior to Closing and transfer of title to the Property to Buyer.

20.3 Buyer agrees that any and all controversies, disputes and claims arising under this Section shall be resolved through binding arbitration in accordance with the terms of this Agreement.

20.4 All of the terms of this Section 20 shall survive Closing and the delivery of the Deed.

21. **OFAC.** Executive Order 13224 requires all United States entities and persons to block assets and not transact business with entities, countries and persons (specifically designated nationals) set forth by the Office of Foreign Asset Control ("**OFAC**"). This requirement applies to all homebuilding entities in The Lennar Family of Builders (including but not limited to Seller), Universal American Mortgage Company, LLC and all of its affiliates, and North American Title Company and all of its affiliates (collectively, the "**Lennar Affiliates**"). Accordingly, each of Seller and the Lennar Affiliates will check current OFAC lists and other publications in connection with each potential transaction, loan, or home sale. In order to check the OFAC list, Buyer must provide to Seller a Government-issued identification card (this might include a driver's license, birth certificate, passport or resident alien card). To the extent Buyer (or any single person or entity constituting a part of Buyer) matches a name or entity on any such OFAC list or publication, the transactions with Buyer contemplated under or in connection with this Agreement will be immediately suspended, and Buyer shall be reported as instructed by the OFAC.

22. **Agreement not to be Recorded.** Buyer covenants that Buyer shall not record this Agreement (or any memorandum thereof) in the Public Records of the County. Buyer agrees, if Buyer records this Agreement, to pay all of Seller's attorneys' fees, paraprofessional fees and expenses incurred in removing the cloud on title caused by such recordation. Seller's rights under this Section shall be in addition to Seller's remedies for Buyer's default provided elsewhere in this Agreement.

23. **Transfer, Assignment and Persons Bound.** Buyer agrees that Buyer will not, and does not have the right to, assign, sell or transfer Buyer's interest in this Agreement (whether voluntarily or by operation of law or otherwise) without Seller's prior written consent. If Buyer is a corporation, other business entity, trustee or nominee, a transfer of any material equity or beneficial or principal interest shall constitute an assignment of this Agreement. If Buyer attempts to assign this Agreement in violation of this Section, Seller can declare Buyer in default and Seller shall be entitled to all remedies available under this Agreement. Buyer agrees that Seller may withhold its consent with or without any reason or condition in any manner it chooses (if it gives it at all) and may charge Buyer a reasonable amount to cover administrative costs incurred in considering whether or not to grant consent. If Buyer dies or in any way loses legal control of his/her affairs, this Agreement will bind his/her heirs and legal representatives. If Buyer has received Seller's permission to assign or transfer this Agreement, then Buyer's approved assignees shall be bound by the terms of this Agreement. If more than one person signs this Agreement as Buyer, each such person shall be jointly and severally liable for full performance of all of Buyer's duties and obligations hereunder.

24. **TIME OF THE ESSENCE.** BUYER ACKNOWLEDGES THAT TIME IS OF THE ESSENCE IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED UNDER THIS AGREEMENT.

25. **Interpretation and Computation of Time.** The use of the masculine gender in this Agreement shall be deemed to refer to the feminine or neuter gender, and the singular shall include the plural, and vice versa, whenever the context so requires. This Agreement reflects the negotiated agreement of the parties. Each party acknowledges that they have been afforded the opportunity to seek competent legal counsel, and each have made an informed choice as to whether or not to be represented by legal counsel. Accordingly, this Agreement shall be construed as if both parties jointly prepared it, and no presumption against one party or the other shall govern the interpretation or construction of any of the provisions of this Agreement. Any reference in this Agreement to the time periods of less than five (5) days shall, in the computation thereof, exclude Saturdays, Sundays and legal holidays. Any reference in this Agreement to time periods of five (5) days or more shall, in computation thereof, include Saturdays, Sundays and legal holidays. If the last day of any such period is a Saturday, Sunday or legal holiday, the period shall be extended to 5:00 p.m. on the next full business day. The section headings in this Agreement are for convenience only and shall not affect the meaning, interpretation or scope of the provisions which follow them.

26. **Notice.** Except as provided in the Closing Section of this Agreement with respect to notices of the scheduled Closing Date, any notice required or permitted to be given in connection with this Agreement shall be in writing and sent by United States certified mail with return receipt requested, professional overnight courier or electronic transmission (with confirmation and copy by (1) certified mail, if Buyer's address is within the United States or (2) overnight professional courier, if to a Buyer whose address is outside of the United States) to Buyer or Seller at the addresses on Page 1 of this Agreement (unless Seller has received written notice from Buyer of any change therein prior to the date such notice is given), and additionally to Seller by hand delivery at Seller's sales office. All notices shall only be effective upon receipt or refusal to accept receipt (by failure to accept delivery or otherwise).

27. **Waiver.** Seller's waiver of any of its rights or remedies shall not operate to waive any other of Seller's rights or remedies or to prevent Seller from enforcing the waived right or remedy in another instance.

28. **Incorporation and Severability.** The explanations and disclaimers set forth in the Documents are incorporated into this Agreement. In the event that any clause or provision of this Agreement shall be void or unenforceable, such clause or provision shall be deemed deleted so that the balance of this Agreement is enforceable.

29. **Governing Law.** Any disputes that develop under this Agreement or questions regarding the interpretation of this Agreement will be settled according to the law of the state where the Property is located to the extent federal law is not applicable.

30. **Entire Agreement.** BUYER CERTIFIES THAT BUYER HAS READ EVERY PROVISION OF THIS AGREEMENT, WHICH INCLUDES EACH RIDER AND ADDENDUM ATTACHED HERETO AND THAT THIS AGREEMENT, TOGETHER WITH EACH SUCH RIDER AND ADDENDUM, CONSTITUTES THE ENTIRE AGREEMENT BETWEEN BUYER AND SELLER. PRIOR AGREEMENTS, REPRESENTATIONS, UNDERSTANDINGS, AND ORAL STATEMENTS NOT REFLECTED IN THIS AGREEMENT HAVE NO EFFECT AND ARE NOT BINDING ON SELLER. BUYER ACKNOWLEDGES THAT BUYER HAS NOT RELIED ON ANY REPRESENTATIONS, NEWSPAPERS, RADIO OR TELEVISION ADVERTISEMENTS, WARRANTIES, STATEMENTS, OR ESTIMATES OF ANY NATURE WHATSOEVER, WHETHER WRITTEN OR ORAL, MADE BY SELLER, SALES PERSONS, AGENTS, OFFICERS, EMPLOYEES, CO-OPERATING BROKERS (IF ANY) OR OTHERWISE EXCEPT AS HEREIN SPECIFICALLY REPRESENTED. BUYER HAS BASED HIS/HER/THEIR DECISION TO PURCHASE THE PROPERTY ON PERSONAL INVESTIGATION, OBSERVATION AND THE DOCUMENTS.

31. **Modification.** This Agreement is the entire agreement for the sale and purchase of the Property and once it is signed by both Buyer and a Division Agent or Officer of Seller, it can only be amended by a written agreement signed by both Buyer and Seller.

32. **Additional Changes.** Notwithstanding Section 32 of this Agreement, Buyer agrees that it may be necessary (at any time and from time to time) after Buyer executes this Agreement for Seller, and/or the developer or declarant under the Documents, to change the terms and provisions of this Agreement and/or the Documents to comply with and conform to the rules and regulations (as same may exist and as same may be promulgated from time to time) of any governmental agency, subdivision or authority or court of competent jurisdiction and Buyer consents to all such changes. Notwithstanding Section 32 of this Agreement, Seller, and/or the developer or declarant under the Documents, shall have the right to amend all Documents for development or other purposes, and Buyer consents to all such amendments.

33. **Inducement.** Buyer acknowledges that the sole inducement to close on the purchase of the Property is the Property itself and not (1) the common facilities comprising part of the Community, if any, or (2) any expectation that the Property will increase in value.

34. **Reservation of Easement.** For the purpose of completing the construction and servicing of the Property and Community, Seller hereby reserves an easement of ingress and egress for itself and its successors and assigns, and each of their respective agents, employees, materialmen and subcontractors, over, under and upon the Property for a period of one (1) year after Closing. Seller shall provide reasonable notice to Buyer before exercising easement rights granted herein. All of the terms of this Section 35 shall survive Closing and the delivery of the Deed.

3.13 Current expenses of the Property (for example: taxes, special assessments and current monthly assessments to one or more homeowner's associations) will be adjusted between Seller and Buyer as of the Closing Date. Buyer shall reimburse Seller for any prepaid expenses of the Property and capital contributions made to one or more homeowners' associations, paid by Seller in advance and/or for the month in which the Closing Date occurs.

3.14 If real estate taxes for the year in which the Closing Date occurs are assessed in the aggregate on the real estate comprising the portion of the Community (including the Property) rather than on a homesite-by-homesite basis, Seller will pay such taxes in full when due, but Buyer will reimburse Seller at the Closing for Buyer's pro rata share of such taxes from the Closing Date (if such taxes are then known) or the Property's allocable share (so prorated) of Seller's estimate of those taxes (if such taxes are not then known), subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual tax bill is known. If taxes for the year in which the Closing Date occurs are assessed on a homesite-by-homesite basis but such taxes are not due on the Closing Date, Buyer will be responsible for paying such tax bill in full when due but Seller will reimburse Buyer at the Closing for Seller's pro rata share of such taxes (if the taxes are then known) or Seller's estimate of those taxes (if such taxes are not then known) through the Closing Date, subject to readjustment at either the request of Seller or Buyer within six (6) months from when the actual bill is known. If the Closing takes place after Seller has paid the taxes for the year in which the Closing Date occurs, Buyer will reimburse Seller at Closing for Buyer's pro rata share of those taxes from and after the Closing Date.

3.15 The cost of any modifications or changes which are incurred by Seller as a result of changes in building codes, governmental rules, regulations or requirements, or the enforcement of any of the same, after the Effective Date of this Agreement, shall be paid by Buyer at the time of Closing.

4. **Additional Financing and Closing Costs Disclosures.**

4.1 Although Seller may make available to Buyer the name of one or more lenders or information about one or more available financing alternatives, Buyer agrees that the choice of a lender and loan is Buyer's sole decision, and Seller has not made any promises or representations concerning the likelihood of Buyer obtaining the loan, the terms and conditions of such loan or the interest rate or fees associated with such loan

4.2 4.2 BUYER IS HEREBY ADVISED BY SELLER THAT INTEREST RATES, LOANS FEES, AND OTHER LOAN CONDITIONS ARE NOT GUARANTEED, FIXED OR ESTABLISHED (AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO SUCH ITEMS) AND ARE SUBJECT TO CHANGE BY ANY LENDER. SUBJECT TO SECTION 8 OF THE AGREEMENT, SELLER DOES NOT WARRANT OR GUARANTEE THAT COMPLETION OF THE IMPROVEMENTS OR LOAN FUNDING CAN BE ACHIEVED WITHIN LOAN LOCK PERIODS, IF ANY, REGARDLESS OF WHETHER SUCH LOCKS ARE PAID FOR BY SELLER OR BUYER. IF BUYER LOCKS IN AN INTEREST RATE AND POINTS FOR LOAN FUNDING PRIOR TO CLOSING, BUYER AGREES TO PAY THE DIFFERENCE BETWEEN THE LOCK-IN RATE AND THE MARKET INTEREST RATE AT CLOSING IF THE LOCK-IN RATE EXPIRES PRIOR TO CLOSING.

4.3 Responsibility for obtaining the loan and for satisfying all conditions made by the Lender with regard to the loan shall rest solely with the Buyer.

5. **Warranties.** Buyer understands and agrees that Seller is making only those express limited warranties set forth in the homeowner's warranty (the "**Limited Warranty**"). The Limited Warranty, incorporated herein, shall be delivered to Buyer at Closing and a copy of which is attached hereto **OR** a copy of which is available for examination at Seller's office and will, at Buyer's request, be attached as an exhibit to this Agreement. THE EXPRESS LIMITED WARRANTY AND REMEDIES PROVIDED BY SELLER CONSTITUTE THE EXCLUSIVE WARRANTY AND REMEDIES TO BE MADE AVAILABLE BY SELLER AND, EXCEPT WHERE ADDITIONAL WARRANTIES ARE REQUIRED BY APPLICABLE LAW OR REGULATION, ARE IN PLACE OF ALL OTHER GUARANTIES OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF WORKMANSHIP, MERCHANTABILITY, HABITABILITY, SUITABILITY AND FITNESS, WHICH ARE HEREBY EXPRESSLY DISCLAIMED BY SELLER AND WAIVED BY BUYER. TO THE EXTENT OF ANY CONFLICT BETWEEN ANY PROVISION OF THIS AGREEMENT RELATED TO WARRANTIES AND THE LIMITED WARRANTY, THE PROVISIONS OF THE LIMITED WARRANTY SHALL CONTROL. All of the terms of this Section 6 shall survive Closing and the delivery of the Deed. BUYER AND SELLER ACKNOWLEDGE THAT THEY HAVE EXPRESSLY NEGOTIATED AND BARGAINED FOR THE WAIVER OF THE IMPLIED WARRANTY OF HABITABILITY, AND BUYER ACKNOWLEDGES THE SUFFICIENCY AND RECEIPT OF VALUABLE CONSIDERATION FOR SUCH WAIVER IN THE AMOUNT OF $0, WHICH AMOUNT SHALL BE CREDITED TOWARD THE PURCHASE PRICE AT CLOSING. THE CONSIDERATION AGREED UPON ABOVE HAS BEEN SPECIFICALLY NEGOTIATED BETWEEN BUYER AND SELLER.

Buyer PRS Buyer _____

6. **Documents.** Buyer acknowledges receipt of the Document Book for the Community containing many important documents regarding the Community, including but not limited to some of the documents of record affecting the Property and the Community (collectively, the "**Documents**"). The Document Book is hereby incorporated into this Agreement by this reference. The Document Book may be amended as deemed necessary by Seller in its sole and absolute discretion. Buyer agrees to take title to the Property subject to the Documents, to abide

by and be bound by all of the terms and conditions of the Documents, and any amendments thereto. The Master Disclosure and Information Addendum to Purchase and Sale Agreement attached hereto sets forth additional information respecting lien rights and homeowners association's restrictions affecting the Property. Buyer understands and agrees this Section shall survive the termination of this Agreement.

7. **Inspection of the Home**. BUYER SHALL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE PRIOR TO CLOSING ON A DATE AND TIME SCHEDULED BY SELLER (A "NEW HOME ORIENTATION," COMMONLY REFERRED TO AS A "WALKTHROUGH"). AT THAT TIME, IF ANY DEFECTIVE OR INCOMPLETE ITEMS ARE NOTED, BUYER SHALL PRESENT TO SELLER AN INSPECTION STATEMENT LISTING SAID ITEMS AND SIGNED BY BUYER. IF ANY ITEMS NOTED ARE ACTUALLY DEFECTIVE IN WORKMANSHIP OR MATERIALS IN SELLER'S OPINION (IN ACCORDANCE WITH CONSTRUCTION STANDARDS PREVALENT FOR A SIMILAR HOME IN THE COUNTY), SELLER WILL BE OBLIGATED TO CORRECT THOSE ITEMS AT SELLER'S COST. A SECOND INSPECTION OF THE HOME WILL BE CONDUCTED PRIOR TO CLOSING AT WHICH TIME BUYER WILL BE GIVEN AN OPPORTUNITY TO EXAMINE THE HOME WITH SELLER'S REPRESENTATIVE TO ACKNOWLEDGE THAT ITEMS LISTED ON THE INSPECTION STATEMENT PREPARED AFTER THE FIRST INSPECTION HAVE BEEN CORRECTED. ANY REMAINING ITEMS THAT SELLER HAS AGREED TO CORRECT WILL BE CORRECTED BY SELLER AT SELLER'S SOLE COST AND EXPENSE PRIOR TO CLOSING (OR AT SELLER'S OPTION WITHIN A REASONABLE TIME AFTER CLOSING), PROVIDED HOWEVER THAT SELLER'S OBLIGATION TO CORRECT WILL NOT BE A GROUND FOR DEFERRING CLOSING, NOR FOR ANY SETOFF, NOR FOR IMPOSING ANY CONDITION ON CLOSING AS LONG AS THE HOME IS HABITABLE. THE ISSUANCE OF A CERTIFICATE OF COMPLETION, OR USE SHALL BE CONCLUSIVE EVIDENCE OF HABITABILITY. NO ESCROW OR HOLDBACK OF CLOSING FUNDS OR ANY CASH TO CLOSE SHALL BE PERMITTED. **EXCEPT FOR WORK THAT CANNOT BE COMPLETED AT THAT TIME OF YEAR.** IF A BUYER FAILS TO TAKE ADVANTAGE OF ANY PRE-CLOSING INSPECTION ON THE TIME AND DATE SCHEDULED BY SELLER, BUYER SHALL BE DEEMED TO HAVE WAIVED THE RIGHT TO INSPECT THE HOME PRIOR TO CLOSING.

8. **No Right to Enter**. Buyer acknowledges that all matters pertaining to the initial construction of the Property will be performed by Seller and Seller's representatives. Buyer acknowledges and agrees that for reasons of safety and to comply with liability and insurance requirements imposed upon Seller, neither Buyer nor any agent of Buyer shall, until after the Closing, be permitted to enter upon the Property without being accompanied by Seller's representative. Any permitted personal inspections shall be made at times designated by Seller, and shall not be allowed under any condition prior to the formal inspection described above and only with Seller's representative. Buyer agrees not to give instructions to, interfere with or interrupt any workmen at the Property. Buyer may not order any work on the Property until after the Closing. Buyer recognizes that Seller is under no obligation to agree to provide options, extras and/or upgrades. Without limiting the applicability of this Section to all obligations, representations and covenants of Buyer hereunder, Buyer specifically acknowledges that any breach by Buyer of the terms and conditions contained within this Section shall be deemed to be a material breach and shall entitle Seller to declare this Agreement to be in default in accordance with the provisions of the Buyer's Default in the Agreement. Seller's failure to promptly take any action with respect to Buyer's breach of the terms and conditions contained herein shall not be deemed a waiver of any of Seller's rights or remedies hereunder. Whenever this Agreement shall require Seller to complete or substantially complete an item of construction, unless provided specifically to the contrary herein, such item shall be deemed complete or substantially complete when so completed, in the sole and unfettered opinion of Seller. Should Seller fail to provide any item of construction required to be provided, Buyer's sole remedy therefore will be to collect an amount from Seller equal to Seller's cost for such item and for Seller's cost of installation of such item had such item been installed at the appropriate time during construction. Without limiting Seller's rights and Buyer's obligations contained within this Section and elsewhere in this Agreement, should any warranted defects in workmanship or materials be discovered before or after the Closing, Buyer agrees that Buyer's sole remedy therefore is for Seller to, at Seller's sole and absolute discretion, either repair or replace the defective item. To the extent permitted by applicable law, Seller disclaims any liability for incidental or consequential damages that may arise from a defective item.

9. **Counterparts**. This Rider B may be executed in counterparts, a complete set of which shall form a single document.

10. **Conflicts**. In the event of any conflict between this Rider B and the Agreement, this Rider B shall control. In all other respects, the Agreement shall remain in full force and effect.

11. **Entire Agreement**. The Agreement, together with this Rider B and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Rider B or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

FHA/VA ADDENDUM

THIS FHA/VA ADDENDUM (this "**Addendum**") s executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the eighth day of OCTOBER , 2011, between Paula Sellers ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0006 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **FHA/VA**. BUYER AGREES TO PROCEED WITH THE PURCHASE OF THE HOME AFTER HAVING READ BUYER'S RIGHTS AND PRIVILEGES, AS SET FORTH BELOW:

2.1 FHA Loans.

2.1.1 It is expressly agreed that, notwithstanding any provisions of the Agreement (contract) to the contrary, Buyer (purchaser) shall not incur any penalty by forfeiture of earnest money deposits or otherwise be obligated to complete the purchase of the Home (property described herein) unless Buyer (purchaser) has been given in accordance with the Department of Housing and Urban Development ("**HUD**"), Federal Housing Administration ("**FHA**") or United States Department of Veterans Affairs (the "**VA**") requirements, a written statement by the Federal Housing Commissioner, the VA, or a Direct Endorsement lender setting forth the appraised value of the Home (property) (for mortgage purposes) of not less than $ 172,990.00 (which statement Seller agrees to deliver to Buyer (purchaser) promptly after such Appraised Value Statement is made available to Seller). Buyer (purchaser) shall have the privilege and option of proceeding with the consummation of the Agreement (the contract) without regard to the maximum mortgage the Department of Housing and Urban Development will insure. HUD DOES NOT WARRANT THE VALUE OR THE CONDITION OF THE HOME (PROPERTY). BUYER (PURCHASER) SHOULD SATISFY HIMSELF/HERSELF THAT THE PRICE AND CONDITION OF THE HOME (PROPERTY) ARE ACCEPTABLE.

2.1.2 In the event the value of the Property set forth in the Appraised Value Statement is less than the Total Purchase Price, Buyer shall have the right to exercise the above-mentioned privilege and option to proceed at the Total Purchase Price, which is over and above the FHA Appraised Value Statement, by giving Seller written notice of Buyer's intention to do so in accordance with the Agreement notice requirements. Said notice shall be given within five (5) days of Buyer's receipt of the FHA appraisal by returning to Seller a copy of this Addendum executed by Buyer in the "AGREE TO PROCEED" signature block below. In the event Buyer fails to give proper notice hereunder of Buyer's intention to proceed at the Total Purchase Price, the Agreement shall automatically become null and void and the parties shall promptly execute a written release of Buyer's Deposit, pursuant to which the Deposit shall immediately be returned in full to Buyer.

2.1.3 Buyer agrees to pay a mortgage insurance premium as required by FHA. Buyer has the right to pay the entire premium at the time of Closing or the premium may be added to the loan amount and financed over the term of the loan. If Buyer elects to add the premium to the loan amount, the total loan amount shall consist of the Cash to Close amount specified in the Purchase Price and Payment Addendum, plus the mortgage insurance premium. Pursuant to FHA regulations, Buyer shall pay an annual premium, if required, in addition to the up-front (or financed) premium. Said additional premium shall be paid monthly on a declining balance (excluding the portion of the balance, if any, attributable to the up-front premium).

2.1.4 All parties acknowledge that the processing of a government loan is not subject to specific time limitations. Nevertheless, Buyer agrees to diligently pursue such loan commitment.

2.1.5 Seller and Buyer certify that the terms of the Agreement are true and complete to the best of their respective knowledge and belief. Seller and Buyer further certify that all agreements relating to this real estate transaction have been fully disclosed and are covered in the Agreement, including any addenda attached thereto. Seller and Buyer understand that the failure to provide a complete and accurate copy of the Agreement could jeopardize this transaction. If there are any subsequent changes to the Agreement, the undersigned will submit them promptly to the Lender.

2.1.6 Buyer acknowledges that Buyer has read and completed the attached U.S. Department of Housing and Urban Development form HUD-92564-CN entitled "For Your Protection: Get a Home Inspection".

2.2 VA Loans.

2.2.1 It is expressly agreed that, notwithstanding any provisions of the Agreement to the contrary, Buyer shall not incur any penalty by forfeiture of earnest monies or otherwise be obligated to complete the purchase of the Home if Buyer cannot obtain a loan guaranteed by the VA, including without limitation, if the Total Purchase Price exceeds the reasonable value of the Home established by the VA or a VA lender pursuant to the Lender Appraisal Proceeding Program ("**LAPP**"). Buyer shall, however, have the privilege and option of proceeding with the consummation of the Agreement without regard to the amount of reasonable value established by the VA or a VA lender with LAPP authority. Buyer agrees that should Buyer elect to complete the purchase at an amount in excess of the reasonable value established by the VA or a VA LAPP

lender, Buyer shall pay such excess amount in cash from a source that Buyer agrees to disclose to the lender and the VA, which source Buyer represents and covenants will not be from borrowed funds except as approved by the VA.

2.2.2 To exercise the above-mentioned privilege and option to proceed at the Total Purchase Price, which is over and above the amount of reasonable value established by the VA or a VA LAPP lender, Buyer shall give Seller written notice of Buyer's intention to do so in accordance with the Agreement notice requirements. Said notice shall be given within **five (5)** days of Buyer's receipt of the amount of reasonable value established by the VA or a VA LAPP lender by returning to Seller a copy of this Addendum executed by Buyer in the "AGREE TO PROCEED" signature block below. In the event Buyer fails to give proper notice hereunder of Buyer's intention to proceed at the Total Purchase Price, the Agreement shall automatically become null and void and the parties shall promptly execute a written release of Buyer's Deposit, pursuant to which the Deposit shall immediately be returned in full to Buyer.

2.2.3 VA DOES NOT WARRANT THE VALUE OR THE CONDITION OF THE HOME (PROPERTY). BUYER (PURCHASER) SHOULD SATISFY HIMSELF/HERSELF THAT THE PRICE AND CONDITION OF THE HOME (PROPERTY) ARE ACCEPTABLE.

2.3 Special Trust Account. If Buyer is financing the purchase of the Home with a VA guaranteed loan, the Deposit received from Buyer prior to Closing shall be placed in a special trust account with SunTrust Bank ("**Escrow Agent**") in accordance with the provisions of an Amended and Restated VA Escrow Agreement ("**VA Escrow Agreement**") between Lennar Corporation on behalf of Seller and the Escrow Agent, and as required under 38 U.S.C. §3706 or other applicable law. In the event that the Agreement is cancelled for any reason other than Seller's default and pursuant to the provisions of the VA Escrow Agreement, if Buyer seeks a refund of the Deposit from Seller and Seller refunds the Deposit directly to Buyer, Buyer hereby authorizes the Escrow Agent to reimburse Seller for such refund. In consideration for either Seller's or Escrow Agent's refund of the Deposit to Buyer, Seller and Lennar Corporation shall be unconditionally released from any claim arising out of or related to the Deposit and purchase of the Home and Escrow Agent shall be unconditionally released from any claim arising out of or related to the escrow of the Deposit in connection with the purchase of the Home.

For Your Protection: Get a Home Inspection

Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

- ✔ Evaluate the physical condition: structure, construction, and mechanical systems;
- ✔ Identify items that need to be repaired or replaced; and
- ✔ Estimate the remaining useful life of the major systems, equipment, structure, and finishes.

Appraisals are Different from Home Inspections

An appraisal is different from a home inspection. Appraisals are for lenders; home inspections are for buyers. An appraisal is required to:

- ✔ Estimate the market value of a house;
- ✔ Make sure that the house meets FHA minimum property standards/requirements; and
- ✔ Make sure that the property is marketable.

FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA can not give or lend you money for repairs, and FHA can not buy the home back from you. That is why it is so important for you, the buyer, to get an independent home inspection. Ask a qualified home inspector to inspect your potential new home and give you the information you need to make a wise decision.

Radon Gas Testing

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the toll-free National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236. As with a home inspection, if you decide to test for radon, you may do so before signing your contract, or you may do so after signing the contract as long as your contract states the sale of the home depends on your satisfaction with the results of the radon test.

Be an Informed Buyer

It is your responsibility to be an informed buyer. Be sure that what you buy is satisfactory in every respect. You have the right to carefully examine your potential new home with a qualified home inspector. You may arrange to do so before signing your contract, or may do so after signing the contract as long as your contract states that the sale of the home depends on the inspection.

Cooperating Broker or Sales Associate must accompany the Prospect during Prospect's initial visit. If the tracking system used at the sales office for the Community indicates that the Prospect was initially introduced to the Community via the internet, and/or initially registered at the sales office without being accompanied by Cooperating Broker or Sales Associate, neither Cooperating Broker nor Sales Associate

shall be entitled to receive a commission in connection with the sale of real property in the Community to such Prospect. This registration is effective for the period of their realtor buyers contract ("**Registration Period**"). Cooperating Broker may extend the Registration Period as needed.

4.2 Cooperating Broker shall be entitled to receive the Commission, provided that the Prospect (i) is properly registered; (ii) contracts to purchase a home from the on-site sales staff in the Community ("**New Home Consultant**") before the expiration of the Registration Period, and (iii) closes on the transaction pursuant to the Purchase and Sale Agreement for the Property. Notwithstanding the foregoing, in the event two or more brokers claim that they are entitled to a commission from having registered a Prospect, the cooperating broker who is the procuring cause of the sale will be entitled to the commission. This registration, or any extension thereof, does not protect Cooperating Broker or Sales Associate from another broker or sales associate registering the same Prospect in the Community.

4.3 Seller will pay the Commission to Cooperating Broker, provided that the terms and conditions contained herein are satisfied and except as otherwise set forth above relating to later-registering cooperating brokers. In all cases, Sales Associate agrees to look solely to Cooperating Broker for payment of any commission. By way of example, if Sales Associate terminates his/her employment with a registered Cooperating Broker who is entitled to a commission pursuant to this Participation Policy, then Sales Associate shall have no claim against Seller with respect to such commission.

4.4 Cooperating Broker and Sales Associate acknowledge that this Participation Policy, the registration forms, sign-up sheets and other incentives, contracts, or forms given to Prospects or buyers of homes are trade secrets of Seller. Cooperating Broker agrees to indemnify, defend and hold Seller harmless from and against any and all claims, demands, damages, losses, costs and expenses of whatever nature or kind, including reasonable attorneys' fees, paraprofessional fees and costs relating to or arising out of any claim against Seller as a result of conduct or representations made by Cooperating Broker and/or Sales Associate. In the event that Seller must enforce or defend any of the terms and conditions of this Participation Policy, Seller shall be entitled to collect from Cooperating Broker reasonable attorneys' fees, paraprofessional fees and costs.

5. **Cooperating Broker Status, Duties and Prohibitions**. Sales Associate, on behalf of himself/herself and on behalf of Cooperating Broker, hereby represents, warrants and covenants as follows:

INDOOR ENVIRONMENTAL QUALITY DISCLOSURE

THIS INDOOR ENVIRONMENTAL QUALITY DISCLOSURE (this "**Disclosure**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") dated as of the eighth day of OCTOBER , 2011, between Paula Sellers (collectively, "**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0006 of Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "**Community**").

1. **Defined Terms**. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Disclosure to the Agreement shall be deemed to include references to this Disclosure and to any other disclosure and/or addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Indoor Environmental Contaminates**. There are many different types of indoor environmental contaminants, such as pet dander, dust mites and mold. Molds and other potential contaminants have been a part of our environment for millions of years. Contaminants are everywhere, indoors and outdoors. Therefore, everyone is exposed to some contaminants on a daily basis without evident harm. Due to a number of factors, including the fact that sensitivities to various types of molds and other potential contaminants vary from person to person, there are no state or federal standards concerning acceptable levels of exposure to mold. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illness have been linked with biological pollutants in the indoor environment, including some forms of mold. However, many of these conditions also have causes unrelated to the indoor environment. Therefore, it is unknown how many potential health problems relate exclusively to poor indoor air. Buyer should determine for himself/herself whether Buyer, Buyer's family members or any other individuals who will occupy or use the Home have special needs or increased risk to these conditions. Buyer should carefully monitor the conditions in the Home for mold growth and other contaminants.

