Appellant (Pro Se)

Attorneys for Respondents

Appellant Raymond Wedlake, respectfully requests the Court's leave to file a Supplemental Designation of Matter and a Supplemental Record on Appeal including the following materials:

1. Declaration and Petition for Incorporation filed August 27, 1993
2. Objections to Purposed Order emailed March 10, 2020
3. Notice of Unavailability filed February 4, 2020
4. Motion to Exclude Content from the Record on Appeal files May 21, 2020
5. Exhibit 2 - Bill of Rights, Amendment XIV
6. 2020 Budget from January 30, 2020 Meeting

Appellant believes that it is appropriate to request that a Supplemental Designation of Matter and a Supplemental Record on Appeal be filed to ensure that all materials referenced in both the Appellant's Initial Brief and Initial Reply Brief are included in the Record. At the time of filing the Appellant's Initial Reply, an additional Designation of Matter was not filed. Appellant is requesting leave from the Court to do so at this time and that the additional materials be included as a supplement to the Record on Appeal.

The Court's consideration of this matter is greatly appreciated.

Respectfully Submitted,
