RE: Richard L. Coleman 186995 vs. SCDP995

APPELLATE CASE No. 2020-000744

I am in receipt of your response letter dated July 20, 2020. You verified that the filing fee is now \$ 250.00 per order of the Supreme Court on October 15, 2018.

The Court must know that America is currently not normal and as a direct result there be a lot going on that is totally un-control-able by the American Individual. Covid-19 has totally effected the American life style and this virus has effected the American People. We Americans are not living in normal times. Moments of history is being lived out in America currently and it time for us as a people to apply exceptions to our normal life style. in order to survive the Covid-19 Pandemic.

Currently Covid-19 has speaded like wild-fire in South Carolina Department of Corrections, and the operations of SCDC is by no means normal. In particular I am at Perry Correctional institution I currently lock-down, because the whole institution is lock-down due to quarantine. Moments are not normal so not normal when the National Guard must assist officials here at Perry institution and through out SCDC.

Furthermore I am fortunate to be able to send this

Particular letter Based on the provided factors in this letter there be no way I can meet the order of this Court Therefore I am going to Request that this Court allow me to proceed in forma pauperis or hold my appeal in abeyance.

Please file Request with the Court and if you have any questions please feel free to contact me.

Sincerely

Richard Coleman