When excessive moisture or water accumulates indoors, mold growth can and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all molds or mold spores in an indoor environment. The key to controlling indoor mold growth is to control moisture.

There are many ways to help control moisture in and beneath the Home. The U.S. Environmental Protection Agency, the Consumer Product Safety Commission, the American Lung Association and others recommend taking measures such as those listed below to help control moisture in and beneath the Home. The following list is not meant to be all-inclusive.

- o Fix leaking plumbing and any other source of unwanted water immediately.
- o Maintain proper indoor humidity. Equipment that conditions the air, such as air conditioners, humidifiers and ventilation systems must be operated year round.
- o Raise the temperature in areas where moisture condenses on surfaces and open doors between rooms to increase air circulation in the Home, including doors to closets.
- o Have major appliances, such as furnaces, heat pumps, central air conditioners, window air conditioning units, ventilation systems and furnace attached humidifiers inspected, cleaned and serviced regularly by a qualified professional.
- o Clean and dry refrigerator, air conditioner and dehumidifier drip pans and filters regularly and make sure that refrigerator and freezer doors seal properly.
- o Keep water away from the foundation of the Home by maintaining required slopes, drainage and keeping plantings and sprinklers the proper distance from the Home.
- o If there is a sump pump in the Home, inspect it regularly to ensure that it is properly operating.
- o If there is a crawl space or structural sub-floor, inspect the ground beneath the floor on a regular basis to make sure there is no standing or excessive water. If there is standing or excessive water, seek professional assistance to remove the water. If Buyer is interested in finishing the basement, only do so after consulting an expert to determine the suitability of the basement for a finished area.

The following are suggestions that may assist Buyer in preventing and addressing mold growth in the Home.

- o It is important that Buyer responds promptly when Buyer sees signs of moisture or mold.
- o Do not allow moisture to stand or make contact with carpet, furniture and cellulose-based materials, such as wood, drywall or other non-tile, non-plastic or non-metal materials.
- o Dry all water damaged areas and items immediately to prevent mold growth.
- o If mold develops, clean up the mold by washing off hard surfaces with detergent and water and completely dry the surface.
- o Depending upon the nature and extent of the mold infestation, trained professionals may be needed to assist in the remediation effort.
- o Mold that is not properly and adequately removed may reappear.

Proper maintenance and cleaning of the Home is the responsibility of each homeowner and will lessen the potential for water intrusion and help to control indoor environmental contaminants. Further, it is the responsibility of each homeowner to monitor their Home on a continual basis for excessive moisture, water and mold accumulation. If Buyer discovers accumulation of water or moisture in, around or under the Home, Buyer should immediately seek to control the source of the water or moisture. Failing to control the source could result in additional damage and the growth of mold. Plumbing leaks and water penetrations that are covered by the Limited Warranty, if any, during the term of the Limited Warranty must be reported to Seller immediately. If the Limited Warranty has expired or does not cover the specific problem, Buyer should not delay in having professionals address the problem. Seller will not be responsible for, and Buyer agrees to indemnify and hold harmless Indemnified Parties from and against all Claims in connection with, water-related damages, including personal injuries or property damage caused by mold, but only to extent that the damages are caused by (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction. Buyer also agrees to waive all rights of subrogation for damages resulting from water-related damages, mold growth, any personal injuries, or any remediation resulting from (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Home caused by improper construction.

3. **Counterparts**. This Disclosure may be executed in counterparts, a complete set of which shall form a single Disclosure.

4. **Conflicts**. In the event of any conflict between this Disclosure and the Agreement or any other addenda and/or riders, this Disclosure shall control. In all other respects, the Agreement shall remain in full force and effect.

5. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

INSULATION ADDENDUM

THIS INSULATION ADDENDUM (this "Addendum") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "Agreement") dated as of the eighth day of OCTOBER, 2011, between Paula Sellers (collectively, "Buyer") and Seller, as defined in the Agreement, respecting Lot 0006 of Block ____, of The Abbey at Spring Grove Subdivision/Plat in the community known as The Abbey at Spring Grove (the "Community").

1. Defined Terms. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. Insulation. Pursuant to Title 16, Chapter I, Section 460.16 of the Code of Federal Regulations, the insulation that is or will be installed in the Home where conditioned space meets unconditioned space is as follows and will, according to the manufacturer, yield the R-values stated:

Location	Type	Thickness	R-Value
Exterior Masonry Walls	N/A	N/A	N/A
Exterior Stud Wall	Batt	3 1/2 inches	R-13
Ceilings	Batt	10 inches	R-30
Roof	Blown	12 inches	R-30
N/A	N/A	N/A	N/A

If so indicated above, fiberglass (also known as glass wool) is/will be used for insulation in the Home. The U.S. Department of Health and Human Services ("HHS") has listed fiberglass as a substance "which may reasonably be anticipated to be a carcinogen." This listing identifies substances selected for further study because of their potential carcinogenic risk but is not an assessment by HHS that there is a causal connection between fiberglass and human cancer. The listing does not establish that fiberglass presents a risk to persons in their daily lives.

3. Counterparts. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

4. Conflicts. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

5. Entire Agreement. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. MASTER DISCLOSURE AND INFORMATION ADDENDUM TO
PURCHASE AND SALE AGREEMENT
SOUTH CAROLINA

THIS MASTER DISCLOSURE AND INFORMATION ADDENDUM (this "**Addendum**") is executed in conjunction with and, by this reference, incorporated into the Purchase and Sale Agreement (the "**Agreement**") entered into as of the Eighth day of October , 2011, between Paula Sellers ("**Buyer**") and Seller, as defined in the Agreement, respecting Lot 0006 of Building/Block _____, of The Abbey at Spring Grove Subdivision/Plat in the community known as **Spring Grove Plantation** (the "**Community**").

1. **Defined Terms**. All capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. **Community**. The Property lies within a neighborhood known as Ricefield Way or The Abbey at Spring Grove Plantation (the "**Neighborhood**"), which lies within a community known as Spring Grove Plantation (the "**Community**"). This Addendum explains certain terms which are applicable to the purchase of Homes within the Community and the Neighborhood. Current plans are for Ben McCormick Homes, Harbor Homes and First Coast Homes to build homes in the Community. Other builders besides Seller may be added or deleted from the list of builders in the future. Seller, and any other builder in the Community, shall have the right, without notice to Buyer, to make changes to, among other things, homesite sizes, number of homes being built, size and style of homes being built, features and materials in homes being built, prices of homes (whether more or less than currently published), price per square foot of homes (whether more or less than currently published), street layout, amenity layout, and usage, location, size and number of trees, bushes and other foliage (current and future), and any other items or uses which are currently planned for the Community or the Neighborhood. Seller makes no representation or warranties that Seller will be the exclusive builder or developer in the Community or the Neighborhood or that the Community or the Neighborhood will be built out exactly as currently planned, and Seller expressly reserves the right to make whatever changes it deems necessary relating to future development or build out of the Community and the Neighborhood. Any current maps or other materials showing any final or projected community development may be modified or updated in the future.

SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES WITH REGARD TO THE DEVELOPMENT OF HOMESITES IN AND AROUND THE COMMUNITY. HOMESITES IN AND AROUND THE COMMUNITY MAY REMAIN UNDEVELOPED AT THE SOLE DISCRETION OF SELLER, OTHER BUILDERS IN THE COMMUNITY, AND/OR THE DEVELOPER OF THE COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO SELLER BEING THE SOLE OR EXCLUSIVE BUILDER WITHIN THE COMMUNITY. SELLER HAS MADE NO REPRESENTATIONS OR PROVIDED ANY ASSURANCES, STATED, IMPLIED, OR OTHERWISE WITH REGARD TO CONTINUING TO BUILD IN THE COMMUNITY THROUGH FINAL BUILD OUT AND/OR BUILDING UPON ANY UNDEVELOPED HOMESITE(S). FURTHERMORE, IT IS UNDERSTOOD THAT NO REPRESENTATIONS, ESTIMATES OR PROJECTIONS HAVE BEEN CONVEYED REGARDING THE FINAL BUILD OUT TIME OF ANY UNDEVELOPED HOMESITE(S) OR THE OVERALL COMPLETION SCHEDULE OF THIS COMMUNITY. BUYER ACKNOWLEDGES THAT SELLER CONSTANTLY EVALUATES THE PRICING, DESIGNS, PRODUCT MIX AND AMENITIES OF ITS COMMUNITIES AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING WHETHER TO CONTINUE TO BUILD HOMES WITHIN THE COMMUNITY AND BUYER IS NOT RELYING UPON ANY OF THE FOREGOING IN DECIDING TO PURCHASE THE PROPERTY.

3. **Governing Documents**. Buyer acknowledges receipt, either in hard-copy or via internet or electronic means, of all documents ("**Governing Documents**") for the Community and the Neighborhood.

3.1 Buyer acknowledges receipt of, and agrees to be bound by the Declaration for Spring Grove Plantation Community (the "**Declaration**"), the Articles of Incorporation, By-Laws and any Rules and Regulations of Spring Grove Plantation Community Service Association, Inc., all as amended and supplemented from time to time (collectively, the "**Community Documents**"). Buyer acknowledges and agrees that title to the Home will be subject to the Community Documents.

3.2 The Property will be subject to certain deed restrictions as reflected in the General Limited Warranty Deed executed by Seller and furnished to Buyer at Closing. The deed restrictions run with the Homesite and require, among other things, that (i) buyer give Seller notice of Seller's defaults or any Claim (as defined therein) after Closing and (ii) Seller have an opportunity to inspect and cure defects in the Home. The deed restrictions further require the arbitration of any Claim against Seller that cannot be resolved.

3.3 Buyer acknowledges the provisions of the Governing Documents are fair and reasonable.

4. **Association Memberships**.

4.1 Upon conveyance and recording of the Deed to the Home, Buyer understands and agrees that Buyer will then become a member of the Spring Grove Plantation Community Service Association, Inc., a South Carolina nonprofit corporation (the "**Association**"). Buyer agrees to accept the liability and obligations of

such memberships. Buyer understands that as a member of the Association, Buyer will be required to pay Assessments (as defined in the Governing Documents) for the maintenance of the Common Areas (as defined in the Governing Documents) and for such other uses and purposes as are provided for in the Governing Documents. Buyer also understands and agrees that a failure to pay Assessments when due could cause the Association to record a lien on the Home and to foreclose such lien. Assessments are subject to additional increases in the manner currently provided for in the Governing Documents. Neither Seller, the Association, nor any other builder can estimate the amount or frequency of any such increase.

4.2 Buyer acknowledges that nominees of Seller, and the developer of the Community and the developer of the Neighborhood may serve as the initial officers and directors of the Association. The officers and directors and the management company, which may be an affiliate of Seller, are authorized by Buyer to act for and on the behalf of the Association. Seller may, but is not required to, advance monies to the Association for operations. In the event such advances are made, they will be considered a loan from Seller, and the Association will be obligated to repay such advances as set forth in the Community Documents.

4.3 Buyer acknowledges that all new construction and modifications of existing construction and exterior improvements within the Community are subject to the prior written approval of the appropriate architectural review, design review or similar committee or authority, which is appointed by the Board of Directors of the Association. Buyer agrees to comply with all rules and regulations of the appropriate authority (or authorities) governing construction of improvements within the Community and the Neighborhood as the same may be amended and exist from time to time. These restrictions are subject to change without notice. Building and use restrictions include, but are not limited to, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, the developer of the Community, the developer of the Neighborhood and homebuilder(s), leases and restoration of homesites. Buyer agrees not to commence any construction upon the Homesite until it has obtained all requisite written approvals therefore. Buyer further agrees not to make any modifications of any existing buildings and improvements, including, but not limited to, landscaping and landscape irrigation, without the prior written approvals of the appropriate authority (or authorities) pursuant to any city, county or state regulation and pursuant to recorded covenants, conditions or restrictions governing the land. In addition, every city, county or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to the Home or Homesite, Buyer should contact the applicable governmental authorities for further information concerning local codes and ordinances. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required.

4.4 Approval of any work by the appropriate reviewing authority or authorities shall not constitute an express or implied warranty of representation that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designated or will be constructed in a proper manner.

4.5 Failure to submit plans and specifications to the appropriate reviewing authority or authorities for approval is a violation of the provisions of the Declaration and/or applicable deed restrictions, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, any of non-approved improvements or modifications.

5. **Community Charges**. In addition to the Closing Costs set forth in Rider B, Buyer shall pay the following additional Closing Costs respecting the Community:

5.1 Association Assessments. Assessments payable to the Association ("**Association Assessments**"), prorated for the month in which the Closing occurs (based on the then current Assessments at the time of closing). Such Assessments are estimated to be $300.00 per year at this time. Buyer understands that the estimated operating budget for the Association is only an estimate of what it will cost to run the Association. The Association may make changes in the budget at any time to cover increases or decreases in expenses or estimates in the budget. Without limiting the generality of this Section, those changes will not give Buyer any right to cancel the Agreement.

5.2 Association Initial Capital Contribution. Buyer acknowledges that among other Assessments provided for in the Community Documents, the Association has established an initial capital contribution ("**Initial Capital Contribution**"). Buyer acknowledges that upon conveyance of the Property an Initial Capital Contribution in an amount equal to $300.00 (or such amount as determined from time to time) is due. The Initial Capital Contribution may be used for any reason whatsoever including, without limitation, reimbursement for costs in setting up the Association and costs of deficit funding. Buyer acknowledges and agrees that the Initial Capital Contribution is not to be considered as an advance payment of Assessments.

5.3 Resale Capital Contribution. Buyer acknowledges that the Association may establish a Resale Capital Contribution (as defined in the Governing Documents). For more information on the Resale Capital Contribution, please refer to the Governing Documents.

6. **Security**. The Community is not a gated community and the roads in the Community are public.

7. **Building and Use Restrictions**. Every homesite is subject to building and use restrictions as set forth in the Declaration. These restrictions are subject to change without notice. Building and use restrictions may affect,

among other things, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, satellite dishes, animals, driveways, vehicle parking, rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, any developer and homebuilder(s), leases and restoration of homesites. Seller encourages you to carefully review the Declaration and to ensure the long-term quality of life for both you and your neighbors.

8. **Municipal Building Codes And Ordinances.** Every city or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to your Home or Homesite, you should contact the Building Inspector for Berkeley County at 843.719.4095 for further information concerning local codes and ordinances. Seller is not responsible for notifying Buyer or any other homeowners of the content or restrictions contained in any local codes or ordinances.

9. **Architectural Review.**

9.1 The Declaration currently provides that no improvements shall be commenced upon any homesite, nor shall the exterior color, style and materials of an approved structure on a homesite be altered without the prior written approval of the Architectural Control Committee ("ACC"), as applicable, which is appointed by the Board of Directors of the Association. Improvements constructed by Seller or the developer of the Community, or the Neighborhood, as applicable, are exempt from this requirement. Approval of any work by the ACC shall not constitute an express or implied warranty or representation by the ACC that any work complies with applicable codes, ordinances or other governmental regulations, or that the work is well designed or will be constructed in a proper manner. Decks, fences and exterior color are among the more common, although not the only, improvements for which architectural approval is required. For more information concerning architectural review, please review the Declaration.

9.2 Failure to submit plans and specifications to the ACC for approval is a violation of the Declaration, which may result in sanctions and/or the imposition of fines, and the removal, at homeowner expense, of any non-approved modifications.

10. **Pet Restrictions.** Buyer understands that the only pets allowed in the Neighborhood and the Community are those which are in accordance with the restrictions contained in the Community Documents or any amendments thereto.

11. **Short-Term Rentals.** Buyer acknowledges that homes in the Community may be rented for any length of time, subject to certain restrictions set forth in the Community Documents.

12. **Flood Zone.** Buyer acknowledges that the Property may be in a flood zone. Mortgage lenders will typically require the issuance of flood insurance as a requirement for financing, which insurance must be present at Closing. Seller recommends that each Buyer of a Home protect his/her Home by obtaining proper insurance coverage. It is possible, however, for Buyer to submit documentation to the Federal Emergency Management Agency (FEMA) to have the Home re-classified by FEMA, whereby the mortgage lender may have the option to waive the requirement of flood insurance. Buyer is solely responsible for the submission to FEMA for such re-classification and any and all expenses related to such submission. Further, Buyer acknowledges and understands that the waiver of flood insurance is at the sole discretion of the mortgage lender.

13. **Utilities.**

13.1 Buyer acknowledges that no septic tanks shall be permitted within the Community and the Neighborhood. No wells shall be installed without the express written consent of the ACC and all other applicable government agencies.

13.2 Some homesites contain or are adjacent to drainage and utility structures such as storm water overflow swales, storm water retention and/or detention basins, manholes, fire hydrants, electrical transformers, switch boxes, telephone pedestals and streetlights. None of these items shall be altered, obstructed, buried, modified, restricted or interfered with in any manner whatsoever. Overflow swales are generally utilized for overflow storm water capacity as a result of water drainage. Electrical transformers may only be landscaped to the extent permission is given by the utility provider. In some cases, water may flow from one homesite to another. State law may provide that the owner of the homesite receiving water is required to accept the water flow and may not impede the flow of this water. In addition, the Property will be graded to provide for reasonable drainage away from the Home's foundation. The vast majority of foundation problems are caused by insufficient drainage or lack of watering of soil around the foundation. Buyer should keep Buyer's lawn well watered to maintain consistent moisture content and avoid excess wetness, dryness or cracking of soil. The construction of curbs, decks, retaining walls, pools, spas, patios, landscape edging and similar items can also trap water within the yard area and cause structural damage to the Home's foundation. Seller strongly recommends that Buyer consult with a licensed landscape architect and civil engineer before performing any work or making any changes that may affect the existing drainage pattern.

13.3 Berkeley County provides water to the Community. Because Seller does not control the water supply, Seller cannot guarantee the quality of the water provided to the Community. In addition, this area is periodically subjected to extended periods of drought that may cause depletion of water supplies. Municipalities and other providers of water services (including the Town of Moncks Corner) may enact mandatory or voluntary cut backs or other restrictions in water usage. Seller has no control, influence, responsibility or liability for or over decisions concerning water rationing.

13.4 If Buyer has any questions about utility rates, services, safety, or anything else to do with overhead or underground transmission or utility lines, Buyer should contact the utility companies directly. Because Seller values Buyer's safety and that of Buyer's neighbors, no excavation or trenching should be done without first calling the utility companies for the location of buried utilities. There is currently no charge by the utilities for this service. This is especially important in utility easements where buried utility equipment is probable. Digging without advance notification and approval of the utility companies may be illegal, is dangerous and can result in severe personal injury or death to Buyer and Buyer's neighbors, and can also result in severe property damage to homes, property and utility equipment.

14. Waterbodies. BUYER ACKNOWLEDGES THAT THE WATER LEVELS OF LAKES, PONDS OR OTHER WATERBODIES WITHIN THE COMMUNITY AND/OR THE NEIGHBORHOOD MAY VARY. THERE IS NO GUARANTEE BY SELLER, THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT.

15. Regulatory And Governmental Approvals. The zoning, plans, etc. have been approved by Berkeley County. The development of the project, lot, sidewalks, etc. is subject to approval by Berkeley County. For more information on the approvals required and pending in the Community, Buyer should contact the Berkeley County Planning & Zoning Department at 843.719.4095.

16. Prices/Market Values. Seller, and any other builder in the Community, shall have the unilateral right to establish prices for the homes it builds in the Community. Seller and any other builder in the Community may, at its sole discretion, increase or decrease the price or the price per square foot for any home, homesite or option at any time, or offer incentives for sales of homesites and homes, all without notice to Buyer. Once Buyer has signed the Agreement establishing a price for the Property, the prices for any subsequent changes or upgrades to the Home as requested by Buyer, including but not limited to design, floor plan, options, materials or otherwise, are subject to change by Seller until a written and signed agreement on the price is reached by Seller and Buyer for such change or upgrade. Seller makes no representations or warranties that the price for the Property or options in the Home will be increased or decreased for other buyers of identical or similar homes or options. Seller also makes no representations or warranties that changes or options made by Buyer will or will not increase or decrease the market value of the Property. The Property is being sold for residential purposes and not as an investment.

17. Construction And Sales Activities. BUYER ACKNOWLEDGES THAT SOME AREAS OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNDER CONSTRUCTION AND DEVELOPMENT FOR AN EXTENDED TIME. INCIDENT TO THE DEVELOPMENT PROCESS, THE QUIET ENJOYMENT OF THE NEIGHBORHOOD AND THE COMMUNITY MAY BE UNAVOIDABLY INTERFERED WITH TO SOME EXTENT BY THE CONSTRUCTION OPERATIONS. Construction, development and sales activities in the Community and/or the Neighborhood will likely occur after Buyer has taken occupancy of Buyer's Home. Depending upon Buyer's sensitivities, this may result in some inconvenience to Buyer and Buyer's family and guests due to increased noise, dust, road closures, operation of the model homes and sales offices, and other activities. Construction activities can occur at various hours throughout the day, and sales activities can result in additional traffic and visitors throughout the Community, particularly before the Community is completely built out. Neither Seller nor any other builder that may be active in the Community can guarantee that Buyer will not be affected or impacted as a result of the overall construction and development of the Community. Seller gives no guarantees or assurances on the active time of the Community model homes. Homesites across the street or next to the model homes may remain undeveloped until Seller determines that these homesites are no longer needed for marketing purposes.

18. Views. Future development and construction activities in the Community can and will modify the view from homesites (including but not limited to the Homesite). Trees and other foliage may be added or removed from lots or common areas of the Community. Additional housing and other improvements will be added within the community. Because future development and construction activities in the Community will modify views from homesites, Seller does not warrant or guarantee any existing views will be maintained in the future relative to the Property.

19. Streetlights. Numerous streetlights will be installed within the Community, many of which will be installed after homes have been completed, sold and occupied. Streetlights are sized and placed in accordance with Town ordinances and governmental requirements, and could in some instances generate light in or obstruct views from homes in the Community. Information about streetlight size, light output, design and location of streetlights within the Community can be obtained from the service provider.

20. Trees And Foliage. The Community contains numerous native trees of various sizes and varieties. While Seller has taken great care during the planning and construction of the Community to save trees, future development and construction will require the removal of additional trees, shrubs and other foliage and, therefore, Seller does not guarantee the preservation of any trees, shrubs, ground cover or other foliage in the Community or Buyer's Homesite, and cannot be responsible for short or long-term damages to foliage due to construction or development activities. Seller makes no representation or warranty that trees on the Homesite being purchased or any other homesite or common area in the Community will not be removed. All care and maintenance of foliage on an individual homesite is the responsibility of the homeowner, and Seller does not guarantee or warranty the survival of any foliage. Berkeley County has adopted a Tree Ordinance regulating the removal of any tree over a certain size. Before removing a tree, Buyer should contact Berkeley County to ensure that its regulations are adhered to. The Declaration also contains restrictions regarding the removal of any tree over a certain size. Buyer should contact the Association to ensure that its regulations are adhered to.

21. Facilities And Conditions Affecting Homesites.

21.1 The information set forth in this section contains an overview of facilities and conditions which may affect some or all homesites in the Community (including but not limited to the Homesite). Because Seller does not have control over development outside of the Community, Seller does not warrant or guarantee any future development, usage, or lack of development or usage for properties located outside of the Community, or their possible impact on the residents of the Community. For additional information about offsite features that may affect the purchase of the Property, please contact the local governmental authorities having jurisdiction over the Community.

21.2 Seller advises Buyer that some of the homesites (including but not limited to the Homesite) are or may be adjacent to or near some of the following:

DRAINAGE CHANNEL, AIRPORT, RAILROAD TRACKS, STORM WATER DETENTION FACILITY, COMMUNITY CENTER, ELEVATED WATER STORAGE TOWER, SCHOOL FACILITY, PARK SCHOOL SITE, SPORTS FACILITY OR BALL FIELD, COMMUNITY LAKES, PARK AND/OR RECREATION FACILITY, WATER PLANT/SEWER PLANT, LIFT STATION, CELLULAR PHONE, RADIO, TELEVISION OR OTHER TOWER ANTENNA SITE, HIGH VOLTAGE TRANSMISSION LINES OR PIPELINE EASEMENT.

Buyer acknowledges that such facilities may impact noise, vibration, lighting, traffic and other conditions caused by daily operations of the facility. Drainage channels, lakes and storm water detention facilities will have varying levels of water for varying periods of time depending upon rainfall.

21.3 Approximately 10 miles from the edge of the Community is the Charleston International Airport. Some flights landing at or taking off from the airport currently pass over the Community. Jets, helicopters or other aircraft may be seen or heard overhead from the Homesite or even from within the Home. The Charleston International Airport may, in the future, expand the Airport and its operations.

21.4 As a result of the open spaces and bodies of water in and around the Community, Buyer may periodically find wild animals within the confines of the Community including, but not limited to, skunks, nutria, opossums, deer, raccoons, spiders, snakes, bees, fire ants, and other insects common to the area. Contact with any wild animal can be dangerous. Should Buyer encounter any such animal, Buyer is encouraged to contact Buyer's local animal control office for further instructions.

21.5 Property West of the Community. The property west of the Community is currently comprised of agricultural and wooded land and land occupied by the Charleston Steel & Metal plant, Parker Gas Turbine Fuel Systems, and Mt. Holly Hill Park.

21.6 Property North of the Community. The property north of the Community is currently comprised of undeveloped woodlands and land used for residential purposes.

21.7 Property East of the Community. The property east of the Community is currently comprised of forested wetlands and undeveloped woodlands and land used for residential purposes. The property further east of the Community was occupied by the former Pattillo/Stone Mountain Industrial Park Site.

21.8 Property South of the Community. The property south of the Community is currently comprised of undeveloped woodlands and forested wetlands and land used for residential purposes.

21.9 Future Commercial/Retail Uses. The Community is located adjacent to properties which will be developed with major commercial and retail uses in the future. The development of such uses adjacent to the Community may increase traffic volumes, noise, outdoor lighting, pedestrian activity and other similar impacts resulting from commercial development.

21.10 Development of Adjacent Property. Buyer acknowledges that Seller's current construction plans for the Community where the Home and Homesite are located may change and that no representations or warranties are made concerning the development of the Community, or any property adjacent to, surrounding, or near such Community.

21.11 Public Ballfields. Public ballfields are located within the Community. The ballfields are or will be owned by the Association and the future use of the ballfields is in the discretion of Association.

21.12 Major Public Roads. The Community is located along portions of Old Hwy 52 and Cypress Garden Road. These roads may experience heavy traffic.

22. **Floor and Roof Truss Support**. The Home has been designed and constructed with the intent to support typical loads on the floor and roof trusses. Placing or storing excessive loads such as a waterbed or pool table, may result in the warping or failure of the supporting structural components of the Home.

23. **Real Estate Taxes**. When a new home is built, the full value of the home is typically not reflected in the real estate taxes until the second calendar year after construction has been completed. Seller is not responsible for communicating any information regarding real estate taxes (current or future) and cannot and will not predict what the taxes on the Home may be. Buyer should confirm any information provided concerning appraisals, tax valuation, tax rates or other tax-related questions, with Buyer's personal tax advisor and the local taxing authorities.

24. **Public Financing of Capital Improvements**. Berkeley County may finance certain capital improvements in the Community, may issue bonds in connection with such financing and may create one or more special tax districts

within the Community to provide for repayment of such bonds.

25. **Town and County Taxes, Charges And Fees**. Property within the Community is subject to Berkeley County taxes, utility charges, fees and may become part of a special taxing district. For additional information, contact the Tax Collector's office of Berkeley at 843.719.4030.

26. **Addendum Not A Substitute**. Buyer acknowledges and agrees that this Addendum is not a substitute for reading the entire Governing Documents. For a more detailed explanation of any section contained in this Addendum, refer to the Governing Documents.

27. **Pre-Sale Contingency.** Seller shall have the right to terminate this Agreement and cause Buyer's deposits to be refunded in the event that Seller does not enter into binding contracts to sell at least ten percent (10%) of the homes and homesites in the Community. Seller must, however, notify Buyer of such a termination at any time within one hundred eighty (180) days following the date of the first purchase agreement for the sale of a home in the Community, otherwise Seller will be required to construct the Community and the Home and otherwise proceed to perform its obligations under this Agreement. This shall not delay the effectiveness of this Agreement, which shall be immediate, but rather, shall be deemed a "condition subsequent" to this Agreement. In the event of Seller's termination of this Agreement pursuant to this Section, upon such termination and the return of Buyer's Deposit, Seller and Buyer will be fully relieved and released from all obligations and liabilities under and in connection with this Agreement. Seller agrees to use its good faith efforts to meet the foregoing pre-sale requirement.

28. **Third Party Developer**. Seller is not the developer/declarant of the Community ("**Developer**"). Buyer acknowledges that (i) Seller is neither related to nor a joint venture partner with Developer, (ii) Seller does not control the amenities (existing or planned), landscaping, or other improvements that Developer may provide within the Community in the sole and absolute discretion of Developer, (iii) Seller has neither prepared nor participated in the preparation of the Community budgets or any other financial information with regard to the Community, and (iv) any representations or warranties which relate to amenities or other matters contained within the Community shall not be construed as representations made by Seller nor shall such representations be relied upon by Buyer in Buyer's determination as to whether to purchase the Property located within the Community. Seller has no control or influence related to the construction timing, completion, changes in design, changes in location, or other major decisions, including the decision not to build future amenities. Buyer agrees to look solely to the Developer with respect to any matters regarding the Association, existing Community amenities, any proposed amenities, landscaping or other improvements.

29. **Statements Made By Sales Staff And Brokers**. Seller wants to ensure that Seller and Buyer are in full agreement on all terms and conditions relating to the Agreement. To best ensure that there are no misunderstandings, Buyer should ensure that all terms and conditions (including all statements, representations, or understandings upon which Buyer relies in purchasing the Home) are set forth in writing in the Agreement. **If there are any statements, representations or understandings which are made by a sales staff person or any other representative of Seller which are material to Buyer's decision to purchase, Buyer should insist that any such statement, representation or understanding is put in writing and contained in the Agreement. Seller reserves the right to reject the Agreement notwithstanding the inclusion of any such item in the Agreement.**

30. **Public School Assignment**. Seller does not control and cannot guarantee public school assignments for the Community. Because Seller does not control public school assignments, Seller cannot assure Buyer that public school assignments will not be changed in the future. For more information about public school assignments, Buyer should contact the Berkeley County School Board.

31. **Counterparts**. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

32. **Conflicts**. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

33. **Entire Agreement**. The Agreement, together with this Addendum and any other addenda or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

34. **Survival**. All of the terms of this Addendum shall survive Closing and the delivery of the Deed.

Cooperating Broker or Sales Associate must accompany the Prospect during Prospect's initial visit. Notwithstanding the foregoing, in the event two or more brokers claim that they are entitled to a commission from having registered a Prospect, the cooperating broker who is the procuring cause of the sale will be entitled to the commission. 1. Defined Terms. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Addendum to the Agreement shall be deemed to include references to this Addendum and to any other addenda and riders attached to the Agreement, which are hereby incorporated by this reference.

