We will not proceed with the Webex oral argument scheduled for September 14, 2020. Ms. Harrison,

I have spoken with opposing counsel, Audra Byrd. To the extent you need a reply to day as to the test date prior to your final review of my letter, we agree to September 1, 2020 for the test date. However, we do both believe this case will be settled by the time oral argument is scheduled and, if the Court requires it, we are willing to jointly move for a continuance while we finalize the settlement.

Please let me know if you have any questions.

Thanks,

Kerry

Ms. Harrison,

I sent a letter to the Court notifying it that the parties had entered into an MOU and requesting that oral argument be postponed for the sake of judicial resources and that we would notify the Court if the case did not settle. We anticipate settling the case this month. Do we still need to go forward and select a date or can the argument be postponed?

Thanks,

Kerry

Dear Counsel:

In response to the Covid-19 pandemic, the Court of Appeals is pursuing remote oral arguments via Cisco WebEx. **This appeal is scheduled for oral argument on September 14, 2020, at 10:40 am.**

The time limits for argument are as follows:

Appellant: 10 minutes
Respondent: 10 minutes
Appellant in reply: 5 minutes

In addition, the attorneys making the oral arguments must attend a WebEx test to check their connectivity. We require you to test from the location you will be making your oral argument. We anticipate the testing will take between 15 and 30 minutes. Attorneys planning to observe oral argument need not attend the test.

We are offering two test dates. August 26 at 10:00 am and September 1 at 10:00 am. Please reply to this email with your preference for testing.

You will receive emails from WebEx with links to register for the oral argument event and the test event.

Our WebEx guidelines are attached for your review.
