SC Court of Appeals

Ms. Kitchings, "Clerk"

this letter is in regards to my issues that wasn't rule on by the PCR court. I put in my Application for P.C.R on Jan. 8 2015 the issue was trial Counsel rendered a deficient performance when he failed to object to the trial courts erroneous jury instruction that shifted the burden of proof. I also put in a Amended application for Post conviction relief on MAY 6, 2017. All my issues wasn't rule on. I wrote to the Clerk of Court in Florence County on 12-9-2018 with a Motion to Alter or Amend Pursuant to Rule 59(e). The Clerk sent my motion back without filing it, ~~because~~ the reason was my Appointed Attorney will have to file this document. I wrote the Attorney and sent Him a copy of the Motion

59(e) to file because all my issues wasn't rule on and the ~~refuse~~ Attorney refuse to do so, He even wrote me a letter telling me He wasn't going to because the Judge wasn't going to change his mind. I want this letter to be on record so that I can show the courts that my rights are being violated and also I would like for the courts to order the PCR courts to make a ruling on all my issues so that I can raise them in the High courts. Inclose is a copy of the motion that I sent in. I would really appreciate your time in this matter, also could I please have this letter stamp clock and file for the record.

Thank You

Troy Hunter