2. Insulation. Pursuant to Title 16, Chapter I, Section 460.16 of the Code of Federal Regulations, the insulation that is or will be installed in the Home where conditioned space meets unconditioned space is as follows and will, according to the manufacturer, yield the R-values stated:

Location	Type	Thickness	R-Value
Exterior Masonry Walls	N/A	N/A	N/A
Exterior Stud Wall	Batt	3 1/2 inches	R-13
Ceilings	Batt	10 inches	R-30
Roof	Blown	12 inches	R-30
N/A	N/A	N/A	N/A

If so indicated above, fiberglass (also known as glass wool) is/will be used for insulation in the Home. The U.S. Department of Health and Human Services ("HHS") has listed fiberglass as a substance "which may reasonably be anticipated to be a carcinogen." This listing identifies substances selected for further study because of their potential carcinogenic risk but is not an assessment by HHS that there is a causal connection between fiberglass and human cancer. The listing does not establish that fiberglass presents a risk to persons in their daily lives.

3. Counterparts. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

4. Conflicts. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.

5. Entire Agreement. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

Substitute Form 1099-S:

SELLER'S TAX ID SOLICITATION: THE INFORMATION IN BLOCKS B, D, E, H AND ON LINES 401, 403, 407 and 408 IS IMPORTANT TAX INFORMATION AND IS BEING FURNISHED TO THE INTERNAL REVENUE SERVICE. IF YOU ARE REQUIRED TO FILE A RETURN, A NEGLIGENCE PENALTY OR OTHER SANCTION MAY BE IMPOSED ON YOU IF THIS ITEM IS REQUIRED TO BE REPORTED AND THE IRS DETERMINES THAT IT HAS NOT BEEN REPORTED. YOU ARE REQUIRED BY LAW TO PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER. IF YOU DO NOT PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER, YOU MAY BE SUBJECT TO CIVIL OR CRIMINAL PENALTIES IMPOSED BY LAW.

For sales or exchanges of residential real estate, the person responsible for closing a real estate transaction must report the real estate proceeds to the Internal Revenue Service and must furnish this statement to you. To determine if you have to report the sale or exchange of your main home on your tax return, see the 2012 Schedule D (Form 1040) instructions. If the real estate was not your main home, report this transaction on Form 4797, Sales of Business Property. Form 4797 also must be used to report a sale or exchange of property that was your main home if you have to report any part of the gain from the sale on Form 4797, unless you have an installment sale (see the instructions for Part III of Form 4797) or you are reporting a like-kind exchange (see the instructions for Part II of Form 4797). If you have a loss from the sale or exchange of property that was your main home, you cannot deduct the loss. You may also have to report the sale if, for example, you received Form(s) 1099-A or 1099-C. If you did not receive Form(s) 1099-A or 1099-C, but you had information returns with respect to your home reported to you on Form(s) 1099-A or 1099-C, you may have to report the sale of your home. See Publication 523, Selling Your Home.

If you have already paid the real estate tax for the period that includes the sale date, subtract the amount on Lines 406, 407 and 408 from the amount you paid to determine your deductible real estate tax. But if you have already deducted the real estate tax in a prior year, generally report this amount as income on the "Other Income" line of Form 1040. For more information, see Pub. 523.

For Paperwork Reduction Act Notice, see the 2013 instructions for Forms 1099, 1098, 5498, and W-2.

SELLER'S TAX ID SOLICITATION: THE INFORMATION IN BLOCKS E, G, H, I AND ON LINES 401, 406, 407 AND 408 IS IMPORTANT TAX INFORMATION AND IS BEING FURNISHED TO THE INTERNAL REVENUE SERVICE. IF YOU ARE REQUIRED TO FILE A RETURN, A NEGLIGENCE PENALTY OR OTHER SANCTION MAY BE IMPOSED ON YOU IF THIS ITEM IS REQUIRED TO BE REPORTED AND THE IRS DETERMINES THAT IT HAS NOT BEEN REPORTED. YOU ARE REQUIRED BY LAW TO PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER. IF YOU DO NOT PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER, YOU MAY BE SUBJECT TO CIVIL OR CRIMINAL PENALTIES IMPOSED BY LAW.

For sales or exchanges of certain real estate, the person responsible for closing a real estate transaction must report the real estate proceeds to the Internal Revenue Service and must furnish this statement to you. To determine if you have to report the sale or exchange of your main home on your tax return, see the 2011 Schedule D (Form 1040) instructions. If the real estate was not your main home, report the transaction on Form 4797, Sales of Business Property, Form 6252, Installment Sale Income, and/or Schedule D (Form 1040), Capital Gains and Losses. You may have to recapture (pay back) all or part of a Federal mortgage subsidy if all the following apply: a) You received a loan provided from the proceeds of a qualified mortgage bond or you received a mortgage credit certificate; b) Your original mortgage loan was provided after 1990, and; c) You sold or disposed of your home at a gain during the first 9 years after you received the Federal mortgage subsidy. This will increase your tax. See Form 8828, Recapture of Federal Mortgage Subsidy, and Pub. 523, Selling Your Home.

If you have already paid the real estate tax for the period that includes the sale date, subtract the amounts on Lines 406, 407 & 408 from the amount already paid to determine your deductible real estate tax. But if you have already deducted the real estate tax in a prior year, generally report this amount as income on the "Other Income" line of Form 1040. For more information, see Pub. 523.

For Paperwork Reduction Act Notice, see the 2011 Instructions for Forms 1099, 1098, 5498, and W-2.

Substitute Form 1099-S:

SELLER'S TAXID SOLICITATION. THE INFORMATION IN BLOCKS E, G, H, AND ON LINES 401, 406, 407 and 408 IS IMPORTANT TAX INFORMATION AND IS BEING FURNISHED TO THE INTERNAL REVENUE SERVICE. IF YOU ARE REQUIRED TO FILE A RETURN, A NEGLIGENCE PENALTY OR OTHER SANCTION MAY BE IMPOSED ON YOU IF THIS ITEM IS REQUIRED TO BE REPORTED AND THE IRS DETERMINES THAT IT HAS NOT BEEN REPORTED. YOU ARE REQUIRED BY LAW TO PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER. IF YOU DO NOT PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER, YOU MAY BE SUBJECT TO CIVIL OR CRIMINAL PENALTIES IMPOSED BY LAW.

For sales or exchanges of certain real estate, the person responsible for closing a real estate transaction must report the real estate proceeds to the Internal Revenue Service and must furnish this statement to you. To determine if you have to report the sale or exchange of your main home on your tax return, see the 2012 Schedule D (Form 1040) instructions. If the real estate was not your main home, report the transaction on Form 4797, Sales of Business Property. Form 8582, Installment Sale Income, and/or Schedule D (Form 1040), Capital Gains and Losses. You may have to recapture (pay back) all or part of Federal mortgage subsidy if all the following apply: a) You received a loan the proceeds of a qualified mortgage bond or you received a mortgage credit certificate (MCC) for your principal mortgage loan was provided after 1990, and c) You sold or disposed of your home at a gain during the first 9 years after you received the Federal mortgage subsidy. This will increase your tax. See Form 8828, Recapture of Federal Mortgage Subsidy, and Pub. 523, Selling Your Home.

If you have already paid the real estate tax for the period that includes the sale date, subtract the amounts on Lines 402, 407 &408 from the amount already paid to determine your deductible real estate tax. But if you have already deducted the real estate tax in a prior year, generally report this amount as income on the "Other Income" line of Form 1040. For more information, see Pub. 523.

For Paperwork Reduction Act Notice, see the 2012 Instructions for Forms 1099, 1098, 8935, and W-2G.

Substitute Form 1099-S:
SELLER: STATE LEGISLATION: THE INFORMATION IN BOXES 5, 6, AND 7 ON LINES 401, 406, 407 and 408 IS IMPORTANT TAX INFORMATION AND IS BEING FURNISHED TO THE INTERNAL REVENUE SERVICE. IF YOU ARE REQUIRED TO FILE A RETURN, A NEGLIGENCE PENALTY OR OTHER SANCTION MAY BE IMPOSED ON YOU IF THIS ITEM IS REQUIRED TO BE REPORTED AND THE IRS DETERMINES THAT IT HAS NOT BEEN REPORTED. YOU ARE REQUIRED BY LAW TO PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER. IF YOU DO NOT PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER, YOU MAY BE SUBJECT TO CIVIL OR CRIMINAL PENALTIES IMPOSED BY LAW.

For sales or exchanges of certain real estate, the person responsible for closing a real estate transaction must report the real estate proceeds to the Internal Revenue Service and must furnish this statement to you. To determine if you have to report the sale or exchange of your main home on your tax return, see Sec 3291 Schedule D (Form 1040), Capital Gains and Losses. You may have to recapture (pay back all or part of the Federal mortgage subsidy if either of the following apply: a.) You received a loan provided from the proceeds of a qualified mortgage bond or you received a mortgage credit certificate, b) Your original mortgage loan was provided after 1990, and c) You sold or disposed of your home six years after you received the Federal mortgage subsidy. This will increase your tax. See Form 8329, Recapture of Federal Mortgage Subsidy, and Pub. 523, Selling Your Home.

If you have already paid the real estate tax for the period that includes the sale date, subtract the amount on Lines 406, 407 & 408 from the amount already paid to determine your deductible real estate tax. But if you have already deducted the real estate tax in a prior year, generally report this amount as income on the "Other Income" line of Form 1040. For more information, see Pub. 523.

For Paperwork Reduction Act Notice, see the 2011 instructions for Forms 1099, 1098, 8453, and W-9.

YOU ARE REQUIRED BY LAW TO PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER. IF YOU DO NOT PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER, YOU MAY BE SUBJECT TO CIVIL OR CRIMINAL PENALTIES IMPOSED BY LAW.

For tax or such charges of a similar nature, the person responsible for paying a real estate tax is the person responsible for paying real estate taxes and must include the information in your income tax return. To determine if you have a gain or loss on the sale or exchange of your main home, see the 2013 Schedule D (Form 1040) instructions. If the real estate was not your main home, report the transaction on Form 4797, Sales of Business Property. Form 4797, Instructions for Form 4797, Sales of Business Property, and Publication 544, Sales and Other Dispositions of Assets. You may have to recapture (pay back) all or part of a Federal mortgage subsidy if you sell the property at a gain during the first 9 years after you received a Federal mortgage subsidy. This will increase your tax. See Form 8828, Recapture of Federal Mortgage Subsidy, and Pub. 523, Selling Your Home.

Taxes have already paid the real estate tax for the period that includes the sale date, subtract the amount on Lines 406, 407 & 408 from the amount already paid to determine your deductible real estate tax. But if you have already deducted the real estate tax in a prior year, generally report the amount subtracted on the "Other Income" line of Form 1040. For more information, see Pub. 523.

Substitute Form 1099-S:

SELLER'S TAX ID SOLICITATION: THE INFORMATION IN BLOCKS E, G, H, I AND ON LINES 401, 406, 407 and 408 IS IMPORTANT TAX INFORMATION AND IS BEING FURNISHED TO THE INTERNAL REVENUE SERVICE. IF YOU ARE REQUIRED TO FILE A RETURN, A NEGLIGENCE PENALTY OR OTHER SANCTION MAY BE IMPOSED ON YOU IF THIS ITEM IS REQUIRED TO BE REPORTED AND THE IRS DETERMINES THAT IT HAS NOT BEEN REPORTED. YOU ARE REQUIRED BY LAW TO PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER. IF YOU DO NOT PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER, YOU MAY BE SUBJECT TO CIVIL OR CRIMINAL PENALTIES IMPOSED BY LAW.

For sales or exchanges of certain real estate, the person responsible for closing a real estate transaction must report the real estate proceeds to the Internal Revenue Service and must furnish this statement to you. To determine if you have to report the sale or exchange of your main home on your tax return, see the 2011 Schedule D (Form 1040) instructions. If the real estate was not your main home, report the transaction on Form 4797, Sales of Business Property, Form 6252, Installment Sale Income, and/or Schedule D (Form 1040), Capital Gains and Losses. You may have to recapture (pay back) all or part of a Federal mortgage subsidy if all the following apply: a) You received a loan provided from the proceeds of a qualified mortgage bond or you received a mortgage credit certificate; b) Your original mortgage loan was provided after 1990, and; c) You sold or disposed of your home at a gain during the first 9 years after you received the Federal mortgage subsidy. This will increase your tax. See Form 8828, Recapture of Federal Mortgage Subsidy, and Pub. 523, Selling Your Home.

If you have already paid the real estate tax for the period that includes the sale date, subtract the amounts on Lines 406, 407 & 408 from the amount already paid to determine your deductible real estate tax. But if you have already deducted the real estate tax in a prior year, generally report this amount as income on the "Other Income" line of Form 1040. For more information, see Pub. 523.

For Paperwork Reduction Act Notice, see the 2011 Instructions for Forms 1099, 1098, 5498, and W-2G.

Substitute Form 1099-S

SELLER'S TAXID SOLICITATION: THE INFORMATION IN BLOCKS E, G, H, AND ON LINES 401, 406, 407 and 408 IS IMPORTANT TAX INFORMATION AND IS BEING FURNISHED TO THE INTERNAL REVENUE SERVICE. IF YOU ARE REQUIRED TO FILE A RETURN, A NEGLIGENCE PENALTY OR OTHER SANCTION MAY BE IMPOSED ON YOU IF THIS ITEM IS REQUIRED TO BE REPORTED AND THE IRS DETERMINES THAT IT HAS NOT BEEN REPORTED. YOU ARE REQUIRED BY LAW TO PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER. IF YOU DO NOT PROVIDE THE SETTLEMENT AGENT WITH YOUR CORRECT TAXPAYER IDENTIFICATION NUMBER, YOU MAY BE SUBJECT TO CIVIL OR CRIMINAL PENALTIES IMPOSED BY LAW.

For sales or exchanges of certain real estate, the person responsible for closing a real estate transaction must report the real estate proceeds to the Internal Revenue Service and must furnish this statement to you. To determine if you have to report the sale or exchange of your main home on your tax return, see the 2011 Schedule D (Form 1040) instructions. If the real estate was not your main home, report the transaction on Form 4797, Sales of Business Property; Form 6252, Installment Sale Income, under Schedule D (Form 1040), Capital Gains and Losses. You may have to recapture (pay back) all or part of a Federal mortgage subsidy if the following apply: a) You received a loan provided from the proceeds of a qualified mortgage bond or you received a mortgage credit certificate; b) Your original mortgage loan was provided after 1990; and c) You sold or disposed of your home at a gain during the first 9 years after you received the Federal mortgage subsidy. This will increase your tax. See Form 8828, Recapture of Federal Mortgage Subsidy, and Pub. 523, Selling Your Home.

If you have already paid the real estate taxes for the period that includes the sale date, subtract the amounts on Lines 408, 407 & 408 from the amount already paid to determine your deductible real estate tax. But you have already deducted the real estate taxes as prepaid, generally report the amounts as income on the "Other Income" line of Form 1040. For more information, see Pub. 523.

For Paperwork Reduction Act Notice, see the 2011 instructions for Forms 1099, 1099, 6408, and W-9S.

LENNAR 1-2-10 WARRANTY

LENNAR 1-2-10 WARRANTY

LENNAR 1-2-10 WARRANTY

Dear Homebuyer(s):

Congratulations! You are purchasing a Home with warranty protection provided by a member of the Lennar Family of Builders ("Lennar"). As part of Lennar's commitment to quality, value and integrity, we give you, the Homeowner, a limited 1 year warranty on workmanship, a limited 2 year warranty on systems and a limited 10 year warranty on structural elements (the "Lennar Limited Warranty" or "Limited Warranty").

This Warranty Booklet constitutes a Limited Warranty from Lennar. The limited express warranties contained in these documents are specific and detailed as to the scope of your warranty coverage and, to the extent allowed by law, Lennar specifically disclaims all other implied warranties, including without limitation any general warranty of good workmanship or habitability. While we are confident that we can resolve any warranty items to your satisfaction, **YOU SHOULD BE AWARE THAT THIS LIMITED WARRANTY INCLUDES A REQUIREMENT THAT ALL DISPUTES BE SUBMITTED TO BINDING ARBITRATION.**

Please take the time to become familiar with this Warranty Booklet and read it in its entirety. It defines our responsibilities to you and your responsibilities to your Home. Your proper maintenance of your Home is vital, and if you do not perform the required maintenance on your Home, it will limit your warranty rights. While Lennar will be happy to answer any questions that you have about your Limited Warranty or specific construction standards and how they apply to your home, the content of this Warranty Booklet controls as to Lennar's obligations to you and your Home to the extent of any difference between the content of the document and your conversations with any Lennar representative.

Congratulations and enjoy your new Home!

Lennar

EXPRESS LIMITED WARRANTY- THE "LENNAR LIMITED WARRANTY"

Under the Lennar Limited Warranty, the seller of your home ("Lennar") commits that the components of your Home will perform to the standards listed in this Warranty Booklet. Specific components of your Home are covered for either one, two or ten years under the Lennar Limited Warranty, and Lennar's obligations are expressly limited to those standards and for only those time-periods as explained below. Please take the time to review the section titled "What Is Not Covered By The Lennar Limited Warranty" which lists those items excluded from the Lennar Limited Warranty. The Lennar Limited Warranty commences on the date of closing of the original purchase of the Home (the "Closing Date"). The protection periods provided below are referred to in the Lennar Limited Warranty as "Warranty Terms."

WORKMANSHIP PROTECTION FOR YEAR 1.

For one year from the Closing Date, Lennar warrants that the components of the Home set forth in the Workmanship Standards found on pages 15 to 55 of this Warranty Booklet will perform in accordance with those Workmanship Standards. If a component is not specifically listed in the Workmanship Standards, then it is not warranted under the Lennar Limited Warranty or otherwise. If a component is performing in accordance with the Workmanship Standards, then Lennar has no further obligations under the Lennar Limited Warranty. Lennar reserves the sole right to determine the repairs and or replacements necessary to meet the Workmanship Standards. Please note that a limited number of items in the Workmanship Standards are subject to a one time repair obligation.

SYSTEMS PROTECTION FOR YEARS 1-2.

For two years from the Closing Date, Lennar warrants that the components of the Home set forth in the Systems Standards found on pages 55 to 56 of this Warranty Booklet will perform in accordance with those Systems Standards. If a component is not specifically listed in the Systems Standards, then it is not warranted under the Lennar Limited Warranty or otherwise. If a component is performing in accordance with the Systems Standards, then Lennar has no further obligations under the Lennar Limited Warranty. Lennar reserves the sole right to determine the repairs and or replacements necessary to meet the Systems Standards.

STRUCTURAL PROTECTION FOR YEARS 1 THROUGH 10.

For ten years from the Closing Date, Lennar warrants that the structural components of the Home set forth in the Structural Components Standards found on pages 58 to 59 of this Warranty Booklet will perform in accordance with those Structural Standards. If a component is not specifically listed in the Structural Standards, then it is not warranted under the Lennar Limited Warranty or otherwise. If a structural component is performing in accordance with those Structural Standards, then Lennar has no further obligations under the Lennar Limited Warranty. Lennar reserves the sole right to determine the repairs and/or replacements necessary to meet the Structural Standards and may, at its sole election, implement repairs in phases to determine if structural components can be stabilized as part of meeting its obligations under the Structural Standards.

TRANSFERABILITY

All of your rights and obligations under the Lennar Limited Warranty shall, unless previously released by you, or your successor fully transfer to each successor owner of the Home, including any mortgagee in possession, for the remainder of the applicable Warranty Term and any transfer shall in no way affect, increase or reduce the coverage under the Lennar Limited Warranty for its unexpired term. If you sell your Home during the Warranty Term, you agree to give this Warranty Booklet to the successor owner, to inform the successor owner of warranty rights, and to otherwise make it possible for the successor owner to fulfill the successor owner's obligations under the terms of the Lennar Limited Warranty. **If you are an owner other than the original purchaser of the Home, you are bound by all the terms and conditions of the Lennar Limited Warranty including, but not limited to, claims procedures and the**

requirement to submit any disputes that may arise under the Lennar Limited Warranty to binding arbitration

REQUESTING LENNAR LIMITED WARRANTY SERVICE

If you believe that a component of your Home is not performing to the Lennar Limited Warranty standards during the applicable Warranty Term, you must send the appropriate Notice of Workmanship/Systems Claim Form or Notice of Structural Claim Form (located at this back of this booklet)("Notice") to Lennar.

The Notice of Claim must list the specific warranty claim and the date that you first observed the condition that is the subject of the claim. You must notify Lennar of any observed component that you believe is not performing to Lennar Limited Warranty standards as soon as possible and in no event later than the date the applicable warranty expires, by sending the notice to the appropriate Customer Care office.

We must receive your Notice of Claim not later than thirty (30) days after the applicable Workmanship, Systems or Structural Warranty expires or we will have no further obligation to you under the Lennar Limited Warranty. Lennar is not responsible for repairs or any other costs or expenses (including, but not limited to, attorneys' fees and engineers' fees) incurred by you prior to the date you give Lennar a Notice of Claim. In the event that you fail to notify us and give us the opportunity to inspect and repair the conditions giving rise your claim, Lennar will not be responsible for any repairs or any other costs or expenses (including, but not limited to, attorneys' and engineers' fees) you incur to address the claim.

We will respond to a timely Notice of Workmanship or System Claim within thirty (30) days and complete any warranted repairs within sixty (60) days of receipt of your written Notice of Claim to us unless (i) you or other events beyond our reasonable control delay our completion (including a failure to allow prompt inspections of your home), or (ii) the condition reasonably requires more than sixty (60) days to properly repair. If we determine that any of the Workmanship or Systems items you report to us are not covered by the Lennar Limited Warranty, we will endeavor to advise you in writing within (30) thirty days of our determination of no coverage.

Additional time may be required for us to assess structural claims and evaluate our response. As such, we will respond to any Notice of Structural Claim within (60) days of receipt of your written Notice of Structural Claim unless you or other events beyond our control delay our response (including a failure to allow prompt inspections of your home). Additional time may be required to investigate, design, implement and/or complete structural repairs beyond the (60) days by which we commit to complete Workmanship/Systems repairs. If we determine that any of the Structural items you report to us are not covered by the Lennar Limited Warranty, we will endeavor to advise you in writing within (30) thirty days of our determination of no coverage.

Investigation of claims often requires inspection of the Home, and under certain circumstances, invasive testing might be needed. We may request additional documents or information from you, and you agree as part of the Lennar Limited Warranty to fully cooperate with the investigation of your claim. By submitting a Notice of Claim, you agree to grant Lennar and/or their representatives prompt and complete access to your Home during normal business hours of 8 a.m. to 5 p.m. to inspect, repair and conduct tests in your Home as we may deem necessary. If you refuse to allow us access to your Home, such denial of access shall void the Lennar Limited Warranty with respect to your claim.

Lennar reserves the option to repair, replace or pay you the reasonable cost of repair or replacement for any warranted and covered claim. Prior to Lennar undertaking repairs, replacement or payment, you agree to assign to Lennar all claims you may have against any other person or entity who Lennar or you believe may have any responsibility associated with the warranted and covered claim.

If you believe that we have not met our obligations under the Lennar Limited Warranty, you may seek resolution of any claim you may have pursuant to the mediation/arbitration provisions set forth in the following section of the Warranty Booklet.

MEDIATION/ARBITRATION OF DISPUTES

The terms "Buyer" and "Seller" as used in this section of your warranty shall have the same meanings as set forth in your Purchase and Sale Agreement. By purchasing a Lennar home and receiving this warranty, Buyer specifically agrees that this transaction involves interstate commerce and that any Dispute (as hereinafter defined) shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by or in a court of law or equity. **"Disputes"** (whether contract, warranty, tort, statutory or otherwise), shall include, but are not limited to, any and all controversies, disputes or claims (1) arising under, or related to your Purchase and Sale Agreement, the Property, the Community (as these terms are defined in Buyer's Purchase and Sale Agreement) or any dealings between Buyer and Seller (with the exception of "consumer products" as defined by the Magnuson-Moss Warranty-Federal Trade Commission Act, 15 U.S.C. §2301 et seq., and the regulations promulgated thereunder and with the exception of any dispute arising pursuant to Section 8); (2) arising by virtue of any representations, promises or warranties alleged to have been made by Seller or Seller's representative; and (3) relating to personal injury or property damage alleged to have been sustained by Buyer, Buyer's children or other occupants of the Property, or in the Community. Buyer acknowledges that it has executed the Purchase and Sale Agreement on behalf of his or her children and other occupants of the Property with the intent that all such parties be bound by the Purchase and Sale Agreement and the Limited Warranty.

Any and all mediations commenced by Buyer or Seller shall be filed with and administered by the American Arbitration Association or any successor thereto (**"AAA"**) in accordance with the AAA's Supplementary Mediation Procedures for Residential Construction Disputes in effect on the date of the request or any rules enacted to replace those Rules if in effect on the date of the request.. If there are no Supplementary Mediation Procedures for Residential Construction Disputes currently in effect or any rules enacted to replace those rules in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of such request shall be utilized. Unless mutually waived in writing by the parties, submission to mediation is a condition precedent to either Buyer or Seller taking further action with regard to any matter covered hereunder.

If the Dispute is not fully resolved by mediation, the Dispute shall be submitted to binding arbitration and administered by the AAA in accordance with the AAA's Supplementary Arbitration Procedures for Residential Construction Disputes in effect on the date of the request. If there are no Supplementary Arbitration Procedures for Residential Construction Disputes currently in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such request shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Dispute. Unless Buyer and Seller otherwise agree, claims in excess of $10,000.00 but less than $500,000.00 shall utilize the Regular Track Procedures of the Construction Industry Arbitration Rules, as modified by the Supplementary Arbitration Procedures for Residential Construction. If the claimed amount exceeds $250,000.00 or includes a demand for punitive damages, the Dispute shall be heard and determined by three arbitrators; however, if mutually agreed to by Buyer and Seller, then the Dispute shall be heard and determined by one arbitrator. Arbitrators shall have expertise in the area(s) of Dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Dispute shall be decided by the arbitrator(s). At the request of either Buyer or Seller, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both Buyer and Seller.

The waiver or invalidity of any portion of this Section shall not affect the validity or enforceability of the remaining portions of this Section. Buyer and Seller further agree (1) that any Dispute involving Seller's

affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in a court of law or equity; (2) that Seller may, at its sole election, include Seller's contractors, subcontractors and suppliers, as well as any warranty company and insurer as parties in the mediation and arbitration; and (3) that the mediation and arbitration will be limited to the parties specified herein.

Unless otherwise recoverable by law or statute, each of Buyer and Seller shall bear its own costs and expenses, including attorneys' fees and paraprofessional fees, for any mediation and arbitration. Notwithstanding the foregoing, if Buyer or Seller unsuccessfully contests the validity or scope of arbitration in a court of law or equity, the noncontesting party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in defending such contest, including such fees and costs associated with any appellate proceedings. In addition, if Buyer or Seller fails to abide by the terms of a mediation settlement or arbitration award, the other party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in enforcing such settlement or award.

To the fullest extent permitted by applicable law, Buyer and Seller agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any other arbitration, judicial, or similar proceeding shall be given preclusive or collateral estoppel effect in any arbitration hereunder unless there is mutuality of the parties. In addition, Buyer and Seller further agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is mutuality of the parties.

Buyer may obtain additional information concerning the rules of the AAA by visiting its website at www.adr.org or by writing the AAA at 335 Madison Avenue, New York, New York 10017.

Seller supports the principals set forth in the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee and agrees to the following:

Notwithstanding the requirements of arbitration stated in this section, Buyer shall have the option, after pursuing mediation as provided herein, to seek relief in a small claims court for disputes or claims within the scope of the court's jurisdiction in lieu of proceeding to arbitration. This option does not apply to any appeal from a decision by a small claims court.

Seller agrees to pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the parties.

The fees for any claim pursued via arbitration in an amount of $10,000.00 or less shall be apportioned as provided in the Supplementary Rules for Residential Construction Disputes of the AAA or other applicable rules. Unless provided otherwise by the Supplementary Rules for Residential Construction Disputes of the AAA or other applicable rules, for claims that exceed $10,000.00, the filing party shall pay up to the first $750.00 of any initial filing fee to initiate arbitration. Under the following conditions, Seller agrees to pay up to the next $2,000.00 of any initial filing fee: (1) Buyer has participated in mediation prior to initiating the arbitration; (2) the parties have mutually agreed to waive mediation; or (3) Seller is the filing party. The portion of any filing fee not covered above, and any case service fee, management fee or fees of arbitrator(s), shall be shared equally by the parties.

Notwithstanding the foregoing, if either Seller or Buyer seeks injunctive relief, and not monetary damages, from a court because irreparable damage or harm would otherwise be suffered by either party before mediation or arbitration could be conducted, such actions shall not be interpreted to indicate that

either party has waived the right to mediate or arbitrate. The right to mediate and arbitrate should also not be considered waived by the filing of a counterclaim by either party once a claim for injunctive relief had been filed with a court.

Other Dispute Resolutions. Notwithstanding the Buyer's and Seller's obligation to submit any Dispute to mediation and arbitration, in the event that a particular dispute is not subject to the mediation or the arbitration provisions of this section, then Buyer and Seller agree to the following provisions: **BUYER ACKNOWLEDGES THAT JUSTICE WILL BEST BE SERVED IF ISSUES REGARDING THIS AGREEMENT ARE HEARD BY A JUDGE IN A COURT PROCEEDING, AND NOT A JURY. BUYER AND SELLER AGREE THAT ANY DISPUTE, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION SHALL BE HEARD BY A JUDGE IN A COURT PROCEEDING AND NOT A JURY. BUYER AND SELLER HEREBY WAIVE THEIR RESPECTIVE RIGHT TO A JURY TRIAL. SELLER HEREBY SUGGESTS THAT BUYER CONTACT AN ATTORNEY OF BUYER'S CHOICE IF BUYER DOES NOT UNDERSTAND THE LEGAL CONSEQUENCES OF EXECUTING THE PURCHASE AND SALE AGREEMENT.**

LIMITATIONS ON LENNAR LIMITED WARRANTY

Homeowner obligations. You are obligated to care for your Home in such as way as to prevent or minimize damage to it and to properly maintain the Home. You should be aware that all homes go through a period of settlement and movement. During this period, your Home or components of your Home may experience some material shrinkage, cracking and other events which are normal and customary. Remember that you are responsible for proper maintenance of your Home including maintaining the original grades around your Home, planting trees and shrubs at a proper distance from your Home and conforming to generally accepted landscape practices for your region. Changing the drainage and grading patterns or trapping water near your home as a result of homeowner changes in grades and landscaping may cause damage to your foundation.

Disclaimer of Implied Warranties. Except as prohibited by laws of the state in which the Home is located, all other warranties, express or implied, including but not limited to any implied warranty of habitability, are hereby expressly disclaimed and waived. The terms of the Lennar Limited Warranty shall not be added to or varied either orally or in writing, and you agree to immediately notify Lennar if you believe any employee or agent of Lennar has added to or varied, either orally or in writing, the terms of the Lennar Limited Warranty. Such notification shall not be deemed as a modification of the agreement regardless of whether Lennar responds to the notice either verbally or in writing. In the event that any provision of the Lennar Limited Warranty is determined to be unenforceable in your state, such determination shall not affect the validity of the remaining provisions of the Lennar Limited Warranty.

