Re: Jada Garris, Respondent vs. Lexington County School District One, Appellant
Appellate Case No.: 2020-000770

Dear Ms. Kitchings:

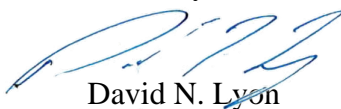

Counsel for the Appellant respectfully requests a thirty (30) day extension to file the Appellant's Initial Brief and Designation of Matter. Per your July 7, 2020 letter, Appellant was instructed to file the above documents within thirty (30) days of the referenced letter. Based on our calculations, this would make August 6, 2020, Appellant's deadline to file. If the requested thirty (30) day extension is granted, the new filing deadline would be on/or before September 5, 2020.

This is Appellant's first request for an extension. We are respectfully making this request due to a heavy workload.

While this request is pending, we would respectfully request that all filing deadlines be deferred. We appreciate your time and consideration in this matter.

By copy of this letter, we are informing counsel for the Respondent of this request for an extension.

Sincerely,

David N. Lyon
