Ms. V Claire Allen SC Court of Appeals

I understand that my case was being held in abeyance pending receipt of the PCR transcript. Also the second petition for writ of certiorari and supplemental appendix as ordered by Chief Judge Lockemy. The order was filed May 22 2020 in which the Judge stated in the order that it shall be served and filed within thirty days my question is has it been done yet? It's been 2 months and I haven't had any response. Ms. Allen I'm not meaning to be a bother to you in any way whatsoever understanding you being busy on a lot of other cases and such also dealing with this Covid-19 " this pandemic but I've been very wrongfully convicted and sentenced for this crime of burglary in the 1st. And I've been in prison for 5 yrs and 7 months for nothing with nothing meaning nothing was proven in the 1 day trial I had back in 2015 except an innocent man me being railroaded into prison at the age of 46 (never being in prison before this.) With nothing meaning none of the elements for any type of burglary was met by the state. No evidence physical or circumstantial, witnesses, Affiant, not being

CONFIDENTIAL

AND I SUS

able to place ~~me~~ ^{me} ~~in~~ ⁱⁿ ~~consideration~~ ^{consideration} of this building (house) not a dwelling because nobody lived there. Aiken County public def. office along with the solicitor's office and then Chief admin Judge Early tried to make me guilty of this crime by breaking the law themselves in which it's all documented. I have a question I need to ask because I'm ready to go home to my family and after loosing my mother back in march its gonna ^{be} really hard ^{for} me to put my life back together but I have to for my 6 kids and my 3 grandkids. I recieved some advice about getting a summer judgement seeing as how my case has been in front of the Supreme Court (twice)?? and your Court twice as well. I've been to the law library to search for a case similar to mine an also asking around about cases like mine possibly. None were found nobody's ever heard of this happening. In your experience have you ran into this before? I just want to go home will this summer judgement help me? Thank you for all your help in this matter.

Very truly yours
W. McCladdie