Cap on Lennar Limited Warranty. Lennar's total financial obligations under the Lennar Limited Warranty are limited to the original sales price of your Home. This cap is calculated based on the cumulative total of all repairs, replacements or payments made during the Lennar Limited Warranty. Our costs of designing, accomplishing and monitoring repair to your Home are included in this cumulate total.

Consequential Damages Not Covered. Lennar shall not be liable for, and you expressly waive recovery of, any consequential damages that may result from the condition of any component of the Home, including but limited to: any diminution in value of the Home before or after repairs are performed; lost profits; damages to personal property; any personal injury of any kind including physical or mental pain and suffering and emotional distress, and any medical or hospital expenses; costs of food, moving and storage, relocation expenses, or rental value of the Home or any other costs due to loss of use, inconvenience or annoyance during repairs. Lennar will, however, reimburse you for reasonable costs of temporary hotel accommodations and a reasonable daily food allowance for such period of time that the repairs required by the claim are so extensive that you cannot reasonably reside in the Home during the repairs.

Other Coverage. Lennar shall not be responsible for, and the Limited Lennar Warranty shall not cover, any damages, costs or expenses that are covered by your homeowners' insurance or other insurance, government, or third party reimbursement programs.

Not an Insurance Policy. The Lennar Limited Warranty is **not an insurance policy** and Lennar does not provide you any insurance through the Lennar Limited Warranty or otherwise. You should always obtain homeowner's insurance to protect your Home, and your bank or other mortgage provider may require homeowner's insurance if you have a mortgage.

Discretion to Repair, Replace or Make Payment. Lennar reserves the option, at its sole discretion, to repair, replace or pay you the reasonable cost of repair or replacement for any claim made under this Lennar Limited Warranty. The design method and manner of any repair shall also be at Lennar's sole discretion.

Warranty Terms Not Extended. The warranty terms of the Lennar Limited Warranty shall not be extended by any repair, replacement or payment made under the Lennar Limited Warranty. There shall be no warranty, express or implied, arising from repair or replacement work performed by or on behalf of Lennar except for the remaining original warranty term.

Limitations on Structural Repairs. Structural repairs are limited to only those (i) repairs of damage to load-bearing portions of your Home that are necessary to restore their load-bearing function; (ii) repair of those non-load bearing portions damaged by the condition that gives rise to the claim and whose repair is necessary to make your Home safe, sanitary or otherwise livable; and (iii) repair and cosmetic correction of only those surfaces, finishes and coverings, original to the Home, that were damaged by the condition giving rise to the claim or by the repair of the condition giving rise to the claim.

Limitations on Post-Repair Condition of Home. Repairs undertaken under the Lennar Limited Warranty are intended to restore the Home to approximately the same condition as existed prior to the claim, but not necessarily to like-new condition.

Previously Known Conditions. The Lennar Limited Warranty covers only those conditions which first occur during the term of the Lennar Limited Warranty. In addition, any conditions you knew about prior to the Effective Date of Lennar Limited Warranty such as items identified in the "walk-through," "punch-list," or in the case of a previously owned home, conditions that were identified on a home inspection report or were apparent through any reasonable inspection are not covered by the Lennar Limited Warranty.

The foundation is out of level	Performance Standard: Slab foundations should not move differentially after they are constructed, such that a tilt or deflection in the slab in excess of the standards defined below arises from post-construction movement. The protocol and standards for evaluating slab foundations shall follow the "Guidelines for the Evaluation and Repair of Residential Foundations" as published by the Texas Section of the American Society of Civil Engineers (2002), hereinafter referred to as the "ASCE Guidelines" with the following modifications: (1) Overall deflection from the original construction elevations shall be no greater than the overall length over which the deflection occurs divided by 360 (L/360) and must not have more than one associated symptom of distress, as described in Section 5 of the ASCE Guidelines, that results in actual observable physical damage to the home. (2) The slab shall not deflect after construction in a tilting mode in excess of one percent from the original construction elevations resulting in actual observable physical damage to the components of the home. If measurements and associated symptoms of distress show that a slab foundation does not meet the deflection or tilt standards stated in this Standard, a third-party inspector's recommendation shall be based on the appropriate remedial measures as described in Section 7 of the ASCE Guidelines.
Crack in concrete footing	Performance Standard: Cracks greater than ¼ inch in width are considered deficiencies. Responsibility: Builder shall take corrective action necessary to comply with the Standard.
Pier and beam foundations	Floor over pier and beam foundations. (A) A floor over pier and beam foundation shall not deflect more than L/360 from its original construction elevations and have that movement create actual observable physical damage to the components of the home identifiable in Section 5.3 of the ASCE Guidelines. (B) If a floor over pier and beam foundation deflects more than L/360 from its original construction elevation and the movement has created actual observable physical damage to the components of a home identifiable in Section 5.3 of the ASCE Guidelines, a third-party inspector's recommendation shall be based on applicable remedial measures as described in Section 7 of the ASCE Guidelines.
Cracked or bowed structural components	Structural components. (A) A defined structural component shall not crack, bow, become distorted or deteriorate, such that it compromises the structural integrity of a home or the performance of a structural system of the home resulting in actual observable physical damage to a component of the home. (B) If a structural component of a home cracks, bows, is distorted or deteriorates such that it results in actual observable physical damage to a component of the home, the Builder shall take such action as is necessary to repair, reinforce or replace such structural component to restore the structural integrity of the home or the performance of the affected structural system.
Deflected structural components	Deflected structural components. (A) A structural component shall not deflect more than the ratios allowed by the Code. (B) If a structural component of the home is deflected more than the ratios allowed by the Code, the Builder shall to repair, reinforce or replace such structural component to restore the structural integrity of the home or the performance of the affected structural system.
Damaged structural components	Damaged structural components. (A) A structural component shall not be so damaged that it compromises the structural integrity or performance of the affected structural system. (B) If a structural component is so damaged that it compromises the structural integrity or performance of a structural system of the home, the Builder shall take such action as is necessary to repair, reinforce or replace such structural component to restore the structural integrity of the home or the performance of the affected structural system.
Separated structural components	Separated structural components. (A) A structural component shall not separate from a supporting member more than 3/4 of an inch or such that it compromises the structural integrity or performance of the system. (B) If a structural component is separated from a supporting member more than 3/4 of an inch or separated such that it compromises the structural integrity or performance of a structural system of the home, the Builder shall take such action as necessary to repair, reinforce or replace such structural component to re-establish the connection between the structural component and the supporting member, to restore the structural integrity of the home and the performance of the affected structural system.

DEFICIENCY	STRUCTURAL STANDARDS AND EXCLUSIONS (10 YEARS)
Non-performing structural components	Non-performing structural components. (A) A structural component shall function as required by the Code. (B) If a structural component does not function as required by the Code, the Builder shall take such action as is necessary to bring the variance within the standard stated in subparagraph (A) of this paragraph.

Lennar Carolinas, LLC

MASTER TRADE PARTNER AGREEMENT

CONTRACTOR'S STATE LICENSE No: **G1119111**

DIVISION OFFICE: COASTAL CAROLINAS - **Regional Operations Center**
CONTRACT: ALL COMMUNITIES IN COASTAL CAROLINAS

THIS MASTER TRADE PARTNER AGREEMENT (hereinafter referred to as the "Agreement"), is made and entered into at CHARLESTON, SC, on 02/26/2013 by and between Lennar Carolinas LLC whose address is 1941 SAVAGE RD. SUITE 100C ("Contractor") and A.C. & A. Concrete, Inc, a [Corporation], whose address is 302 Peters Creek Rd. Summerville, SC 29483, telephone number 843-761-5637 ("Subcontractor").

1. **SCOPE OF WORK:** Subcontractor shall provide labor, material, equipment or other services in such location(s) and under such terms and conditions as Contractor shall deem necessary (the "Work") upon receipt of a work agreement from Contractor in substantially the form of the Work Agreement ("Work Agreement") attached hereto as Schedule "A." When issued, each Work Agreement shall become part of the Agreement. The location(s) where the Work is to be performed ("Job Site" or "Project Site"), may be more fully described in the "Price Schedule," attached as Exhibit "A" to the Work Agreement, and the "Work," as defined in the Work Agreement.

1.1 SUB-SUBCONTRACTOR: Unless otherwise provided, the term "Sub-subcontractor" shall include all persons or entities of all tiers, whether contracting directly with Subcontractor, or any person acting by, through or under Subcontractor, that are providing labor, materials, equipment, supplies, and/or supervision to satisfy the requirements of Subcontractor's Work. Subcontractor shall keep its Sub-subcontractors informed of the requirements of this Agreement.

1.2 PERFORMANCE OF THE WORK. Subcontractor shall furnish all labor, materials, equipment, supplies, supervision and all other things necessary to timely and properly perform the Work in a good and workmanlike manner, free from defects in workmanship or materials, acceptable to Contractor, and in strict accordance with (i) the plans and specifications, (ii) any applicable manufacturer's specifications, recommendations or requirements, (iii) applicable industry standards, codes, or other rules or regulations, and (iv) the requirements of Contractor's overall schedule. Subcontractor guarantees the availability of all labor, equipment and materials necessary to complete the Work in strict accordance with Contractor's schedule. Subcontractor shall be solely responsible to pay for all labor, salaries, materials, tools, equipment, supplies, state, federal, local and all other applicable sales, use, income or other taxes of any type or nature, transportation, storage facilities, offices, telephones, other overhead, shop drawings, supervision, temporary or permanent facilities and all other things necessary for the full and complete performance of the Work covered by this Agreement and the Work Agreement(s). Subcontractor shall secure and pay for all permits and governmental fees, licenses and inspections, to the extent necessary, for the proper execution and completion of Subcontractor's Work. No substitutions shall be allowed in the performance of the Work unless expressly approved by Contractor in writing.

1.3 INSPECTION AND INVESTIGATION. Subcontractor shall fully and completely investigate and study (i) the Project Site, (ii) the plans and specifications, (iii) any manufacturer's specifications, and (iv) all other conditions that may affect the Work, and shall be solely responsible for verifying that it possesses the most current set of plans and specifications. By executing the Work Agreement, Subcontractor represents that it has noted no deficiencies or problems with the Project Site, the plans and specifications, the manufacturer's specifications, or any other conditions which would impact its ability to perform the Work in accordance with the requirements of this Agreement or any Work Agreement. If Subcontractor subsequently discovers

any discrepancies between the plans, specifications, manufacturer's specifications, physical conditions, or any errors and omissions in the plans or specifications or in the layout as given that might affect the Work, Subcontractor shall immediately notify Contractor in writing. Any Work performed by Subcontractor relating to such discrepancy, error or omission shall be done at Subcontractor's sole risk. Prior to ordering materials or performing the Work, Subcontractor shall verify (i) that the materials are adequate for the performance of the Work, and (ii) that all measurements or conditions relevant to Subcontractor's Work are acceptable. No extra charge or compensation shall be allowed on account of differences between actual dimensions or conditions, and the measurements and conditions which may be found as indicated in the plans and specifications. The soils and geology reports, investigations or borings available to Subcontractor were prepared by third parties and made only for the purpose of study and design. Contractor does not warrant or guarantee, either expressly or impliedly, (i) the sufficiency or accuracy of the reports or investigations or borings which have been made, or (ii) any conditions that exist throughout the Project. Subcontractor agrees to undertake the Work subject to all site conditions as they now exist or may arise.

1.4 DEFECTIVE WORK. Subcontractor is responsible, at its sole cost, for promptly repairing or replacing any defective Work noted by Contractor or any third-party inspectors. In the event Subcontractor's Work involves construction of a residential dwelling, Subcontractor is also responsible, at its sole cost, for promptly repairing or replacing any defective Work noted by the homebuyer. Subcontractor shall provide Contractor with an itemized construction inspection checklist in a form approved by Contractor that Subcontractor will use to verify completion and workmanship of the Work. The failure of Contractor to identify any defects in the Work during any inspection shall not relieve Subcontractor of its responsibility to perform the Work in accordance with the requirements of this Agreement. Contractor shall be the sole judge of the adequacy of the repairs made to fix defective work. If Subcontractor covers any Work prior to Contractor's inspection of the Work, then Subcontractor shall be responsible for the cost of uncovering or removal and replacement of the Work to allow Contractor's inspection. Subcontractor shall correct all items noted as needing correction within forty-eight (48) hours of receipt of Contractor's notice. In the event Subcontractor's Work involves construction of a residential dwelling, Subcontractor shall correct all items noted as needing correction, including any items noted during homebuyer's orientation before the earlier of (i) close of homeowner's escrow, or (ii) forty-eight (48) hours of receipt of Contractor's notice.

1.5 PROGRESS. Subcontractor shall comply with the deadlines and schedules established in the Work Agreement and by Contractor, and shall prosecute the Work with diligence and with adequate labor, equipment and materials to satisfy Subcontractor's progress requirements and so as to not delay the work of other subcontractors. Subcontractor shall cooperate and coordinate its Work with all other subcontractors so as to avoid any delay or interferences. Subcontractor acknowledges and agrees that Contractor utilizes the Supply Pro® scheduling system for issuing start orders and scheduling Work for each homesite. Subcontractor agrees to subscribe to and utilize the Supply Pro® scheduling system to receive and respond to Work start orders, scheduling changes, and other modifications to the Work, and agrees to utilize Supply Pro® to notify the Contractor of Subcontractor's completion of assigned Work and to initiate requests for payment. All costs of subscribing to, utilizing, and maintaining Supply Pro for the Subcontractor shall be borne by Subcontractor. Subcontractor acknowledges that timely submission of requests for payment is a critical aspect of payment under the terms of this Agreement and is material consideration on Contractor's part in entering into this Agreement. Requests for payment submitted more than one hundred twenty (120) days after performance of the Work or delivery of materials would result in additional administrative costs for Contractor and substantial increased project costs.

1.5.1 As a result, Contractor and Subcontractor agree that payment for any and all invoices submitted more than one hundred twenty (120) days from the date of performance of the Work or delivery of materials shall, to the fullest extent permitted by

applicable law, be waived and Contractor shall have no obligation to make payment to Subcontractor therefor, and Subcontractor shall have no lien rights for the Work or materials for which payment was waived under this 120-day provision. Further, Subcontractor expressly agrees to indemnify and defend Contractor should a lien be filed on any property in connection with labor or materials, for which payment was waived under this 120-day provision, to the fullest extent permitted by applicable law.

1.5.2 This provision does not affect Subcontractor's rights, or the rights of any subcontractor providing labor or materials to timely seek full payment; restrict or limit the constitutional or statutory right to file and record liens or stop notices for non-payment; or take all steps reasonably necessary to preserve its lien and bond rights as permitted by law.

1.5.3 Subcontractor shall include notice of this requirement in each contract with its Sub-subcontractors and suppliers relating to the Work.

1.6 WORK OF OTHERS. Subcontractor shall be responsible for protecting its Work, and the work of other subcontractors or Contractor until final acceptance by Contractor. Subcontractor shall, without limitation, be fully responsible for the protection of all existing structures, materials, equipment, curbs, landscaping, flora, fauna and adjacent property. Subcontractor shall be responsible for inspecting the work of other subcontractors that may affect its own Work and shall immediately report to Contractor, in writing, any defects, discrepancies or problems which could adversely affect Subcontractor's work.

1.7 MATERIALS. Unless otherwise specifically stated in this Agreement or any Work Agreement, all goods or materials (i) are to be shipped F.O.B. Job Site and paid for by Subcontractor, and (ii) shall be used within seven (7) days of their receipt. Deliveries to and storage at the Project or Job Site are the sole risk and responsibility of the Subcontractor. Subcontractor shall be responsible for damage or loss to all material and equipment until final payment by Contractor. No materials will be paid for until properly installed. Title to the Work shall vest in Contractor upon performance; provided, however, the vesting of such title shall not impose any obligations on Contractor or relieve Subcontractor of any of its obligations hereunder. To the extent not prohibited by law, Subcontractor hereby waives any security interest or removeables rights it may have in goods or material to be supplied hereunder and waives its right to the remedies available for a buyer's breach as provided in the Uniform Commercial Code. On-site storage for materials is not provided unless otherwise set forth in a Work Agreement.

1.8 DELAYS AND DISRUPTIONS/WAIVER OF CONSEQUENTIAL DAMAGES. IN THE EVENT OF ANY DELAY, DISRUPTION, INTERFERENCE, STOPPAGE OR HINDRANCE IN COMMENCEMENT OR PROSECUTION OF THE WORK CAUSED BY ANY REASON WHATSOEVER ("WORK INTERRUPTIONS"), INCLUDING ANY WORK INTERRUPTIONS CAUSED IN WHOLE OR IN PART, OR ALLEGED TO HAVE BEEN CAUSED IN WHOLE OR IN PART, BY CONTRACTOR OR OTHER SUBCONTRACTORS, SUBCONTRACTOR, TO THE FULLEST EXTENT PERMITTED BY LAW, HEREBY WAIVES ANY DAMAGES CAUSED BY SUCH WORK INTERRUPTIONS. SUBCONTRACTOR'S SOLE AND EXCLUSIVE REMEDY FOR ANY WORK INTERRUPTIONS SHALL BE AN EXTENSION OF TIME TO PERFORM ITS WORK. TO THE FULLEST EXTENT PERMITTED BY LAW SUBCONTRACTOR SPECIFICALLY WAIVES ANY RIGHT TO RECOVER DIRECT, INDIRECT, CONSEQUENTIAL, IMPACT, OR OTHER COSTS, EXPENSES, OR DAMAGES, INCLUDING BUT NOT LIMITED TO DELAY DAMAGES, COSTS OF ACCELERATION, INEFFICIENCY, LOSS OF ORGANIZATION, LOSS OF PROFITS, JOB SITE OR HOME OFFICE OVERHEAD, LABOR OR MATERIAL ESCALATION, OR DETERIORATION OF MATERIALS, CAUSED BY ANY WORK INTERRUPTION. TO THE FULLEST EXTENT PERMITTED BY LAW SUBCONTRACTOR ALSO SPECIFICALLY WAIVES ANY RIGHT TO RECOVER INDIRECT OR CONSEQUENTIAL DAMAGES OF ANY TYPE AND NO MATTER THE CAUSE OF SUCH DAMAGES OR FAULT

ON THE PART OF CONTRACTOR OR ANY OTHER PERSON. NOTWITHSTANDING THE FOREGOING, THESE WAIVERS SHALL NOT PRECLUDE RECOVERY OF DAMAGES BY SUBCONTRACTOR FOR WORK INTERRUPTIONS CAUSED SOLELY BY FRAUD, BAD FAITH, OR ACTIVE INTERFERENCE ON THE PART OF CONTRACTOR.

2. **LABOR AND SUPERVISION:** Subcontractor shall maintain competent and sufficient supervision and employees on site during all times that Subcontractor is performing its Work. Subcontractor's superintendent shall be experienced, fully able to communicate with Contractor, trained, knowledgeable as to the Work, and shall have full authority to act for and bind Subcontractor. Subcontractor's superintendent shall be satisfactory to Contractor, and shall not be changed without Contractor's written consent. All communications or directions given to the Subcontractor's superintendent shall be as binding as if given to Subcontractor. Subcontractor shall enforce strict discipline and good order among its employees and Sub-subcontractors, and shall not employ any unfit or unskilled person. Subcontractor shall immediately remove and replace any person deemed unfit or unskilled by Contractor. Subcontractor shall maintain a list of all persons performing its Work on the Job Site and shall produce such list to Contractor upon request. Subcontractor shall perform criminal background checks of any person that will perform any portion of its Work, and Subcontractor shall not allow any registered sex offender or any person convicted of a felony or a misdemeanor involving theft, larceny, violence, sexual assault or any other crime of moral turpitude to work at the Project Site or Job Site. In performing such background checks, Subcontractor shall comply with all requirements of the Fair Credit Reporting Act and any other applicable laws and regulations.

3. **LEGAL COMPLIANCE:** Subcontractor and its Sub-subcontractors shall, at all times, comply with all applicable local, state, or federal statutes, ordinances, rules and regulations, and any amendments thereto, as well as those of any other public body having authority concerning the Work, including *without limitation*, the local and state building codes, FHA Minimum Property requirements, VA building code requirements, the Occupational Safety and Health Act of 1970, 29 U.S.C. §§ 651 et seq, the Immigration Reform and Control Act of 1986 ("IRCA"), the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 ("IIRAIRA"), the Immigration and Nationality Act ("INA"), all applicable equal employment opportunity laws and requirements promulgated by any governmental authority, including, without limitation, the requirements of Title VII of the 1964 Civil Rights Act, 42 United States Code, Section 1981, Executive Orders 11246, 11375 and 11478, the Age Discrimination in Employment Act, the Americans with Disabilities Act, and the Fair Labor Standards Act; all applicable local, state, or federal environmental laws and regulations including, without limitation, the Clean Air Act, 42 USC §§ 7401-7671; the Clean Water Act, 33 USC §§ 1251-1387; the Comprehensive Environmental Response Compensation and Liability Act (CERCLA), 42 USC §§ 9601-9675; the Solid Waste Disposal Act, 42 USC §§ 6901-6992, the Toxic Substances Control Act, 15 USC §§ 2601-2692; and the Endangered Species Act of 1973, 16 USC §§ 1531-544. Subcontractor is solely responsible, for itself and others acting by, through or under Subcontractor, for compliance with the requirements of this paragraph and the other obligations of this Agreement.

3.1 IMMIGRATION. With respect to its obligations herein or in any Work Agreement, Subcontractor specifically warrants and agrees it (i) shall not knowingly hire or continue to employ aliens not authorized to work in the United States, (ii) has and shall continue to verify the employment documentation specified in the Immigration Act, and (iii) has and shall properly complete and retain the U.S. Citizenship and Immigration Services' Form I-9 for all its employees covered by the Immigration Act. Accordingly and pursuant to the indemnity requirements of this Agreement, Subcontractor agrees to defend, indemnify and hold Contractor free and harmless from and against any claims or charges asserted or filed against and any judgments, fines, penalties and assessments entered against Contractor arising from or as the result of the employment or engagement of any person inconsistent with the foregoing promises or the laws of the United States. In addition, should Subcontractor fail to comply with this section, Contractor shall have the right to rescind this Agreement and/or declare Subcontractor in default under this Agreement and as a result Contractor will be entitled to all direct, indirect, consequential, impact, or other costs, expenses, or damages, including but not limited to costs, loss of organization, lost profits, or

attorneys' fees and/or paraprofessional fees arising out of or as a result of Subcontractor's breach of this section. Furthermore, at Contractor's sole discretion and as a monetary remedy for such breach, Contractor may, as liquidated damages and not as a penalty, withhold all or any portion of payments owed to Subcontractor for any work completed but unpaid prior to Subcontractor's breach.

3.2 PATENT AND COPYRIGHTS. Subcontractor shall assume all liability for all royalties, licenses, patent fees, and any other charges made in connection with the use of patented or copyrighted processes in connection with its Work.

3.3 ENVIRONMENTAL. Contractor has developed the Lennar Environmental Management System ("LEMS") as a company-wide environmental management system to provide guidance to Contractor's employees, Subcontractors, and Sub-subcontractors on how to comply with applicable environmental requirements at Contractor's job sites. By signing this Agreement, Subcontractor acknowledges that it is responsible for understanding and complying with the specific environmental requirements applicable to the Work as well as ensuring that the Work does not interfere with efforts by Contractor employees or other Subcontractors and/or Sub-subcontractors to comply with environmental requirements. If requested by Contractor, Subcontractor will attend a pre-construction meeting where Contractor will further explain the LEMS and the environmental requirements applicable to the Job Site; however Subcontractor remains independently responsible for understanding and complying with all applicable environmental requirements regardless of whether a pre-construction meeting is held.

Further, it is acknowledged and understood that prior to the initiation of the Work at each Job Site, Subcontractor will inspect the Job Site, observe the environmental conditions of the Job Site, and review Contractor's environmental plans and specifications, including Contractor's Stormwater Pollution Prevention Plan or equivalent ("SWPPP"), wetlands or endangered species limitations, and dust control plan, and any Spill Prevention and Control Countermeasure Plan, or its equivalent, if applicable, and that Subcontractor has notice and knowledge of the environmental conditions of the Job Site. If, during the course of its performance of the Work, Subcontractor discovers a previously unidentified environmental condition, Subcontractor shall immediately notify Contractor and shall not proceed with any Work that would disturb such environmental condition without Contractor's approval.

Subcontractor shall take care not to damage any Best Management Practices ("BMPs") or Control Measures, as defined below, by the Work, and in the event Subcontractor causes such damage it shall immediately report such damage to Contractor and take appropriate measures to remedy such damage. Without limiting any of its other rights or remedies provided elsewhere in this Agreement (including its right to defense and indemnification by Subcontractor), Contractor may offset from any payments due Subcontractor, or otherwise recoverable from Subcontractor: (i) the costs to repair or replace any BMPs or Control Measures damaged by Subcontractor; and (ii) the costs of all fines, fees, expenses and other penalties sought against or incurred by Contractor due to, in whole or in part, (a) Subcontractor's violation of the obligations herein, (b) Subcontractor's violation of the Water Quality Requirements or Air Quality Requirements, as defined below, including violations arising from damage to BMPs or Control Measures caused by Subcontractor, (c) Subcontractor's interference with the implementation of the Water Quality and Dust Control Requirements by Contractor or by any other party responsible for implementing the Water Quality or Dust Control Requirements, (d) spills, releases, or discharges of hazardous, toxic, or other substances caused by Subcontractor, (e) Subcontractor's failure to comply with the requirements of Section 3.3.1 of this Agreement regarding hazardous and toxic substances or (f) Subcontractor's failure to comply with the requirements of Section 3.3.2.1 of this Agreement regarding Spill Prevention, Control and Countermeasures for the Job Site or Project Site. Failure to satisfy the obligations in this paragraph shall be deemed a material default of this Agreement, and Contractor may, without prejudice to any other right or remedy, (i) withhold any payments to Subcontractor under this Agreement or otherwise until Subcontractor has remedied its failure,

and/or (ii) terminate this Agreement, withhold payments otherwise due Subcontractor under this Agreement or otherwise, and retain a separate Subcontractor to complete Subcontractor's obligations at Subcontractor's expense.

3.3.1 HAZARDOUS AND TOXIC SUBSTANCES. Prior to commencing the Work at a particular Job Site, Subcontractor shall identify in writing all hazardous or toxic substances, as those substances are defined in the applicable environmental laws, to be used in performing the Work by Subcontractor, and shall provide Material Safety Data Sheets ("MSDS") to Contractor for those substances. Contractor may hold any payments otherwise due Subcontractor until such documentation is supplied. Subcontractor shall immediately notify Contractor in writing of all hazardous or toxic substances discovered during the performance of the Work or otherwise brought to the job site which were omitted from any previous notification(s) and promptly provide the MSDS on those substances to Contractor. Subcontractor shall not allow any hazardous or toxic substances on the job site unless (i) necessarily required for the performance of its Work, and (ii) Subcontractor has previously provided Contractor with MSDS sheets for those substances.

Subcontractor shall immediately notify Contractor of any spill, release or discharge of any hazardous or toxic substance by itself or any other person. As to any spill, release or discharge of any hazardous or toxic substance which is caused by Subcontractor or any of its employees, agents, Sub-subcontractors, customers, or invitees, Subcontractor shall, at its sole expense, immediately take all reasonable, necessary and legally required actions to (i) prevent the further spread of any spill, release or discharge, and (ii) take immediate action to properly clean up the spill, release or discharge (including without limitation any soil or water contaminated by such spill, release or discharge) in full compliance with all applicable laws and regulations and any directions from Contractor.

3.3.2 WATER QUALITY COMPLIANCE. Subcontractor shall comply, and shall ensure compliance by those acting by, through or under Subcontractor, with all applicable requirements regarding discharges to surface water or groundwater ("Water Quality Requirements") at Contractor's Job Sites. Water Quality Requirements include, but are not limited to, Contractor's SWPPPs; stormwater permits, including the state construction general permit or federal construction general permit, whichever is applicable, and local stormwater permits; federal, state, and local stormwater rules, regulations, and ordinances, including requirements imposed by Municipal Separate Storm Sewer System entities; Clean Water Act Section 404 wetlands permits, regulations, and mitigation agreements; and streambed alteration agreements. Before beginning any Work at a particular Job Site, Subcontractor shall review applicable Water Quality Requirements, copies of which will be available at the Job Site or will be made available upon Subcontractor's request; however Subcontractor remains independently responsible for understanding and complying with Water Quality Requirements. If required by the Water Quality Requirements or requested by Contractor, Subcontractor shall sign and/or certify the SWPPP before beginning the Work. To the extent applicable to the Work, Subcontractor shall fully comply with and implement the SWPPP, including the BMPs described by the SWPPP. Subcontractor will ensure its workforce, including superintendent, leadspersons, and tradespersons, are trained in stormwater management practices and BMPs that apply to the Work. Subcontractor agrees to provide documentation of employee stormwater management training to Contractor upon request or if required in the SWPPP and to participate in Contractor's stormwater "tailgate" meetings and to document attendance on forms provided by Contractor. Subcontractor shall immediately notify Contractor of a regulatory inspection and any corrective action, notice of correction, notice of violation or any other type of regulatory enforcement action or notice whether written or verbal regardless of the nature or severity related to Water Quality compliance for the Job Site or Project Site.

3.3.2.1 SPILL PREVENTION CONTROL AND COUNTERMEASURES. Subcontractor shall comply with all federal, state, and local spill prevention control & countermeasure ("SPCC") statutes, ordinances, rules and regulations, and any amendments thereto, including, but not limited to, the SPCC regulations contained in 40 CFR Part 112 ("SPCC Regulations"), and all amendments thereto; federal, state and local fire codes; federal and state Occupational Health and Safety Acts (O.S.H.A.); the current LEMS SPCC Policy and Guidance Module; applicable Job Site and facility specific SPCC Plans (as defined below); and, SPCC Best Management Practices (BMPs) contained in the Job Site SWPPP, while Subcontractor is mobilized on the Job site or performing Work. Contractor shall make the LEMS SPCC Policy and Guidance Module available for Subcontractors review upon request. In the event there is a conflict between SPCC requirements contained in documents that apply to Subcontractor's Work, e.g. Fire Code, SPCC Plan or SWPPP, Subcontractor shall comply with the most stringent requirements that apply to Subcontractors Work.

