v.

State of South Carolina, Respondent.

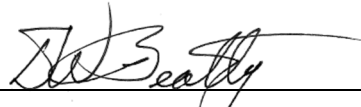

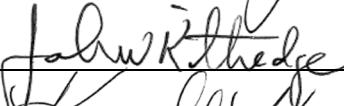

Appellate Case No. 2020-000253

## ORDER

---

Petitioner seeks rehearing of an order of this Court dated June 16, 2020. Because the prior decision of the Court did not have the effect of dismissing or finally deciding Petitioner's appeal, we decline to entertain the petition for rehearing. *See* Rule 221(c), SCACR (indicating an appellate court will not entertain a petition for rehearing unless the action of the court on the prior motion or petition has the effect of dismissing or finally deciding a party's appeal).
