Re: Edward Spears v. Michael Hopewell  
Appellate Case No. 2020-000479

Dear Mr. Spears and Counsel:

The Court received the respondent's return to the appellant's motion for extension of time to serve and file the appellant's initial brief and designation of matter dated August 14, 2020. This Court issued an order granting the appellant's extension request on August 18, 2020. Therefore no action will be taken on the respondent's return to the appellant's motion for extension. However, this Court does acknowledge the notification that no documents have been served upon the respondent, as stated in the respondent's return. The appellant is advised that all documents filed with this Court must be served upon the opposing party. Failure to serve the opposing party with all future filings will result in the dismissal of this appeal.

Very truly yours,

*V. Claire Allen*