Oil, for the purpose of this Section is defined by the SPCC Regulations, and includes, but is not limited to, petroleum, synthetic oils, gasoline, diesel, motor oil, hydraulic oil, waste oil, or grease. Subcontractor shall not mobilize any individual oil storage container with the oil storage capacity of 55 gallons or more onto the Job Site without an express written approval from Contractor. If Contractor has a SPCC Plan in effect for the Job Site, Subcontractor shall comply with Contractor's SPCC Plan in it's entirety. Contractor may request information from Subcontractor to include in a Contractor SPCC Plan, and Subcontractor agrees to provide the requested information to Contractor by the end of the fifth (5^{th}) day following Contractor's written request which may include, but is not limited to, any and all information concerning Subcontractors anticipated or actual oil storage capacity, the nature of the oil to be stored, the locations where the oil will be stored; an estimated inventory and oil storage capacity of containers with an oil storage capacity of 55 gallons or more; secondary containment practices for all oil storage containers, spill response and clean up procedures to be implemented by Subcontractor in the event of a spill, and, documentation of training of Subcontractor's workmen with SPCC responsibility. However, Subcontractor remains independently responsible for understanding and complying with the SPCC Regulations. At all times, Subcontractor shall supply workmen trained with the knowledge, expertise and experience to operate Subcontractor's oil storage facility, regardless of size or storage capacity, in accordance with all federal, state, and local regulations; the SWPPP; and, the SPCC Plan if applicable.

Subcontractor shall immediately notify Contractor of a regulatory inspection and any corrective action, notice of correction, notice of violation or any other type of regulatory enforcement action or notice whether written or verbal regardless of the nature or severity related to SPCC compliance for the Job Site and/or Subcontractor's Work.

3.3.3 AIR QUALITY COMPLIANCE. Subcontractor shall comply, and shall ensure compliance by those acting by, through or under Subcontractor, with federal, state, and local air quality and dust control rules, regulations, and ordinances and Contractor's site-specific dust control plans and/or permits, if applicable (collectively "Dust Control Requirements"). Before beginning any Work at a particular Job Site, Subcontractor shall review the applicable Dust Control Requirements, copies of which will be available at the Job Site or will be made available upon Subcontractor's request; however, Subcontractor remains independently responsible for understanding and complying with Dust Control Requirements. To the extent applicable to its work, Subcontractor shall fully comply with

and implement the control measures described by the Dust Control Requirements ("Control Measures"), including work practices such as controlling off-site vehicle track-out and using only designated points of ingress and egress at the Job Site. Subcontractor shall immediately notify Contractor if a regulatory inspection and any corrective action, notice of correction, notice of violation or any other type of regulatory enforcement action or notice whether written or verbal regardless of the nature or severity related to SPCC compliance for the Job Site or Project Site.

3.3.4 OTHER ENVIRONMENTAL REQUIREMENTS. The requirements in Sections 3.3.1, 3.3.2, 3.3.2.1 and 3.3.3 of this Agreement are not all-inclusive, and Contractor reserves the right to specify other environmental requirements with which Subcontractor shall comply.

3.4 SAFETY. Subcontractor is an independent contractor and shall be **solely responsible** for ensuring that its Work is performed in a safe manner. Nothing herein shall be deemed to be an exercise of control by Contractor of Subcontractor's safety obligations. Subcontractor shall take all reasonable and necessary safety precautions with regard to the Work, shall coordinate its safety precautions with other Subcontractors, Sub-subcontractors, and suppliers, shall comply with all safety requirements, laws, regulations, rules or ordinances of any authority (governmental or otherwise) responsible for the safety of persons or property. Subcontractor shall notify Contractor, both verbally and in writing, of all injuries to Subcontractor's employees within eight (8) hours of the injury. Failure to adhere to Contractor's safety policies, the safety requirements of this Agreement, or the job rules shall be deemed a material default of Subcontractor's obligations. Subcontractor agrees to comply with all health and safety programs, as well as any rules promulgated by Contractor, in furtherance of Subcontractor duties under the Occupational Safety and Health Act. If in the opinion of Contractor the health and safety of any person or persons is endangered or appropriate safety measures are not being implemented, Contractor may (but is not required to) take such action as it deems necessary and appropriate, including without limitation, the following: (i) stop Subcontractor's Work or require Subcontractor to immediately remedy any unsafe condition caused by the Subcontractor at its own expense; (ii) shut the Project Site or Job Site down, in whole or in part, until any unsafe condition is remedied; (iii) remedy any unsafe condition caused by Subcontractor at Subcontractor's sole expense; (iv) terminate this Agreement and hold Subcontractor fully liable for any losses incurred by Contractor as a result of the Subcontractor-caused unsafe condition and such termination; (v) recover against Subcontractor all fines or penalties assessed by any authority (governmental or otherwise) and caused by or alleged to have been caused by Subcontractor and/or (vi) Assess safety violation penalties of up to $200 for each violation of jobsite safety rules or governmental safety laws, regulations, rules or ordinances. Contractor may backcharge or separately invoice the Subcontractor for such safety violation penalties.

4. **JOB RULES:** Subcontractor is solely responsible for complying with and ensuring compliance by its employees and its Sub-subcontractors with (i) Contractor's Code of Safe Practices, (ii) other Contractor policies concerning safety, reasonable restrictions on use and access to the Job Site by unauthorized personnel, and (iii) the other rules and policies concerning Subcontractor's work and as set forth in the "Job Rules" (attached hereto as Schedule "C"). Upon failure to so comply, Contractor may, in addition to the other remedies herein, stop Subcontractor's Work and/or terminate this Agreement.

5. **LIENS AND BOND CLAIMS:** Subcontractor shall keep the Work and the real property being improved by Subcontractor free and clear of any liens, stop notices, fund trapping notices, or bond claims of any kind whatsoever (collectively "Lien or Bond Claims"), to the extent such Lien or Bond Claims (a) relate to Subcontractor's Work, or (b) are for any monies due or allegedly due (i) Subcontractor or any Sub-subcontractor, (ii) any factoring company, lender (secured or unsecured), or (iii) any other entity claiming by, through, or under Subcontractor or any Sub-subcontractor (collectively the "Lien Claimants"). In the event a Lien or Bond Claim is filed or threatened to be filed by any Lien Claimant, Subcontractor shall, at Contractor's sole election, immediately (i) settle and resolve such claim and obtain a full waiver

and release of the Lien or Bond Claim from the Lien Claimant, or (ii) provide a statutory bond acceptable to Contractor that will bond around or discharge such Lien or Bond Claim. Should Subcontractor fail to do so, Contractor may, without additional notice to Subcontractor, (i) settle, bond or discharge the lien or bond claim in any manner Contractor deems appropriate, and charge the costs thereof (including payment of the lien, stop notice or fund trapping notice, or bond claim amount, premiums for bonds, overhead, costs, and reasonable attorneys' fees and paraprofessional fees) to Subcontractor, and/or (ii) withhold further payments to Subcontractor under this Agreement or otherwise until Subcontractor has complied with its obligations herein. Contractor's obligation to pay such costs is not limited to any monies, if any, then due or to become due Subcontractor under any contract between Contractor and Subcontractor. Subcontractor has not and shall not assign any right or claim for payment from Contractor or any right to perfect a lien against the Work or real property to any third person. Any assignment or attempted assignment shall be unenforceable against Contractor, and shall be deemed a material default of this Agreement. Subcontractor shall include substantially identical language to this Section 5 in all subcontracts of any Sub-subcontractor, and shall also require that all Sub-subcontractors shall waive and release all liens and claims to liens as a condition to their receiving payment.

5.1 At Contractor's request, Subcontractor shall provide the following to Contractor: (i) proof of payment for labor, equipment or material or equipment supplied for the Work or any other obligation for payment arising from the Work; and (ii) an affidavit stating that every Sub-subcontractor has been paid in full up to and including the date of any payment application, along with the names of any such person or entity who has not been paid in full and the amount due each. If Contractor believes that Subcontractor's financial circumstances will affect Subcontractor's performance of its obligations herein, Contractor may take any other precautionary action it deems reasonably necessary to protect its interests including, without limitation, (i) the right to request additional financial assurances from Subcontractor, (ii) the right to require Subcontractor to post, at Subcontractor's cost, a payment bond, (iii) the right to withhold all or any portion of payments due Subcontractor, or (iv) the right to make payments jointly to Subcontractor and any person claiming monies from Subcontractor or any Sub-subcontractor.

5.2 CONDITIONAL/UNCONDITIONAL LIEN WAIVERS. As a condition precedent to receiving each and any payment for Work as described in Section 12 hereof, Subcontractor and, if applicable, each of its Sub-Subcontractors and suppliers shall execute and furnish to Contractor a Conditional Lien Waiver and Release in substantially the form of "Conditional Waiver and Release Upon Final Payment" (attached hereto as Schedule "B-1") acknowledging receipt of such payment to the extent payment is actually received. Subsequent to receiving payment, Subcontractor and if applicable, each of its Sub-subcontractors and suppliers shall execute and provide to Contractor an Unconditional Lien Waiver and Release in substantially the form of "Unconditional Waiver and Release Upon Final Payment" (attached hereto as Schedule "B-2") acknowledging receipt of all payments due with respect to such Work. Subcontractor agrees that, in lieu of preparing or providing lien waivers for each property for which Work was provided and/or materials were supplied, one lien waiver referencing payment for multiple addresses shall have the same force and effect as multiple lien waivers. Subcontractor shall include this one-waiver-for-multiple-addresses agreement in each contract with its Sub-subcontractors and suppliers relating to the Work. The lien waivers required to be delivered to Contractor by Subcontractor under this Agreement may be photocopies or facsimile copies, and Subcontractor hereby acknowledges that should it provide a photocopy or facsimile of a lien waiver on behalf of itself or one of its Sub-subcontractors or suppliers, such photocopy or facsimile shall have the same legal force and effect as an original lien waiver. Subcontractor shall also comply with all procedural requirements of laws of the state that govern this Agreement with respect to the enforceability of such lien waivers. Regardless of this section, Subcontractor agrees to provide Contractor with labor, materials and supplies that are free and clear of any debt or lien against the labor, materials or supplies and, in addition to any other indemnification obligations under this Agreement, Subcontractor shall indemnify, defend, and hold Contractor harmless from and

against any claim, loss, cost or expense relating to any debts or liens against the Property relating to the Work. Subcontractor shall include such requirements in each contract with its Sub-subcontractors and suppliers relating to the Work.

6. **CONTRACTOR'S EQUIPMENT:** Should Subcontractor or any Sub-subcontractor use equipment, scaffolding or other facilities of Contractor or another subcontractor, it is understood and agreed that (i) Subcontractor and Sub-subcontractor shall fully inspect and become familiar with the proper and safe use of such equipment, scaffolding or facilities, (ii) Subcontractor and Sub-subcontractor shall properly train and supervise their employees, Sub-subcontractors and suppliers in the proper and safe use of such equipment, scaffolding and facilities, and (iii) Subcontractor's or Sub-subcontractor's use of such equipment, scaffolding or facilities shall be at their sole risk. Subcontractor and Sub-subcontractor waive all claims and liability of any type or nature against Contractor and the owners or lessors of such equipment, scaffolding or other facilities, assumes the full risk of the operation thereof, and assumes full responsibility for any and all loss, cost, expense (including all attorneys' fees and paraprofessional fees), damage, or injury arising therefrom.

7. **SECURITY:** Subcontractor shall be solely responsible for providing security for the Work, tools, equipment, materials or other property. Regardless of whether Contractor provides security at the Project Site, Contractor shall not be responsible for theft, vandalism or loss to any of Subcontractor's or Sub-subcontractor's work, tools, equipment, materials or other property.

8. **CLEAN UP:** Subcontractor shall maintain a tidy Job Site and Community and clean up and haul away all debris, rubbish, hazardous or toxic discharges and surplus materials ("Construction Debris") on a daily basis and properly dispose of such Construction Debris in an authorized trash bin or at a licensed or certified landfill. In addition, Subcontractor will leave the Job Site, subject property and, if applicable, the building premise(s) clean and in good order. These obligations are in addition to Subcontractor's obligations under any other section of this Agreement. If, after twenty-four (24) hours' notice by Contractor's representative to Subcontractor's representative, Subcontractor has not diligently proceeded with the clean-up as outlined in this Section 8, then Contractor shall have the right to proceed with the clean-up at Subcontractor's expense.

9. **INSURANCE:** Before starting the Work, Subcontractor shall procure and maintain at its own expense the insurance set forth in the "Insurance Requirements" attached hereto as Schedule "F", which requirements are incorporated by this reference as though set forth in full herein, including, without limitation and if applicable, the "OCIP Addendum", if attached hereto. To the extent that the "Insurance Requirements" are added to or amended by any Work Agreement, such requirements are incorporated by this reference as though set forth in full herein.

10. **EXPRESS WARRANTIES:** Subcontractor, expressly warrants to Contractor, Contractor's customers, or any subsequent owner of a structure constructed by Contractor (collectively "Warranty Beneficiaries"), that its Work shall be performed in a good and workmanlike manner, free from defects in workmanship or materials, and in strict accordance with (i) the plans and specifications, (ii) any applicable manufacturer's specifications, recommendations or requirements, and (iii) all applicable industry standards, codes, or other rules or regulations applicable to the performance of the Work. This warranty section is in addition to warranties provided by law. Any portion of Subcontractor's Work not complying with the foregoing shall be considered defective. Subcontractor shall also require each of its Sub-subcontractors to give to Contractor the same warranty regarding the Sub-subcontractor's work. Subcontractor shall, within two (2) working days of notification by Contractor, repair or replace any defective Work unless the warranty work could not reasonably be performed within such time period, in which event the warranty work shall be performed as quickly as reasonably possible. In the event of an emergency (as determined by Contractor), the Subcontractor shall perform its warranty work within eight (8) hours. In addition, a seven (7) day-a-week and a twenty-four (24) hour on-call emergency service must be provided by Subcontractor and any Sub-subcontractor providing roofing, plumbing, electrical and/or HVAC work.

10.1. Extended Warranties. In addition to the foregoing warranties, Subcontractor shall also, (a) for a period of twelve (12) months from (i) the *date of close of escrow* between Contractor and its homebuyers for Work associated with a structure or associated site work intended to be used primarily for residential purposes, or (ii) final completion of the Work for all other types of Work, repair or replace any defective Work, and perform Contractor's obligations under any applicable warranty insurance programs (the "One Year Warranty"); (b) for a period of twenty-four (24) months from the (i) the date of close of escrow between Contractor and its homebuyers for Work associated with a structure or associated site work intended to be used primarily for residential purposes, or (ii) final completion of the Work for all other types of Work, repair or replace any defective Work associated with any heating, cooling, mechanical and electrical systems (the "Systems") installed by Subcontractor, and perform Contractor's Systems obligations under any applicable warranty insurance programs (the "Two Year Warranty"); and (c) for a period of one - hundred twenty (120) months from (i) the date of close of escrow between Contractor and its homebuyers for Work associated with a structure or associated site work intended to be used primarily for residential purposes, or (ii) final completion of the Work for all other types of Work, repair or replace any defective Work, associated with structural damage, and perform Contractor's obligations under any applicable warranty insurance programs (the "Ten Year Warranty"). The foregoing obligations exist so long as the defect(s) arose or existed during the relevant extended warranty periods, and even if such defects were not observed until after the expiration of the extended warranty period. Should Contractor perform any of Subcontractor's warranty work (extended or otherwise), Subcontractor shall reimburse Contractor for the cost of repairing or replacing such defective Work. Notwithstanding anything to the contrary herein, should any state or federal law impose a warranty, express or implied, or any other obligation to repair, replace or pay for defective work arising from Subcontractor's Work that is longer than the time period set forth in this paragraph, Subcontractor's warranty obligation period shall be deemed to extend for the duration of the applicable state or federal law.

10.2 Manufacturer's Warranties. Prior to the earlier of completion of Work or upon the termination of this Agreement, Subcontractor shall provide Contractor with any and all applicable manufacturer's warranties on equipment, materials or appliances furnished pursuant to this Agreement. Subcontractor shall fully cooperate with Contractor in making any claim on any manufacturer's warranty.

11. EXTRA WORK/CHANGES: NO EXTRA WORK OR CHANGES TO THE WORK SHALL BE PERFORMED BY SUBCONTRACTOR OR PAID FOR BY CONTRACTOR UNLESS SUCH EXTRA WORK OR CHANGE TO THE WORK HAS BEEN AUTHORIZED IN WRITING BY CONTRACTOR AND AGREED TO BY SUBCONTRACTOR PRIOR TO PERFORMANCE THEREOF. ALL EXTRA WORK OR CHANGE TO THE WORK (EACH, A "CHANGE ORDER") MAY BE REQUESTED AND SCHEDULED BY CONTRACTOR UTILIZING THE SUPPLY PRO® SCHEDULING SYSTEM. ANY CHANGE ORDER ISSUED BY CONTRACTOR UTILIZING THE SUPPLY PRO® SYSTEM SHALL BE CONSIDERED APPROVED IN WRITING BY CONTRACTOR. THE SUBCONTRACTOR'S ACKNOWLEDGEMENT OF THE CHANGE ORDER IN SUPPLY PRO® SHALL CONSTITUTE SUBCONTRACTOR'S AGREEMENT TO THE TERMS (INCLUDING, WITHOUT LIMITATION, THE SCHEDULE FOR PERFORMANCE AND COMPENSATION) SET FORTH IN SUCH CHANGE ORDER.

IN ADDITION TO ISSUING CHANGE ORDERS VIA THE SUPPLY PRO® SCHEDULING SYSTEM, THE CONTRACTOR MAY ISSUE WRITTEN CHANGE ORDERS EXECUTED BY AN OFFICER OF CONTRACTOR TO THE SUBCONTRACTOR VIA FACSIMILE, EMAIL, MAIL, OR BY HAND. SUCH CHANGE ORDERS SHALL NOT BE EFFECTIVE UNTIL EXECUTED BY THE SUBCONTRACTOR AND RETURNED TO CONTRACTOR. UPON EXECUTION OF SUCH CHANGE ORDERS BY CONTRACTOR AND SUBCONTRACTOR, CONTRACTOR SHALL ISSUE A START ORDER FOR THE WORK INCLUDED WITHIN SUCH CHANGE ORDER. FAILURE OF SUBCONTRACTOR TO EXECUTE AND RETURN TO CONTRACTOR ANY SUCH CHANGE ORDER WITHIN TWENTY-FOUR (24) HOURS AFTER RECEIPT THEREOF SHALL CONSTITUTE SUBCONTRACTOR'S DISAPPROVAL OF SUCH CHANGE ORDER, AND, IN SUCH EVENT, WITHOUT FURTHER WRITTEN NOTICE FROM

CONTRACTOR, SUBCONTRACTOR SHALL NOT COMMENCE THE WORK SET FORTH IN THE CHANGE ORDER.

12. PAYMENT: The price for the Work and additional terms for payment shall be set forth in the Work Agreement. Contractor has no obligation to pay Subcontractor for any Work performed prior to execution of a written Work Agreement which specifically covers such Work. No payment shall be due unless Subcontractor has otherwise satisfied all obligations set forth in this Agreement.

12.1 Payment shall be made in accordance with Contractor's standard practices. Payment will only be considered for Work properly performed, and inspected and accepted by Contractor through Supply Pro® as of the date of the payment request. As a condition precedent to any payment, Subcontractor shall (i) submit a notice of completion and request for payment to the Contractor using Supply Pro®, and (ii) deliver executed lien waivers and releases in accordance with Section 5.2, and (iii) submit all other documentation reasonably required by Contractor to establish Subcontractor's entitlement to funds. No payment shall be deemed to constitute acceptance by Contractor of any defective or unacceptable Work.

12.2 All payments to Subcontractor are trust funds and shall first be used for the full payment of all Sub-subcontractors and suppliers. Subcontractor shall ensure that all Sub-subcontractors and suppliers are at all times fully and timely paid all amounts due in connection with the Work. Subcontractor shall immediately notify Contractor of any claims or disputes involving any Sub-subcontractor or supplier. When Contractor learns of any claim or dispute, Contractor may (i) withhold payments otherwise due Subcontractor until the claim or dispute is resolved to Contractor's satisfaction, (ii) issue joint checks to Subcontractor and any claimant, or (iii) deposit any disputed funds into the registry of a court of law. Subcontractor shall reimburse Contractor for any costs incurred by Contractor as a result of such claims or disputes. Should any dispute arise after payment by Contractor, Subcontractor shall immediately deposit any payments made relating to such labor or material into an interest-bearing account and shall only use this money to resolve such claims or disputes.

12.3 Contractor may, but is not required to, withhold retainage from each payment as provided by applicable law, and shall release such retainage when (i) Subcontractor has fully performed its obligations herein (save and except future extended warranty obligations), (ii) Subcontractor has provided final lien releases and waivers (conditioned only upon receipt of the retainage) from itself and all Sub-subcontractors and suppliers, and (iii) the legal time period for holding such retainage has expired. In the absence of any legally required amount, the maximum retainage shall equal ten (10%) percent of each payment.

12.4 Contractor may, at its option, issue, file, and/or record with the appropriate regulating agency, a Notice of Completion. By issuing, filing, and/or recording the notice of completion, Contractor does not release the Subcontractor from any of Subcontractor's obligations under this Agreement and/or any Work Agreement issued hereunder. Without limiting the generality of the foregoing, in no event shall the issuance, filing, and/or recordation of a notice of completion be deemed to commence any warranty obligations with respect to the Work performed by Subcontractor, as such warranty obligations are set forth in this Agreement.

13. REMEDIES AND TERMINATION: In addition to and without limiting Contractor's other remedies set forth herein or as otherwise provided by law, Contractor shall have the following rights:

13.1 If Subcontractor shall file for or be adjudged bankrupt, or if it should make a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of its insolvency, or if Subcontractor should persistently or repeatedly refuse or should fail, in the reasonable opinion of Contractor, to supply enough properly skilled workmen or proper materials or make delivery of materials as required, or if such materialmen or laborers for material supplied or Work performed disregard laws, ordinances, job rules, or instructions, or if Subcontractor fails

to make prompt and proper payment for labor, materials, equipment or services provided by, through or under Subcontractor, or if Subcontractor fails to remedy defective Work or fails to perform warranty services or repairs within the time periods set forth in this Agreement, or should Subcontractor cause damage to the work of another subcontractor and/or Sub-subcontractor, or if Contractor is fined by any governmental agency on account of or arising out of the violation by Subcontractor or any Sub-subcontractor of any law, or should Subcontractor fail in Contractor's sole judgment to prosecute its Work diligently and promptly, or if Subcontractor otherwise breaches any of its obligations in this Agreement or any of its other agreements with the Contractor division for which Subcontractor is performing the Work herein, or if Contractor has a reasonable basis to believe that Subcontractor will not be able to properly perform all of its obligations in this Agreement or under any Work Agreement, Contractor may, without prejudice to any other right or remedy in this Agreement or any law and after giving Subcontractor forty-eight (48) hours' written notice, (i) terminate this Agreement and take possession of Subcontractor's materials, tools, equipment and appliances thereon and finish the Work by whatever method it may deem expedient in its sole discretion, (ii) withhold payment otherwise due Subcontractor until the Work is completed and accepted, or until defective Work is remedied, or until warranty services are properly performed, or until such breach has been remedied, (iii) stop the Work until such breach has been cured to Contractor's satisfaction, and/or (iv) furnish or cause to be furnished additional labor or materials at Subcontractor's expense. If the costs of completing the Work, furnishing additional labor or materials, or remedying Subcontractor's breach do not exceed the unpaid balance under the applicable Work Agreement(s), and if Subcontractor is otherwise entitled to receive payment, Contractor shall pay the difference (less a reasonable sum to ensure Subcontractor's performance of any remaining warranty obligations) to Subcontractor upon completion of the Work. If such expenses of completing the Work or remedying Subcontractor's breach exceed the unpaid balance under the applicable Work Agreement(s), Contractor may offset the difference against any amounts due Subcontractor under this Agreement or other Work Agreement, contract, or other agreement. Upon demand, Subcontractor shall pay the difference to Contractor plus any and all costs, expenses, and attorneys' fees and paraprofessional fees incurred by Contractor in enforcing or performing any of Subcontractor's obligations under this Agreement.

13.2 Contractor shall also have the right to terminate this Agreement or any Work Agreements or portions thereof issued to Subcontractor without cause and for Contractor's convenience. In such event, Subcontractor shall be paid only for that Work actually performed as of the date of termination, and Subcontractor waives recovery for any other costs or damages, direct or consequential including without limitation prospective profits, on Work not performed.

13.3 Should Subcontractor breach any of its obligations in this Agreement, Contractor shall be entitled to recover against Subcontractor any reasonable and necessary attorneys' fees and paraprofessional fees, costs and expenses incurred by Contractor in pursuing claims against Subcontractor.

14. <u>DEFENSE AND INDEMNITY:</u> **TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, AND IN CONSIDERATION OF THE SUM OF ONE HUNDRED DOLLARS ($100.00), WHICH SUM IS INCLUDED IN THE PRICE(S) ESTABLISHED UNDER THE WORK AGREEMENT(S), THE ADEQUACY AND RECEIPT OF WHICH IS HEREBY ACKNOWLEDGED, SUBCONTRACTOR HEREBY AGREES TO UNCONDITIONALLY DEFEND, INDEMNIFY AND HOLD HARMLESS CONTRACTOR, ITS PARENT, AFFILIATES, SUBSIDIARIES, PARTNERS, JOINT VENTURERS, OFFICERS, DIRECTORS, SHAREHOLDERS, AGENTS, EMPLOYEES, INSURERS, SURETIES, ANY OWNER OF REAL PROPERTY IMPROVED OR ALLEGED TO HAVE BEEN IMPROVED BY THE SUBCONTRACTOR, OR ANY OF THEM (COLLECTIVELY "INDEMNITEES") AGAINST ANY AND ALL CIVIL OR CRIMINAL LIABILITIES, COSTS, EXPENSES, CLAIMS, DEMANDS, CAUSES OF ACTION, LIEN CLAIMS, THREATS OF LIENS, STOP NOTICES, FUND TRAPPING NOTICES, BOND CLAIMS, PENALTIES, FINES, CITATIONS, LOSSES, AND DAMAGES (INCLUDING COURT COSTS, ATTORNEYS' FEES AND PARAPROFESSIONAL FEES, AND COSTS OF INVESTIGATION), OF ANY**

NATURE, KIND, OR DESCRIPTION, ARISING OUT OF, IN CONNECTION WITH, CAUSED BY, ALLEGED TO HAVE BEEN CAUSED BY, OR RESULTING FROM, DIRECTLY OR INDIRECTLY, IN WHOLE OR IN PART, (1) THE WORK, LABOR, MATERIALS, EQUIPMENT OR SERVICES PERFORMED OR SUPPLIED OR ALLEGED TO HAVE BEEN PERFORMED OR SUPPLIED BY SUBCONTRACTOR OR ANY OF ITS SUB-SUBCONTRACTORS, (2) ANY ACT OR OMISSION OF SUBCONTRACTOR OR ANY OF ITS SUB-SUBCONTRACTORS, OR (3) ANY ACT OR OMISSION OF CONTRACTOR OR CONTRACTOR'S OTHER SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR SUPPLIERS OR ANY OF THEIR EMPLOYEES, AGENTS, INVITEES OR ANY PERSON ACTING BY, THROUGH OR UNDER CONTRACTOR OR CONTRACTOR'S OTHER SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR SUPPLIERS (COLLECTIVELY "LIABILITIES"). THE OBLIGATIONS OF SUBCONTRACTOR UNDER THIS INDEMNIFICATION SHALL APPLY TO LIABILITIES EVEN IF SUCH LIABILITIES ARISE FROM OR ARE ATTRIBUTED TO THE CONCURRENT NEGLIGENCE OF ANY INDEMNITEE. NOTWITHSTANDING THE FOREGOING, SUBCONTRACTOR SHALL NOT BE OBLIGATED UNDER THIS AGREEMENT TO INDEMNIFY THE INDEMNITEES TO THE EXTENT SUCH LIABILITIES RESULT FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF ANY INDEMNITEE. SUBCONTRACTOR SHALL, AT ITS EXPENSE, ASSUME THE DEFENSE OF THE INDEMNITEES, OR ANY OF THEM, AND SHALL CONDUCT SUCH DEFENSE WITH DUE DILIGENCE AND IN GOOD FAITH WITH COUNSEL SATISFACTORY TO CONTRACTOR. SHOULD SUBCONTRACTOR BREACH ITS DEFENSE AND INDEMNITY OBLIGATIONS, CONTRACTOR MAY, AND WITHOUT RELIEVING SUBCONTRACTOR OF ITS INDEMNITY OBLIGATIONS, ASSUME ANY DEFENSE OBLIGATION AND TRY OR SETTLE SUCH CLAIM, AND SUBCONTRACTOR (1) SHALL REIMBURSE CONTRACTOR FOR ALL COSTS AND EXPENSES INCURRED OR PAID BY ANY INDEMNITEE IN THE DEFENSE, SETTLEMENT, TRIAL, MEDIATION OR ARBITRATION, AND (2) PAY ANY JUDGMENT OR AWARD OBTAINED AGAINST THE INDEMNITEES OR ANY OF THEM. NEITHER THE INDEMNITY OBLIGATIONS UNDER THIS SECTION, NOR ANY COMMON LAW AND/OR STATUTORY CONTRIBUTION RIGHTS OR OTHER RIGHTS OF CONTRACTOR OR ANY INDEMNITEE, SHALL BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGE, COMPENSATION, OR BENEFITS PAYABLE BY OR FOR THE SUBCONTRACTOR OR CONTRACTOR UNDER INSURANCE POLICIES, WORKERS' COMPENSATION ACTS, DISABILITY BENEFIT ACTS, OR OTHER EMPLOYEE BENEFIT ACTS. THIS PROVISION IS SEPARATE AND DISTINCT FROM, AND IN ADDITION TO, ANY OTHER PROVISION OR SECTION IN THIS AGREEMENT, INCLUDING ANY PROVISION OR SECTION CONCERNING INDEMNIFICATION AND PROCUREMENT OF INSURANCE. IT IS SPECIFICALLY AGREED WITH RESPECT TO ANY LEGAL LIMITATIONS NOW OR HEREAFTER IN EFFECT AND AFFECTING THE VALIDITY OR ENFORCEABILITY OF THE INDEMNIFICATION OBLIGATION UNDER THIS SECTION, THAT SUCH LEGAL LIMITATIONS ARE MADE A PART OF THE INDEMNIFICATION OBLIGATION AND SHALL OPERATE TO AMEND THE INDEMNIFICATION OBLIGATION TO THE MINIMUM EXTENT NECESSARY TO BRING THE PROVISION INTO CONFORMITY WITH THE REQUIREMENTS OF SUCH LIMITATIONS, AND AS SO MODIFIED, THE INDEMNIFICATION OBLIGATION SHALL CONTINUE IN FULL FORCE AND EFFECT, EVEN AFTER COMPLETION OF THE WORK OR TERMINATION OF THIS AGREEMENT. EXCEPT AS EXPRESSLY PROVIDED OTHERWISE, IT IS THE SPECIFIC INTENT OF THIS INDEMNITY THAT THE SUBCONTRACTOR IS INDEMNIFYING THE INDEMNITEES FROM ACTS OF NEGLIGENCE OF INDEMNITEES.

