Adam,

Just wanted to update you on the status of your request for the above referenced transcript. I have all the files Ms. Sigwald's family produced for Court Administration. Her backups are done in a different manner than I do mine and it is quite an undertaking going through all of her audio. I will keep you informed as to my progress, but as of right now, I am having to listen to hours of audio trying to locate this particular case.

Thank you for your patience!

Adam, I am still working on it. I'm so sorry for the time it's taking, but there is so much audio to listen to with no markings as to what is what. I promise I'm working diligently to get this located for you.

Thank you so much for your patience!

No pressure at all from me. I have plenty more to occupy my time. Just papering my file.