In any and all claims against Contractor hereunder by any employee of Subcontractor or any employee of any other person or entity acting by, through or under Subcontractor or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this Paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Subcontractor or any Sub-subcontractor or supplier under workers' or workmen's compensation acts, disability acts or other employee benefit acts, and Subcontractor expressly waives any right it may have to assert such limitation. Subcontractor expressly waives any right of subrogation that it or its insurers may have against the Indemnitees or any of them. In addition, in no event shall Subcontractor's obligations hereunder be limited to the extent of any insurance available to or provided by Subcontractor. The indemnity obligations in this Agreement shall not be

limited by the insurance required to be provided by Subcontractor pursuant to this Agreement; nor shall the insurance requirements of this Agreement be limited by the indemnity obligations of this Agreement.

15. ARBITRATION: IF ANY CLAIM OR CONTROVERSY THAT ARISES OUT OF OR RELATES TO, DIRECTLY OR INDIRECTLY, THIS AGREEMENT OR ANY DEALINGS BETWEEN THE PARTIES CANNOT BE SETTLED BY THE PARTIES WITHIN SIXTY (60) DAYS AFTER CONTRACTOR IS FIRST PROVIDED WRITTEN NOTICE OF THE CLAIM OR CONTROVERSY BY SUBCONTRACTOR, THE PARTIES AGREE TO FIRST TRY IN GOOD FAITH TO SETTLE THE DISPUTE BY MEDIATION PURSUANT TO THE CONSTRUCTION INDUSTRY MEDIATION RULES OF THE AMERICAN ARBITRATION ASSOCIATION. IF THE CLAIM OR CONTROVERSY IS NOT SETTLED BY MEDIATION, THE CLAIM OR CONTROVERSY SHALL BE RESOLVED BY FINAL AND BINDING ARBITRATION PURSUANT TO THE CONSTRUCTION INDUSTRY ARBITRATION RULES OF THE AMERICAN ARBITRATION ASSOCIATION, AND JUDGMENT UPON THE AWARD RENDERED BY THE ARBITRATOR(S) MAY BE ENTERED IN ANY COURT HAVING JURISDICTION THEREOF. SHOULD A CLAIM OR CONTROVERSY ARISE BETWEEN CONTRACTOR AND A BUYER OF A RESIDENCE REGARDING MATERIALS SUPPLIED OR WORK PERFORMED BY OR THROUGH SUBCONTRACTOR, SUBCONTRACTOR AGREES TO PARTICIPATE AS A PARTY IN, AND BE BOUND BY, ANY MEDIATION AND ARBITRATION PROCEEDINGS BETWEEN CONTRACTOR AND THE BUYER. SUBCONTRACTOR SHALL INCORPORATE PROVISIONS IN ALL AGREEMENTS WITH ITS LOWER TIER SUBCONTRACTORS EXECUTED BY SUBCONTRACTOR WITH RESPECT TO THE WORK REQUIRING ANY AFFECTED LOWER TIER SUBCONTRACTOR TO PARTICIPATE IN, AND BE BOUND BY, SUCH ARBITRATION. NOTWITHSTANDING THE FOREGOING, IN THE EVENT CONTRACTOR IS NAMED IN A LAWSUIT OR OTHER ACTION BROUGHT BY ANY THIRD PARTY (INCLUDING ANY INDIVIDUAL CLAIMING TO BE AN EMPLOYEE OF SUBCONTRACTOR) AND CONTRACTOR IS UNABLE TO COMPEL BINDING ARBITRATION OF SUCH LAWSUIT OR ACTION, THEN CONTRACTOR SHALL HAVE THE RIGHT, BUT NOT THE OBLIGATION, TO BRING A THIRD PARTY ACTION AGAINST SUBCONTRACTOR IN WHATEVER FORUM THE UNDERLYING LAWSUIT OR ACTION IS PENDING.

16. INDEPENDENT CONTRACTOR/AUTHORITY: Subcontractor is acting as an independent contractor and not a partner or joint venture of Contractor. Contractor is solely responsible for the employment, acts, errors, omissions, control and direction of its employees, agents, and Sub-subcontractors. Nothing contained in this Agreement shall authorize or empower Subcontractor to assume or create any responsibility whatsoever, express or implied, on behalf of or in the name of Contractor, or to bind Contractor in any manner, or make representation, warranty, or commitment on behalf of Contractor, or purchase materials or otherwise incur debts in Contractor's name.

17. CONTRACTOR REGULATION: To the extent required by law, Subcontractor warrants that it is licensed to perform the Work under the applicable Work Agreement(s). Subcontractor shall maintain all required permits and licenses in good standing at all times.

18. CUSTOMER APPRECIATION GIFTS OR EVENTS: Contractor periodically gives its Subcontractors and Subcontractors' employees customary and nominal tokens of its appreciation, such as logo and non-logo apparel, rounds of golf, spa days, meals, materials and other "customer appreciation" gifts or outings. Subcontractor acknowledges and agrees that this is customary in the industry and does not constitute an attempt to improperly influence Subcontractor or Subcontractor's employees and does not and will not give rise to any claims for civil or criminal misconduct. Contractor fully understands that as a consequence of accepting any tokens of appreciation from Contractor, Subcontractor or Subcontractor's employees will be under no obligation to Contractor other than those contained in this Agreement. In order to ensure that Subcontractor is aware of this practice, Subcontractor expressly agrees that Contractor may, *at Contractor's sole discretion, without any obligation on the part of Contractor and without further notice to Subcontractor*, provide similar tokens of appreciation to Subcontractor or Subcontractor's employees without the need to obtain additional written or verbal consent from Subcontractor.

19. NO GIFTS: Neither Subcontractor nor any partner, director, employee, or agent of Subcontractor shall, without specific written authorization of Contractor, give to or receive from any person or entity, including without limitation, any officer or employee of any governmental or quasi-governmental agency, department, or instrumentality, any commission, fee, rebate, gift or loan of significant cost or value in connection with or as a result of Subcontractor's Work provided hereunder (excluding Gifts from Contractor pursuant to Section 18), to influence any decision, or to gain any other advantage for Contractor or Subcontractor. Subcontractor shall not (a) enter into any business arrangement with any partner or employee of Contractor, or any affiliate of same other than one acting in a capacity as a representative of Contractor or such affiliate in accordance with this Agreement and with the prior written approval of Contractor or (b) engage in any employment or enter into any contract or agreement that conflicts with Subcontractor's obligations under this Agreement. In the event of a violation of this Section, Subcontractor shall pay to Contractor any and all amounts received by Subcontractor or any other individual or entity described above, however, such payment shall not limit, or operate as a waiver of, any other legal or equitable rights which Contractor may have against Subcontractor at law, in equity, or under this Agreement. Due to the nature of this transaction and the potential exposure to various forms of fines, penalties, sanctions and other damages to Contractor's business and reputation, all of which are, at the date of executing this Agreement, impractical and extremely difficult to ascertain in advance, Contractor and Subcontractor agree that if Contractor terminates this Agreement due to the breach of this Section, then, as the monetary remedy for such breach and at Contractor's election and, as liquidated damages and not as a penalty, Subcontractor agrees that Subcontractor shall not be paid any amounts billed but unpaid for Subcontractor's compensation for Work completed prior to the termination date, as provided in Section 13. This provision shall not be construed as a waiver of Contractor's right to obtain temporary or permanent injunctive relief for any breach or threatened breach by Subcontractor of this Section. In addition to the remedies available under this Section, and at Contractor's election, Contractor shall also be entitled to injunctive remedies for breach of this Section, including without limitation, rescission.

20. STANDARDS OF BUSINESS ETHICS: Subcontractor represents that it has not and will not receive or give gifts or gratuities, nor participate in any other conduct in connection with this Agreement or any Work Agreement that violates the Standards of Business Ethics and Conduct of Contractor ("Contractor's Business Ethics") (*see* www.Lennar.com). Should any employee of Contractor or any of its Trade Partners engage in any conduct which Subcontractor believes is in violation of Contractor's Business Ethics, Subcontractor shall immediately notify Contractor's representatives in writing at the address provided herein. CONTRACTOR'S STATE LICENSE No: 728102

DIVISION OFFICE: _____-Regional Operations Center
CONTRACT: _____

THIS MASTER TRADE PARTNER AGREEMENT (hereinafter referred to as the "Agreement"), is made and entered into at **Charleston, South Carolina**, on **August 7, 2015** by and between **Lennar Carolinas, LLC** whose address is **1941 Savage Road Suite 100-C Charleston, South Carolina 29407** ("Lennar") and **Alpha Omega Construction Group, Inc.**, a **Corporation**, whose address is **PO Box 3196 Matthews North Carolina 28106,** telephone number **704-821-6510** ("Subcontractor").

1. SCOPE OF WORK/PRICING: Subcontractor shall provide labor, equipment and/or other services, along with the goods, products and materials (the "Goods") in such location(s) and under such terms and conditions as Lennar shall deem necessary (such Goods, along with all services, labor and equipment, constituting the "Work") as described in one or more purchase orders (each hereinafter referred to as "Purchase Order" or a "PO") received by Subcontractor (electronically through Supplypro® or otherwise), upon receipt and acknowledgement by Subcontractor of a notice (through Supplypro® or otherwise) from Lennar that such Work has been scheduled (a "Scheduling Notice"). Subcontractor agrees, and all Work shall be accomplished pursuant to the Price Schedule set forth in Schedule "A" attached hereto and incorporated herein by reference, and any supplemental Price Schedule issued by Lennar to Subcontractor pursuant hereto, when completed and executed by Subcontractor and countersigned by Lennar. Each PO, when issued to the Subcontractor, unless Subcontractor within five (5) days after receipt rejects such PO, shall govern the Work set forth therein. Upon Lennar's issuance of a Scheduling Notice, and Subcontractor's acknowledgement thereof, the PO and Scheduling Notice shall become part of the Agreement. The location(s) ("Job Site" or "Project Site") and scope of the Work to be performed, shall be more fully described in the PO. Without limiting the generality of the foregoing, Subcontractor shall give at least sixty (60) days' notice to Lennar of any proposed increases to the unit pricing set forth in the then-effective Price Schedule, and no proposed increases shall be effective unless and until Lennar has executed a supplemental Price Schedule with respect to such increases.

1.1 SUB-SUBCONTRACTOR: Unless otherwise provided, the term "Sub-subcontractor" shall include all persons or entities of all tiers, whether contracting directly with Subcontractor, or any person acting by, through or under Subcontractor, that are providing labor, materials equipment, supplies and/or supervision to satisfy the requirements of Subcontractor's Work and shall include suppliers providing any materials that are incorporated into the Work. Subcontractor shall keep its Sub-subcontractors informed of and cause its Sub-subcontractors to comply to the extent applicable, with this Agreement.

2. PERFORMANCE.

2.1 PERFORMANCE OF THE WORK. Subcontractor shall furnish all labor, equipment, supervision and all other things necessary to timely and properly perform the Work in accordance with the scope of work executed by Subcontractor and attached hereto as Schedule "C" (the "Scope of Work") (or such portions of such Scope of Work as are applicable to the Work covered by a PO) in accordance with the provisions of Section 15

hereof and in strict accordance with the provisions of this Agreement and Lennar's schedule set forth in the applicable PO and Scheduling Notice (the "Work Schedule"). Subcontractor guarantees the availability of all labor, equipment and Goods necessary to complete the Work in strict accordance with the Work Schedule. Subcontractor shall be solely responsible to pay for all labor, salaries, materials, tools, equipment, supplies, state, federal, local and all other applicable sales, use, income or other taxes of any type or nature, license fees, including intellectual property licenses, transportation, storage facilities, offices, telephones, other overhead, shop drawings, supervision, temporary or permanent facilities and all other things necessary for the full and complete performance of the Work covered by this Agreement and the PO(s). Subcontractor shall secure and pay for all permits and governmental fees, licenses and inspections, to the extent necessary, for the proper execution and completion of Subcontractor's Work. No substitutions or modifications shall be allowed in the performance of the Work unless expressly approved by Lennar in writing.

2.2 PERFORMANCE AS TO GOODS. Subcontractor shall furnish all Goods set forth in each Purchase Order free from defects in workmanship or materials, acceptable to Lennar, and in strict accordance with (i) the plans and specifications, (ii) any applicable manufacturer's specifications, recommendations or requirements, (iii) applicable industry standards, codes, or other rules, laws or regulations, including without limitation patent and other intellectual property laws, and (iv) the requirements of Lennar's overall schedule. Subcontractor shall be solely responsible to pay for all labor, salaries, materials, tools, equipment, supplies, state, federal, local and all other applicable use, income or other taxes of any type or nature, transportation, storage facilities, offices, telephones, other overhead, shop drawings, supervision, temporary or permanent facilities and all other things necessary for the full and complete delivery of the Goods. Lennar shall be responsible for any state sales taxes. Subcontractor shall pay all other state, federal and local taxes and delivery charges in connection with all Purchase Orders, which will be included in the price payable under each applicable Purchase Order. Any increases in taxes, other than state sales taxes, or delivery charges, shall be Subcontractor's responsibility for the term of this Agreement. No substitutions shall be allowed in place of the Goods unless expressly approved by Lennar in writing.

3. DEFECTIVE WORK AND GOODS; REPAIR AND REPLACEMENT OF DEFECTIVE GOODS. Subcontractor is responsible, at its sole cost, for promptly replacing any defective Goods, and repairing or replacing any Work not in compliance with this Agreement, noted by Lennar, any third-party inspectors, or a homebuyer, including the cost of uncovering or removing any Work and/or replacing any Work. The failure of Lennar, a third-party inspector, or a homebuyer to identify any defects in the Goods or Work during any inspection shall not relieve Subcontractor of its responsibility to perform the Work and furnish the Goods in accordance with the requirements of this Agreement. Subcontractor shall correct all items noted as needing correction, including any items noted during homebuyer's orientation before the earlier of (i) close of homebuyer's escrow, or (ii) forty-eight (48) hours of receipt of Lennar's notice.

4. PROGRESS. Subcontractor shall comply with the deadlines and schedules established in each Purchase Order or otherwise instructed by Lennar, and shall prosecute the Work with diligence and with adequate labor and equipment to satisfy Subcontractor's progress requirements and so as to not delay the work of other subcontractors. Subcontractor shall cooperate and coordinate its Work with all other subcontractors so as to avoid any delay or interferences. Subcontractor acknowledges that Lennar utilizes the Supply Pro® scheduling system for issuing PO's and scheduling Work for each homesite and Subcontractor agrees (i) to subscribe to and utilize the Supply Pro® scheduling system to receive and respond to Purchase Orders, delivery and work schedules, notices and changes, and other modifications to the Work and (ii) to utilize Supply Pro® to notify Lennar of (a) Subcontractor's completion of assigned Work and to initiate requests for payment for the Work and (b) to notify Lennar of the delivery of the Goods and to initiate requests for the payment for the Goods delivered. All costs of subscribing to, utilizing, and maintaining

Supply Pro® for the Subcontractor shall be borne by Subcontractor. Subcontractor acknowledges that timely submission of requests for payment is a critical aspect of payment under the terms of this Agreement and is a material consideration on Lennar's part in entering into this Agreement. As requests for payment submitted more than one hundred twenty (120) days after performance of the Work or delivery of the Goods covered by a Purchase Order, as the case may be, would result in additional administrative costs for Lennar and substantial increased project costs, Subcontractor agrees that payment of any and all requests for payment submitted more than one hundred twenty (120) days from the date of performance of the Work or delivery of the Goods covered by a Purchase Order, as the case may be, shall, to the fullest extent permitted by applicable law, be waived. Lennar shall have no obligation to make payment to Subcontractor therefor, and Subcontractor shall have no lien rights for the Work or for the Goods, as the case may be, for which payment is waived under this 120-day provision, to the fullest extent permitted by law. Further, Subcontractor expressly agrees to indemnify and defend Lennar should a lien be filed on any property in connection with such Goods or Work, for which payment was waived under this 120-day provision, to the fullest extent permitted by applicable law.

This provision does not affect Subcontractor's rights, or the rights of any subcontractor providing labor or materials to timely seek full payment; restrict or limit the constitutional or statutory right to file and record liens or stop notices for non-payment; or take all steps reasonably necessary to preserve its lien and bond rights as permitted by law.

Subcontractor shall include notice of this requirement in each contract with its Sub-subcontractors relating to the Work. Unless otherwise provided, the term "Sub-subcontractor" shall include all persons or entities of all tiers, whether contracting directly with Subcontractor, or any person acting by, through or under Subcontractor, that are providing labor, materials, equipment, supplies, and/or supervision to satisfy the requirements of Subcontractor's Work and/or any Purchase Order, and shall include all suppliers providing any materials that are incorporated into the Work and/or Purchase Order. Subcontractor shall keep its Sub-subcontractors informed of the requirements of this Agreement and cause its Sub-subcontractor to comply with the terms hereof.

5. MATERIALS. Unless otherwise specifically stated in this Agreement or any Purchase Order, all Goods are to be shipped F.O.B. Job Site and paid for by Subcontractor.

6. WORK OF OTHERS. Subcontractor shall be responsible for protecting its Work including the Goods and the work of its Sub-subcontractors, and the work of any other subcontractors of Lennar that are impacted by the Work, until final acceptance by Lennar, at which point title to the Work shall vest in Lennar. Such vesting of title shall not commence any warranty periods nor relieve Subcontractor of any liabilities or obligations set forth herein. Subcontractor shall, without limitation, be fully responsible for the protection of all existing structures, materials, equipment, curbs, landscaping, flora, fauna and adjacent property. Subcontractor shall be responsible for inspecting the work of its Sub-subcontractors and other subcontractors that may affect the Work and shall immediately report to Lennar, in writing, any defects, discrepancies or problems which could adversely affect Subcontractor's Work.

7. LABOR AND SUPERVISION. Subcontractor shall maintain competent and sufficient supervision of employees on the Job Site during all times that Subcontractor is performing its Work. Subcontractor's superintendent shall be (i) experienced, fully able to communicate with Lennar, (ii) trained, knowledgeable as to the Work, (iii) shall have full authority to act for and bind Subcontractor, provided, however, that any matters respecting pricing or amendment of a Price Schedule shall require a written and fully executed amendment thereto, (iv) shall be satisfactory to Lennar, and (v) shall not be changed without Lennar's prior written consent. All communications or directions given to the Subcontractor's superintendent shall be binding on Subcontractor. Subcontractor shall enforce strict discipline and good order among its employees and Sub-subcontractors. Subcontractor shall immediately remove and replace any person deemed unfit or unskilled by Lennar. Subcontractor shall (a) maintain a list of all persons performing its Work on the Job Site (including Sub-subcontractors and its employees, as the case may be), (b) produce

such list to Lennar upon request, ~~(c) perform criminal background checks of any person that will perform any portion of its Work (including Sub-subcontractors and its employees, as the case may be), (d) not employ any unfit or unskilled person and (e) not allow any registered sex offender or any person convicted of a felony or a misdemeanor involving theft, larceny, violence, sexual assault or any other crime of moral turpitude to work at the Project Site or Job Site.~~ In performing such background checks, Subcontractor shall comply with all requirements of the Fair Credit Reporting Act and any other applicable laws and regulations.

8. LEGAL COMPLIANCE. Subcontractor and its Sub-subcontractors shall, at all times, comply with all applicable local, state, or federal statutes, ordinances, rules and regulations, and any amendments thereto, as well as those of any other public body having authority concerning the Work, including without limitation, the local and state building codes, FHA Minimum Property requirements, VA building code requirements, the Occupational Safety and Health Act of 1970, 29 U.S.C. §§ 651 et seq., the Immigration Reform and Control Act of 1986 ("IRCA"), the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 ("IIRAIRA"), the Immigration and Nationality Act ("INA"), all applicable equal employment opportunity laws and requirements promulgated by any governmental authority, including, without limitation, the requirements of Title VII of the 1964 Civil Rights Act, 42 United States Code, Section 1981, Executive Orders 11246, 11375 and 11478, the Age Discrimination in Employment Act, the Americans with Disabilities Act, and the Fair Labor Standards Act; all applicable local, state, or federal environmental laws and regulations including, without limitation, the Clean Air Act, 42 USC §§ 7401-7671; the Clean Water Act, 33 USC §§ 1251-1387; the Comprehensive Environmental Response Compensation and Liability Act (CERCLA), 42 USC §§ 9601-9675; the Solid Waste Disposal Act, 42 USC §§ 6901-6992; the Toxic Substances Control Act, 15 USC §§ 2601-2692; and the Endangered Species Act of 1973, 16 USC §§ 1531-544.

8.1 IMMIGRATION. With respect to its obligations herein or in any PO or Scheduling Notice, Subcontractor specifically warrants and agrees it (i) shall not knowingly hire or continue to employ aliens not authorized to work in the United States, (ii) has and shall continue to verify the employment documentation specified in the Immigration Act, and (iii) has and shall properly complete and retain the U.S. Citizenship and Immigration Services' Form I-9 for all its employees covered by the Immigration Act.

8.2 TITLE, PATENT AND COPYRIGHTS. For any Goods or Work provided by Subcontractor, Subcontractor represents and warrants to and agrees with the Warranty Beneficiaries (as defined in Section 15) that: (a) it is the owner, or license holder of the Goods free and clear of any lien, security interest, mortgage, charge, pledge, assignment, equity claim, right of pre-emption, option, covenant, restriction, reservation, decree, order, trust, judgment, title defect, conflicting claim of ownership, or other encumbrance of any nature whatever; (b) it has the legal right and authority to convey or sell any portion of or all of the Goods; (c) neither the Goods nor the manufacture, sale, installation or other use thereof, nor the Work, violates or infringes any trademark, copyright, patent, confidentiality, other intellectual property right (collectively "IP Rights") of any third party; (d) the Warranty Beneficiaries will have the legal right to use the Goods and the Work for the purposes intended without restriction or limitation; and (e) if Subcontractor learns that the Goods, or the Work, or any portion thereof, are in violation of any IP Rights of any third party then Subcontractor will immediately notify Lennar in writing and immediately either (i) take such action as is necessary to modify the Goods or the Work to cure any violation including assuming all liability for all royalties, licenses, patent fees, and any other losses, costs, expenses, damages or other charges made in connection with the Goods and the purchase and use thereof, but without reducing the utility of such Goods or Work to any Warranty Beneficiary or (ii) replace such Goods or Work (including the costs of removal or installation), at Subcontractor's sole expense, with comparable Goods or Work which are not in violation of any IP Rights of any third party.

8.3 ENVIRONMENTAL. Lennar has developed the Lennar Environmental Management System ("LEMS") as a company-wide environmental management system to provide guidance to Lennar's employees, Subcontractors and Sub-subcontractors on how to comply with applicable environmental requirements at Lennar's job sites. By signing this Agreement, Subcontractor acknowledges that it has the knowledge of and is responsible for understanding and complying with the specific environmental requirements applicable to the Goods and to the Work at the Job Site as well as ensuring that the delivery of the Goods or the Work, as the case may be, does not interfere with efforts by Lennar's employees or other Subcontractors and/or Sub-subcontractors to comply with environmental requirements. If requested by Lennar, Subcontractor's superintendent will attend a pre-construction meeting where Lennar will further explain the LEMS and the environmental requirements applicable to the Job Site; however Subcontractor remains independently responsible for understanding and complying with all applicable environmental requirements regardless of whether a pre-construction meeting is held.

Prior to delivery of the Goods or to the initiation of the Work at each Job Site, as the case may be, Subcontractor will (i) inspect the Job Site, (ii) observe the environmental conditions of the Job Site, (iii) review Lennar's environmental plans and specifications, including Lennar's Stormwater Pollution Prevention Plan or equivalent ("SWPPP"), wetlands or endangered species limitations, (iv) applicable Water Quality Requirements (as defined in Section 8.3.3), copies of which will be available at the Job Site or will be made available upon Subcontractor's request, (v) Dust Control Requirements (as defined in Section 8.3.4), copies of which will be available at the Job Site or will be made available upon Subcontractor's request, and (vi) any Spill Prevention and Control Countermeasure Plan, or its equivalent, if applicable. If, during the term of this Agreement, Subcontractor discovers a previously unidentified environmental condition, Subcontractor shall immediately notify Lennar and shall not proceed with any Work or the delivery of the Goods that would disturb such environmental condition without Lennar's approval.

8.3.1 BEST MANAGEMENT PRACTICES. Subcontractor shall take care not to damage any Best Management Practices ("BMPs") or Control Measures, as defined below, by the delivery of the Goods or the perform of Work, and in the event Subcontractor causes such damage it shall immediately report such damage to Lennar and take appropriate measures to remedy such damage. Without limiting any of its other rights or remedies provided elsewhere in this Agreement (including its right to defense and indemnification by Subcontractor), Lennar may offset from any payments due Subcontractor, or otherwise recoverable from Subcontractor: (i) the costs to repair or replace any BMPs or Control Measures damaged by Subcontractor; and (ii) the costs of all fines, fees, expenses and other penalties sought against or incurred by Lennar due to, in whole or in part, (a) Subcontractor's violation of the obligations herein, (b) Subcontractor's violation of the Water Quality Requirements or Air Quality Requirements, as defined below, including violations arising from damage to BMPs or Control Measures caused by Subcontractor, (c) Subcontractor's interference with the implementation of the Water Quality and Dust Control Requirements by Lennar or by any other party responsible for implementing the Water Quality or Dust Control Requirements, (d) spills, releases, or discharges of hazardous, toxic, or other substances caused by Subcontractor, or (e) Subcontractor's failure to comply with the requirements of this Agreement regarding hazardous and toxic substances. Failure to satisfy the obligations in this paragraph shall be deemed a material default of this Agreement, and Lennar may, without prejudice to any other right or remedy, (x) withhold any payments to Subcontractor under this Agreement or otherwise until Subcontractor has remedied its failure, and/or (y) terminate this Agreement, withhold payments otherwise due Subcontractor under this Agreement or otherwise, and retain a separate Subcontractor to complete Subcontractor's obligations at Subcontractor's expense.

8.3.2 HAZARDOUS AND TOXIC SUBSTANCES IN WORK. Prior to commencing the Work at the Job Site, Subcontractor shall identify all hazardous or toxic substances, as those substances are defined in the applicable environmental laws, to be used in performing the Work by Subcontractor. Lennar may hold any payments otherwise due Subcontractor until such documentation is supplied. Subcontractor shall immediately notify Lennar in writing of all hazardous or toxic substances discovered during the performance of the Work or otherwise brought to the Job Site which were omitted from any previous notification(s). Subcontractor shall not allow any hazardous or toxic substances on the Job Site unless (i) necessarily required for the performance of its Work, and (ii) Subcontractor has previously provided Lennar written notice thereof. Subcontractor shall immediately notify Lennar of any spill, release or discharge of any hazardous or toxic substance by itself or any other person. As to any spill, release or discharge of any hazardous or toxic substance which is caused by Subcontractor or any of its employees, agents, Sub-subcontractors, customers, or invitees, Subcontractor shall, at its sole expense, immediately take all reasonable, necessary and legally required actions to (a) prevent the further spread of any spill, release or discharge, and (b) to properly clean up the spill, release or discharge (including without limitation any soil or water contaminated by such spill, release or discharge) in full compliance with all applicable laws and regulations and any directions from Lennar.

8.3.3 WATER QUALITY COMPLIANCE. Subcontractor shall understand and comply, and shall ensure compliance by those acting by, through or under Subcontractor, with all applicable requirements regarding discharges to surface water or groundwater ("Water Quality Requirements") at the Job Site. Water Quality Requirements include, but are not limited to, Lennar's stormwater pollution prevention plans (SWPPPs); stormwater permits, including the state construction general permit or federal construction general permit, whichever is applicable, and local stormwater permits; federal, state, and local stormwater rules, regulations, and ordinances, including requirements imposed by Municipal Separate Storm Sewer System entities; Clean Water Act Section 404 wetlands permits, regulations, and mitigation agreements; and streambed alteration agreements. Subcontractor remains independently responsible for understanding and complying with Water Quality Requirements. If required by the Water Quality Requirements or requested by Lennar, Subcontractor shall sign and/or certify the SWPPP before beginning the Work or delivering the Goods. To the extent applicable to the Work or the Goods, as the case may be, Subcontractor shall fully comply with and implement the SWPPP, including the BMPs described by the SWPPP. Subcontractor will ensure its workforce, including superintendent, leadspersons, and tradespersons and Sub-subcontractors, are trained in stormwater management practices and BMPs that apply to the Work or the Goods, as the case may be. Subcontractor agrees to provide documentation of employee stormwater management training to Lennar upon request or if required in the SWPPP and to participate in Lennar's stormwater "tailgate" meetings and to document attendance on forms provided by Lennar. Subcontractor shall immediately notify Lennar of a regulatory inspection and any corrective action, notice of correction, notice of violation or any other type of regulatory enforcement action or notice related to Water Quality compliance for the Job Site, and with Lennar's approval, correct any violations associated with the Work or the delivery of Goods.

8.3.4 AIR QUALITY COMPLIANCE. Subcontractor shall comply, and shall ensure compliance by those acting by, through or under Subcontractor, with federal, state, and local air quality and dust control rules, regulations, and ordinances and Lennar's site-specific dust control plans and/or permits, if applicable (collectively "Dust Control Requirements"). Subcontractor remains independently responsible

for understanding and complying with Dust Control Requirements. To the extent applicable to its work or the delivery of Goods, Subcontractor shall fully comply with and implement the control measures described by the Dust Control Requirements ("Control Measures"), including work practices such as controlling off-site vehicle track-out and using only designated points of ingress and egress at the Job Site. Subcontractor shall immediately notify Lennar if a regulatory inspection and any corrective action, notice of correction, notice of violation or any other type of regulatory enforcement action or notice whether written or verbal regardless of the nature or severity related to SPCC compliance for the Job Site or Project Site.

8.3.5 SPILL PREVENTION CONTROL AND COUNTERMEASURES. Subcontractor shall comply with all federal, state, and local spill prevention control & countermeasure ("SPCC") statutes, ordinances, rules and regulations, and any amendments thereto, including, but not limited to, the SPCC regulations contained in 40 CFR Part 112 ("SPCC Regulations"), and all amendments thereto; federal, state and local fire codes; federal and state Occupational Health and Safety Acts (O.S.H.A.); the current LEMS SPCC Policy and Guidance Module; applicable Job Site and facility specific SPCC Plans (as defined below); and, SPCC Best Management Practices (BMPs) contained in the Job Site SWPPP, while Subcontractor is mobilized on the Job site or performing Work. Lennar shall make the LEMS SPCC Policy and Guidance Module available for Subcontractors review upon request. In the event there is a conflict between SPCC requirements contained in documents that apply to Subcontractor's Work, e.g., Fire Code, SPCC Plan or SWPPP, Subcontractor shall comply with the most stringent requirements that apply to Subcontractor's Work.

Oil, for the purpose of this section is defined by the SPCC Regulations, and includes, but is not limited to, petroleum, synthetic oils, gasoline, diesel, motor oil, hydraulic oil, waste oil, or grease. Subcontractor shall not mobilize any individual oil storage container with the oil storage capacity of 55 gallons or more onto the Job Site without an express written approval from Lennar. If Lennar has a SPCC Plan in effect for the Job Site, Subcontractor shall comply with Lennar's SPCC Plan in its entirety. Lennar may request information from Subcontractor to include in a Lennar SPCC Plan, and Subcontractor agrees to provide the requested information to Lennar by the end of the fifth (5th) day following Lennar's written request which may include, but is not limited to, any and all information concerning Subcontractors anticipated or actual oil storage capacity, the nature of the oil to be stored, the locations where the oil will be stored; an estimated inventory and oil storage capacity of containers with an oil storage capacity of 55 gallons or more; secondary containment practices for all oil storage containers, spill response and clean up procedures to be implemented by Subcontractor in the event of a spill, and, documentation of training of Subcontractor's workmen with SPCC responsibility. However, Subcontractor remains independently responsible for understanding and complying with the SPCC Regulations. At all times, Subcontractor shall supply workmen trained with the knowledge, expertise and experience to operate Subcontractor's oil storage facility, regardless of size or storage capacity, in accordance with all federal, state, and local regulations; the SWPPP; and the SPCC Plan, if applicable.

Subcontractor shall immediately notify Lennar of a regulatory inspection and any corrective action, notice of correction, notice of violation or any other type of regulatory enforcement action or notice whether written or verbal regardless of the nature or severity related to SPCC compliance for the Job Site and/or Subcontractor's Work.

8.3.6 OTHER ENVIRONMENTAL REQUIREMENTS. The requirements in Sections 8.3.1, 8.3.2, 8.3.3, 8.3.4 and 8.3.5 of this Agreement are not all-inclusive, and Subcontractor is responsible for compliance with any other environmental requirements applicable to the Work or to the delivery of the Goods.

8.4 SAFETY. Subcontractor is an independent contractor and shall be **solely responsible** for ensuring that its Work and/or the delivery of Goods is performed in a safe manner. Nothing herein shall be deemed to be an exercise of control by Lennar of Subcontractor's safety obligations. Subcontractor shall take all reasonable and necessary safety precautions with regard to the Work and the delivery of Goods, shall coordinate its safety precautions with other Subcontractors, Sub-subcontractors, and suppliers, and shall comply with all safety requirements, laws, regulations, rules or ordinances of any authority (governmental or otherwise) responsible for the safety of persons or property. Subcontractor shall notify Lennar, both verbally and in writing, of all injuries to Subcontractor's employees within eight (8) hours of the injury. Subcontractor agrees to comply with all health and safety programs, as well as any rules promulgated by Lennar, in furtherance of Subcontractor duties under the Occupational Safety and Health Act. If in the opinion of Lennar the health and safety of any person or persons is endangered or appropriate safety measures are not being implemented, in addition to its rights under Section 19, Lennar may (but is not required to) take such action as it deems necessary and appropriate, including without limitation, the following: (I) stop Subcontractor's Work or require Subcontractor to immediately remedy any unsafe condition caused by the Subcontractor at its own expense; (ii) remedy any unsafe condition caused by Subcontractor at Subcontractor's sole expense; and/or (iii) Assess safety violation penalties of up to Two Hundred Dollars ($200) for each violation of jobsite safety rules or governmental safety laws, regulations, rules or ordinances. Lennar may backcharge or separately invoice the Subcontractor for such safety violation penalties.

9. JOB RULES. Subcontractor is solely responsible for complying with and ensuring compliance by its employees and its Sub-subcontractors with (i) Lennar's Code of Safe Practices, (ii) other Lennar policies concerning safety, reasonable restrictions on use and access to the Job Site by unauthorized personnel, and (iii) the other rules and policies concerning Subcontractor's work and as set forth in the "Job Rules" (posted at Job Site).

10. LIENS AND BOND CLAIMS. Except and solely to the extent directly related to a failure by Lennar to make payment of undisputed amounts owed subcontractor hereunder, Subcontractor shall keep (1) the Goods and (2) the Work and the real property being improved by Subcontractor, free and clear of any liens, debt, stop notices, fund trapping notices, or bond claims of any kind whatsoever (collectively "Lien or Bond Claims"), to the extent such Lien or Bond Claims (a) relate to Subcontractor's Work or the Goods, or (b) are for any monies due or allegedly due (i) Subcontractor or any Sub-subcontractor, (ii) any factoring company, lender (secured or unsecured), or (iii) any other entity claiming by, through or under Subcontractor or any Sub-subcontractor (collectively the "Lien Claimants"). In the event a Lien or Bond Claim is filed or threatened to be filed by any Lien Claimant, Subcontractor shall, at Lennar's sole election, immediately (I) settle and resolve such claim and obtain a full waiver and release of the Lien or Bond Claim from the Lien Claimant, or (II) provide a statutory bond acceptable to Lennar that will bond around or discharge such Lien or Bond Claim. Should Subcontractor fail to do so, in addition to its rights under Section 19, Lennar may, without additional notice to Subcontractor, (A) settle, bond or discharge the lien or bond claim in any manner Lennar deems appropriate, and charge the costs thereof (including payment of the lien, stop notice or fund trapping notice, or bond claim amount, premiums for bonds, overhead, costs, and reasonable attorneys' fees) to Subcontractor, and/or (B) withhold further payments to Subcontractor under this Agreement or otherwise until Subcontractor has complied with its obligations herein. Nothing contained in the Agreement (except for lien waivers duly signed and acknowledged) shall restrict or limit Subcontractor's statutory right to file and record liens or stop notices for non-payment, and notwithstanding any provision to the contrary, Subcontractor may take all steps reasonably necessary to preserve its lien and bond rights as permitted by law. Subcontractor has not and shall not assign any right or claim for payment from Lennar or any right

to perfect a lien against the Goods, the Work or real property to any third person. Any assignment or attempted assignment shall be unenforceable against Lennar. Subcontractor shall include substantially identical language to this Section 10 in all subcontracts of any Sub-subcontractor, and shall also require that all Sub-subcontractors shall waive and release all liens and claims to liens as a condition to their receiving payment.

10.1 PROOF OF PAYMENT. At Lennar's request, Subcontractor shall provide the following to Lennar: (i) proof of payment for labor, equipment or material or equipment supplied for the Work, including the Goods, or any other obligation for payment arising from the Work; and (ii) an affidavit stating that every Sub-subcontractor has been paid in full up to and including the date of any payment application, along with the names of any such person or entity who has not been paid in full and the amount due each. If Lennar believes that Subcontractor's financial circumstances will affect Subcontractor's performance of its obligations herein, Lennar may take any other precautionary action it deems reasonably necessary to protect its interests including, without limitation, (a) the right to request additional financial assurances from Subcontractor, (b) the right to require Subcontractor to post, at Subcontractor's cost, a payment bond and (c) the right to withhold all or any portion of payments due Subcontractor.

10.2 CONDITIONAL/UNCONDITIONAL LIEN WAIVERS. Subcontractor agrees to provide Lennar with labor, Goods and equipment that is free and clear of any debt or lien. Subcontractor shall include such requirements in each contract with its Sub-subcontractors relating to the Work. As a condition precedent to receiving each and any payment for Work as described in Section 18 hereof, Subcontractor and, if applicable, each Sub-subcontractor shall execute and furnish to Lennar: (i) a conditional lien waiver and release in the form provided to Subcontractor by SupplyPro or otherwise as required by state law for itself and its Sub-subcontractors acknowledging receipt of such payment to the extent payment is actually received, and (ii) an unconditional lien waiver and release in substantially the form provided to Subcontractor by SupplyPro or otherwise as required by state law for itself and its Sub-subcontractors acknowledging receipt of all payments due with respect to such Work other than payment for which the current application for payment is being made. Within ten (10) business days after final payment is made to Subcontractor under any Purchase Order, Subcontractor and each Sub-Subcontractor shall submit an executed unconditional lien waiver and release upon final payment acknowledging receipt of all payments due with respect to such Work and Goods. Subcontractor agrees that, in lieu of preparing or providing lien waivers for each property for which Work was provided and/or materials were supplied, one lien waiver referencing payment for multiple addresses shall have the same force and effect as multiple lien waivers. Subcontractor shall include this one-waiver-for-multiple-addresses agreement in each contract with its Sub-subcontractors relating to the Work. The lien waivers required to be delivered to Lennar by Subcontractor under this Agreement may be photocopies or facsimile copies, and may be electronically signed to the extent allowed within the state in which the Project is located, and Subcontractor hereby acknowledges that should it provide a photocopy, facsimile, or electronically signed lien waiver on behalf of itself or one of its Sub-subcontractors, such photocopy, facsimile or electronic signature shall have the same legal force and effect as an original lien waiver. Subcontractor shall also comply with all procedural requirements of laws of the state that govern this Agreement with respect to the enforceability of such lien waivers. Should Subcontractor fail to provide unconditional lien waivers as required herein, Lennar reserves the right to hold future payments until this requirement is satisfied or issue joint checks without consent of the Subcontractor.

11. LENNAR'S EQUIPMENT. Should Subcontractor or any Sub-subcontractor use equipment, scaffolding or other facilities of Lennar or another subcontractor, Subcontractor and Sub-subcontractors (i) shall fully inspect and become familiar with the proper and safe use of such equipment, scaffolding or facilities, and (ii) shall properly train and supervise their employees, and Sub-subcontractors in the proper and safe use of such equipment, scaffolding and facilities. Use

by Subcontractor and its Sub-subcontractors of such equipment, scaffolding or facilities shall be at the sole risk of Subcontractor and such Sub-subcontractors and each assumes the full risk of operation thereof. Subcontractor waives and will cause its Sub-subcontractors to waive all claims and liability of any type or nature against Lennar and the owners or lessors of such equipment, scaffolding or other facilities.

12. SECURITY. Regardless of whether Lennar provides security at the Project Site, Subcontractor shall be solely responsible for providing security for the Work, tools, equipment, materials or other property and Lennar shall not be responsible for theft, vandalism or loss to any of Subcontractor's or any Sub-subcontractor's work, tools, equipment, materials or other property.

13. CLEAN UP. Subcontractor shall maintain a tidy Job Site and clean up and haul away all debris, rubbish, hazardous or toxic discharges and surplus materials ("Construction Debris") on a daily basis and properly dispose of such Construction Debris in an authorized trash bin or at a licensed or certified landfill. In addition, Subcontractor will leave the Job Site, subject property and, if applicable, the building premise(s) clean and in good order. These obligations are in addition to Subcontractor's obligations under any other section of this Agreement. If, after twenty-four (24) hours' notice by Lennar's representative to Subcontractor's representative, Subcontractor has not diligently proceeded with the clean-up as outlined in this Section 13, then Lennar shall have the right to proceed with the clean-up at Subcontractor's expense.

14. INSURANCE. Before starting the Work (including delivering any Goods), Subcontractor shall procure and maintain at its own expense the insurance set forth in the "Insurance Requirements" attached hereto as Schedule "B", which requirements are incorporated by this reference as though set forth in full herein. To the extent that the "Insurance Requirements" are added to or amended by any Purchase Order, as the case may be, such requirements are incorporated by this reference as though set forth in full herein.

15. EXPRESS WARRANTIES.

15.1 EXPRESS WARRANTIES FOR LABOR. To the extent required by law, Subcontractor warrants that it is licensed to perform all Work under the applicable Purchase Order(s) and shall maintain all required permits and licenses in good standing at all times. Subcontractor expressly warrants to Lennar, Lennar's customers, and any subsequent owner of a structure in which Subcontractor's Work is incorporated (collectively "Warranty Beneficiaries"), that its Work shall be performed in a good and workmanlike manner, free from defects in workmanship or materials, and in strict accordance with (i) the plans and specifications, (ii) any applicable manufacturer's specifications, recommendations or requirements, and (iii) all applicable industry standards, codes, or other rules or regulations applicable to the performance of the Work. This warranty section is in addition to warranties provided by law and shall continue as long as Lennar has legal liability. Any portion of Subcontractor's Work not complying with the foregoing shall be deemed to be in breach of this Section. Subcontractor shall require that each of its Sub-subcontractors give to Lennar the same warranty as to such Sub-subcontractor's portion of the Work. Additionally for a period of four (4) years from the close of escrow of a home as to which work was performed, Subcontractor shall, within two (2) working days of notification by Lennar, repair or replace any defective Work unless the warranty work could not reasonably be performed within such time period, in which event the warranty work shall be performed as quickly as reasonably possible. In the event of an emergency (as determined by Lennar), the Subcontractor shall perform its warranty work within eight (8) hours. In addition, a seven (7) day-a-week and a twenty-four (24) hour on-call emergency service must be provided by Subcontractor and any Sub-subcontractor providing roofing, plumbing, electrical and/or HVAC work.

15.2 EXPRESS WARRANTIES FOR GOODS. Subcontractor expressly warrants Warranty Beneficiaries, that the Goods sold to Lennar, directly or indirectly through its Sub-

subcontractors, (i) shall be free from defects in workmanship, materials or design, (ii) shall comply with Subcontractor's and all applicable manufacturer's published standards, brochures, advertising, instructions, manuals and specifications, (iii) are marketable, (iv) can be utilized for the purposes intended by the Warranty Beneficiaries, (v) otherwise comply with and have been manufactured and shipped in accordance with the highest industry standards and all applicable codes, promulgated standards, or other requirements applicable to the Goods, (v) shall not contain or emit hazardous or toxic substances or materials that are unsafe to human health, that cause damage to or deterioration of the components or contents of the homes in which the Goods are installed, or that negatively impact the habitability or marketability of a home when the Goods are used as intended, and (vi) shall be new and not remanufactured or reconditioned. Any portion of the Goods not complying with the foregoing shall be considered in breach of this Section. This warranty section is in addition to any other warranties provided by law and shall continue as long as Lennar has legal liability. Any defects in the Goods or any damage caused as a result of defective Goods shall be replaced or satisfactorily repaired at the sole expense of Subcontractor. Subcontractor shall also require each of its Sub-subcontractors or suppliers to give to Lennar the same warranty regarding the Sub-subcontractor's work and Goods provided. Subcontractor shall, within two (2) working days of notification by Lennar, repair or replace any defective Goods, at Lennar's election, unless it is not commercially practicable to do so, in which event the warranty work shall be performed as quickly as commercially reasonable. If in the reasonable opinion of Lennar, any of the Goods is defective and such defect is likely to cause an immediate risk of harm to health, safety or property, Lennar in its sole discretion, shall have the right, but not the obligation, to take action to reduce or eliminate such risk at Subcontractor's sole cost and expense. In the event Subcontractor fails to satisfy these warranty requirements to Lennar's satisfaction within such two (2) day period (or as reasonably extended), Lennar shall have the right to have all defects repaired and/or replaced at Subcontractor's expense by charging the repair and/or replacement costs to Subcontractor. Subcontractor's obligations hereunder are not Lennar's exclusive remedy in the event of a breach. Subcontractor's obligations under this section are in addition to and not in lieu of any other obligations under this Agreement or a Purchase Order.

15.2.1 [Intentionally deleted.]

15.2.2 Manufacturer's Warranties. Subcontractor shall provide Lennar with any and all applicable manufacturer's warranties on the Goods. Subcontractor shall fully cooperate with Lennar or any other Warranty Beneficiary in making any claim on any manufacturer's warranty.

15.2.3 Recalls. In the event Subcontractor learns of any defect in the Goods, it shall immediately notify Lennar and cooperate fully in establishing a procedure to correct the issue including providing materials to be sent to Warranty Beneficiaries and, if appropriate in Lennar's reasonable opinion, a dedicated call-in number and website for Warranty Beneficiaries.

15.3 Most Favored Customer.

15.3.1 Best Terms of Sale. Subcontractor represents and warrants to, and covenants with Lennar, that the terms and conditions of this Agreement and any Purchase Order (including, without limitation, pricing, rebates, incentives, payment terms and discounts) for any Goods provided to Lennar, shall be equal to or better than the terms offered by Subcontractor to any of its other customers who purchase comparable quantities of products substantially similar to the Goods, or any substantially similar off-brand or private label products.

15.3.2 Subcontractor to Provide Lennar with Lower Price or Better Terms. If, at any time during the term of this Agreement, Subcontractor or any of its affiliates shall sell any Goods to one or more third parties (i) (a) at a lower gross price or (b) at a lower price, after all allowances, discounts, rebates and other incentives (the "Lower Price") than the price to Lennar under this Agreement ("Lennar's Price") and/or (ii) upon terms more favorable to such third parties (the "Better Terms"),then the Subcontractor shall thereafter either reduce Lennar's Price to the Lower Price or change the terms to the Better Terms, as applicable, in each case, for such period, as was or is available to any such third party; provided, however, that if during such period Lennar has not purchased a quantity of Goods hereunder equal to the quantity of goods sold by Subcontractor to any such third party, then Subcontractor shall reduce Lennar's Price to such Lower Price or the Terms of Sale to the Better Terms for an additional period of time until Lennar, at its option, has purchased at the Lower Price or upon such Better Terms such quantity of Goods hereunder equal to the quantity of goods purchased by such third party at such Lower Price.

15.3.3 Private Labels/Minor Modifications. If Subcontractor is providing a private label product to any third party that is substantially similar to any of the Goods, Lennar's rights under this section shall apply to such private label product as if the private label product was in fact the Goods. Subcontractor shall not attempt to circumvent its obligations under this section by making cosmetic or other modifications to any of the Goods and selling such Goods to, or for resale to a competitor of Lennar at a lower price or on more favorable terms of sale than is available to Lennar.

16. EXTRA WORK/CHANGES. NO EXTRA WORK OR CHANGES TO THE WORK SHALL BE PERFORMED BY SUBCONTRACTOR OR PAID FOR BY LENNAR UNLESS SUCH EXTRA WORK OR CHANGE TO THE WORK HAS BEEN AUTHORIZED IN WRITING BY LENNAR FOR PERFORMANCE THEREOF. ALL EXTRA WORK OR CHANGE TO THE WORK (EACH, A "CHANGE ORDER FOR WORK") SHALL BE REQUESTED AND SCHEDULED BY UTILIZING THE SUPPLY PRO® SCHEDULING SYSTEM. ANY CHANGE ORDER FOR WORK ISSUED BY LENNAR UTILIZING THE SUPPLY PRO® SYSTEM SHALL BE CONSIDERED TO BE APPROVED IN WRITING BY LENNAR. THE SUBCONTRACTOR'S ACKNOWLEDGEMENT OF THE CHANGE ORDER FOR WORK IN SUPPLY PRO® SHALL CONSTITUTE SUBCONTRACTOR'S AGREEMENT TO THE TERMS (INCLUDING, WITHOUT LIMITATION, THE SCHEDULE FOR PERFORMANCE AND COMPENSATION) SET FORTH IN SUCH CHANGE ORDER FOR WORK.

IN ADDITION TO ISSUING CHANGE ORDERS FOR WORK VIA THE SUPPLY PRO® SCHEDULING SYSTEM, LENNAR MAY ISSUE WRITTEN CHANGE ORDERS FOR WORK EXECUTED BY AN OFFICER OF LENNAR TO THE SUBCONTRACTOR VIA FACSIMILE, EMAIL, MAIL, OR BY HAND. SUCH CHANGE ORDERS FOR WORK SHALL NOT BE EFFECTIVE UNTIL EXECUTED BY THE SUBCONTRACTOR AND RETURNED TO LENNAR. UPON EXECUTION OF SUCH CHANGE ORDERS FOR WORK BY LENNAR AND SUBCONTRACTOR, LENNAR SHALL ISSUE A SCHEDULING NOTICE FOR THE WORK INCLUDED WITHIN SUCH CHANGE ORDER FOR WORK. FAILURE OF SUBCONTRACTOR TO EXECUTE AND RETURN TO LENNAR ANY SUCH CHANGE ORDER FOR WORK BY CLOSE OF THE BUSINESS DAY AFTER RECEIPT THEREOF SHALL CONSTITUTE SUBCONTRACTOR'S DISAPPROVAL OF SUCH CHANGE ORDER FOR WORK, AND, IN SUCH EVENT, WITHOUT FURTHER WRITTEN NOTICE FROM LENNAR, SUBCONTRACTOR SHALL NOT COMMENCE THE WORK SET FORTH IN THE CHANGE ORDER FOR WORK.

17. CHANGE ORDERS/CHANGES TO GOODS. ANY CHANGES TO A PURCHASE ORDER FOR GOODS (EACH, A "CHANGE ORDER") MAY BE REQUESTED AND SCHEDULED BY LENNAR UTILIZING THE SUPPLY PRO® SCHEDULING SYSTEM. ANY CHANGE ORDER ISSUED BY LENNAR UTILIZING THE SUPPLY PRO® SYSTEM SHALL BE CONSIDERED APPROVED IN

WRITING BY LENNAR. THE SUBCONTRACTOR'S ACKNOWLEDGEMENT OF THE CHANGE ORDER IN SUPPLY PRO® SHALL CONSTITUTE SUBCONTRACTOR'S AGREEMENT TO THE TERMS (INCLUDING, WITHOUT LIMITATION, THE SCHEDULE FOR DELIVERY AND COMPENSATION) SET FORTH IN SUCH CHANGE ORDER. SUBCONTRACTOR SHALL GIVE NINETY (90) DAYS ADVANCE WRITTEN NOTICE TO LENNAR SHOULD SUBCONTRACTOR CHOOSE TO MAKE ANY MATERIAL CHANGES TO THE GOODS. SUBCONTRACTOR SHALL GIVE LENNAR ONE HUNDRED EIGHTY (180) DAYS ADVANCE WRITTEN NOTICE SHOULD SUBCONTRACTOR CHOOSE TO NO LONGER DISTRIBUTE, SELL OR INSTALL THE GOODS OR ANY COMPONENT OF THE GOODS. NO SUCH CHANGE SHALL HAVE ANY EFFECT ON SUBCONTRACTOR'S OBLIGATIONS UNDER THIS AGREEMENT OR WITH RESPECT TO ANY PURCHASE ORDER ISSUED PRIOR TO SUCH NINETY (90) OR ONE HUNDRED EIGHTY (180) DAY PERIOD, AS APPLICABLE AND MUST BE SUBJECT TO A LENNAR APPROVED CHANGE ORDER AS PROVIDED ABOVE.

18. PAYMENT. The price for the Work and the Goods and additional terms for payment shall be set forth in the Purchase Orders. Lennar has no obligation to pay Subcontractor for any Work performed prior to issuance of a PO and Scheduling Notice which specifically covers such Work or Goods. No payment shall be due unless Subcontractor has otherwise satisfied all obligations set forth in this Agreement. Lennar reserves the right to require Subcontractor to provide a breakdown of all payments owed to Sub-subcontractors for the Work and for the delivery of Goods and to pay such Sub-subcontractors directly or any person claiming monies from Subcontractor or Sub-subcontractors directly or jointly.

18.1 Payment shall be made in accordance with Lennar's standard practices, but in the case of delivery of Goods, (i) not later than thirty (30) days after the Goods have been delivered, inspected and accepted through Supply Pro® and (ii) in no event will payment be due upon delivery, nor will any of the "open payment" provisions of the Uniform Commercial Code apply hereto. Such payment may be by check, ACH transfer, ePayables or such other method as determined by Lennar, and Subcontractor agrees to subscribe to any automated payment system used by Lennar and to pay applicable subscription fees associated therewith. Payment will only be considered for (i) Work properly performed and (ii) deliveries of Goods properly performed, and both inspected and accepted by Lennar through Supply Pro® as of the date of the payment request. As a condition precedent to any payment, Subcontractor shall (i) submit a notice of completion and request for payment to Lennar using Supply Pro®, and (ii) deliver executed lien waivers and releases in accordance with Subsection 10.2, and (iii) submit all other documentation reasonably required by Lennar to establish Subcontractor's entitlement to funds. No payment shall be deemed to constitute acceptance by Lennar of any defective or unacceptable Work or Goods.

18.2 All payments to Subcontractor are trust funds and shall first be used for the full payment of all Sub-subcontractors. Subcontractor shall ensure that all Sub-subcontractors are at all times fully and timely paid all amounts due in connection with the Work and the Goods. Subcontractor shall immediately notify Lennar of any claims or disputes involving any Sub-subcontractor. When Lennar learns of any claim or dispute, Lennar may (i) withhold payments otherwise due Subcontractor until the claim or dispute is resolved to Lennar's satisfaction, (ii) issue joint checks to Subcontractor and any claimant, (iii) make payment to a claimant directly, or (iv) deposit any disputed funds into the registry of a court of law. Subcontractor shall reimburse Lennar for any costs incurred by Lennar as a result of such claims or disputes. Should any dispute arise after payment by Lennar, Subcontractor shall immediately deposit any payments made relating to such labor or material into an interest-bearing account and shall only use this money to resolve such claims or disputes.

18.3 Lennar may, but is not required to, withhold retainage from each payment as provided by applicable law, and shall release such retainage when (i) Subcontractor has fully performed

its obligations herein (save and except future extended warranty obligations), (ii) Subcontractor has provided final lien releases and waivers (conditioned only upon receipt of the retainage) from itself and all Sub-subcontractors, and (iii) the legal time period for holding such retainage has expired. In the absence of any legally required amount, the maximum retainage shall equal ten percent (10%) of each payment.

18.4 Lennar may, at its option, issue, file, and/or record with the appropriate regulating agency, a notice of completion. By issuing, filing, and/or recording the notice of completion, Lennar does not release the Subcontractor from any of Subcontractor's obligations under this Agreement or any Purchase Order issued hereunder. Without limiting the generality of the foregoing, in no event shall the issuance, filing, and/or recordation of a notice of completion be deemed to commence any warranty periods with respect to the Work performed by Subcontractor, as such warranties are set forth in this Agreement.

18.5 At Lennar's election, Subcontractor agrees (and shall cause its Sub-subcontractors to agree, if required by Lennar) to be paid electronically by Lennar, either through its epayables program if Subcontractor (or a Sub-subcontractor) currently has a merchant id, or the ACH credit program. With respect to the epayables program, Subcontractor agrees to enroll (and cause its Sub-subcontractors to enroll, if required) in Lennar's epayables program, a ghost credit card program offered through Bank of America or any other provider selected by Lennar, and to accept payment from Lennar through such program. Subcontractor further agrees that it will not charge back or pass through to Lennar any miscellaneous and/or convenience fees as a result of accepting payments via this method. With respect to the ACH program, Subcontractor agrees to enroll using the ACH credit program offered through Western Union, or any other provider selected by Lennar, and to accept payment from Lennar via ACH credits to the subcontractor's bank account indicated by Subcontractor on the Western Union site.

19. **REMEDIES AND TERMINATION.** In addition to and without limit or prejudice to any of Lennar's other rights or remedies set forth in this Agreement, Purchase Order(s) or otherwise provided by law, Lennar shall have the following rights:

19.1 If Subcontractor shall (a) file for or be adjudged bankrupt, or if it should make a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of its insolvency, (b) persistently or repeatedly refuse or fail, in the reasonable opinion of Lennar, to deliver the Goods, or to supply enough properly skilled workers or laborers, (c) disregard laws, ordinances, job rules, or instructions, (d) fail to make prompt and proper payment for labor, equipment or services provided by, through or under Subcontractor, (e) fail to remedy defective Work or Goods or fail to perform warranty services or repairs within the time periods set forth in this Agreement or by law, (f) cause damage to the work of another subcontractor and/or sub-subcontractor, (g) cause Lennar to be fined or otherwise penalized by any governmental agency on account of or arising out of the violation by Subcontractor or any Sub-subcontractor of any law, (h) fail in Lennar's sole judgment to prosecute its Work or to deliver the Goods diligently and promptly, (i) otherwise breaches any of its obligations in this Agreement any Purchase Order or any of its other agreements with Lennar, (j) in Lennar's reasonable judgment, not be able to properly perform all of its obligations in this Agreement or under any Purchase Order (each a breach by Subcontractor), then:

Lennar may after giving Subcontractor forty-eight (48) hours' written notice, terminate this Agreement and, in addition, take possession of Subcontractor's materials, tools, equipment and appliances located in the Job Site and finish the Work by whatever method it may deem expedient in its sole discretion, and withhold payment otherwise due Subcontractor until (A) the Work is completed and accepted, or until defective Work is remedied, or until warranty services are properly performed, or until such breach has been remedied and/or (B) defective Goods are duly replaced and warranty services are properly performed, and

such breach has been remedied. Lennar may also refuse or delay the delivery of the Goods until such breach has been cured to Lennar's satisfaction, furnish or cause to be furnished substitute Goods at Subcontractor's expense, stop the Work until such breach has been cured to Lennar's satisfaction, recover against Subcontractor all fines and penalties assessed by any authority (Government or otherwise) and caused by or alleged to have been caused by Subcontractor or its Sub-subcontractors, furnish or cause to be furnished additional labor or materials at Subcontractor's expense and/or recover all direct, indirect, consequential, impact, or other costs, expenses, or damages, including but not limited to costs, loss of organization, lost profits, or attorneys' fees and/or paraprofessional fees arising out of or as a result of Subcontractor's breach including the cost of pursuing claims. Lennar may also offset the costs of (i) completing the Work, (ii) furnishing additional labor, (iii) covering the Goods, (iv) securing substitute Goods, and (v) remedying Subcontractor's or Sub-subcontractor's breach (including costs to repair damages caused by Subcontractor and costs of all fines, fees, expenses and other penalties sought against or incurred by Lennar due to, in whole or in part, Subcontractor or its Sub-subcontractors) against any amounts due Subcontractor under this Agreement, any Purchase Order, contract, or other agreement. To the extent such costs to Lennar exceed amounts due Subcontractor, then, upon demand from Lennar, Subcontractor shall pay the difference to Lennar plus any and all damages, costs, expenses and attorneys' fees and paraprofessional fees incurred by Lennar in enforcing or performing any of Subcontractor's obligations under this Agreement.

19.2 To the extent not prohibited by law, Subcontractor hereby waives any security interest or removables rights it may have in Goods supplied hereunder and waives its right to the remedies available for a buyer's breach as provided in the Uniform Commercial Code.

19.3 Lennar shall also have the right to terminate this Agreement or any Purchase Order or portions thereof issued to Subcontractor without cause and for Lennar's convenience. In such event, Subcontractor shall be paid only for that Work actually performed and Goods delivered and accepted by Lennar as of the date of termination, and Subcontractor waives recovery for any other costs or damages, direct or indirect, consequential or otherwise including without limitation prospective profits, on Work not performed or Goods not delivered and accepted.

19.4 In the event of any delay, disruption, interference, stoppage or hindrance in commencement or prosecution of the work caused by any reason whatsoever ("work interruptions"), including any work interruptions caused in whole or in part, or alleged to have been caused in whole or in part, by Lennar or another subcontractor, Subcontractor's sole and exclusive remedy for any work interruptions shall be an extension of time to perform its Work. To the fullest extent permitted by law Subcontractor specifically waives any right to recover direct, indirect, consequential, impact, or other costs, expenses, or damages, including but not limited to delay damages, costs of acceleration, inefficiency, loss of organization, loss of profits, Job Site or home office overhead, labor or material escalation, or deterioration of materials, caused by any work interruption.

20. DEFENSE AND INDEMNITY. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, AND IN CONSIDERATION OF THE SUM OF ONE HUNDRED DOLLARS ($100.00), WHICH SUM IS INCLUDED IN THE PRICE(S) ESTABLISHED UNDER THE PO(S), THE ADEQUACY AND RECEIPT OF WHICH IS HEREBY ACKNOWLEDGED, SUBCONTRACTOR HEREBY AGREES TO UNCONDITIONALLY DEFEND, INDEMNIFY AND HOLD HARMLESS LENNAR, ITS PARENT, AFFILIATES, SUBSIDIARIES, PARTNERS, JOINT VENTURERS, OFFICERS, DIRECTORS, SHAREHOLDERS, AGENTS, EMPLOYEES, INSURERS, SURETIES, AND ANY OWNER OF REAL PROPERTY IMPROVED OR ALLEGED TO HAVE BEEN IMPROVED BY THE SUBCONTRACTOR OR IN WHICH THE GOODS HAVE BEEN OR ARE ALLEGED TO HAVE BEEN INCORPORATED, OR ANY OF THEM (COLLECTIVELY "INDEMNITEES") AGAINST ANY AND ALL CIVIL OR CRIMINAL LIABILITIES, COSTS, EXPENSES, CLAIMS, DEMANDS,

CAUSES OF ACTION, LIEN CLAIMS, THREATS OF LIENS, STOP NOTICES, FUND TRAPPING NOTICES, BOND CLAIMS, PENALTIES, FINES, CITATIONS, LOSSES, AND DAMAGES (INCLUDING COURT COSTS, ATTORNEYS' FEES AND COSTS OF INVESTIGATION), OF ANY NATURE, KIND, OR DESCRIPTION, ARISING OUT OF, IN CONNECTION WITH, CAUSED BY, ALLEGED TO HAVE BEEN CAUSED BY, OR RESULTING FROM, DIRECTLY OR INDIRECTLY, IN WHOLE OR IN PART, (1) THE GOODS, (2) THE WORK, LABOR, EQUIPMENT OR SERVICES PERFORMED OR SUPPLIED OR ALLEGED TO HAVE BEEN PERFORMED OR SUPPLIED BY SUBCONTRACTOR OR ANY OF ITS SUB-SUBCONTRACTORS (INCLUDING WITHOUT LIMITATION, A BREACH HEREOF) (3) ANY ACT OR OMISSION OF SUBCONTRACTOR OR ANY OF ITS SUB-SUBCONTRACTORS, OR (4) ANY ACT OR OMISSION OF LENNAR OR LENNAR'S OTHER SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR SUPPLIERS OR ANY OF THEIR EMPLOYEES, AGENTS, INVITEES OR ANY PERSON ACTING BY, THROUGH OR UNDER LENNAR OR LENNAR'S OTHER SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR SUPPLIERS (COLLECTIVELY "LIABILITIES"). THE OBLIGATIONS OF SUBCONTRACTOR UNDER THIS INDEMNIFICATION SHALL APPLY TO LIABILITIES EVEN IF SUCH LIABILITIES ARISE FROM OR ARE ATTRIBUTED TO THE CONCURRENT NEGLIGENCE OF ANY INDEMNITEE. NOTWITHSTANDING THE FOREGOING, SUBCONTRACTOR SHALL NOT BE OBLIGATED UNDER THIS AGREEMENT TO INDEMNIFY THE INDEMNITEES TO THE EXTENT SUCH LIABILITIES RESULT FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF ANY INDEMNITEE.

SUBCONTRACTOR SHALL, AT ITS EXPENSE, ASSUME THE DEFENSE OF THE INDEMNITEES, OR ANY OF THEM, AND SHALL CONDUCT SUCH DEFENSE WITH DUE DILIGENCE AND IN GOOD FAITH WITH COUNSEL SATISFACTORY TO LENNAR. SHOULD SUBCONTRACTOR BREACH ITS DEFENSE AND INDEMNITY OBLIGATIONS, LENNAR MAY, WITHOUT RELIEVING SUBCONTRACTOR OF ITS INDEMNITY OBLIGATIONS, ASSUME ANY DEFENSE OBLIGATION AND TRY OR SETTLE SUCH CLAIM, AND SUBCONTRACTOR (1) SHALL REIMBURSE LENNAR FOR ALL COSTS AND EXPENSES INCURRED OR PAID BY ANY INDEMNITEE IN THE DEFENSE, SETTLEMENT, TRIAL, MEDIATION AND/OR ARBITRATION, AND (2) PAY ANY JUDGMENT OR AWARD OBTAINED AGAINST THE INDEMNITEES OR ANY OF THEM.

NEITHER THE INDEMNITY OBLIGATIONS UNDER THIS SECTION, NOR ANY COMMON LAW AND/OR STATUTORY CONTRIBUTION RIGHTS OR OTHER RIGHTS OF LENNAR OR ANY INDEMNITEE, SHALL BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGE, COMPENSATION, OR BENEFITS PAYABLE BY OR FOR THE SUBCONTRACTOR OR LENNAR UNDER INSURANCE POLICIES, WORKERS' COMPENSATION ACTS, DISABILITY BENEFIT ACTS, OR OTHER EMPLOYEE BENEFIT ACTS AND SUBCONTRACTOR EXPRESSLY WAIVES ANY RIGHT IT MAY HAVE TO ASSERT ANY SUCH LIMITATION. THIS PROVISION IS SEPARATE AND DISTINCT FROM, AND IN ADDITION TO, ANY OTHER PROVISION OR SECTION IN THIS AGREEMENT, INCLUDING ANY PROVISION OR SECTION CONCERNING INDEMNIFICATION OR PROCUREMENT OF INSURANCE. IT IS SPECIFICALLY AGREED WITH RESPECT TO ANY LEGAL LIMITATIONS NOW OR HEREAFTER IN EFFECT AND AFFECTING THE VALIDITY OR ENFORCEABILITY OF THE INDEMNIFICATION OBLIGATION UNDER THIS SECTION, THAT SUCH LEGAL LIMITATIONS ARE MADE A PART OF THE INDEMNIFICATION OBLIGATION AND SHALL OPERATE TO AMEND THE INDEMNIFICATION OBLIGATION TO THE MINIMUM EXTENT NECESSARY TO BRING THE PROVISION INTO CONFORMITY WITH THE REQUIREMENTS OF SUCH LIMITATIONS, AND AS SO MODIFIED, THE INDEMNIFICATION OBLIGATION SHALL SURVIVE AND CONTINUE IN FULL FORCE AND EFFECT AFTER EXPIRATION ORTERMINATION OF THIS AGREEMENT.

EXCEPT AS EXPRESSLY PROVIDED OTHERWISE, IT IS THE SPECIFIC INTENT OF THIS INDEMNITY THAT THE SUBCONTRACTOR IS INDEMNIFYING THE INDEMNITEES FROM ACTS OF NEGLIGENCE OF INDEMNITEES. SUBCONTRACTOR ON BEHALF OF ITSELF AND ANY OF ITS INSURERS, EXPRESSLY WAIVES ANY RIGHT OF SUBROGATION THAT IT OR

ITS INSUREDS MAY HAVE AGAINST THE INDEMNITEES OR ANY OR THEM. ADDITIONALLY, ALL POLICIES PROCURED BY SUBCONTRACTOR AND ITS SUB-SUBCONTRACTORS PURSUANT TO THIS AGREEMENT OR ANY PURCHASE ORDER, SHALL BE PRIMARY (AS TO ANY INSURANCE POLICY OR POLICIES OF LENNAR IN WHATEVER FORM OR NATURE) AND SHALL EXPRESSLY STATE THAT THE INSURER WAIVES ALL RIGHTS OF SUBROGATION AGAINST LENNAR AND ANY OF THE OTHER INDEMNITEES. FURTHER, SUBCONTRACTOR SHALL DEFEND AND INDEMNIFY ANY OF THE INDEMNITEES AGAINST ANY CLAIMS OR ACTIONS FOR SUBROGATION BY ANY INSURER PROVIDING COVERAGE TO SUBCONTRACTOR.

In any and all claims against Lennar hereunder by any employee of Subcontractor or any employee of any Sub-subcontractor or other person or entity acting by, through or on behalf of Subcontractor or its Sub-subcontractors, the indemnification obligation under this section shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Subcontractor or any Sub-subcontractor under workers' or workmen's compensation acts, disability acts or other employee benefit acts, and Subcontractor expressly waives any right it may have to assert such limitation. In addition, in no event shall Subcontractor's obligations hereunder be limited to the extent of any insurance available to or provided by Subcontractor or its Sub-subcontractors. The indemnity obligations in this Agreement shall not be limited by the insurance required to be provided by Subcontractor pursuant to this Agreement, nor shall the insurance requirements of this Agreement be limited by the indemnity obligations of this Agreement.

21. DISPUTE RESOLUTION. If Lennar is involved in or becomes involved in litigation, arbitration, judicial reference or other alternative dispute resolution procedure ("ADR") with a third party and Lennar or any other party joins Subcontractor as a party to such ADR, then the disputes between Lennar and Subcontractor relative to the claims involved in the ADR proceeding shall be resolved in such proceeding. In the event that Lennar is required, by law or by contract, to resolve a dispute with a third party in an ADR forum, Subcontractor agrees to participate in and be bound by such procedure.

21.1 **In all other circumstances, except in California, North Carolina and Georgia, Lennar and Subcontractor agree to resolve their disputes in a court of law located in the county in which the Project Site is located. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH OF LENNAR AND SUBCONTRACTOR IRREVOCABLY, UNCONDITIONALLY, KNOWINGLY AND INTENTIONALLY WAIVES ITS RIGHT TO TRIAL BY JURY.**

21.2 **In all other circumstances, in California, North Carolina and Georgia only, Lennar and Subcontractor agree to resolve their disputes in arbitration, and that the arbitration shall be governed by the applicable state's arbitration act, except that references to such state law made herein shall not be construed as a waiver of any rights under the Federal Arbitration Act, or any rights to have this agreement interpreted and enforced under the Federal Arbitration Act. Further, the dispute shall be administered in accordance with procedures established by the American Arbitration Association ("AAA"), except to the extent there is any conflict with the provisions herein, which shall have precedence. The arbitrator shall not have the power to commit (a) errors of law or legal reasoning, (b) errors of fact, (c) errors with regard to mixed questions of law and fact. In addition, the arbitrator shall not have the power to render an award (d) not based on substantial evidence, (e) based on evidence not presented at the hearing, or (f) not in conformity with the substantive and procedural law of the state in which the Project is located. If the arbitrator exceeds any of the foregoing specific powers, the award may be vacated or corrected by filing a petition pursuant to the Act in the applicable court of competent jurisdiction. In reviewing the award, such court shall sit as if it were an appellate court, in all respects, including but**

not limited to the scope of review; provided however the decision of such court is, itself, subject to review by the appellate courts. The arbitrator shall have no power to allow or preside over any form of class proceedings, representative proceedings or any proceeding on behalf of the general public or similarly situated persons. Further, no finding or stipulation of fact, no conclusion of law and no arbitration award in any other arbitration, judicial or similar proceeding shall be given preclusive collateral estoppel effect in any arbitration hereunder unless there is a mutuality of parties. The Parties further agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is a mutuality of parties. In the event arbitration is not enforced, TO THE FULLEST EXTENT PERMITTED BY LAW, LENNAR AND SUBCONTRACTOR EACH IRREVOCABLY, UNCONDITIONALLY, KNOWINGLY AND INTENTIONALLY WAIVES ITS RIGHT TO TRIAL BY JURY.

21.3 In any litigation, arbitration, judicial reference or other ADR, excluding attorneys' fees and costs that are expressly recoverable by Lennar elsewhere in this Agreement, and notwithstanding any law allowing the award of same, both Lennar and Subcontractor agree that (i) neither party shall be entitled to recover any attorneys' fees, costs or expenses even if one party is found to be the prevailing party; and (ii) both parties expressly waive their right to recover attorneys' fees as the prevailing party.

22. INDEPENDENT CONTRACTOR/AUTHORITY. Subcontractor is acting as an independent contractor and not a partner or joint venturer of Lennar. Subcontractor is solely responsible for the employment, acts, errors, omissions, control and direction of its employees, agents, and Sub-subcontractors. Nothing contained in this Agreement shall authorize or empower Subcontractor to assume or create any responsibility whatsoever, express or implied, on behalf of or in the name of Lennar, or to bind Lennar in any manner, or make representation, warranty, or commitment on behalf of Lennar, or purchase materials or otherwise incur debts in Lennar's name.

23. STANDARDS OF BUSINESS ETHICS. Subcontractor represents that it has not and will not receive or give gifts or gratuities, nor participate in any other conduct in connection with this Agreement or any PO that violates the Code of Business Conduct and Ethics of Lennar ("Lennar's Business Ethics") (see www.Lennar.com). Should any employee of Lennar or any of its Trade Partners engage in any conduct which Subcontractor believes is in violation of Lennar's Business Ethics, Subcontractor shall immediately notify Lennar's representatives in writing at the address provided herein. Violation of Lennar's Business Ethics by Subcontractor shall be deemed a material breach of this Agreement by Subcontractor.

24. DISCOUNTS. Subcontractor agrees to accept a discount of ___% off any amounts due hereunder so long as payment of any accurate and complete request for payment is made by Lennar within seven (7) days of receipt of such request for payment by Lennar via Supply Pro®. Such discount is in consideration of accelerated payments from Lennar.

25. COOPERATION BY SUBCONTRACTOR. While this Agreement is in effect and after termination thereof (whether the Agreement expires on its own terms, is terminated pursuant to Section 19 thereof, or otherwise), Subcontractor agrees to reasonably cooperate with Contractor to resolve any and all disputes and/or to effectuate any and all transactions with third parties, including, without limitation, Sub-subcontractors, regulatory bodies, governmental entities, and home purchasers, related to work performed by Subcontractor pursuant to this Agreement. Subcontractor agrees reasonable cooperation includes, without limitation: (i) promptly responding to Contractor's inquiries related to such dispute or transaction, (ii) promptly providing all due

diligence and/or other documents requested by Contractor that is available to or in the control of Subcontractor, and (iii) promptly executing all documents necessary to resolve such dispute or effectuate such transaction as requested by Contractor. The terms and obligations contained in this Section 25 shall survive the expiration and/or termination of this Agreement.

26. MISCELLANEOUS.

26.1 Lennar and Subcontractor acknowledge that they have read, understand, and have had the opportunity to be advised by legal counsel of their own choosing as to each and every one of the terms, conditions, and restrictions and the effect of all the provisions of this Agreement. Lennar and Subcontractor agree that the provisions shall not be construed more strictly against the party who prepared the document.

26.2 Neither this Agreement nor any Goods or Work to be performed under any PO, nor the right to payment under this Agreement shall be assigned by Subcontractor without the written consent of Lennar, which consent may be withheld at Lennar's sole discretion.

26.3 This Agreement may be assigned by Lennar to any mortgagee or subsequent owner of the Project who assumes Lennar's obligations under this Agreement. Subcontractor shall (i) perform the Work and (ii) deliver the Goods and fulfill its obligations hereunder for the benefit of such assignee, so long as the assignee is making proper payment to Subcontractor. In the event of such assignment, Lennar shall be relieved of all liability accruing after such assignment. This Agreement shall be binding on the successors, heirs and permitted assigns of the parties.

26.4 This Agreement, the attached Schedules, and the PO(s) and Scheduling Notices (s) issued by Lennar to Subcontractor embody the entire agreement between Lennar and Subcontractor and supersede any prior understandings or oral or written agreements between the parties. This Agreement, including this provision, cannot be amended except by written instrument executed by Lennar and Subcontractor. Invalidation of any term or condition of this Agreement by any means shall not affect the validity or enforceability of the remaining terms and conditions.

26.5 All notices given under this Agreement shall be in writing personally delivered sent by reputable overnight business courier and will be deemed effective upon delivery or on the next business day if delivered to the overnight courier prior to their next day delivery deadline. Notices to Lennar and Subcontractor will be sent to the addresses noted in this Agreement. Either party may change the address at which it will receive notice by giving written notice in accordance with this provision.

26.6 If any provision of this Agreement is determined to be invalid, illegal or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect provided that the economic and legal substance of the transactions contemplated is not affected in any manner materially adverse to any party.

26.7 In no event shall either party be entitled to any interest on any sum due hereunder in excess of that permitted by applicable law. Notwithstanding anything to the contrary herein, any reference herein to interest accruing on any sum due hereunder shall be deemed to be the lower of: the interest rate stated herein or the maximum rate allowed by law.

26.8 TIME IS OF THE ESSENCE OF THIS AGREEMENT. Any covenants, terms and conditions of a continuing nature shall survive final payment, completion, and acceptance of the Work or Goods, as the case may be, under this Agreement and any applicable PO and any termination or conclusion of this Agreement and Subcontractor has taken into

26.9 This Agreement shall be deemed entered into in the state where the Project Site or Job Site is located and shall be interpreted and applied in accordance with the laws of the state where the Project Site or Job Site is located.

26.10 Subcontractor agrees to perform all of its obligations in strict accordance with the terms of this Agreement and in strict accordance with any contract and/or agreement between Lennar and any owner of the property being improved. Such contract and/or agreement, to the extent applicable to Subcontractor's Work, shall be deemed to be a part of this Agreement.

26.11 The venue for any disputes between Lennar and Subcontractor shall be as follows; (i) Third Party Actions – If Lennar is involved in litigation or arbitration with a third party and Lennar or any other party joins Subcontractor as a party to the litigation or arbitration, Subcontractor consents to be joined in that same venue; and (ii) Other Actions or Disputes – In all other situations, venue shall be in the state and county where the Project is located.

26.12 Upon reasonable notice, at reasonable times, and at Lennar's cost, Lennar or a third-party retained by Lennar shall have the right to access and audit Subcontractor's books, records and documentation for the purpose of auditing Subcontractor's performance of its obligations under this Agreement or PO. Subcontractor shall cooperate by identifying and gathering documentation relating to Subcontractor's performance of its obligations.

26.13 Subcontractor shall, upon Lennar's request and at Subcontractor's cost, provide training to Lennar and its Trade Partners as to any product or service provided by Subcontractor. Subcontractor and Lennar shall reasonably cooperate in choosing the time, place and frequency of such training.

26.14 To the extent of any conflict or inconsistency between the terms and conditions of the documents set forth below, whether existing or entered into at a later date, the documents shall prevail and take precedence in the order listed below:

i. This Agreement;
ii. Any PO;
iii. Any other agreements between Subcontractor and Lennar.

26.15 By signing below, the undersigned certifies that he or she is authorized to execute this Agreement and is taking this action with full authority from the principal.

26.16 This Agreement may be executed in any number of counterparts, a complete set of which shall be deemed to be an original and all of which together shall comprise but a single instrument. Signatures may be given via facsimile transmission and shall be deemed given as of the date of the transmission of this Agreement by facsimile to the other party.

26.17 Subcontractor acknowledges and understands that all information relating in any way to Lennar or its business or affairs, whether written or oral, obtained by Subcontractor in connection with the Work or the Goods provided as part of this Agreement or otherwise and any information regarding the nature and extent of this Agreement ("Confidential Information"), shall, unless otherwise specified by Lennar in writing be deemed confidential and Subcontractor covenants and agrees to maintain such information as confidential. Subcontractor acknowledges and understands that Subcontractor's unauthorized disclosure of any Confidential Information would be extremely prejudicial to Lennar, and

further agrees that Lennar shall be entitled to injunctive relief to prevent any breach of this provision without damages or posting any undertaking.

26.18 Subcontractor's obligations contained in Sections 3, 10, 14, 15, 20 and 21 shall expressly survive any termination of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

TO MASTER TRADE PARTNER AGREEMENT

CONTRACTOR'S STATE LICENSE G111911

DIVISION OFFICE: **Coastal Carolinas**
PROJECT: **All Projects**

This Amendment Number [# 3] to Master Trade Partner Agreement is entered into this **7th day of August, 2015** by and between **Lennar Carolinas, LLC**, ("Contractor") and **Alpha Omega Construction Group, Inc.**, a **Corporation** whose address is **PO BOX 3196 Matthews, North Carolina 28106**, telephone number **(704) 821-6510** (herein called "Subcontractor").

RECITALS

A. Contractor and Subcontractor entered into that certain Master Trade Partner Agreement on or about **(Enter MTPA Execution date)**, Master Trade Partner Agreement No. [# 3] ("MTPA"), pursuant to which Subcontractor was to do certain Work in connection with the Project or Job Site. As used herein, and except as hereby expressly provided, all capitalized words and phrases shall have the same meanings as defined in the MTPA and the Agreement as defined therein.

B. Contractor and Subcontractor desire to amend the MTPA as more particularly set forth herein.

TERMS AND CONDITIONS

NOW, THEREFORE, in consideration of the foregoing recitals, and the covenants and conditions contained herein, and for other good and valuable consideration, the receipt of which is hereby acknowledged, Contractor and Subcontractor hereby agree to amend the MTPA in the following respects:

1. Section 15 of the Agreement is deleted in its entirety and is replaced with the following:

   15. ARBITRATION: If any claim or controversy that arises out of or relates to, directly or indirectly, this Agreement or any dealings between the parties cannot be settled by the parties within sixty (60) days after Contractor is first provided written notice of the claim or controversy by Subcontractor, the parties agree to first try in good faith to settle the

dispute by mediation pursuant to the Construction Industry Mediation Rules of the American Arbitration Association. If the claim or controversy is not settled by mediation, the claim or controversy shall be resolved by final and binding arbitration pursuant to the Construction Industry Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Should a claim or controversy arise between Contractor and a buyer of a residence regarding materials supplied or work performed by or through Subcontractor, Subcontractor agrees to participate as a party in, and be bound by, any mediation and arbitration proceedings between Contractor and the buyer. Subcontractor shall incorporate provisions in all agreements with its lower tier subcontractors executed by Subcontractor with respect to the Work requiring any affected lower tier subcontractor to participate in, and be bound by, such arbitration. Notwithstanding the foregoing, in the event Contractor is named in a lawsuit or other action brought by any third party (including any individual claiming to be an employee of Subcontractor) and Contractor is unable to compel binding arbitration of such lawsuit or action, then Contractor shall have the right, but not the obligation, to bring a third party action against Subcontractor in whatever forum the underlying lawsuit or action is pending.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

By executing the Purchase Order, Contractor represents that it has noted no deficiencies or problems with the Project site, the plans and specifications, the manufacturer's specifications, or any other conditions which would impact its ability to perform the Work in accordance with the requirements of this Agreement or any Purchase Order. If Contractor subsequently discovers any discrepancies between the plans, specifications, manufacturer's specifications, physical conditions, or any errors and omissions in the plans or specifications or in the layout as given that might affect the Work, Contractor shall immediately notify Lennar in writing. 3.1 IMMIGRATION. With respect to its obligations herein or in any Purchase Order, Contractor specifically warrants and agrees it (i) shall not knowingly hire or continue to employ aliens not authorized to work in the United States, (ii) has and shall continue to verify the employment documentation specified in the Immigration Act, and (iii) has and shall properly complete and retain the Immigration and Naturalization Service's Form I-9 for all its employees covered by the Immigration Act. Accordingly and pursuant to the indemnity requirements of this Agreement, Contractor agrees to defend, indemnify and hold Lennar free and harmless from and against any claims or charges asserted or filed against and any judgments, fines, penalties and assessments entered against Lennar arising from or as the result of the employment or engagement of any person inconsistent with the foregoing promises or the laws of the United States. In addition, should Contractor fail to comply with this Section, Lennar shall have the right to rescind this Agreement and/or declare Contractor in default under this Agreement and as a result Lennar will be entitled to all direct, indirect, consequential, impact, or other costs, expenses, or damages, including but not limited to costs, loss of organization, lost profits, or attorneys' fees and/or paraprofessional fees arising out of or as a result of Contractor's breach of this Section. Furthermore, at Lennar's sole discretion and as a monetary remedy for such breach, Lennar may, as liquidated damages and not as a penalty, withhold all or any portion of payments owed to Contractor for any work completed but unpaid prior to Contractor's breach.

3.2 PATENT AND COPYRIGHTS. Contractor shall assume all liability for all royalties, licenses, patent fees, and any other charges made in connection with the use of patented or copyrighted processes in connection with its Work.

3.3 ENVIRONMENTAL. Prior to commencing the Work, Contractor shall identify in writing all hazardous or toxic substances to be used in performing the Work by Contractor, and shall provide Material Safety Data Sheets ("MSDS") to Lennar for those substances. Lennar may hold any payments otherwise due Contractor until such documentation is supplied. Contractor shall immediately notify Lennar in

writing of all hazardous or toxic substances discovered during the performance of the Work or otherwise brought to the job site which were omitted from any previous notification(s) and promptly provide the MSDS on those substances to Lennar. Contractor shall not allow any hazardous or toxic substances on the job site unless (i) necessarily required for the performance of its Work, and (ii) Contractor has previously provided Lennar with MSDS sheets for those substances. Contractor shall immediately notify Lennar of any spill, release or discharge of any chemical or hazardous or toxic substance by itself or any other person. As to any spill, release or discharge of any chemical or hazardous or toxic substance which is caused by Contractor or any of its employees, agents, Subcontractors, customers, or invitees, Contractor shall, at its sole expense, immediately take all reasonable, necessary and legally required actions to (i) prevent the further spread of any spill, release or discharge, and (ii) take immediate action to properly clean up said spill, release or discharge (including without limitation any soil or water contaminated by such spill, release or discharge) in full compliance with all applicable laws and regulations and any directions from Lennar.

It is acknowledged and understood that Contractor has inspected the job site, observed the environmental conditions of the job site, and reviewed and complied with Lennar's plans and specifications, including Lennar's Storm Water Pollution Prevention Plan ("SWPPP") and Dust Control Plan, and that Contractor has notice and knowledge of the environmental conditions of the job site. If, during the course of its performance of the Work, Contractor discovers a previously unidentified environmental condition, then Contractor shall immediately notify Lennar and shall not proceed with any work that would disturb such environmental condition without Lennar's approval.

3.4 STORM WATER COMPLIANCE. Contractor shall comply, and shall ensure compliance by those acting by, through or under Contractor, with Lennar's SWPPP, applicable storm water permit ("Permit"), Dust Control Plan, and Lennar's Storm Water Compliance Guidelines to the extent applicable to Contractor's work ("Guidelines") if such Guidelines have been developed at the time of this Agreement. Before beginning any work at the job site, Contractor shall review the SWPPP, Permit, and applicable Guidelines, copies of which will be available at the job site or will be made available upon Contractor's request. If required, or requested by Lennar, Contractor shall sign the SWPPP before beginning its work. To the extent applicable to its work, Contractor shall fully comply with and implement the SWPPP, including the Best Management Practices ("BMPs") described by the SWPPP and applicable Guidelines. Contractor shall take care not to damage any BMPs, including any storm water, sediment, or erosion controls, by its work, and in the event Contractor causes such damage it shall immediately report such damage to Lennar and take appropriate measures to remedy such damage. Without limiting any of its other rights or remedies provided elsewhere in this Agreement (including its right to defense and indemnification by Contractor), Lennar may offset from any payments due Contractor, or otherwise recoverable from Contractor: (i) the costs to repair or replace any BMPs damaged by Contractor; and (ii) the costs of all fines, fees, expenses and other penalties sought against or incurred by Lennar due to, in whole or in part, (a) Contractor's violation of the obligations herein, (b) Contractor's violation of the SWPPP, including violations arising from damage to BMPs caused by Contractor, or (c) Contractor's interference with the implementation of the SWPPP by Lennar or by any other party responsible for implementing the SWPPP. Failure to satisfy the obligations in this paragraph shall be deemed a material default of this Agreement, and Lennar may, without prejudice to any other right or remedy, (i) withhold any payments to Contractor under this Agreement or otherwise until Contractor has remedied its failure, and/or (ii) terminate this Agreement, withhold payments otherwise due Contractor under this Agreement or otherwise, and retain a separate contractor to complete Contractor's obligations at Contractor's expense.

3.5 DUST CONTROL COMPLIANCE. Contractor shall comply, and shall ensure compliance by those acting by, through or under Contractor, with Lennar's Dust Control Plan and applicable Dust Control Permit. Before beginning work at the job site, Contractor shall review the Dust Control Plan and Dust Control Permit, copies of which will be available at the job site or will be made available upon Contractor's request. To the extent applicable to its work, Contractor shall fully comply with and implement the Dust Control Plan and best management practices ("dust control BMPs"), including any dust control measures, devices or work practices, described by the Dust Control Plan. Contractor shall take care not to damage any dust control BMPs at the job site by its work; in the event Contractor causes such damage it shall immediately report the damage to Lennar and take appropriate measures to remedy such damage. Without limiting any of its other rights or remedies provided elsewhere in this Agreement (including its right to defense and indemnification by Contractor), Lennar may offset from any payments due Contractor, or otherwise recoverable from Contractor: (i) the costs to repair or replace any dust control BMPs damaged by Contractor; and (ii) the costs of all fines, fees, expenses and other penalties sought against or incurred by Lennar due to, in whole or in part, (a) Contractor's violation of the obligations herein, (b) Contractor's violation of the Dust Control Plan, including violations arising from damage to dust control BMPs caused by Contractor, or (c) Contractor's interference with the implementation of the Dust Control Plan by Lennar or by any other party responsible for implementing the Dust Control Plan. Failure to satisfy the obligations in this paragraph shall be deemed a material default of this Agreement, and Lennar may, without prejudice to any other right or remedy, (i) withhold any payments to Contractor under this Agreement or any Purchase Order(s) hereunder or otherwise until Contractor has remedied its failure, and/or (ii) terminate this Agreement, withhold payments otherwise due Contractor under this Agreement or otherwise, and retain a separate contractor to complete Contractor's obligations at Contractor's expense.

3.6 SAFETY. Contractor is an independent contractor and shall be solely responsible for ensuring that its Work is performed in a safe manner. Nothing herein shall be deemed to be an exercise of control by Lennar of Contractor's safety obligations. Contractor shall take all reasonable and necessary safety precautions with regard to the Work, shall coordinate its safety precautions with other contractors, subcontractors, and suppliers, shall comply with all safety requirements, laws, regulations, rules or ordinances of any authority (governmental or otherwise) responsible for the safety of persons or property. Contractor shall notify Lennar, both verbally and in writing, of all injuries to Contractor's employees within eight (8) hours of the injury. Failure to adhere to Lennar's safety policies, the safety requirements of this Agreement, or the job rules shall be deemed a material default of Contractor's obligations. Contractor agrees to comply with all health and safety programs, as well as any rules promulgated by Lennar, in furtherance of Contractor duties under the Occupational Safety and Health Act. If in the opinion of Lennar the health and safety of any person or persons is endangered or appropriate safety measures are not being implemented, Lennar may (but is not required to) take such action as it deems necessary and appropriate, including without limitation, the following: (i) stop Contractor's Work or require Contractor to immediately remedy any unsafe condition caused by the Contractor at its own expense; (ii) shut the Project or job site down, in whole or in part, until any unsafe condition is remedied; (iii) remedy any unsafe condition caused by Contractor at Contractor's sole expense; (iv) terminate this Agreement and hold Contractor fully liable for any losses incurred by Lennar as a result of the Contractor-caused unsafe condition and such termination; and/or (v) recover against Contractor all fines or penalties assessed by any authority (governmental or otherwise) and caused by or alleged to have been caused by Contractor.
